Taehyung's pov :

What.the .fuck. I'm . doing here?

This bitches got no life !.....

“Tae c’mon stop looking like we are at a funeral”,Jimin nudge me, I looked down at him sternly.

“Jiminie ,it is a funeral!! Like what kind of a party is it without music and only drinking high class wine and talking like high society people when we know they are not”,I shrugged ,here I am in a party which is dull like a statue’s life.

Like every fucking now and then ,here we are invited at a party again! Aishh I hate boring and colourless atmosphere. It’s only black and white here , people wearing expensive dress or suit.

“I know but it’s Crystal pack Alpha’s birthday . You have no idea how I want to leave this fucking place”,we are not best friend for nothing.

Jimin, Hobi and me are from Moon pack . Just because Jimin's father the Alpha of Moon pack we are here ,like man if you want to attend a party do it alone!! Why forcing people to go with you.

“Guys I'm bore as hell! and no one here get my sense of humour!! “,Hoseok hungs his arms around both our shoulders. Jimin Sigh nodding ,I tilted my head to the sideand gosh I got the best idea ever!!!

“I fucking know this expression! Last time you had this expression we end up in jail!! Nah nah I'm not doing it”,Hoseok take a step back.

“Oh c'mon Hobi ,that guy called you Horse face ,we didn't do much except putting a few bugs in his house”,I shrugged.

“Um ,I think A LOT OF RATS ARE NOT CALL-“,I quickly covered Jimin's mouth with my palm.

We received many glare.

“Oh my apologies ,he just had a small.. panick”,I flashed my unique smile and received a nod and few smiles back.

“Boys please it's only for- 2 or 3 hours more”, Jimin's and Hoseok's mother walked towards us.

“Should I be happy that I will rot for more than 3 hours here aunt”,I asked with a little sarcastic tone

“Woah bish don't call me aunt!! ,call me Luna or MiMi”,she whispered yelled.

“Eomma cursing doesn't suit you now”,Jimin scrunched his nose.

“Yes Mimi ,you shouldn't curse like that”,I chuckled taking a sip from my glass of red wine.

“Eomma why are we here!?“,Hoseok sighed..

“Jimin and Taehyung are still mateless ! So who knows they might find their mate in a party”,she look around.

“I'm mateless since a long time ,that I don't even think my mate exist ,not like I'm against the idea tho”,I hummed thinking. When did I fell in love last time?..

“Whatever I had a date tonight and here I'm!!!“,Jimin groaned.

“Oww our fuckboy missed his date”,I tease him and he glare at me.

“Taehyung behave please I beg you”,Mimi pout.

“You are too old for begging”,

“And you are too old to behave like a kid”,did she- ok fine she win.

“Fine ‘aunt ’ I willtry“,she pout and walked away.

“Talking about mate where is my y/n”,Hoseok look around.

(Y/n is wearing)

“I’m Here babe!! I got myself a lemon cake. I’m too bore too stay at one place”,she rolled her eyes while Hoseok put his hand around her waist, and admire her eating with a sweet smile. I do envy them sometime ,but I think I have no mate in this FUCKING world!!

“Now that the group is here let’s begin the real party”,I smirked, Jimin shrug, Hoseok nodded like a soldier and Y/n being her cute self smile widely ready to take some action.

I walked where the useless DJ was after explaining the plan to the others.

“Hey can I have the mic please”,he eyes me licking his lips, I know I’m too handsome.

“Sorry babe but young master told us today should be perfect and looking at you I don’t think you will do something good”,I smirked , internally strangling him in my mind. Seem like I will have to use my charms...

“Who is this young master of yours?“,I want to know that FUCKING party pooper.

“Jeon J-”

“Minho come here we need you!!“,he quickly run there leaving everything like it was. They are kind of scare of this Jeon family.

“Huh idiot”,I laugh quitely and took the mic.

“Good evening everyone! We are here to celebrate Crystal pack Jeon alpha’s birthday , applause”,the dumbass went along with it. I’m too good..

Mimi and Jisan looked at me with a warning glare and I just smirked.

“To be honest this party is boring”,gasped....well

“I know we want to relax our body so here it is!“,I smile widely ,and put the music, loud signalling Jimin to turned all the lights off while y/n and Hoseok to turn the colourful lights.

“C’MON GUYS ITS A BIRTHDAY PARTY ,LET HAVE SOME FUN ALONG WITH THE BIRTHDAY’S BOYYYY, WOOOOO”,I yelled .

Jimin ,y/n and Hoseok get on the dance floor ,which was created by pushing some tables and chairs. They started to dance which attractes everyone in even Mr Jeon ,haha I see..

“THATS IS IT FAM- !! I MEAN GUYSSSS”,I smiled , getting on the dance floor.

Men surrounding me ,I didn’t give a fuck and continue to sway my hips ,with my friends.

I stopped the waiter and took shots after shots. That's some good shit...

Jungkookpov

"Yoongi Hyung can you stop, glaring", I said sternly drinking my fourth glass of wine.

"Jungkook stop drinking or your father will be angry"

"Like I give a fuck. I don't like family event ! Like it's just show off . If my mother didn't forced me here I wouldn't be here", I furrowed my eyebrows.

"Whatever let's go now", we walked out in that stupid party which should be perfect or I'm baring the consequences if something went wrong.

I looked downstairs from upstairs, boring environment it's just like I want peace.

Then my eyes land on them eating each other face!! I clenched my jaw trying to ignore the stinging sensation was feeling in my heart.

"Kook don't", Yoongi touch my hand which was now crushing the railing, I nodded.

I looked around ,and stop sniffing deep, where is this scent coming from!!! Shit it's making me go crazy. I panted my eyes roaming around quicker.

"Kook are you fine?",

"N-o, it -i need to find it!!!", I could feel my wolf getting excited ,like if he want to jump out of me. That scent is intoxicating me. I'm getting attracted to it. Where-

"Good evening everyone! We are here to celebrate Crystal pack Jeon alpha's birthday , applause", my head snapped towards that black beauty.

He was smiling widely ,a unique beautiful smile,but his eyes hide something,my wolf was jumping in happiness. He was looking ethereal, beautiful features, beautiful smile.....mine..

"To be honest this party is boring",his voice is so alluring.

"I know we want to relax our body so here it is!",I need to find that scent, i- all light went off and music blasting.

I know my father will kill me soon ,but I don't give a fuck.

"C'MON GUYS ITS A BIRTHDAY PARTY ,LET HAVE SOME FUN ALONG WITH THE BIRTHDAY'S BOYYYY, WOOOOO",eerrghg my head it's spinning I need to find the owner of that scent!!!. Shit my body is overexcited!!

"THATS IS IT FAM- !! I MEAN GUYSSSS",Ignoring Yoongi calls ,I growled and walked in the crowd. Even if I promised myself to reject my mate here I'm having no control over my body.

I groan and pushed dancing people away , That scent getting higher.....and herehe is the black beauty is releasing this fucking addictive scent. He was swaying his hips, god those curvy body, like if God himself took all his time making it. ,but soon he stop when I approached.

Taehyung pov

Yes buddy that's what I call a party!! Drinks, loud music and fun..... I'm so proud of myself. I wipe away my fake tear.

I took another shot feeling tipsy ,but hey...who cares. I continue to dance when that scent hit my nose like a god damn truck!!!! It's smell like when the rain fall on a dry ground, with a mixture of sweet coconut . Hmmmm I want it...

The aroma was near me ,and I could feel my inner wolve excited. I was already drunk and wanted to get drunk more with this scent.

I felt someone behind me ,and turned around there he was ,an unknown ravenette handsome guy. Sharp jawline, cute round nose ,a little plump lips with a small mole under it, which made me shiver was his eyes ..

Dark eyes staring right in my soul ,it was intimidating yet facinating. The way he was looking at me made me feel a wave of excitement travel my whole body . He kept his eyes on mine and soon grabbed my wrist pulling me somewhere.

Author pov

Jungkook pulled Taehyung in a room upstairs after running there . They were both drunk and over that there wolves was not helping...

More important the full moon was having it's effect..

Everybody was downstairs, some already going home ,some already sleeping somewhere because they were drunk and some still partying with dim light. Some hunting in the forest, or some getting more Wilder....

The music was heard less when Taehyung was pinned again the wall harshly with a growl. He bite his lower lips which made the other more crazier.

Jungkook did promise to reject his mate, because he never believe in all this not after what he passed by, his heart became more cold ,but right now something else was Controlling him ...want, lust, full moon , specially Taehyung amazingly satisfying scent sweet strawberry and lavender...

He just loved the scent, he was going crazy for it ,he want to like eat it or nuzzles with the person, and moreover that person was an angel , ethereal, beautifulbut except that he didn't heard anything or saw something more than this sexy bomb in front of him.

Without wasting a second Jungkook goes straight giving a sloppy hungry kiss, wanting to eat Taehyung's every inch.

That's when he felt the pleasure ,the want,the need and many sinful thing.

He slipped in his tongue in drunk Taehyung's mouth,loving every bite of it for him it was sweet. He continues to suck , nibble until Taehyung take the lead ,both trying to dominate .

Taehyung was too drunk to win it, but even if Jungkook was drunk he could still do a lot before finally getting tired.His stamina is no joke...

“Ahhh~~“Taehyung whimper when Jungkook suddenly lift him putting Taehyung's legs around his waist and pressed their bodies together,bone crushing pressed .

“Fuck so beautiful”, Jungkook mumbled and Taehyung swear he loved this heavenly soft but husky voice.

“Fuck-mmm~~~“, Jungkook nuzzles his nose against Taehyung's neck, and leave a long wet lick from his neck to his ear.

“I will fuck you so hard you will not be able to walk for week”, Jungkook growled louder , before harshly throwing not so small frame on the bed.

Taehyung gulped loving the harshness ,then looked at Jungkook's red eyes ..

hewas Jungkook's prey.

Well fuck...

He thought before the night consume them or they consume each other...

Hola~~

Chapter 2

The night was dark, many enjoying the evening. Also today was full moon which was making all wolves reckless. They were out of their mind and enjoying hunting.

Talking about hunting, didn't we talk about a prey in previous chapter? Let's see what that prey is doing.

“AHHHHHHH ~~~FUCK PAPI”, we should have probably knock on the door. Wait a secondwe are shameless let's continue 😊.

Jungkook slammed in his huge dick in Taehyung's small pink hole not letting the older adjust to his size.

Jungkook loved the feeling his dick was envelope in Taehyung's warm hole, it was sending more excitement and satisfaction in his body. He wanted more of it, Taehyung was not less, he was loving this roughness.

His virgin hole was filled and stretched. He was covered in many hickeys from head to thighs, bruises or red marks.

“AHHHHHHH w-wai-ahhhhhmm~”, Jungkook pulled out, but slammed in again even if Taehyung told him to wait.

“DON'T ORDER ME!!”, Jungkook growled red eyes looking directly in Taehyung's red eyes which edge were blue which Jungkook find beautiful, for the first time Taehyung felt submissive the pleasure made him feel like that. He flipped Taehyung on the bed, bring him up by his hips.

Taehyung bite the pillow when Jungkook thrust in him again, he clutched the bed sheet in his hands. Jungkook's lick his lips eyes more red and full of lust when, he look at Taehyung's perfect curvy back.

His hands went on Taehyung's hips harshly gripping on it and made Taehyung meet his pace. Jungkook was a beast right now, and full moon was something which made him more violent.

Taehyung's tears rolled down his cheeks like precious pearls.

The bed was creaking, by the violent movement forward and backward.

The bed was made of wood and with Jungkook's animalistic amazing pace hebroke the bed but that didn't stop him.

Jungkook gripped a fist full of Taehyung's Fluffy hair which was now sweaty like his and pulled it towards him. Taehyung moaned deep, Jungkook's dick still inside Taehyung, made him sit on him the older arching his back.

“MINE!! ONLY FUCKING MINE!!“, Jungkook growled louder ,which made Taehyung whimper due to the roughness again.

Jungkook pulled more harshly and bite Taehyung’s earlobe.

“You are so FUCKING TIGHT!!“, saying this in a second he pulled out and slammed his dick in again hitting Taehyung’s sweet spot.

“AHHHhhhh~yesss ~~fuck me harder Daddy !! Please“, Taehyung yelled then bite his lips. Jungkook felt more turn on being called Daddy ,.....oh he got a new kink.

“C’mon ride me“, Jungkook whispered sending goosebumps to his whole body. Wasting no time Jungkook retract his dick out and change place admiring Taehyung state hooded eyes, pink cheeks ,sweaty looking hot as hell, with swollen red lips.

Jungkook was not tired one bit ,his red eyes were fixed on Taehyung eyes, who groaned and dropped himself slowly down on Jungkook’s length, he started to bounced on that dick which was filling him ,making him complete.

Jungkook was loving the sight,it was a very beautiful ,sexy and wet dream. Oh boi.....

Feeling impatient Jungkook sit up squeezing once again Taehyung’s hips and thrust faster and faster leaving Taehyung with his lewds moans and yell...

Taehyung felt like a doll,he was loving Jungkook strongness.

“Urrghh faster~mmmm daddy!!“,he panted , Jungkook which was leaving more hickeys and huge purples marks on his neck ,look right in his eyes Taehyung didn’t flinched or got scared, he stare back licking his lips.

Without sayings anything Jungkook pace increased when his eyes land on the full moon ,he was no more in control of himself well the little bit control he had vanish completely,he rammed Taehyung’s sensitive pink swollen hole in an animalistic pace more faster than that.

Taehyung eyes rolled at the back of his head ,he was a yelling mess, he was being abused down there. Skin slapping was heard loud. He was going crazy seeing stars loving his scent.

They both were under the full moon’s light ,when there fangs started to grow. Jungkook keep biting or nibbling his skin.

Both scent were mixed together creating a more intoxicating scent driving them crazy and then it happened

Both mouth wide open and bite on each other neck sinking their fangs in each other flesh.....

This was a new kind of feeling for both of them , feeling the excitement and pleasure in each other,it was an unexplain pleasure, they just know it’s unique and they were loving it.

Taehyung who have avoided drinking human blood was not able to stop himself Jungkook's blood was something else ,it was too delicious and satisfying.

Talking about Jungkook he hiss when Taehyung's fangs sinked in his neck ,but when he started to suck his blood . He was loving the sensation how the blood was traveling to Taehyung's month. His body was loving it,it was like his own drugs which made him feel very very very good.

At the same time they both released, Jungkook inside Taehyung and the older on there stomachs.

The night continued like this , like 4 rounds until Taehyung was exhausted,and Jungkook finally getting free from the full moon effect as it was already morning.
They sleep on that broken bed .

(The full moon only controlled his strength and madness,not like his wants or lust).

Ohthey marked each otherwell Fucking fuck....

Chapter 3

Taehyung woke up ,he looked by his side and saw a man ,they didn't got the time to tell each other names or any introduction because they directly had.....sex like animal.

He ruffled his messy hair ,he quickly get up groaning a little ,his healing process is quite quick. His eyes widen and then he smirked, *we broke the bed! So powerful!*

He shut his eyes preparing to walk because he was still a little sore , he put on his clothes and hiss touching his neck .

“Oh fuck”,he mumbled turning more pale, remembering every moment of last night ,his head snapped towards the muscular guy, back half covered with a blanket .

Jungkook was sleeping on his stomach small snores leaving his lips which Taehyung find cute ,he admire a few minutes every inch of Jungkook's face. Jungkook sweet scent hit his nose ,he was himself smelling like Jungkook.

All he wanted was snuggles with Jungkook and stay in his arms feeling protected but he also knew ,he couldn't they didn't even talk and just end up having sex. He couldn't blame all only on moon ,he himself was aroused by Jungkook ,by his sweet scent.

“Handsome adorable Bunny who broke my ass”,he mumbled with a smile, removing a strand of hair from Jungkook's eyes. His eyes land on Jungkook's mark. He bite his lower lips and quickly walked out of there.

He limped a little going downstairs in that mansion. When he saw Jimin with another Black hair guy. They seem to be arguing but with a smile.

But right now Taehyung had to leave ...

“Oh the fuck not!“,Jimin gritted his teeth.

“Too bad my love you will”,the black hair guy smirked, looking at Jimin who was fuming in anger.

“I-”

“Sorry to disturb you guys ,but I think we need to leave Jimin”, Taehyung quickly grabbed Jimin's hand and received a growl from the smaller male with a glare.

“You fucking leave him omega!!“,The one inch taller than Jimin said.

“You FUCKING keep your voice down Alpha!“, Taehyung glare back.

“Yoongi you don't talk like that to him again got it!!“,Jimin yelled , pulling Taehyung going out , leaving an angry and shock Yoongi.

“First drink your vitamins”, Jimin give Taehyung’s his vitamins which he take so that he don’t feel weak because he doesn’t suck people blood. Jimin told him that taking this vitamins after he feels weak will helped him so he just obey.

After drinking water Taehyung continue his story...

“Then you both fucked”, Jimin said expressionless with big eyes.

“No ,we stare at each other a few minutes on the dance floor then-”

“Then you both fucked”,

“Chim!! No he then dragged me upstairs then-“,

“Then you both fucked”, Taehyung sighed loudly.

“No!! Then he slammed me against the wall and sniffed me , we kissed it was so addictive then-“,

“Then you both fucked?”

“NO!! Still not let me talk goddamn it!!.....he threw me on the bed and in a very seductive and manly voice said he will fuck me until I can’t walk and then.....“,he looked at Jimin who stay quiet this time ,just looking at Taehyung.

“Say it damn it!!“,

“Oh!oh! And then you both fucked!“,Jimin jumped on the bed.

“Yeah and marked each other”, Taehyung bite his lower lips.

“JISOOS FUCKINO CHRISTIANO!!! YOU BOTH ARE BOND NOW!!!!“,Jimin screamed his lungs out ,making Taehyung to fell off the bed.

“WHO!!? WHO !? WHO ARE BOND!?“Hoseok burst the door opened looking around yelling.

“T-Taehyung Hobi!!!“,Jimin said still standing on the bed.

“Oh my godeu really!!? Who!? With who!? Do I know him!?”

“Aishhh shut up guys!!! We got carried by lust ok and did it and end up marking each other that’s all . It’s not like we can’t live without each other “, Taehyung chuckled nervously. Hoseok and Jimin shared a look and sit infront of him.

“Taehyung-”

"BABE IS THAT TRUE!?? TAE MY LOVE!!!!", Y/n burst in .

"Are you all planning to break my door!?! And Hoseok why did you tell her!?!", Taehyung massage his forehead.

"She felt I was scared and linked with me so I end up saying it , well I panicked i couldn't stop the small voice In my head", Hoseok giggled nervously. (They talk through link). Taehyung just rolled his eyes..

"So does that mean you wouldn't have told me!?!", Y/n pout , Taehyung sighed.

"It's not like that boo ,it's just that I'm still confuse , don't make that face come here", Taehyung smile and opened his arms wide Y/n smile widely and run to Taehyung sitting on his lap hugging him.

"Hide something from me and I will kill you", she gave him a bone crushing hug.

"O-ok! But STOP!", Taehyung fake that he couldn't breath.

"Yeah you should better stop and place that ass here. Like right now", Hoseok said brushing his hair while smiling but his eyes were not ,and pointing at his lap. Y/n quickly obey and sit there ,now the three in front Taehyung.

"By the way Jimin why do you smell different?! And-OH MY GOD YOU GOT MARKED TOO!?!", Y/n touch Jimin's neck who wince and pulled his collar up.

"Chim!?"

"Ok fine yes ! I find my mate in the middle of the night and he directly came and marked me, like what the fuck!? So you know how I'm I end up marking him back", he scratched his ear.

"What was he saying in the morning? ", Taehyung asked, like the way the alpha got angry earlier he could tell he was Jimin's mate.

"To shift in his pack...like if I would. That fucker didn't even feel the need to know each other first he just jumped and marked me!! Aishhh !!",

"Actually you can't really blame him completely, did he looked at the moon before jumping on you.", Hoseok asked Jimin nodded.

"Oh must be an alpha then, because we are only the one who can't control when we see the full moon. Well we do have control but we become more possessive and need to mark and leave our scent on our mate", Hoseok explained.

"Ohhhhh", Taehyung and Jimin nodded processing everything in their mind.

"What's his name ?", Y/n asked leaning more on Hoseok , whose head went on top of Y/n head wrapping his arms around her. They have been mate since two years now found each other on their first day at college.

“Min Yoongi Swaggy Handsome Genius”, Everyone burst into a fit of laughs.

“Yahh!! I’m not complimenting him!!! He present himself like that!!”, Jimin threw a pillow at them and pout.

“I know him ,we had a few training together ,he is a nice guy”, Hoseok smiled .

“S-sorry it’s just sound funny and weird to say that to your mate on first time meeting”, Taehyung breath deeply calming down.

“Say the one who don’t even know his mate NAME!!”,

“I told you I’m not gonna to die if I don’t meet him!”, Everyone look at him seriously.

“You know your scent got more stronger, Jimin and me can control ourself because I love y/n and we consider you like our brother. But you should be careful around everyone now”, Hoseok explained worried, because now Taehyung scent was completely stronger mixed with another one.

“Oh my fuck !! Really!!?No need to worry I’m strong and what about the mate thing you were saying before?”,

“You really don’t know Tae !? You must be like what 95 years old -“, only Jimin , Hoseok, y/n and Jimin’s and Hoseok’s parents knew about this. Because since birth he was born with like a shell no one will ever know he is a vampire.

“I’M 93 !! AND RIGHT NOW I’M AND LOOK LIKE 23!! DONT SAY I’M OLD IT FEEL YUCKY!!! Thank you”, Taehyung yelled.

“Taehyung you need to know”, Y/n said seriously more worried.

“Hehhhe he is just joking “ ,Jimin laugh nervously at the people looking.

Yoongi sighed he rubbed Taehyung’s back while Taehyung hugged him tighter, both was liking each other warmth.

“Listen baby , Jungkook is just a dumbass ok. He is just stuck in his past and think that love and all don’t exist anymore. He feel betray and don’t trust anyone now. He must have been just angry over something and then take it out on you”,Yoongi said softly.

“Y-yah I told him we should eat when he was working”, Taehyung pout.

“See ! He must be frustrated . I’m sure he will accept you soon just don’t give up. I can see you two are faithed to be together. Ok “, Jimin started to like Yoongi a little more.

“Now stop crying ,I will scold him “, Yoongi wipe his tears.

“Pinky promise ?“, Yoongi Chuckled thinking was he really an old vampire . He behaves like a kid, but what Yoongi liked was his heart was pure.

“Pinky promise”, *I think I’m in love.....*

Jimin smile looking at both but he felt a little jealous.

“Oh my holy moly Poly goly paly maly Saly jely bely chilly!!! One week ago you two were killing each other and today hugging each other!? Jin said coming from the restaurant opposite the building with Namjoon.

“Jungkook said nonsense to him so I was comforting him like he was my younger brother well if you can say younger”, Yoongi said smiling when Taehyung hit his hand.

“My body is still 23 not 93 !! “, Taehyung giggled.

“What!? Oh my Tae! Come to Hyung”, Jin hug him.

“I’m gonna to do that let’s go Namjoon”, Yoongi said.

“Yep he is getting out of hand. Bye guys and don’t worry too much Taehyung “, Namjoon smile and ruffled Taehyung’s hair, as Taehyung touch his dimple with his index.

“Wow it’s deep”, he giggled.

“Oh my god!! He is so precious !“, Jin hugged him tighter.

“Oh yes he is”, Jimin smile.

“Hyung don’t hug too tight it’s not good for the baby”, Taehyung detached himself from Jin.

“Oh yes”, Namjoon pecked Jin’s lips and walked away when Yoongi also peck Jimin’s lips and run away leaving Jimin to blush.

“Tae slow down on the black bean noodles!“, Jin scold him.

“Sorry Hyung but its too good ! Try it”, Taehyung smile cheeks Puffed out.

“I-i already ate”, he sighed.

“It’s so yumyyy isn’t it Jimin?” Taehyung asked .

“YESSSS the best!”

“Ah duck it!! Give me some!” Jin stuffed his mouth with it with a long moan.

Taehyung and Jimin chuckle at the pregnant omega loving his food.

Taehyung suddenly had a sad smile remembering Jungkook’s harsh words.

Jin notice it and stop eating.

“It’s not your fault “, Taehyung look at him confused.

“He wasn’t always this cold guy . “,

“That’s hard to believe” Jimin rolled his eyes.

“When he was 18 he didn’t met his mate like he thought he would. So he soon gave up when he met his first love...her name is Sana she was new to our pack. She is the same age as Jungkook during those days she too didn’t had a mate. So both thought maybe they were destined to each other”, Taehyung listen carefully.

“They were completely in love at least what Jungkook thought. Jungkook was happy... she was happy for one year. They promise to mark each other if they find their mate or reject them”. Jin said sadly.

“But?” Jimin asked.

“But everything changed when Sana found her mate. She didn’t hesitate to even sleep with her mate she knew for only one day . She broke Jungkook’s heart, she told Jungkook they never were meant to be together and she is happy with her mate. “,

“What a Fucking bitch!” Taehyung’s eyes flashed blue reddish, Jimin put his sunglasses on for him can’t risk people see his eyes.

“Thanks “, Taehyung said still frowning.

“That’s why he left the pack”,

“But what about his father? He can’t just left the pack right he is the future head alpha” Jimin ask confused.

“He hate his father now. Believe me they were the closest to each other but after what happened Jungkook started to hate his father”,

“What happened?” Taehyung asked.

“Sana’s mate is Jungkook’s elder cousin who was sent for training that one year. He even beg his father for help but his father couldn’t do anything. And being the stubborn Jungkook he is

,he thought his father was at fault and leave because his father took his cousin's side",Jin sighed.

"He truly is an asshole",

"Chim!", Taehyung smacked his head.

"I kind of agree..... that's why he didn't accept to have a mate. Because he don't believe in all this because he couldn't have who he wanted",Jin said.

"But trust me Taehyung he may not show it but he is fond of you. I can see how he look at you or talk to you, about you",Jin smile making Taehyung smile surprised.

"Please Taehyung make him feel love ...the real love not fake . Because I know you are not only with him for sex",

"Well mostly it because of sex!His body !! God that shit is too perfect! And his big firm hands !!damnnn chock me papi! He got a huge d-"

"Tae control dude!",

"Oh sorry ! He affect me so much.....but yes I do like him Hyung and I will shower him with affection and be strict too because he can't always have what he want when he want", Taehyung said confidently.

"I like it!",Jin Laughed.

"By the way Taehyung I wanted to ask something",Jin said licking his lips.

"Sure Hyung"

"Did your wolf yell mate when you met Jungkook?", Taehyung started to thought about it.

"Actually Hyung I don't have this ability , my wolf can't tell me this all I know is Jungkook's scent was addictive and we already mark each other before knowing if he really was my mate", Taehyung bite his lower lips.

"So that's mean only Jungkook knows if you two are real Mates",

"I'm sorry ok!! But he kept whining!!", Jungkook yell massaging his temple.

"So!? You shouldn't hurt him like that! He is an innocent bun!", Jungkook scoff.

"Yoongi Hyung are you fine!? Since when you like him?",he glare at Yoongi.

"Since now! The moment he hug me",Yoongi shrugged.

"HE WHAT!? SEE THAT'S WHAT I DONT LIKE HE IS TOO TOUCHY WITH OTHER PEOPLE!", Jungkook growled getting up from his chair.

“You are jealous!? Wow dude saying you don’t like him and now you are jealous”, Namjoon laugh at it.

“Hyungs I’m already feeling guilty ! Don’t add more ! I don’t l-like him !! Please leave me alone I need to be alone”,

“Fine but solve this”, Namjoon said before they leave.

Jungkook stare down his building from the big glass. He saw Taehyung coming out from the restaurant infront his building smiling widely at Jin . He ignore everyone present around Taehyung and stare at him intensely.

“What are you doing to me?”,he mumbled and Taehyung’s head snapped up their eyes met but Taehyung look away like he didn’t knew Jungkook and walked away, leaving..... Jungkook with frown...

The interior was very beautiful and attractive. Jungkook was so impressed. As the elevator open they were greeted by a beautiful short man.

“Nice meeting you”,they shake hands. Jungkook and Namjoon was really impressed by this new environment

“How did you know we are coming?“, Jungkook asked.

“The receptionist called Mr Jeon and you are an important guest so I came to escort you personally”,he smile showing the way.

(Credit to @KOOKTA3 take a look at her edits on Wattpad 🏹)

"You are nothing to me right now! Just a client!you are here to talk about business so stop complaining and start telling me why should I collaborate with you and not other companies", Taehyung said firmly seriously.

Jungkook clenched his jaw he was hating that feeling in his heart ,why was it hurting !? . Jihoon came back with their drinks.

Taehyung eyes were fixed on Jungkook while the latter explained everything. Namjoon was smiling looking at this two ,both are stubborn .

"Hmmm, nice argument . But I still have doubts, Mr Byun proposal is more in my profit", Taehyung said seriously.

Jungkook was still amazed at how professional Taehyung is. He thought that Taehyung is always annoying and don't take thing seriously. But he also can't deny he miss that Taehyung who would annoy him, call him pet names, smile at him , ruffled his hair ,tell him when he is wrong.....damn he is missing Taehyung too much.

But there was also a question.....how Taehyung was so calm when they didn't met for two weeks.

"Mr Jeon stop staring at me and talk", Jungkook hear Taehyung talk and he quickly clear his throat.

"Mr Kim I confirm you if we collaborate for the summer project we will both be in profit",***(I know shit about business 😞)***

"Mr Jeon I know the way you work and I personally dislike it. You are short temper, stubborn and arrogant and I wouldn't tolerate any misbehave towards my subordinates. Merging with you is very challenging", Taehyung lean on his table elbows on it while his chin on his palms.

Jungkook look at Taehyung intensely*beautiful...*

"I promise to work on my anger ,I just get annoyed quickly and hurt the person infront of me and regret it later. But I promise to control my anger Taehyung", Taehyung could feel Jungkook was apologizing in a way to him. Taehyung lips went in a line and sat straight.

"Anything else you want to add Joon Hyung?", Taehyung asked.Jungkook was jealous of Namjoon now , because they behave so close while Jungkook is the stranger. Namjoon just smile.

"No , Jungkook said everything.", Taehyung nodded.

He took the phone and call Jihoon. Soon he came smiling but glare at Jungkook who just look away....*even his staff hate me now!*

“Yess Boss?” he asked nicely.

“Aishh! Were you having your lunch? I’m so sorry. Go have your lunch I will do it “, Taehyung asked eyes wide as he felt guilty. *(give me a boss like him god! 🙏)*

Food life....

Jihoon quickly wipe his mouth and shook his head.

“Don’t be sorry Boss ! I was done when you called me”, he smile . Jungkook was Jungshook *why is he so..so nice!? Is he a fallen angel!?*

“Oh ok, but next time you tell me you are having your lunch! It’s not good to leave your food “, Taehyung warn him but end up smiling.

“So get me the papers”, Jihoon nodded and quickly went to get it.

“Congratulations Mr Jeon and Mr Kim I’m accepting your offer”, Taehyung said and gave Jungkook the contract he already signed.

Jungkook smile widely and get up shaking Taehyung’s hand ,he really didn’t wanted to leave his hand...he miss his touch. He pout when Taehyung pull back.

Jungkook sign the contract without reading it, Taehyung smile feeling trusted because he always see Jungkook reading carefully before signing a paper.

“I hope we get along Mr Kim”, Jungkook smirk with a smile after...

“Sure Mr. Jeon I love challenges”, Taehyung smirk.

"Both love challenges Jinnie....god they are made for each other ! Ahh why this dumb of a Jungbook can't accept it already!?", Namjoon mind link with Jin.

“Joonie!! i Wish was there with my popcorn!! It will take time but Jungkook will realized it one day.....oh and on your way back get me some Tamarind!!”.

“Yes your highness”

“See you Hyung and tell Jin Hyung to have lunch with me tomorrow I miss him”, Taehyung smile making Namjoon patted his cheek which made Jungkook growled. Taehyung just rolled his eyes.

“I will tell him”, he said and walked out leaving the mates. Jungkook was checking out Taehyung at how beautiful he was looking.. a white button up shirt tugged inside his pant ,but three buttons were open showing his collarbone and that necklace with a small stone was making him breath taken.

His eyes trailed down he bite his lower lips drooling looking at Taehyung’s ass , his curvy hips, small waist was making that brown tight large pant sexy.(the pant is like tight on his ass but when as it gets down it’s get larger)

“Anything else Mr Jeon?”, Taehyung look at him blankly....*where is the smile boi!? But fuck why I want to fuck him while he scream Mr Jeon!!! I’m getting horny! He is so damn pretty - wait! You didn’t read that ok !!!*.

“Stop Calling me Mr Jeon already!“,

Jungkook sigh and suck on his lower lip. He so wanted to touch Taehyung ,take a good sniff of his addictive scent,kiss those pretty pink lips which only Jungkook can claim.

“Taehyung I’m sorry for that day. I- my wolf was jealous seeing you being clingy to someone else ,and at the same time I was stress over those paperwork that I end up losing control over my anger ,it’s not like I was really angry when you were annoying me! Because you are only my vampire omega -i mean for now !-Fuck-what I mean is forgive me already!“,he yell it was most like a kid wanting something and is throwing a tantrum.

Taehyung stare deeply in his eyes, he wanted to smile but stay serious.

“Have a nice day Mr Jeon you can leave”, Taehyung turned around smiling but soon was pinned against the wall . Jungkook’s hands pin his hands on the wall beside his head.

“I. Said. Stop. Calling. Me. Mr . Jeon . Babyboy”, Taehyung bite his lower lip to not moan as he can feel Jungkook body pressed against his back. He so wanted Jungkook to fuck him but he was also stubborn. Jungkook nuzzle his nose on Taehyung’s neck ,*he smell so good*, he was smiling .

Taehyung couldn’t hold his moan when Jungkook suck on his skin leaving bruises there. Jungkook grabbed both his wrist and pinned in above his head. His right hand traveling down Taehyung’s body and stop right on Taehyung’s piercing, Jungkook nuzzle his nose more in Taehyung’s neck . He pulled the shirt out of the pant and travel his hand inside rubbing the piercing pulling on it making Taehyung moan.

Jungkook is weak for piercing and specially Taehyung’s bellybutton piercing and the piercing being a bunny make him more happy and excited.

He was about to slip his hand in Taehyung’s pant but the next second he was bend on Taehyung’s table hands behind his back because Taehyung was holding them..... hehehe

“Mr Jeon you should keep your dick in your pantit might get cut off”, Taehyung whispered near his ear sending chill through Jungkook’s entire body. Taehyung grip was strong and Jungkook wouldn’t deny he kind of love it because he wasn’t the only strong one here..... weak people is no fun to challenge.

But he also didn’t like being manhandled too ...he was the top after all!!

“It’s not a way to ask sorry, ok I admit I almost lose it but still I’m not easy to convince”, Taehyung spank his ass.

“Ouch!! What the fuck Tae!? I’m the top !!“, Jungkook yell like a kid.

“I know darling....but I’m a power bottom”, Taehyung bite his earlobe and pulled his collar and leave a hickey there making Jungkook lick his lips with a small moan.

“I will buy your favorite strawberry cheesecake as much as you want”, Jungkook try to bribe him ,he feel the grip getting lose and pulled back to stand facing Taehyung who had an eyebrow raise *why so handsome!?*

“Really?“,

“YES !“,

“MY PAPI CHULOOOO~ COME TO BABYBOY!“, Taehyung jump on him, legs around Jungkook’s waist.

"If you can't take care of it then I'm going to make someone else take care of it", of course he wouldn't ,he was just trying to lure Taehyung. He turned around to leave until he heard the water from the shower ,he turn and almost gupled .

“Y/n!! Is it hurting too much?”, Taehyung picked her up a little too easily for his petite body which made many gasped.

“No I’m good ,don’t worry”, Jimin sat next to her massaging her ankle.

“Jungkook she is doing it on purpose”, Namjoon who just came in saw everything.

“I know Hyung she is a real bitch ,but this part is on Taehyung’s side so I can’t say anything”, He glare at Lisa who just lazily look at y/n.

“So why are you even here for?”, Namjoon smirk.

“Oh I see”, Jungkook just look away, soon Taehyung grabbed their attention.

“What? She is just bad at this work. It’s her fault she is just a pathetic omega and you aren’t my boss ok so don’t talk like that to me!”, She glare at him.

Taehyung was no longer sweet he became salty and sour.

“Listen here you Beta!! You don’t talk shit about my model got it! She is more experience than you by 4 years !you are only in this profession for 2 years! You are not at all beautiful with your bowl cut hair and fake wig!”, Taehyung glare at her.

“Jungkook!! Jungkook is my boss I never sign a contract with you ...hahahaha poor you . Jungkook babe tell him”, Jungkook rolled his eyes as he walked towards this drama which he

She cling on Jungkook's arm which made Taehyung glare at her while she smirk.

"Boss",Jihoon hand Jimin the paper.

"Here honey ,you clearly sign here so that's mean either me or Taehyung can fire you",Jimin smirk.... Jungkook gave her the paper to sign but she didn't read it and sign it earlier.

"Aren't they fighting why are they using sweet words?", Namjoon mumbled.

"I don't know and don't care but damn Jimin is hot as hell with that smirk", Namjoon rolled his eyes at Yoongi who was checking out his mate.

"Lisa don't be jealous because y/n is more beautiful and have manners unlike you... Seriously Koko what did you saw in her ?", Taehyung shook his head.

Taehyung started to do many pose with all his perfect expression. Sometime teasing sticking his tongue out or seducing with his eyes.

Y/n and he would hug, giggled and do many pose together.

“They rock it soooo good!! Watch them you duck”, Jimin yell.

Jungkook was already drooling and all shock seeing how he look like a professional model. What Taehyung can’t do!?.....still have to find out...

“That was great!! Good job!“, suho inform them.

Taehyung smile and bow to him and walked back to Lisa.

“Wow I think we just found a new model Miss Lisa”, Taehyung smirk.

“Geez why so extra”,

“You love it Koko so don’t pretend to complain...oh and you should be happy I’m the face of your company now”, he peck Jungkook’s lips and wink at him going in the dressing room.

Jungkook groaned not so happy.... because alot of bastard will look at what is his and he isn’t liking it.

Chapter 14

Jungkook was in a kind of bad mood since the morning Taehyung have been busy and is modelling . When Jungkook went to look for him he saw how he get compliments and how he smile at those men and women.

When Taehyung saw him he directly came and jumped on him ,which Jungkook act like he hated it and of course didn't gave a fuck if his employees are watching. It's not a secret they are mate when they literally reek like each other scent which everyone agree is quiet a nice scent .

There were some beta and alpha eyes Fucking Taehyung as his scent became more stronger. So When Taehyung asked Jungkook what he decided for date thing....he said no he was busy out of jealousy.

Taehyung since then was glaring at him and didn't talk to him. For revenge Taehyung was doing many sexy pose right infront my salad-um sorry I mean right infront Jungkook's eyes. Which made him more angry, is he was not even looking at him . Taehyung would wink ,stick tongue out, smirk , showing his collarbone but to the camera or looking at someone else.

So Jungkook got mad and walked out from there. He kept repeating to himself they have nothing between them ,they are just mate by mistake and it's his wolf who is jealous not him.....ahh boi lie soooo much.

"I don't care about him!",he groaned and lean on his chair. When suddenly his office's door was burst open with a yelling deep voice.

"YOU!!!! ", Jungkook was startled he look up and saw a short beautiful/handsome man and when his scent hit Jungkook's nostril he knew it was a vampire.

"Sir! You can't go in !!",Onew run after him.

"You shut!! ",The handsome man rolled his eyes. Jungkook nodded and Onew left .

"Jungloo right?",he ask.

"Jungkook and you ar-"

"YOU SMALL PRICK OF A CACTUS!! Why did you made my Tae upset!!? No one get away after making my babyboy upset!!!",he yell and was about to jump on Jungkook over his table went a tall male run inside and grabbed him by his waist stopping him. Jungkook frown why was he calling Taehyung his babyboy when he was Jungkook's baby- um.

"CHANNIE LEAVE ME!!!!",he struggled , Jungkook look surprised and noticed that short male resembles like Taehyung a lot , specially the glare with red beautiful eyes.

“Baekie love!! Stop you are scaring the boy like this and getting all worked up for nothing!” he said with a frown.

“Channie he made our son upset!!!” he pout and glare at Jungkook whose eyes widen .

“God! Let’s just use the gun then”, The tall male said glaring at Jungkook.

“Wo!Wo!Wo!!!! No one is using gun here and will you for fuck sake stop yelling and tell me who are you!!?” Jungkook get up ,the couple look at him .

“That’s so rude”, The short one said which made Jungkook remember our Vampire Omega.

“I’m Park Chanyeol and this is my husband Park Baekhyun and we are Taehyung’s parents”, Chanyeol bow a little . Jungkook still shock bow back quickly and a lower one.

“I’m Jeon Jungkook ,I didn’t know he had parents! I mean no offense but he said his parents are dead”, Jungkook said and Taehyung run through his already open door.

The couple look at Taehyung and Taehyung did the same. Jungkook’s head move forth and back at both . When suddenly.

“TAETAE MY BABY!!!”

“BAEK EOMMA!!!” *yep they are related.....* both yell and threw themselves on each other with tears of joy while Baekhyun lift Taehyung and spun him who was obviously taller than Baekhyun .

They stop and Baekhyun cupped his baby’s face . They wipe each other tears.

“I missed you so much!!” His eomma started pecking his cheeks leaving Taehyung with a giggling fits.

“I missed you too!! But why did you came here ,in that thing cabin”, Taehyung point at Jungkook who scoffed.

“When I called you ,you said he didn’t wanted to be your date and sound upset so of course I will flatten his ass for upsetting you”, Baekhyun glare at the still Jungshook male. Taehyung act like he was very hurt and pout.

“Tae! I’m here too!”,

“Sooooorrrrryyyyy channie appa! I missed you too”, Taehyung smile and hugged him while Chanyeol sigh happily.

“Um don’t wanna to be that person but what’s happening here? And Taehyung you told me your parents were dead and please sit down please”.

“Oh at least he still have some manners”, Baekhyun rolled his eyes and sit down with Chanyeol next to him and Taehyung on his lap, Jungkook didn’t mind it was his father so...

“I’m Taehyung’s uncle ,his father’s brother . After he and his marked mate die ,I mean when the Fucking psycho villagers killed them . I could only save Taehyung who was a two months baby at that time and since then I’m taking care of him-”

“BAEK EOMMA I’m an adult now!“, Baekhyun smack his head .

“Don’t interrupt eomma when he is talking and you are still my baby !!!“, Jungkook cough to hide his Laugh while Taehyung pout with a sorry.

“So now I’m Taehyung eomma and channi- Chanyeol is his appa and Taehyung is our pure heart spoil child who we don’t like to see upset.... that’s why we were gonna to beat your cold-hearted alpha ass-“, Jungkook look a little sad about the cold hearted thing but he really do give this impression right!?....

“Yahh my Koko isn’t cold heart Baek eomma! He is very sweet and caring . He make me laugh and happy , he always take care of me on bed when we f-”

“JKOAHALLELUJAHWIGANAKAVGD!! “, Chanyeol yell.

“Appa didn’t you go to school your alphabet spelling is wrong”,

“Tae ! Come to the point and spare the dEtAiLs”, Baekhyun plead.

“Yeah so I was saying.... Jungkook isn’t a cold heart person he is just a little not so good to socialize to people,he have trust issue, but !does his best to try trusting someone. He will push you away but doesn’t mean it ,he just try to not get his heart broken. When he let his guard down he is the cutest bunny you will ever see!! Aishhh he got a very adorable bunny smile!!if you know him and he get comfortable with you he will be a spoil brat ! You will not believe it’s an alpha!! -“,he stop talking dreamily when he saw all three staring at him mouth a little ajar.

Jungshook didn’t knew Taehyung notice so many thing about he always seem to be busy in his own bubbly world. But his heart didn’t stop beating faster when he saw how Taehyung smile fondly talking only about him..

“But we are still mate by mistake so now we are trying to find a way to be free from each other”, Taehyung change the conversation , Jungkook blink. Well actually they didn’t even try once to find a solution.....they were too busy Fucking .

“NO! ...um I mean you two aren’t ordinary wolf or vampire. You both are strong and it make you unbrokeable, so no I don’t think there is a solution”, Baekhyun said quickly. Jungkook felt giddy -giddy all of a sudden while Taehyung quickly hide his smile.

“Mr Park-”

“We are not ready to let you call us appa, eomma and we hate being called uncle so call us Hyung”, Chanyeol said.

“Ok hyungs ,I’m very happy to meet you and have um a good conversation? But Taehyung and I have a meeting in 15 Minutes ,so we will have to leave.“,

“Oh we understand.....but Jungsook you will be Taehyung’s date at y/n and Hobi’s wedding right?“, Baekhyun ask with a smile not reaching his eyes....

“Of course I will! and it’s Jungkook- let it be!“,He smile nervously while Taehyung squeal leave Chanyeol to squish Jungkook in his arm.

“I lobe you Soo much Koko!!!“, Jungkook felt his heart melt he knows Taehyung was just saying that like nothing but why he want to hear the word ‘love’ not ‘lobe’. Does he likes Taehyung like in a romantic way? Was it even a question Jeon?

“Um Taehyung go change“, Taehyung nodded and went to Change in his regular clothes.

“It was nice meeting you Jungoo!!“, Jungkook look at him confused why he was yelling. Then he realized Taehyung can hear it if he isn’t Soo far from his office . Where as Taehyung he still focus his mind and ears towards the office wanting to know what his parents will say.

They get up and Baekhyun hug Jungkook.

“Hurt my baby once and you will be dead the moment I know about it“, Baekhyun smile cutely (which Jungkook notice he have the same boxy smile like Tahyung)and step back from now a little taken aback Jungkook.

“Babe don’t scare him like that“, Chanyeol chuckled and patted Jungkook’s shoulder.

“I know how to use a knife,a bazooka, a gun ,a sword and many more on aperson. I hope to see my son always smiling then Jungkook-ah “,he smile too at Jungkook who gulped ,the couple was really a scary one.

“Hahahhaha I understand“,he said and the couple leave. He sighed loudly dropping on his chair.

" He is a very nice person Baek eomma ,he just needlove to break that’s wall around him“, Taehyung smile while his parents ,Jimin, Y/n ,Hoseok, Mimi, and Jisan were all sitting in the living room.

Since Baekhyun and Chanyeol came he have been talking only about Jungkook, and they could finally see the real smile their son have. Not the one he have been showing since years.....

“Tae are you finally forgetting*him*?“,Taehyung who was smiling now was froze . The room became silent everyone looking at Taehyung worried, this topic have been always fragile .

“Eomma.....I can never forget him, and will never forget him. He has been in my heart since the first day . But don’t worry I’m - I’m over him now.....i-i accept the reality now“,with that’s his tears rolled down his cheeks.

In a second Baekhyun was next to Taehyung and side hugging him and pecked his ear.

“You are my strong baby, I’m proud of you!“, Ignoring the pain in his heart. He smile he can’t make everyone sad .

“Hehehe ~~ I got emotional ! Stop looking like you came at my funerals “,he laughed ,all of them rolled their eyes ,but happy their shameless silly Taehyung was back.

Then remembering *him* did trigger memory and his heart was hurting.

“C’mon people!! We need to go shopping!!“,Hoseok boost the mood and everyone get up smiling or groaning.

Next week was the wedding and they had to buy some things. They didn’t need suit or dress because , Taehyung was taking care of dresses and Jimin was taking care of suits.

“Y/n babe red suit you better!!“, Taehyung said looking at some lingerie. Jimin and Hoseok went on the other side of the mall while Taehyung get Y/n hereshe need something sexy for honeymoon!!

Some guys were staring at them with lust Outside the shop which like always they ignore. Their amazing scents attracts horny Alpha or beta and they were used to it. But Taehyung’s scent was stronger well it was said when he got mark his scent will increase and since that day he have fight many horny asses.

“But I like the green one“,she pout.

“Gawds! I know Hobi like green but who wear green lingerie for their honeymoon!! Like you will be ...wow Hobi fuck me I’m your elf!?“,He waved his hands in air like always not giving a fuck about people watching him.

“Yah idiot keep it down!“,she smack her bag on his head.

“That’s rude!! “,He whine rubbing where he felt only like a mosquito bite.

“Trust me he will call you elf if he saw you in the green one! Take the black one with fake diamond around your boobs!“,he said excited.

“He will not!“,Y/n yell back. He took out his phone calling someone.

“Yeah Hobi! ..bitch I’m not lost! Geez it happen only what..twice?.....fine 3!!! But it’s not the matter here!! So um say if Y/n wear a green lingerie what will you say ?“,y/n couldn’t even hit him more what did she expects from Taehyung to keep quiet?

So they just glue their heads together to listen what Hoseok was about to say.

" She will look like a cute elf!! Yeah!! But it will not stop me from doing the dirty!! "

“J-fuck I didn’t ask so many questions but I love some more tea~~...but for now! Byeeee“,He hang the call.

“I TOLD YOU!!! HAHAAH”y/n rolled her eyes and took the black.

Something catch Taehyung eyes and he quickly waddle towards it. He decided to take it and was already thinking about Jungkook.

“Can I help you with something sir?”a male employee asked.

“Yep I need this in my size!”he smile widely.

“S-sure sir”,the man was already imagining Taehyung in it.

“You can imagine but you will not have it in reality it’s only for my Koko”,he smirked and wait for y/n while the employee get all red doing what he was told to.

“We should call Chim and-WOOO!”, Taehyung felt a smack on his ass. They were going towards the parking.

He turn around to see a tall guy quite muscular smirking at him.

“Nice ass babe, wanna to show Daddy how it makes his dick feels good? I don’t mind a threesome too”, Taehyung smirk at him, giving his bags to y/n who glare at that man who was an alpha.

“Awww~~you wanna to be my daddy ,let me look at your back daddy~~”,The man smirk letting Taehyung go behind him.

“I knew you were an easy one so my place or yo-AHHH”,the man was sent flying with one kick.

“Sorry dude but I don’t have a daddy kink.....I have only papi kink and I do have a papi chuloo~~ and bitch threesome!? You think I’m a dog in heat for dicks!”,he yelled wiping his hands together .

The man get up growling and ran towards Taehyung who look at him lazily.

“Then lets go for papi!”,a loud growl was heard and he was sent flying again with a very painful and powerful punch which broke his jaw.

“Nah you aren’t because I’m his one and only papi chuloo!”, Taehyung smile shock looking next to him a Jungkook who smirk and didn’t look hurt or anything with that strong punch he gave that man.

“Wow!!! My Koko !!my hero!!~~”, Taehyung squeal with Jungkook rolling his eyes and y/n filming them.....well it was very interesting.

The man was unconscious on the dirty floor.

“Koko what are you doing here!?and how did you find me!!?”, Taehyung asked smiling at him.

“Buying shoesyour scent plus I felt a stinging sensation on my ass so....“, Taehyung grinned, their bond was so strong that they could feel each other pain.

Bond is very rare to happen. With normal wolves it very rare, if the need to be with them with full heart isn't fake then it might occur, and if that occur with normal wolves it's mean they can't have sex with someone else if it's not their mate. They will feel dizzy or sick .

But in Jungkook's and Taehyung's it was a little bit different. They were bond and also can't sleep with someone else ,but they are completely like each other better half. They can feel exactly what the other is feeling physically ,and even if one of them block the mind link the other can break in if he really wants too with his wolf taking over. ***(No Jungkook don't feel pain in his ass when he fuck Taehyung. When they have sex they don't feel the pain of each other because they are giving it to each other 😊)***

“You know you were looking hot and cute with that entry ‘i'm his one and only papi chuloo’ ~ ~well you gave me a boner!!!“, Jungkook look down and saw the bulge.

“Let's go home”, Jungkook said and dragged Taehyung by his wrist, while Hoseok and Jimin was coming towards them.

“What happened?“, Jimin asked y/n.

“Money and I give you the video record”

“BiTcH!!”

Taehyung was in dazed and soon smile while he look at Jungkook's back.

“Yes let's go ...home“,

Chapter 15

“congratulations on this success Mr Park, Mr Kim and Mr Jeon”, the tall handsome man grin at Jimin and Taehyung eying them which Jungkook didn’t like . Their summer collection was a huge success in one month getting billions.

“Oh thank you Mr Seon !“, Taehyung smile and was about to shake hand but Jungkook went for the shake hand, leaving the man with a frown but quickly smile.

“Thank you ,why don’t you grab something to drink”, He smile creepily ,the man nodded and leave.

“Koko you are getting possessive again!....I like it!“, Taehyung wiggles his eyebrows .

“Like if, I’m just tired to say thank you ,and you just get engage in long conversation ,it’s so annoying”, he rolled his eyes and stop a waiter taking a glass of white wine.

Taehyung isn’t very fond of alcohol ,his type was vodka or other think just to get drunk and party. But just like tasting he prepare not.

“So you don’t might me flirting or talking to someone else”, Jungkook rolled his tongue between his teeth and inner chin.

“Would I mind?....not at all why would I ? we are just fuck buddy . But if you don’t want to get sick don’t kiss them”, Jungkook smirk and sip his wine .

Taehyung felt bad hearing the ‘we are just fuck buddy’but can he show it now ? No! Because he will make Jungkook feel jealous now as a punishment.

“Oh papi ~i can’t have sex or kiss someone but that doesn’t mean I can’t be close or touch them or give a blowjob or a handjob or even.....have feeling for them, right Fuck buddy?“, Taehyung smirk and walked away letting Jungkook look all surprised.

Taehyung walked sexily towards Mr Seon who smirk and a hand went on Taehyung’s waist who look comfortable.

“You know dude ,you should stop deny your feeling.“, Jungkook flinched.

“The fuck!? Where did you come from?!“, Jimin rolled his eyes.

“Man you are so absorb by Taehyung that you literally can’t see anyone else ,like me who was since the start here next to Taehyung!!“, Jimin crossed his arms .

“It’s n-nothing like that ok!“, Jungkook stuttered eyes went on Taehyung and Seon again, now his blood was boiling Taehyung’s hand was on his chest and was getting to close.

“Jungkook I don’t know what you think about Taehyung . But don’t judge him only on his bratty and horny for your dick parts. He have been through alot.....since you came in his

life..... i can see he is genuinely getting over his past. Now when he smile it's not just to make other happy ,it's a real smile. Once his heart was broken and it was the horrible thing that could happen ,I never saw what happened to him because I wasn't even born then. But the way Baekhyun hyung told me it seem like the worst thing..... Please Jungkook don't break his heart he really likes you",Jimin whispered.

The hall was noisy and music on top of it ,even so Jimin didn't wanted to take risk saying it loud for Taehyung to hear him.

Jungkook eyebrows were furrowed ,*Taehyung likes me? ...who broke his heart?*

He look again at Taehyung who was laughing loudly with Seon who roam his hand on his back. But now that Jimin told him he like to act happy ,he concentrate on Taehyung and could feel he was feeling uneasy and smile fake..... He clenched his jaw.

"Don't worry Jimin ***I will not*** ", he walked towards them and pulled Taehyung by his waist.

"Sorry Mr Seon but he is mine.....", Taehyung blush surprised he was making him jealous but he didn't thought Jungkook will confess that infront Seon.

"You want Taekook to happen right?",Y/n walked beside Jimin who was smiling looking at Jungkook and Taehyung.

"Of course I do...and there is nothing wrong to give a small push",he smile at y/n who smile back.

"Why don't we give a big push to Yoonmin , mochi babyboy?",Yoongi appeared grinning.

"Not you again pale Daddy!"

Jimin Sigh loudly and walked away from there with Yoongi following him.

Jungkook dragged Taehyung in the bathroom.

"Hey we are fuck buddy right!? So I can flirt with him!", Taehyung pout fakely. Jungkook stop on track they could hear each other heart beats beating faster.

Taehyung was pinned against the nearest wall.

"We are more than fuck buddy.....I don't think my heart will beat so fast for a fuck buddy",with that Jungkook smashed his lips on Taehyung's lips who had wide eyes. Taehyung close his eyes hands around Jungkook's neck ,while the latter grabbed his small waist..

Did Jungkook just admit he have feeling for Taehyung!!? Yes he did but that doesn't mean he love him.....well that's what Jungkook is trying to convince himself.

They let go panting looking right in each other eyes.

“S-sorry for saying we are fuck buddy but I didn’t know what to say. You are still annoying as ever. “ , Taehyung hit his chest.

“Koko you took a lot of time to get jealous!! Aishh I didn’t like when he was touching me!!“ ,he pout.

“I knowI felt it” ,he whispered.

“You still don’t believe in mates?“ , Taehyung asked him. Jungkook bite his lower lips, not wanting to answer. Taehyung giggled and peck his lips.

“Let our feelings unlock Koko” ,he smile , Jungkook nodded and hesitantly smile back, this smile of Taehyung wasn’t fake ,he look like an angel.

Days later~~

Jungkook arrived at the place the wedding and reception will take place mean the Moon pack. The wedding was held in open air. Everywhere was decorated very beautifully with flowers .

After parking his car ,he walked towards the entrance and was quickly greeted by Jisan and MiMi.

“Oh my heart!! This boy smile is so adorable!!....oh and right in there!“ ,she pointed in the house after pinching his cheeks.

He nodded and went in ,and saw Jin and Namjoon at a table . Namjoon looking with heart eyes and a beautiful smile at Jin who was eating a piece of cake, well he literally stuffed it in his mouth until his cheeks couldn’t take it.(not the wedding cake).

“Hi Hyungs” ,Jin smile at him while Namjoon blink a few times before looking at Jungkook with a smile too.

“Kook-ah~! You should definitely taste this cake it amazing!!!“ ,Jin smile Satisfied after swallowing the cake in his mouth.

“Oh I see Mimi pinched your cheeks too...she said with Jimin around she got this habit of pinching cheeks”, Namjoon cheeks was also a little bit pink like Jungkook’s.

“That’s my Jimin-ah effect on people!! You don’t know how much I wanna to pinched those damn chubby cheeks!! like god if I’m dying give me two second to touch those cheeks!!and not only those cheeks also his butt-”

“Of course -i mean-”

“You want to have sex with my child!!“, Chanyeol glare at him. Jungkook felt so pressure on him ,first they had problem thinking he don’t want Taehyung ,now when he said he want Taehyung they also have problem ! So what should he do!!?

“Eomma !!Appa!!! Let my Koko breath!!! I swear if he start to feel uncomfortable no more cuddles or goodnight kiss for you both!!!!“,He was so relieved when he saw a door open behind them and a beautiful pouting and glaring face peek out of the door.

“So yeah my best friends got married!!!~I just can’t wait for little seek or y/n!! I’m so gonna to pamper them!! “, Taehyung said in the mic while the other laugh.

Hoseok and Y/n rolled their eyes smiling.

“This marriage was beautiful where two souls became one, I cry a tank and mess my make up ...we end up on the chairs chasing our stupid cousin away! hihhi sorry”,He smile at the crowd who were giggling at their adorable Taehyung.

Jungkook was sat at a table with Yoongi, Namjoon and Jin next to the table of the groom,his bride , his parents and his brother.

Jungkook just sat there staring at every expressions of Taehyung. His wolf could feel that’s Taehyung was feeling a little too emotional .

“Hobi and y/n be happy together and never let misunderstanding get between you two. I will~~not~~be always here to save you asses. I have been always here for you two when you had a fight.... specially that fight of pizza with pineapple is better or not... Believe me everyone it was a nightmare!!“,he sighed leaving everyone Laugh and some arguing about which one is better.

“Ok enough joking!.....Have trust in each other and be mine and Jimin’s favorite couple. I love you both my cherries!! Muahhhh~~~“,He smile so beautifully that there was this urge in Jungkook to hug him tightly and snuggles against each other.

Taehyung went directly to hug Jungkook leaving the younger surprised more stunned.

“I felt you needed a hug Koko”, Jungkook suddenly smile and wrapped his waist, Everyone cooed at them, saying they will be the next couple to get married. Taehyung just blush smiling while Jungkook didn’t know how to respond or react.

The day went by eating , Laughing, dancing , drinking. Y/n damage her flower after beating the shit out of that cousin early.

“Taehyung why are you so quiet? Why are you sad?“ ,jimin asked him while they were dancing on the dance floor on a slow music. Taehyung head was on Jimin’s Shoulder hugging him while Jimin’s hands were wrapped around him.

Jungkook was dancing with Baekhyun who forced him. Well Baekhyun was giving him a creepy smile ,while Jungkook keep a big distance between them because Chanyeol glare didn’t went unnoticed.

“ChimI’m happy .. really happy that they finally got married.....but somewhere i-i was thinking about me”, Taehyung gulped and blink quickly feeling his nose burning. He didn’t wanted to cry

“Tae don’t think about *him* now ok....it’s will only hurt you”, Jimin rubbed his back.

“I know Chim, but the thought about *us* being married by now ,or even have children well if I can.....it’s just make me feel down,.... my future didn’t turn out like I Wanted”, he sniffed .

“Tae your future turn out better trust me.....you will be happy again! “, Jimin said firmly looking at Jungkook who at the same time was looking back at them , confused. He couldn’t hear anything because of the musics.

"Guys Tae is feeling sad !! Help", Jimin mind link with his parents ,Tae’s parents ,y/n ,Hoseok, Yoongi, Jin, Namjoon and Jungkook.

Soon he smirk at his mother , Jisan said something to the DJ and a music more jolly was played. Mimi came and snatched Taehyung from Jimin .

“Wooo Mimi!!?” ,he said confused.

“Yes bootiful~~”, she giggled and spun Taehyung who smile and let her.

“Isn’t that smile beautiful old cucumber!”, She made Taehyung move over from right to left with her while they giggled.

Jimin was happy that Taehyung was enjoying .He just can’t see Taehyung sad ,just like the latter can’t see Jimin sad.

“My turn now!!”, Jisan said and pulled Taehyung by his wrist spinning him along the way and they both Laugh.

“Jisan~~i will feel dizzy like this”, he said but his smile didn’t go away.

“Well too bad!!~~”, Yoongi said and he was spun around again towards Yoongi who Chuckled and catch him. They interwine their right hand and move in a circle dancing happily.

“Aren’t you the cutest-YOU ARE CUTER MY MOCHI!”, Yoongi said when Jimin raised an eyebrow, Taehyung burst out laughing..

“May I ?”, Taehyung giggled at Namjoon who took his hands . He was spun around dancing with his friends and parents. He was the happiest , Jungkook just stand looking at the circle ,he couldn’t believe how everyone was cheering him up, and he surely do deserve it an annoying angel like him.

He was smiling..... so whipped when he see that beautiful real smile on Taehyung’s face who was giggling or Laughing, he realized he like to hear those giggles or Laugh. He was break

out of this daze when y/n spun Taehyung towards him he quickly catch Taehyung who hit against his chest giggling.

Taehyung look up at him with wet eyes which were like sparkling . His smile didn't go away ,he knew what his family was doing and he couldn't help but feel more emotional.

Jungkook shook his head.....*what are you doing to me?*

He wipe Taehyung's tears and smile , dragging him on the dance floor next to the bride and groom. His hands locked on Taehyung's back and Taehyung's hands lock around his neck. Suddenly Jungkook's hands went on Taehyung's ass, Taehyung blush and look at him confused.

"I like to touch what's *mine* when I dance",he shrugged with a wink.

"You know you are a cute adorable horny bunny!!", Taehyung wiggled his eyebrows.

"Well you don't mind right?",

"Why would I when you are touching what's *yours* ",Taehyung said . This made Jungkook Laugh happily,and seeing Jungkook laugh made Taehyung Laugh too.

But soon Jungkook stop and with heart eyes and a sweet smile on his lips stare at Taehyung. Taehyung stop laughing and look at Jungkook confused.

"I like your real smile better", Taehyung blush while they stare in each other eyes. With that Jungkook lean forward and kiss Taehyung, no tongue involved. He still have some manners not to do it in front elders . Their feelings were developing ... really fastbut will Jungkook's stupid brain let him ?

Jimin brought another flower which he picked in the garden. Before y/n leave for her honeymoon with Hoseok everyone was gathered out .

"JIMINIE MY FAKE LOVE-!! SORRY BABE TRUE LOVE !! YOU BETTER CATCH THIS FLOWERS!!",Yoongi yell receiving a smack from Jin.

"CAN YOU NOT SALTY BABE!!",Jimin yell back rolling his eyes.

"Ok guys ready!!!?",y/n ask everyone yell a yes. Even if Taehyung knew he will not receive the flower it was still fun playing .

Y/n threw the flower while everyone jump ,their hands up. Everything was like in slow motion. A hand caught it making everyone want to see the owner. Jungkook narrow his eyes looking at the crowd.

When the person was no more surrounded , Everyone gasped , Jungkook too. There was Taehyung looking all innocently shock with the flower in his hand . He look around like a

lost child and when he saw Jungkook he smile a little bit. But seeing how shocked Jungkook was he sighed and turned around .

“It was a mistake ,you deserve it Chim”,he forward his hand towards Jimin who frown not happy with his best friend words. But before he could say something.

“You never know what future hold for~~us~~”,Jungkook hand was on his hand while approching the flower back to Taehyung’s heart. Taehyung’s heart was beating faster he look beside him and Jungkook gave him a fond smile.

Chapter 17

“Ah-FUCK!-yesssss!! Fuck Papi ahhh~!“, Taehyung moan louder while he was bouncing on Jungkook’s dick. Jungkook’s hands were on his ass making him go faster. Both panting and sweating.

“Fuck~ you take me so good Babyboy!“, Jungkook hiss and bite his lower lips getting more excited with Taehyung’s expression.

They were both watching a movie ,like always Taehyung just show up in Jungkook’s apartment. While there was a make out session in the movie Jungkook couldn’t stop imagining Taehyung riding him. Taehyung in only his baggy shirt showing his collarbone and shoulder was not helping him a lot. So they end up doing it on the couch 😊

Jungkook kept sucking and leaving hickeys on Taehyung’s collarbone and neck, Taehyung doing the same ,moaning deeply everytime Jungkook hit the right spot.He arched his back ,his head tilted back, while he thrust himself on Jungkook’s dick faster.

“Ah fuck! Baby I’m coming!“,Hearing ‘Baby’ Taehyung was feeling more excited and happy. He just love when Jungkook call him using sweet names.

“Jungkookie!!“,Both stop ,eyes wide , looking at each other.

“.....Eomma!“, Taehyung whimper when Jungkook move again , Taehyung panick quickly and grabbed the blanket they were cuddling before. He would have run inside the bedroom but Jungkook’s mom was already heading towards them she just have to turn right and boom she can see how Taehyung ride her son 😊.

“Eomma wait!!-ahhmm“, Jungkook groaned when Taehyung was moving to much trying to cover them .

“What ? What do you mean?-“, Taehyung eyes met the heel of Mrs Jeon and move ,but that was a bad move because Jungkook came right in him with a growl, fingers digging in Taehyung’s hips and feeling so filled, Taehyung came afterward and panted hard eyes rolling back.

“Mary Jesus Christ where are you in this house?!!!!“, Jungkook shut his eyes tightly hearing his mother scream .Her eyes were wide as her bag fall down.

“EOMMA!!“, Jungkook yell she quickly snapped out of it and walked in the kitchen.

“O-Oh yes sorry!“,her cheeks were red .

“Oh my Gucci’s life!! My first impression on my future mother -in-law was me RIDING HER SON!!-mmmmm“, Jungkook glare at him putting his palm on Taehyung’s lips.

“First she isn’t your future mother-in-law and second don’t scream!! And finally third go in my room and get clean!!”, Jungkook said Taehyung nodded still looking in Jungkook’s eyes. Jungkook gulped at those beautiful eyes and quickly took his hand away.

“Koko you are so rude~~“, Jungkook just rolled his eyes.

Jungkook quickly grabbed the tissue and pulled out of Taehyung’s pink hole , Jungkook quickly clean Taehyung ,so that he don’t mess the place with his cum and then pulled his boxer back on him.

“Koko you are so caring~~i love you”,He whispered in Jungkook’s ear before getting up giggling.

“Yeah,yeah “, Jungkook said lazily and smile like an idiot when he watch how Taehyung tip toes and run in his room.

Then he remembered his mother ,he quickly fix his hair and threw away the tissues and open the windows because the room was screaming SEX!! oops 😊

He walked in his kitchen and saw his mother pacing back and forth crossing her arms.

“Eomma...I’m really sorry for just what you saw! But I did put a bell out why no one use it!!?”,his mother smacked his head which made Jungkook groaned and pout.

“Eomma!“,he whine.

“Kook-ah! My small baby I missed you so much!!! And I’m your mother younger Jeon so I can come in whenever I want!! Aishh how would I have know that you were banging your mate at 3 in the afternoon!!“,She said doing all hands movement.

“Eomma!! He will hear you !! And how did you know he is my mate?“, Jungkook ask with his doe eyes looking at his mother. She chuckled and zip Jungkook’s zipper which made the later all red in embarrassment.

“Because I smell your harmones ,and this kind of scent is only produce between mates and affections! Ahhh I’m so happy for you!! My son finally have a mate!!“,She squeal and hugged him .Jungkook was about to protest about what she said but just melt in his mother’s embrace, he missed her too.

“I missed you too eomma”,he mumbled and take a good sniff of his mother’s scent feeling at ease and home. He was always mommy’s little boy . Well he was always close to his mother and father but after what happened with Sana ,he got distance with everyone specially his father.

" Ah don’t make me cry now! Let me see this handsome face which I missed so much”,she smile with teary eyes as she cupped her son’s face.

“Eomma don’t cry ok- ahh~“, Jungkook sigh with a smile and wipe his mother’s tears, as soon he said not to cry she started crying.

“How don’t you w-want me to cry!! You small good smelling coconut! Hug eomma now”,she gave a bone crushing hug to suffocating Jungkook ,who then stop struggling and let his dramatically over protective mother crush him.

“Annyeonghaseyo Mrs Jeon~~ sorry for disturbing this mother and son beautiful moments”, Taehyung who was now fully dress up and freshen up ,bow 90° infront Mrs Jeon . Mrs Jeon let go of Jungkook and look at Taehyung with a serious face.

“Annyeonghaseyo ,I’m Jeon Jihyun, you are?“,she ask still keeping her serious face. Taehyung look at her and smile brightly. Mrs Jeon already knew who Taehyung was ,after all Taehyung was in every magazine after modelling for Jungkook’s company.

“I’m Kim Taehyung from Moon pack. I’m also one of the owner of Gucci and pap-Jungkookie’s mate!“,he sighed mentally ,but keep smiling.

“Hmmm Good “,she keep the intense staring ,which made Taehyung think of Jungkook immediately, when he don’t trust someone and is always on his guard.

“Mrs Jeon you are very pretty and cute ~~“, suddenly Taehyung giggled and lightly pulled on Mrs Jeon’s cheeks ,who look at him wide eyes.

Jungkook gulped and stare left to right , right to left. His mother might be playful ,but not to stranger, as an alpha she is always on her guard and is cold to strangers.

“Oh. My. Jungkookie’s diapers!!! You are so cute and a confident one!! I like you call! me eomma ok!! I already love you!! Kookie you finally did something good in your life mistake or not , I want Taehyung as your mate!!“,Mrs Jeon suddenly smile and then glare at Jungkook. Jin did told Mrs Jeon about everything happen between the mates.

“Yahhh eomma~~“, Taehyung beam and hug her back.

Whereas Jungkook didn’t know what to think ,about his diapers-*wtf?!*, about how Taehyung made his mother soft and whipped already for him or about the mate thing.

“What. The . Actually . Little. Fucking . Shitty. Shit. Holy . Shitty. Shit. Fuck!“,he mumbled looking at them wide eyes.

“Kookie we need to talk”,his mother said suddenly all serious again.

“Eomma go talk with Koko ,I will cook something for you ~“, Taehyung smile at her again making her melt faster than ice.

“Aishh you are such a perfect daughter-in-law~~!“,she cooed.

“Eomma he isn’t your daughter-in law!!!!“, Jungkook said well yell .

“Oh you are right “,

“Finally you got it”,he sighed

“He is my son-in-law!!!weyyyy~“,she yell holding Taehyung’s hands while they jump around.

“Weyyyy~“, Taehyung sang along as Jungkook facepalm.

“why do you look tense eomma?“, Jungkook ask as he look at his mother sitting opposite to her. Taehyung was busy in the kitchen.

“Jungkook since a few months ,omegas or even betas are being kidnapped and also your childhood’s nanny who is a beta. Your father and the whole pack tried to search for them but the kidnapper or kidnappers are very clever in misleading their trace“, Jungkook furrowed his eyebrows .

“What? How is that possible!? “,He asked ,how could someone even get the time to kidnap and also mislead their trace ,it’s takes minutes and within those minutes crystal’s guards would already be alert with the unfamiliar scent.

“Well we don’t know..... Jungkook we need you back at the pack“,she look softly at her son aiming for a yes.

“Eomma I already told you I will not come back....and by the look of your face their is more , right?“,he ask looking intensely at his mother.

“Yes!.... Everyone in our pack are afraid for their life or their dear one’s lifes. Your father is old now Jungkook , they are not assure that your father can protect them.. so they need someone more strong who can protect them. You father said you will be the next head alpha but your absence isn’t convincing them....so“,she stop knowing Jungkook will not like what she is going to say.

“So what?“, Jungkook didn’t change his expression once still staring with a firm face.

“So your cousin volunteer to take your place...but your father said he can’t give his place to his nephew when he already have his own son . So the whole pack want you back and see who will be their best head alpha and Luna “,as soon she said that Jungkook clenched his jaw trying to control his anger.

“You mean Hyungsik and Sana v/s Jungkook and Taehyung“,he said his nose flaring his scary harmones spreading around the room,which made his Mother gulped and felt submitting, even if she was an alpha and Jungkook’s mother , Jungkook was still a true blood who can make anyone submit to him except another trueblood which is very rare.

“Y-yes“,as soon she said that the coffee table was thrown at the TV which break into two ,a loud growl eco around the room.

“J-Jungkook“,His mother try to stop him ,but when he growled again and eyes red and continue to break things around him ,she got more scared. She knew her son would never

hurts her but when his aggressive wolf take over ,more when he is angry , Jungkook can't have Control over it.

As soon Taehyung heard something break he run out and saw Jungkook lifting the three seats couch threw it at the wall while his mother look scare. When Jungkook pick up another two seats couch and was still growling and about to threw it near were his mother was Taehyung had to us his power and save his future mother-in-law!!!

He went at full speed infront Mrs Jeon and hit back on the couch which land at the other side of the room.

Mrs Jeon look at him wide eyes and saw his eyes glow blue reddish as his expression turn angrier. Taehyung doesn't accept violence in family and more not on your own mother.

"Eomma go in Jungkook's room ,I will explain later",She nodded gulping and run inside the room closing the door.

"What the fuck you think you are doing!!!?" ,he yell at Jungkook who was panting ,being triggered by Hyunsik who steal Sana away from him and now trying to steal his place wasn't something he can handle. His angry took over him . That man always try to steal what's his. Yes Jungkook is angry and said he will not go back but that doesn't mean he doesn't care. Yoongi can also take his place ! But why that man that he hate so much !? Why him? ,

"JUNGKOOK CALM DOWN!!!", Taehyung growl loudly and launch at Jungkook who was bout to break the wall. They fell down Taehyung on him , Jungkook punch him which cause a nosebleed. But that doesn't stop him from stopping Jungkook. He was thrown again the wall ,he groan as he slide down the wall.

"STAY THE FUCK AWAY OMEGA!!", Taehyung panted hard as he get up and run towards Jungkook again.

"YOU DON'T CONTROL ME COCONUT ALPHA BITCH!" ,he punch Jungkook in the guts and kneeled his face ,swing and threw a kick at his face. When Jungkook fall down he hugged Jungkook tightly. Jungkook keep giving him not so hard punches , somewhere in him Jungkook was taking control again. He could feel his mate's tension,anger and worries more important the pain in his hurt.*(remember the pain they give other physically ,they can't feel it on them).*

" Calm down Jungkook!!-ahhh fuck don't bite Koko!! That shit hurts when we are not being kinky", Taehyung whimper and still hug Jungkook.

"Listen Koko ! You are fine ! We are fine! Nothing can harm you ! Don't be your self destruction!! You can do better than anyone!! Have faith in yourself-ahhh!!! More important!! Don't hurt your eomma you dumbass! She is so scared ! Never disrespect her ,if I had did that to my eomma ,-ahhhshit!- i-i would be running a marathon with him running behind me with his slippers! That thing hurt like a bitch! I feel for those COCKROACHES-ahhhh !! ", Taehyung whine dramatically holding the pain causing by Jungkook's fangs in his shoulders, but that still didn't let him stop hugging Jungkook tighter.

“Jungkook! I cooked for you and eomma and it’s getting cold!! That’s so rude!!-ahhhmmm- STOP THIS SHIT YOU WEAK ALPHA! STRENGTH IS NOT ALWAYS THE ANSWER !! STOP BEING A BRAT AND GROW UP AND FIGHT FOR YOUR RIGHT WISELY !! HOW MANY TIMES I TOLD YOU BE SWEET TO EVERYONE AND ATTACK ONLY IF THE OTHER PERSON ATTACKS FIRST!! THEN YOU FUCKING HAVE A GOD DAMN EXCUSE WHY YOU ATTACKED!!”, Taehyung heard the whole conversation early, not that he was eavesdropping but he just could hear it and didn’t feel the need to overhear it, and hearing Sana he already knew why Hyunsik was not in Jungkook’s favourite list.

“S-Sorry”, Jungkook was panting hard, when Taehyung heard a sincere rough yet sweet voice, he felt Jungkook’s clutching on his hips. He released Jungkook and looked at him. Jungkook’s eyes reflected guilt and hurt, anger was long gone.

“Koko remember no matter what, you are worth over a billion, not a simple trigger should make this Koko !my perfect and small cute horny bunny Koko turn to a monster that hurts someone innocent. Have control over your wolf before it destroys you.“, Taehyung’s heart clenched at the word destroy. Jungkook looked deep in his bluish reddish eyes letting himself get lost and drown in both Taehyung’s eyes and words.

Taehyung got up and looked down at Jungkook.

“Apologize to your mother, you scared her.“, Jungkook got up as Taehyung turned around.

“T-Tae- your wounds....i-i will lick it for you !“, Jungkook said not knowing why his heart was beating so fast at how Taehyung looked so beautiful and manly during the whole fight. Licking each other can cure the wound, but only between mates and only small wounds.

“No, it will heal quickly I just need a shirt and I’m going....clear things with your mother and explain her about me, because she saw how I stop a true blood“, he said and smirked walking in Jungkook’s room.

He is so hot! And why do I feel butterflies in my stomach! My heart isn’t stopping beating like crazy when he said all this to stop me! His words felt like if it touched my heart and I just wanted to kiss him!. Jungkook kept thinking.

“Hey it’s me Taehyung“, he slowly opened the door and found Mrs Jeon sitting on the bed.

“I’m sure I have a lot to explain but right now I have to leave. Sorry for not being the perfect son-in-law you wanted and scared you Mrs Jeon-“, he said sadly feeling that after all this she might hate him.

“Eomma”

“What?”

“I don’t care what you are Taehyung, but you are still the cute lovely sweet soft baby for me ! I didn’t change my opinion about you. Earlier I tried being strict and scary to you but you still had confidence ! You believe in yourself and that makes you perfect in my eyes. You protected me and calmed an angry Jungkook, who no one can stop. I respect you more Taehyung and you

are a perfect mate for my son. So yes call me eomma my new son!“ , Taehyung smile when Mrs Jeon smile back and hugged him.

“Ouch eomma it hurts~~“,he whine like a baby.

“Aww my baby sorry ,let’s go clean this wounds my other idiot son gave you”,she said poutily.

“Aishh you are so cute! But for now you two should talk and I have to leave , don’t worry about my wounds it will heal quickly”,he peck her forehead and change his shirt and walked out to a still thinking deep Jungkook.

“Stop thinking too much and just apologize remember control your anger Jungkook”, Taehyung smile lightly and was about to Pat Jungkook’s head like always. Jungkook stand still waiting for it. He suddenly needed Taehyung to pat his head or call him Koko or even papi!! He felt like something was wrong and need this to reassure himself that everything was fine.

He was already feeling so hurt for scaring his mother and on that he hurt Taehyung too. He needed to feel Taehyung ,even a kiss ! A hug! Could make him at ease ! That stinging sensation in his heart will stop.

Taehyung retract his hand away and sigh

“Go look after your mother *Jungkook*“,with that he leave a frozen Jungkook with wide eyes and unknown pain in his heart on his spot and walked out like in a flash of his apartment.

He just knew he will not see Taehyung *again* tomorrow after what happened.....

Chapter 18

"Yoongi sweet caramel sugarcane horny-i mean honey sweet ...FUCKING STOP CALLING ME EVERY 5 MINUTES!!", Jimin yell in his phone..

"But suga need attention my sweet mochi!! And I just needed Inspiration to write about my new mixtape!! Your voice is my favorite! You are my inspiration small chilli!! SO DON'T ANGRY DADDY AND ANSWER THE CALL EVERY 5 MINUTES!!", Yoongi went from whining to yelling. Jimin was a blushing mess.

"Dirtybye baby~~meoww~"

"Dafuq!", Jimin hang the call cheeks and ears deep red, his heart beating faster .

But then he remembered Taehyung who was walking back and forth since 30 minutes well since he came back. He walked towards his balcony which is next to Taehyung's. He look up on the roof and Sigh watching Taehyung still pacing back and forth with hands cross while he chew on his lower lip , eyesbrows furrowed.

He was walking without any fear to fall down. It was like he was walking in his room . For any other people they would have the fear to slip and fall down from a 3 floors house. But Taehyung had no fear about this because he is very flexible and have full balance of his body to save him from breaking a bone or two...well he don't really care because he is immortal...

"Tae it's more than 30 minutes now!! Let's talk!", Taehyung stop and look down at Jimin.

"Chim! I don't know but I start feeling weird things!!",he said as if he just discovered the weirdest thing.

"What? What do you mean and just come down and tell me what you are worry about ",Jimin encourage him waving a hand to come down.

"What I'm not worried about anything",he laughed nervously, making Jimin rolled his eyes.

"Sure, like if I don't know whenever you are worried, tense ,angry ,want time alone to think you walk on the rooftop! Which make other pack members think you are crazy for risking

your life like this!“, Jimin Sigh.

Only Taehyung family knows what he was ,the other pack members just think of him as a strong omega which was blessed by the moon goddess.

Taehyung open his arms wide and let him body fall down, which always scared Jimin even if he know his best friend will not die. Taehyung rotate 360° and land on his feet without stumbling. His Vampire side was charming and scary too.

“My heart you jerk it almost stop!“, Jimin place his hand on his heart. Taehyung chuckled and received a dead glare.

“Ok sorry! But you know I will never get hurt I did this a million times. I remember at first I had a fear of high place. But Baek eomma taught me to fight my fears other wise my fears will eat me alive . He use to say’ eomma didn’t raise no pussy’ ,and I was like ‘of course you didn’t eomma I got a dick !’ ,and that’s how I received his slippers on my face ,i swear he have ninja skills!“, Jimin smile at how Taehyung was smiling and explaining in all emotions , smiling , excited, pouty lips, whining , Savage ...*yes that’s my Taehyung even if he is weird.*

“Yo mama is so dramatic that-“, Jimin wanted to say a mama joke but...

“Yes Jimin-ssi continue itplease”,that sinister voice which was whispering in his ear made him gulp.

“Oh Baek eomma are you coming from hunting?“, Taehyung ask as Baekhyun jump off the rails..

“Yes!! We got a bear it was so delicious !! Your appa went to sleep and I came when I heard you two”,he smile at Jimin ,a smile which made goosebumps appears on Jiminie’s skin.

“C’mon Hyung I was just joking!! Tae started to forget what was worrying him so I just...“,

“I was joking Jim! And what is worrying you baby? You know I can listen and help you like always! So don’t hide anything from eomma tell him everything”, Baekhyun said with a sincere smile caressing Taehyung’s cheek.

“Ok ! I’m gonna to tell you but don’t laugh or make fun of anything it’s already making me frustrate!“, Taehyung glare at both.

“Promise!“,they both said.

“I think I have feelings for Jungkook”,he said looking tense as the two was sitting on the bed looking at Taehyung on his swing.(Remember his room in chapter 15 i think)

After 5 seconds of staring they burst out laughing , which made Taehyung pout at them .

“Wahh you promised not to Laugh!!!“,they stop laughing panting and wiping their tears.

“Sorry baby ,it’s just that it’s very obvious you have feeling for him”,Jimin nodded along.

“Really!? Is it that obvious?”he ask wide eyes.

“Yeah ,now tell us what happen and why you had blood on your shirt earlier?”Jimin asked now serious, almost getting angry someone hurt his best friend.

“I was riding Koko,then his mother came and caught us on full action even if I got us covered quickly with the blanket! Then I got so embarrassed , thinking I ruin my first impression on my future mother-in-law! You know I like to joke ,but somewhere in me I loved how it sounded....”,he fidget with his shirt and then saw the two mouth hang open .

“.....Jungcrack did what?!“, Baekhyun raised his voice.

“Eomma his name is Jungkook!! Not Jungcrack or whatever name you give him!“he pout again.

“Once I break his face with my bat ,he will be call Jungcrack!! And his name is too long and I’m still salty about him upsetting you! So I don’t feel the need to know his name! Moreover I like how he reacts when I mess up his name!“he laugh, which made Jimin hit his arm .

“Forget about that!! What happened next??“,he ask Taehyung while Baekhyun glare at Jimin with a pout

“He have a very pretty and cute eomma ,I even love her personality ! She love me too and told me to call her eomma and accept me as Jungkook’s mate and her son-in-law isn’t that cuteeeee~“,

“HMMMMMMMMMMMMMMMMMMMM~!“ , Baekhyun rolled his eyes.

“Why are you getting jealous of Jungkook’s mother?“ , Jimin ask sighing.

“My son dare to call someone else cute! Pretty!! And YOU DARE TO ASK IF I’M JEALOUS!!?well no I’m not”,

“But my Baek eomma is the most cutest! Pretty!! And adorable and I love you a lot~“, Taehyung said in a childish voice and hug Baekhyun.

“I know I’m such a perfect mom~“,

“Ahuh...ok but what make you feel you have feelings for Jungkook?“ ,Jimin asked.

“Well something happened, in his pack omegas and betas women are being kidnapped. The kidnappers are very intelligent they also mislead their trace and no one caught them. We need to tell Jisan about this too we can’t risk something to happen in our pack.... As Jungkook is the head alpha’s son he wants him back , because the pack members are not feeling safe in an old alpha’s hands.“he explain, Baekyung furrowed his eyebrows at the word kidnapped thinking deep about it.

“Why would they kidnapped omegas and and betas!? And doesn’t the guards caught them , kidnapping and misleading their trace take time”, Jimin asked confuse.

“That’s still a mystery, they must be very powerful wolves or something. But the matter is when Jungkook learn that Hyunsik ...I mean Sana’s mate wanted to take Jungkook place ,Jungkook lost it. You remember Sana Right?”, he ask Jimin who think and soon nodded.

“Well I don’t”, Baekhyun said deadpanned.

“She is Jungkook’s ex. When Jungkook didn’t find his mate at 18 years old and that bitch appeared at the same time without a mate too , Jungkook thought maybe it was moon goddess way to say their mates are death or don’t exist. So they became a couple but after that hoe find her mate she left Jungkook saying she never loved him. That’s why that dumbass doesn’t believe in mate because he didn’t got the one he wanted. I really want to shove a broom in his ear to clean that bullshit in his brain!!”, Jimin panted while now father - well mother and son looking at him shock.

“You know I love you Jiminie for being the best -bestest friend of my son!!”, Baekhyun smile grow.

“You know I love you chimchim! For knowing how I feel !! specially about that hoe!!”, Taehyung smile widely eyes sparkling while looking at Jimin.

“I love you both too!! And i already don’t like that bitch for making Jungkook like that and he end up being a jerk to my Taehyung!”, he frown.

“Hmmm, he isn’t always a jerk tho, he changed a lot”, Taehyung said looking around while thinking.

“But say Tae you are his real mate right?”, Baekhyun asked. Taehyung bite his lower lips.

“Actuallythe day we marked each other ,we were quite drunk ,well I know I was...but I did like his smell at that time, and you know I do not have the ability to know who is my mate, like my wolf will not scream ‘mate’ and before my body could even react towards Jungkook , if he really is my mate... Jungkook was already infront of me looking at me like I was his prey. Then we end up in a room and did it , we marked each other ,at that time I just wanted to sink my fangs in his flesh and drink that delicious blood smelling so good and addictive, and also wanted to marked him so I did it.....only Jungkook knows if I’m really his mate or mate my mistake”, Taehyung sigh while the pair nodded registrating everything.

“What happened when he snapped?”, Jimin asked again.

“Ok promise me to never tell this to anyone! “, They promise a hand on their heart.

“Jungkook is a true blood, and when he got angry knowing Hyunsik wanted his place who also is Sana mate! He couldn’t control and started to become wild growling ,eyes red and breaking everything . His mother who is an alpha also was SCARED!! I didn’t like how he made his mother scared!”, He furrowed his eyebrows.

“He is a true blood?!!”, Jimin yell.

“That’s why his aura is so strong! Hmmm True blood can hide the fact that they are true blood. So I assume you blackmail him with that?hmm?”, Baekhyun wiggled his eyebrows.

“Hihihi well yes at the start, he keep the secret I’m half vampire and I keep his secret”, he shrugged.

“Ok ! I will keep this secret too ,but what happened next?”, Jimin asked.

“Well I had to protect his mother, I sent her to his room and fight him. He wasn’t stopping ,we threw punches and kicks..... But I didn’t wanted to harm him so I hug him tightly trying to calm him, he keep punching me and beating me. But it was weak and I knew he was trying to take control over his angry wolf.“,he swing lightly on his swinging chair head leaning backward.

“That’s fucking Juanfish!! “, Baekhyun groaned.

“Aishh true blood or not I swear to smack the living shit out of him!!“, Jimin could feel his blood boil at the mention of hurting his best friend.

“Guys calm down.....this small fight made me feels and think about many things”, he said calmly bit look anxious which made both men deciding how to marinate Jungkook and cook him then threw him to alligator, stop and look at Taehyung.

“what do you mean?”

“I got more angry when.....when he told me to stay away , and my heart hurt when I knew why he hated Hyunsik that much...just because he was Sana’s mate and the thought of Jungkook still loving her made me sad and a very p-painful pain occur in my heart!“, They stay silent and look at Taehyung who was struggling not to cry.

“I love it when we are together, even if I annoyed him and keep irritating him , I can’t find a way to hate him when he yell at me or glare. He is so cute and adorable. His embrace is so warm and comfy ,but the thought of him wanting Sana in that embrace makes my heart clench.

I feel like I’m forcing myself on him ,but I also promised Jin Hyung to give him his cute smiley bunny again and make him forget that bitch. But...“,he gulped and his tears rolled down his cheek. Beakyun wanted to hug him but he knows Taehyung will cry more and this conversation will not end , because Taehyung might have his mind change and don’t tell them how he really feel.

“But?”

“B-But can you really forget the first person you ever loved !? I thought about it a lots and then....I thought about me ,did I really forget about*him*!? I accept I have no romantic feeling for*him* anymore but I do feel sad thinking about what we had years ago before he gets killed brutally! But Jungkook!! -Jungkook the one he loved or still love is alive so that make me

feel like I'm being stabbed m-multiple time in my heart,like if he will just walk to her leaving me",he burst crying .

"E-even when we have sex ,even if he p-pepper me with sweet kisses ,and h-hugged me tightly , take c-care of me, look at me like I'm h-his e-everything ! Even then i can't stop thinking w-what -what if he is imagining Sana at that m-moment we share together!!",he was crying badly chocking on his tears. The pain he was feeling was unbearable.

Both of them get up and hugged him tightly.

"Shhhh Tae it's ok! It's not confirmed he still love that bitch ok! I'm sure he have feelings for you too", Baekhyun rock him wiping his tears.

"Yes and geez you are kim Taehyung!! Which make man question their sexuality!! Sana is nothing infront you. Taehyung you will make Jungkook fall for you and I'm sure about that. You are the best mate ever because you are the best human -well basically vampire omega! Everybody loves you !",Jimin smile softly at him which made Taehyung smile back hiccuping.

"Jiminie is right Jungkook got the best mate! a true gold! And now you will show him Kim Taehyung is not a pathetic person ,but the best lover he could ever have!", Baekhyun.

"And to clear your confusion Taehyung let me announce it clearly ***you are in love with Jeon Jungshit -ok Jeon Jungkook!***", Taehyung feel his heart beats thumping faster and a tingling sensation over his body.

"***Yes...I love Jungkook***",he smile

In Jungkook's apartment , Jungkook was in his bedroom after he has apologize millions time to his mother and his mother forgive him every time.

His heart was hurting ,he knew Taehyung was feeling hurt, the pain in his heart was telling him. He thought Taehyung was upset because of what he did he almost hurt his mother and physically and mentally hurt Taehyung. He was feeling so ashamed he didn't have the courage to mind link with him .

He groaned ,he wanted to growl loudly but his mother was in the next room and he didn't wanted to worry her.

The pain was so much that he bite on his lips to not cry ,and ripped a few pillows. He took his wallet from the drawer and open it staring at the picture. That beautiful smile he is fond of. Why he didn't remove the photo from his wallet ? Because he didn't felt like to do it.

“Why do you make me feel like this?! I need to forget about my feelings for you but I can't! I promise to stop loving but , I- I I'm already m-missing you so much, I just want to hug you tightly b-but I know I c-can't. My heart is yours a-and I don't know if I want it back...”he started crying.

Taehyung jump off his bed from sleep as his ringtone ecoed in his ear.

“Aiiiii!! My thicccc ass!!!!”,he groaned while pushing his eyes masks on over his head. He saw Mimi Laughing her ass off.

“Has anyone say that you look very ugly when you yell?“,

“....”

“Ouch!!!“,she threw the phone on his face and walked out. Taehyung pout but quickly took his phone and a smile form quickly.

Cutie Eomma Jeon  calling

“Hello eomma!!! Hiiii! Sorry I was sleeping!“,He said but heard a giggle.

“God you are so cute !It's ok Tae!..... actually I need your help. “,Taehyung frown since she seem tense. He met her one week ago before she leave again to Busan. She accepted the fact Taehyung was a vampire omega . She was a modern mind after all not like those old mind saying Vampire and wolf are literally enemies. And she promise to keep it a secret.

“Sure eomma anything”,he said with an encouraging voice as he stop rubbing his butt and sat on his bed.

"The matter is Jungkook is still being stubborn ,he again refused to come back and help his pack. I seriously don't trust Hyunsik to be honest. And I Know if kookie's appa get angry he will not hesitate to give his place to Hyungsik",her voice sadden. Taehyung bite his lips at the name of his mate ,who he was missing badly since one week.

"Eomma ?",

" You know when kook was younger he admire his father a lot and would always see him as his idol. He would keep repeating like a parrot that he will protect his pack like his appa when he grow up. He still love his pack Taehyungie ,I know he do . He can't lie to me , I know he want to find his old nanny ,but he is being stubborn and thinking Hyungsik is better than him. He might be a true blood and you might have see his cold side, but when he was younger he was a big Sofie and don't like to harm anyone.

But seeing Hyunsik getting praised for being a strong alpha he would always sadden and accept that fact but thought later he will prove himself as good as him well much better. But after he break up he completely accept it he can never be better than Hyunsik. But I know its not true",her voice was trembling as if she was trying to hold her tears. Only a mother know the pain to see her child thinking low of himself.

"I'm 100000% sure he is much better than that man ! Just tell me what you want me to do?",Taehyung could feel anger thinking about that Hyunsik man for making his Koko think like that.

"Come to Busan with Jungkook and prove that you both are the best head alpha and Luna than Hyunsik and Sana. ",Taehyung let out a breath and look straight seriously.

"We are coming ",he look determine as he say his goodbye and hang the call.

He need to show his Koko what is his true value and he just should believe in himself. He will go there and promise to teach both Hyunsik and that bitch Sana ,who they mess with.

"Fuck Koko I will take thing in my hand then",he smirked and grabbed his gown , without changing and run downstairs.

"Hey where do you think you are going in those!!",Mimi yell while he run out in the cold weather and directly to his car.*(it's **Fucking summer here and I'm dying!!** 🥵)*

"Not now mimi!! Right now I have to knock some sense in an alpha's brain",he wink at her and drive at full speed towards Jeon's company.

Everyone were shock or drooling while Taehyung passed them in his long sleeping see through gown .Inside he was only wearing a silk booty short and crop top ,his shining bunny

piercing on his bellybutton was visible. Top crop with laces straps and of course while his eyes masks was still on his head. But he look still ethereal as ever .

His cute pink pouty lips and eyebrows furrowed. His nose ,ear and cheeks were red due to the cold breeze. He look like an adorable cute angry puppy.

“Hey Taehyung- wow”,Onew mouth hanging well no one expect to see Taehyung dress like this . But Taehyung was too in a hurry he just don’t give a fuck ,he just needed his KOKO!

“Hi Hyung where is Koko?”,He ask .

“Inside with-“,he nodded and didn’t listen walking up straight in the office and gasp.

" Ok I’m calm! I’m calm! I’m calm! FUCK I’M NOT!! “,He come on a female employee grabbing on Jungkook’s collar and about to sit on his lap while Jungkook’s eyebrows were furrowed , obviously about to push her.

“T-Tae!! It’s not like that!! She was seducing me and forcing herself on me!! I was about to threw her out!! “, Jungkook stand up pushing that girl harshly away from him, while Taehyung glare at her.

“Oppa! Don’t lie you know you like me! I love you too! I know you wanted to fuck me right now! I will give myself to you!“, Jungkook cringe ,but also gasp afraid to turn his head looking at Taehyung and when he did he could see fire in Taehyung’s eyes.*Shit!*

“Tae I swear it not true!! “, Jungkook didn’t notice he was scared Taehyung will get angry and leave him again like last week. He didn’t notice he was not giving his aura ‘ I don’t care I’m single and you are not really my mate’. He didn’t notice he was behaving like they were a couple and he caught cheating on Taehyung. Who is gonna to tell him that Taehyung just got deeply under his skin till his heart?

“I know..“, Jungkook stop blabbing and was now Jungshook looking at Taehyung who had a calm but yet scary expression.

“What?“, Jungkook ask in disbelief, like really Taehyung trust him!!? Like for real! After all this??!

“Listen here bitch I’m here for something else and you get the fuck out of here”,he warn calmly.

“No I’m not leaving my oppa!“, Taehyung close his eyes breathing heavily to hold his anger. He call Onew ,who came in quickly as the door was already open.

“Hyung give her ,her resignation letter right now and call the mental asylum right now!!and no I’m not joking “,he yell like a frustrated baby.

Making Jungkook’s dick twitch in this fucking situation.*So Fucking pretty!! Fuck I was to hold him so bad!!- fuck my dick !! Go back to sleep Jungcock!!*

Jungcock better go to sleep before I cut him off of your body !

He look at Taehyung big eyes while the latter glare back and he realized again he accidentally mind link with Taehyung. Why don't you Fucking mind link with him accidentally when you think about your fucking feelings Juanpablo!!..... definitely something Baekhyun would say.

The guards threw her out of the office and Jungkook got time to compose his strong self again . Soon he frown feeling angry when he saw how one security guard eye fucking Taehyung.

“Get the fuck out of here!!”,the man gulp and quickly run out closing the door.

“What do you think you are wearing!? Huh?? I can you literally naked under this see through long gown!! You could have change before coming!!”, Jungkook growled eyeing him up and down ,even if he was getting turned on while Taehyung left smooth long tan leg was on full display out the gown till his thigh.

“You better shut the fuck up like right now! I'm not in a mood to tolerate your fucking attitude right now ! I make to Fucking make you understand something and you will . If not im not leaving from here Jungkook. So place that sexy ass of yours on your chair”, Jungkook gasp but sat down pouting , knowing Taehyung was serious no flirting and SWEET NAMES!!?

“Understand what?“,he ask in a low voice as Taehyung sat down opposite him the table separating them , he really wanted to hold Taehyung closed and inhale his addictive scent, but he hold himself.

“You are going to Busan”,

.

.

.

.

“ ”

“What about no?“,

“Did I fucking give you an option ?no”, Taehyung glare at him.

“Taehyung please don't start with it! I will not go back there! They- They got Hyunsik there they will be fine!“,He said clenching his jaw.

“If they really wanted Hyunsik ,there wouldn't have any questioning who is the best alpha Jungkook and ..Know how to fight for your rights!“, Taehyung raised his voice.

Jungkook bang his fist on the table and.....yeah the table break into two.

“You think I never fucking fight for my rights!!? I fight for someone but did I get that person!? No I didn’t !! “,He growled and Taehyung was calm and hold himself from feeling bad because he knows Jungkook will feel it clearly now that they were face to face.

“You didn’t get that person because they were never yours at the first place Jungkook. “, Jungkook look at him in disbelief ,he wouldn’t lie because that really hit him hard.

“You are a true blood Jungkook and your real place is becoming the next head alpha. It’s not Hyunsik’s place just because you have problem with him or you think he is better doesn’t mean he is better. We both know how competitive you are ,dont give up ! you should know you are way better than him . Then why losing a person who wasn’t even yours make you feel so low about yourself!! Just why?? “,He ask staring intensely at Jungkook.

“He was always the best. Everyone love him ,he is loved by many and admire by many for his strength . Losing the person which made me think at least I’m not that pathetic to him ,made me completely accept it.my own father take his side not mine”,he said expressionless.

“Jungkook your father was just helping. Of course he can’t separate two mates! She was not yours the bitch was using you get that in your head!! And you are not pathetic!! Not even one bit! You are the strongest and the most adorable, sexy yet pure heart man at my eyes. Believe in yourself ! You are better than what you think ! Did you really loved her or just feeling like that because Hyunsik the man you were always jealous got your ex girlfriend as his mate!?!!

Prove them wrong! Show them the real Jeon Jungkook ! Don’t tell me you feel nothing for your nanny or the person you grown up with being kidnapped! Don’t you feel the need to help them ? Just put your ego aside and be proud of yourself Jungkook by really proving yourself better than just a pathetic person you think you are!.....I don’t know if it count to you Jungkook but remember this.....

Kim Taehyung is here for you and is ,will and forever be proud of you ! I have faith in you ,I trust you to dead! And I will never let you feel so low about yourself !“, Taehyung was now standing up staring at Jungkook eyes turn to blue reddish seriously and meaning every word.

This really made Jungkook think about it, was he even in love with Sana? What he feel for Taehyung is much more Superior than what he felt for Sana ,but still was there any feelings for Sana .

Jungkook ,just look in his eyes shock. Why Taehyung was making it hard for him? Why Taehyung really do make him see the bright side of everything. Taehyung to count for him alot . He suddenly feel so confident about himself*so I still do have you by my side at the end...*

“Why are you like this!? Always making me happy ,making me feel confident and feel like I can do better and is a better person not like other think the opposite!? Just why? “,He ask still looking in Taehyung’s blue reddish eyes.

“Because you are perfect for me Jungkook, you just need someone to encourage you and make you feel confident “, Taehyung say softly. Jungkook heart was beating faster.

“I- I will go.....but what about you?“, Jungkook ask not wanting to leave Taehyung and go to Busan, he can't leave his lucky charm.

“Did you forgot it Hyunsik frog -Sana worm v/s Jungkook strong bunny- Taehyung cute sexy tiger? ...that's mean I'm coming too dumbo“, Jungkook eyes grow bigger and soon a bigger smile spread across his lips, making Taehyung heart melt at that sudden bunny smile.

“You really are coming to help me?“, Was Taehyung really going to help him and get involve in this competition!? With a lots of problems coming.

“Duh ,I will not leave my mate to think nonsense and I have to teach some bitches a few lesson for making my Koko think he is pathetic.

I remember Jimin once came home because some dick told him he was short? Like what did you expect a school bean to be !? But still he started to think shit so I find the man and teach him such a lesson he is now still scare whenever he see me. I really love how I tied him on the top of a tree and ask him if he can see Jesus up there-“,

Taehyung was cut with a deep kiss which he responds quickly. Jungkook lift him and place him on the half broken table parting his legs and standing between them ,one hand around his waist and other under his nape pulling closer. Taehyung's left hand was on his cheek and right hand on his shoulder.

Jungkook was not getting enough , he press their bodies closer ,till their clothes dicks were touching . He trailed his hand on Taehyung's thigh ,making him moan. He squeal internally Missing this moans. He nibble and suck on Taehyung's lower lips ,he just wanted to eat delicious Taehyung. Jungkook didn't thought he will be so happy to hear Taehyung calling him Koko and feeling so angry for him.

They broke the kiss , looking in each other eyes panting like a mess. Jungkook smile and lean down leaving sweet soft hickies on Taehyung's neck sniffing his addictive scent more like drugs. Taehyung tilted his head letting Jungkook while he was roaming his hand on Jungkook's arms feeling his hard biceps and veiny hands and gave a throaty moan.

“Papi~~mmm ! I'm hungry!“, Taehyung moan .

“I see baby ,I will feed you my meaty dick-ouch!“, Taehyung's hit his head.

“I'm seriously hungry!! I didn't ate and came here! “,He whine. Jungkook look at him like ,it was a very serious matter.

“Aishh! Why didn't you eat! Don't fucking dare to get skinny! What do you want to eat !? Cheesecake?“,he ask a Taehyung who was looking at him not believing Jungkook call him baby so easily and is worrying about him.

“Y-yes“, Jungkook nodded and took his coat.

“Tae why did you believe me when you saw her literally on me?” Jungkook just wanted to know, Taehyung smile still on the table.

“I know you might flirt to make me jealous but I also know you will never hurt me like this, knowing I will be in deep pain if you get intimate with someone, and I trust you “, Jungkook heart swelled as he feel his heart beating faster.

“Tae let’s go”,he said hiding his smile.

“My feet hurt Koko after walking so fast!“,he whine and tease Jungkook doing grabby hands towards him with pouty lips.

“ ”

Jungkook pulled him by his thighs and make Taehyung wrapped it around his waist,and pick him up hand possessively under Taehyung’s butt. Taehyung eyes were wide didn’t expecting Jungkook to really pick him. But he relax and hug Jungkook tightly.

.

“I lobe you my koko~~“,he giggled.

“I know I’m too perfect”,he say cockily Making Taehyung hit his chest giggling. Jungkook smile god he love this giggle.

“I lobe you too..“,he said Taehyung smile and lay his head on his shoulder admiring Jungkook’s perfect side profile with love. While the latter walk out glaring at anyone dare to look at Taehyung. He envelope Taehyung’s night gown covering fully his body.

Their feelings did develope to a limit they didn’t expect it would . Building up the bond between them strongerbut the question is will the past harm the present or future?

Chapter 20

Taehyung told Jungkook he will meet him at the station and right now Jungkook was sitting on a bench with a suitcase. It was cold so he was rubbing his hands together. He was a little upset , because he wouldn't meet his Hyungs and even Jimin who is an annoying mochi but sweet sometime , for weeks.

He didn't met Jin , because he knew he would have start crying , for not seeing Jungkook for weeks or more . Because it really depends on if his pack's member accept the fact he is a good head alphaor maybe it will depend on his temper too. All he want is find the members who were kidnapped and get them back in his pack.

“Koko!!!~ I'm here!!”,he stop thinking when he saw Taehyung waving at him , behind him two men with two big suitcases ,and were struggling, while Taehyung has just a small suitcase.

“You know Koko you are the cutest adorable horny bunny I ever saw!!! Aishh ! But no I don't burn ,it's just my skin is sensitive ,if I stay too long under the sun I will get rashes.

“Ah idiot !I got scared!!”, Jungkook Sigh and lose his grip around Taehyung.

“Oh! Were you scared that your TaTa will get hurt? Hmmm?“, Taehyung smirk and look at Jungkook who look at him wide eyes and then cough awkwardly.

“What!? No! -um - I mean I don’t want to explain to people how you turn into ashes”, he nodded like he just said the best response.

“Hmmm Oki”, Taehyung chuckled at his cuteness.

“Why were you upset earlier?“, Taehyung ask now serious. Jungkook look at him and then softly smile *why are you so.....p- nice?*

“I’m gonna to miss my Hyungs ,like I just don’t know when we will meet again. They are like my second parents, it’s just we are gonna to be alone without anyone we can trust except my mother of courseare you not gonna to miss Jimin?“,

“Of course no”, he laugh.

“What? I thought he is your best friend?“, Jungkook look at him confused.

“Oh my cutie cheesecake, you really thought Kim Taehyung will leave the persons we love miss the century battle !....well except Hobi and y/n because they are on their honeymoon”, He smirked and signal Jungkook to look behind him. He look confused but soon smile.

There come Namjoon with lots of bags while Jin was walking carefully with his big bump and they soon smile when they saw the couple , and then there was Jimin who was giving Yoongi a piggyback. Jimin was pouting and Yoongi eyes close smiling as he tighten his hands around Jimin.

“They came...“, Taehyung stop smiling and look beside at Jungkook ,he had such a happy smile ,eyes shining. He look so happy and handsome, Taehyung was deeply in love with Jungkook.

“You want to kill me!?“, Jimin cough as he drop Yoongi who groaned and stand back.

“You lose the bet ! You said you will not blush if I kiss you in front peoplebut you lose mochi ! You blushed so much that people ask if you were having a stroke with that expression of yours!“, Yoongi smirk while Jimin rolled his eyes and kick his knees not so strongly.

“You guys are cute and all but people will think you don’t like each other at the pack”, Jin comment.

“Who gave a fuck about people opinion?“, Yoongi rolled his eyes.

“And if their opinion matters to me?“, Jimin ask , Yoongi look at him blankly.

“No big deal.....just say the name and I get my sword and cut their headand like that their opinion will fly away like their head”, he shrugged with a smug look.

“Why is my mate a psychopath!? Jisoos answer me!!“, he dramatically whine.

“Whatever, Kook-ah!! Why didn’t you come to meet me!!“, Jin twist his ear.

“Ow! Ow! Ow! Sorry Hyung I thought you will cry and i didn’t wanted to make you upset!!”,Jin twist his ear harder.

“You small brat! I Literally saw you grow on this shoulders bish!!How could you think leaving without meeting me!!?” ,Jin pouty lips eyebrows furrowed and arm crossed against his chest, and when he gave that look it’s says ‘ bish I know I’m right and if you say the opposite a hoe is gonna to throw hands’.

“Um you know we met when I was 15 years old and never ever sat on your shoulders Hyung”, Jungkook say calmly trying not to make Jin yell again.

“Is he a dumbass or is he a dumbass? Even I can understand it was just a way of saying! You see it an expression”,Jimin make comma the word with his two fingers and rolled his eyes.

“Isn’t he smart too ,I wanna to smacked this Jibooty so har-”

“YOONGI!!!” ,“HYUNG!!!, ” Aww hyungie you naughty Wolfie”, everyone yell at the same time .

Yoongi smirk and point his index (like a gun)at Taehyung who did the same. Soon the announcement of their train coming was heard.(*Never saw a train in real life* 😊)

“Hop !hop! Hop! On the train to Busan!!!”, Taehyung clapped his hands . As the others smile with Jungkook rolling his eyes. They got a private room(idk what’s it call 😊). All together Jimin and Yoongi ’s bed(seats was over Taehyung’s and Jungkook’s bed(seats). Jin and Namjoon was infront Taekook.

“I’m excited to see the pack again! It’s so fantastic that our baby girl will be born there! She will get the bond with nature directly”,Jin smile widely and look at his bump which Namjoon was kissing and then hold Jin close to his chest.

“Aww Hyungs you are the best couple!”,Jimin say next to them.

“And we will be couple goals!My salty mochi”,Yoongi smirk.

“Sure pervert cat!”, blushing Jimin act tough.

“Koko let me sit near the window!!”,he whine.

“Nooo Tata!! “, Jungkook whine back.

“Tata!?” ,Jimin asked holding his Laugh.

“He forced me ok!! Or else one month withoutlike he call it Taebooty!”,

“Taehyung are you not nervous to meet your future parents-in-law”, Namjoon asked smirking at the Jungkook who was now looking away from the window and glaring at him.

“Hyung stop talking -“, Jungkook said and swallow hard.

“Actually I’m not that nervous, I love meeting new people and I’m excited to meet Koko’s appa “,he smile while Jungkook stare at him intensely.

“Taehyung you really are something. I just love the way you are always looking at the positive side and at the same time keeping negativity away or try solving it”,Jin smile fondly at him ,which made him blush and that cause Jungkook to smile secretly.

“Yes he is so unique ! He is a very rare person. He is one of the strongest person I know and still he isn’t arrogant or try using his power . He is my idol “,Jimin smile ,while Yoongi smile softly and put his head on his shoulder .

“We are gonna to eat ,you coming guys?“,Namjoon asked.

“Yeah I’m hungry”,Jimin said getting up with Yoongi still rubbing his eyes and soon smirk.

“I will eat later ,I will just rest a little”,Yoonwoo said and get on the seat bed above Jin’s and laid there.

“This kids ,ok we will leave take care and don’t touch my pillow!“,Yoongi warn them ,while everyone leave , going in the restaurant (you know a private train which have it’s restaurant too).

Taehyung again was admiring outside before it get completely dark. Jungkook clenched his jaw when he saw Yoonwoo looking down at Taehyung’s thighs. He took out a blanket and

cover Taehyung ,who just smile and feeling like the most happy guy,he scoot closer to Jungkook,who felt like kissing Taehyung.

Since their small fight they didn't even kiss properly and both knows they wanted each other badly. Jungkook this time rolled his eyes and open his legs a little and stretch his left leg.

“Wanna to get it against your face?”he whispered while Taehyung was distract with his phone. Yoonwoo quickly look away.*Son of a wanker!*

After a few minutes Jungkook saw Yoonwoo sleep so he let down his guard and look at Taehyung, admiring every features of him. Taehyung was humming a song ,soon he pout looking at the time ,he was bore doing nothing and having Jungkook beside him ,not touching him or kissing him was making him recklessoh he was having the same feeling like Jungkook. When he keep licking and sucking on his lips Jungkook couldn't hold it but to get hard and harder, so he pulled the blanket over him too.

Taehyung could feel his warmness..... And his arousal too. So when his eyes widen with a small smile, Jungkook just grabbed his hand and place it on his bulge.

Taehyung quickly look up and saw Yoonwoo sleeping ,and again at Jungkook who look desperate. He bite his lower lips and decided not to do anything. He remove his hand, but breath shakily when Jungkook again now place his hand directly on his Dick, after unzipping his pant quickly.

“K-mmm”,Jungkook lean on him and nibble on his ear and licking it.

“Please “, Taehyung feel shiver running threw his spine. He ignore everything and started palming Jungkook's cock . Jungkook bite his moan back while clutching on the seat , Taehyung was feeling excited , he lick his lips , feeling himself getting hard. Jungkook could smell his faint phenomenon ,his hand travel on Taehyung's thighs who hold his moans.

He unbuckle his pant , unzipping it and took Taehyung's dick in his soft big hand . Taehyung's right hand almost ripped the seat's rail when Jungkook tease him pressing his thump on his dick's tip. But before he could moan or whimper, Jungkook gripped his chin and pressed their lips together, molding their lips together perfectly.

The kiss keep going on, teeth clashing, sucking each other tongue or lips deperately while hands was moving at the same rythm ,faster and faster.

“Papi-mmmm-i-c-cummm~“, Taehyung try saying in-between kisses ,but Jungkook keep on going , Taehyung's mouth is his favorite lips ,his lips is his favorite tasty sweet,his touch is his favorite touch he ever wanted, his voice! Ahhhh!! It's his favorite music, his true smile is his favorite expression , his pout is his favourite moment of being whipped, his existence isa blessing for Jungkook.....*I want him so much!*

Taehyung came on his hand, Jungkook's eyes widen and still in dazed pushed Taehyung's head in his neck. As he do the same with Taehyung. Taehyung took the blanket and cover

them.

“Bite”,he say with a firm Confident voice. Taehyung’s fang grow as his eyes turn blue reddish,and bite him sucking his delicious addictive blood , soon Jungkook came all over Taehyung’s hand while his eyes turn red and sink his fangs in Taehyung’s flesh. He keep saying he don’t want Taehyung as his mate but still never miss a chance to mark him again and again when he well knows the first marking is enough for eternity and eternity.

Taehyung pulled away blood on his lips which he lick and saw how Jungkook was smiling all in dazed ,eyes dark red ,he too lick his fangs and smirk at Taehyung. He pulled Taehyung on his lap.

“I want you badly”,he whispered while leaving sweet , large and deep hickeys all over his jawline to his neck . Opening a few buttons continue sucking down , Taehyung’s hands messing Jungkook’s hair while he arched his back beautifully. Jungkook roll his tongue skillfully around Taehyung’s bud sucking on it while left hand playing with the other and right hand kneading his buttcheek possessively.

Taehyung was releasing small moan ,still not wanting Yoonwoo to hear them.

“I-i want you too -ahhmm-papiii-do it now!“,he threw his head on Jungkook’s Shoulder when he pulled his pant down . Jungkook enter his two fingers stretching his hole which he badly want to destroy. Taehyung was leaving love bites on Jungkook’s sharp jawline sensually, making Jungkook go crazier ,he trail his kitten’s tongue down again leaving sensually slow hickeys and sometimes biting harder as Jungkook finger him faster.

“Ah-my Papi chuloo~~~ fuck me now you bitch!“,he whine yanking Jungkook’s hair back.

“Right now slut”,He groaned and crashed their lips again violent kissing so hungry for each other , Taehyung’s eyebrows furrowed while Jungkook steal all his moans when he enter his now clenching hole around Jungkook’s thick ,long cock stuffing his hole completely.

He bite his lips with a smirk ,when he see Jungkook sucking on his lower lips eyes closed. Taehyung hold his shoulders as he started to move up and down on his favorite dildosorry I mean his papi’s cock.

Jungkook hold the blanket both side while enjoying one of his favorite view . He love how his dick was hitting Taehyung’s at the right place,his face was telling everything ,how he was sweaty ,how his eyes half lidded as he bounce on Jungcock, how he suck, lick or bite his lips, how his moans were now uncontrollable. By now Jungkook knew Yoonwoo might have smell and heard everything..... exactly what he wanted , because Taehyung is his.

He put the blanket behind his back around his waist,now the blanket was stuck behind him so it wouldn’t go lower than their waists. He smirk and brought Taehyung closer , right hand squeezing his thigh and left hand yanking Taehyung’s hair to the side a little and nibble on his ear with a small growl ,as he trail his tongue down and possessively growl as he suck on Taehyung’s neck and then.....his eyes snapped red with a warning growl right towards Yoonwoo ,who now had Wide eyes and felt submitting to Jungkook. He couldn’t move or anything he was shaking and have only one option close his eyes again . Jungkook smirk ...

Poor alpha of a dumpster- ahhhh fuck!! Being inside Taehyung feel so good!! I fucking love when he bounce on Jungkook like this !!!He look so adorable and sexy taking control - wait - AHHH FUCKK!!

Taehyung bite his ear because he was not paying attention.

“Y-you papi s-should look at me!! Not someone else!!”,he panted .

“Sorry, i-i was just showing him his place”,he peck his lips ,and soon smirk and squeeze Taehyung’s buttcheeks ,and started pounding in him , ramming Taehyung’s poor hole . He gripped on his hips and made Taehyung thrust himself on his massive dick. Taehyung clenched his teeth while gripping harder on Jungkook’s shoulder. Jungkook’s pace was no joke , Taehyung’s ass was hitting loudly on his thighs ,he deepballs trust in Taehyung.

Taehyung moan and whimper loudly , getting oversensitively shaking , because Jungkook’s cock was hitting right in his bundle of nerves sending him on another level of pleasure.

“I-i- co-com-Aahhh”, Jungkook grabbed the towel ,and put it on Taehyung’s dick as he came. Taehyung panted but was trembling as Jungkook didn’t stop thrusting in him.

“C-change th-the -position papi BiTch!”,he threw his head back as he close his eyes tight. Jungkook almost laugh at his adorableness,yes even when he see Taehyung all shaking under his touch and pouting he find it cute and a turn on. He squeeze them on the seat (bed) ..he was behind Taehyung while Taehyung back face him.

Jungkook hold him by is waist ,and keep thrusting in him ,in an animalistic pace , Taehyung’s left leg was on his making him thrust more easier. The blanket on them , Taehyung’s mouth half parted ,he look so wrecked . When Yoonwoo eyes met his he just smirk in return while Jungkook was thrusting in him faster. He knew Yoonwoo was awake so he control his eyes color, now it was just a dark brown color.

Jungkook was kissing his back ,while right arm wrap around his neck as a pillow too. Left hand was tugging softly on Taehyung’s bunny piercing ,which Taehyung love so much.

“Ahh-papi!! “, Jungkook pace slow down as he move slower but deep thrust ,he pulled his dick out and came in the towel . Soon Taehyung follow behind but he came in the blanket. Jungkook just Sigh and hug Taehyung closer to him for a few seconds while both were catching their normal breathing.

“Shower?”.

“Tired”. Taehyung reply . Jungkook just rolled his eyes and picked him up and went towards the shower and toilet after putting on his pant and throwing the towel.

“You had to scare him like that? Poor Yoonwoo Hyung was traumatized!”, Taehyung pout as he hit Jungkook’s muscular strong chest. Loving how Jungkook’s chest feel he started to poke it and squeeze it smiling like a kid. Jungkook just rolled his eyes.

“Not like you didn’t know he was awake! And now I know you have a public kink too”, Taehyung just shrugged.

“Actually I don’t care where or when *you* fuck me. Because it’s *you*, and I like it when you get all possessive, I don’t mind, moreover I promise to let you fuck me whenever you want.....but don’t forget *i can get* super possessive too Koko”, he smirked looking at Jungkook who look down at him a little taken aback.

“I-....ok”, he felt that comfortable warmth around his heart. They passed the toilet and heard moans, looking at each other wide eyes knowing who it was.

“Those snakes!! Acting like they don’t like each other!“, Taehyung Laugh amazed.

“Hey !! YOONMIN THE TOILET ISN’T SOUND PROOF!“, Jungkook bang on the door, carefully to not drop Taehyung.

“GET LOST YOU SMALL DICKS!!“, they look at each other hurt but soon burst laughing and stare at each other intensely. Clearly his throat Jungkook went in the shower.

By finish showering Taehyung was back on his feet, still a little pain. They walk in the cabin to see Yoonwoo still on his bed.

Taehyung raised an eyebrow to Jungkook who just smirk back.

“Just forgot to let him know he can fuck off“, The time Jungkook made him submit with a warning growled, Yoonwoo’s body didn’t move.

“Joonie she just had not to take the last chocolate ice cream and we were good. But nah she had to put up a fight, so I wasn’t gonna to just sit and accept the fact! I have to show her who is the world wide ready to throw hands at a bish guy -oh my flip flop!!“, Jin stop ranting and look at Taekook.

“Let’s just let them sleep“, Namjoon smile at them and sit on his seat with Jin taking a few pictures happily.

Taehyung was on Jungkook ,while the trublood alpha was hugging his waist and Taehyung his neck and his cheek pressed again Jungkook's chest , making his cheek more squishy. Both looking peacefully happy in each other embrace.

“Too stupid to realize he is already in love with Taehyung”, Jin sighed.

Let's hope he realize it before someone manipulate him in convincing him he isn't..... 😊

Chapter 21

“I’m so excited!!”, Taehyung squeal tapping Jungkook’s arm who just rolled his eyes. They were already out of the station. Luggages already at the back of the car or on the rooftop, Yoongi had already booked a car for them.

He stop breathing for a second ,it felt so good to have Taehyung in his lap, the vampire omega fit like a puzzle on the true blood wolf’s lap. Now that he think ,he never really have him sit there.....minus the intense sex.

“You can touch you know. Is it even a thing to think about. You don’t have to ask.“, Taehyung chuckled .

“No, I’m good”, Taehyung was hurt a little, but actually Jungkook wasn’t trusting himself, he felt like if he touch Taehyung ...he will lose it.

“Ahhh!!!! Look beach!!“, Taehyung squeal and point out.

“BiTcH?” Jimin asked confused what bitch he saw now.

“BEaCh”.

“O....k”, Namjoon look away back to appreciating Jin’s side profile .

“By the way Jimin, a little advice . Yoongi got his Savageness personality from his mom while his father is sweet and never get in the fight between Yoongi and his mom. They don’t really fight they just threw comments.....their way to show affection you see.”, Jin warn him.

“Ahhh ok ,thanks Hyung.”, Jimin smile .

“I’m right here you two tomatoes!!”, Yoongi huff.

“It been years since I last saw the sea”, Taehyung smile and turn his slim legs on Jungkook’s left side, now Jungkook was right in front Taehyung’s left profile.

“It’s so relaxing, the smell, the waves hitting the shore or biggie rocks. It’s a nice place to relax and think about life.....but I have to put lots of lotion on my body to be able to sit under the sun and don’t get rashes. With that I can’t get my body tan to a deeper colour you see...hmmm”, Taehyung Sigh looking outside ,as the car move making the scenario more beautiful.

“Your skin is perfect..... pretty”, Jungkook dreamily said looking at Taehyung intensely. While Taehyung trying to control his heartbeats.

“You are a cute bunny”, Taehyung smile and risk giving Jungkook a peck who , didn’t move and just close his eyes appreciating his lips.....he can’t get enough of it.

Taehyung pulled away when he saw it’s started to rain ,small drops hitting his face.

“Ahhh it’s raining!!! Look Koko!!! It’s so beautiful with the sea in the background!!!”, Taehyung smile and yell like a kid . He look at Jungkook then chuckled all excited and looking out again.

What he didn’t notice in his excitement was, Jungkook’s eyes not leaving his face for a second, how he didn’t blink and felt like he was in a beautiful dream. Jungkook’s heart was beating faster ,it was already ready to jump out and go in Taehyung’s embrace. Taehyung smiling was a very precious sight. No fake smile but true happiness smile. So he stop listening to his brain for a minute and let his heart take over, he pulled Taehyung closer locking his arms around his waist.

Taehyung stop all movement and gulp he look at Jungkook and saw the sweetest small smile he ever saw, their lips inches away ,one bump on the road and bam lips smashing together.

“What?”,

“You are touching me”, eyes contact didn’t stop.

“So, I want to. I don’t need to even ask before touching you right?”, Jungkook reply lost in those beautiful eyes.

“I-*smoosh*“. One bump and their lips met!! Thank you Yoongi !!!

Both kiss back and separate ,they stare at each other then a smile form on their lips. The others in the car pretend they saw nothing, Yoongi intentionally speed up,so that they kiss ,but before that he mind link Jin to hold tight on his seat. They just couldn’t interrupt this kind of moments!!

Taehyung lean on Jungkook and lay his head on Jungkook’s right shoulder. Jungkook didn’t say anything and tighten his grip around him with a silly smile. He look towards the sea smile confusedly.....it was the first time it felt good looking at the sea, not like he usually feel like an empty shell.

“we are here guys”,Jin said when they were about to arrive. He look back and smile , Namjoon was sleeping head against the window. Jungkook’s head was leaning back with lips parted cute bunny teeth in view,his right hand was around Taehyung and left hand was being crushing by Taehyung. Taehyung was hugging his hand tightly snuggling with it, with a peaceful smile on his face.

Jimin’s head was against Taehyung’s head ,his lips all pouty. Yoongi just wanted to nibble on those lips.

“I should have let Namjoon drive! I missed my sleep and touching Jimin”,

“You know he doesn’t have his license and it’s too uncomfortable for me to drive,and Jungkook would have already almost kill a few people “,Jin rolled his eyes.

“Oh my red fish!I shouldn’t have told Jungkook’s mom we were arriving”,

“Why the fuck everyone have to stand out waiting for us! It’s get awkward!!“,Yoongi hiss. Just when he turn on the pack way ,they could see some pack members waiting outside with Jungkook’s mom smiling widely and Yoongi’s mom was there too, she was happy to see her son again.

“Guys!! Wake up !!! Everyone is out!!!“,Jin yell with Namjoon jumping awake.

“Where are the crabs!!?“ ,he panted and shut it with Jin’s glare.

“Hmmm“,Jimin wake up rubbing his eyes and ,open one eye looking out. Yoongi just stop the car right 4 centimeters away from them.

“Why are you screaming!?“ , Jungkook groaned and look around pouting. But his mood light up a little when Taehyung whine and snuggles with his arm and sigh peaceful .

“Tae!! It’s not the time to be cute!“,Jimin resist to coo at him.

They try waking Taehyung ,but he just frown and groaned in his sleep, pushing away his hand.

“Ah let it be!“, Jungkook Sigh, and just then he open the door and pick Taehyung in bridal style ,The later lock his arms around his neck and snuggles his face in Jungkook’s chest.

“Welcome to Crystal pack!”

“OMO!!OMO!! IT’S MY HANDSOME SON AND HIS CUTE MATE!!“, Jihyun excited hit Yoona’s arm who glare at her sister-in-law. All the pack members who was there look surprised at Jungkook. It have been years they saw him, some were happy some were not.

Hyunsik rolled his eyes ,him and Sana were standing near the door, looking at the couple. But what was everyone curious about was how Jungkook’s mate look like.

Yoongi came out with Jimin and right there some gasp at how handsome and angel look Yoongi’s mate was. Yoongi stand infront his mate and glare at them, Jimin peeking over his shoulder.

“Jeon...e-eomma”, Taehyung mumble in his sleep hearing her voice. He open his eyes but quickly shut it because it hurt. He rubbed his eyes with his fists and squinting it he open it slowly again.

“Stop being cute and get on your feet”, Jungkook said

“Hmmm”,he hummed and look towards the pack’s members, and that’s when everyone’s mouth were hanging , almost touching the floor..hahahahah..... Someone boredom was quickly vanish and standing straight wide eyes staring at this cute beauty.

“Oh?....OH!! put me down Koko!!“, Taehyung look confuse and then processing everything ,he tap Jungkook’s chest who let him down rolling his eyes. Taehyung hide behind Jungkook.

He comb his hair with his fingers and pass his hands on his clothes , thinking he was lookable he walked out from behind Jungkook and smile Widely at them.

" Annyeonghaseyo I am Taehyung, nice meeting you all”,he bow with the cutest smile winning many heart at once.

“Hi eomma”,he received a smack on his head.

“Shut up, and tell me who is that boy”,She point at Jimin who smile like an angel and approached them ,then bow.

“Annyeonghaseyo I am Jimin ,your son’s mate. Nice meeting you, by the way your earrings are beautiful”,he said sincerely.

Yoona raised an eyebrow and hummed with Yoongi looking at her suspicious.

“We got a good one here. Come give me a hug future son-in-law!“,she smile and Jimin blush giving her a hug.

They met everyone and when Jungkook was about to walk in.....a person stop him.

“Long time no see Jungkookie!!I missed you”,Sana appeared all smiling and without looking at anyone threw herself on Jungkook ,whose eyes widen. Hyunsik does not seem too hurt ,but his wolf was jealous....just his wolf not the human side of Hyunsik.

Taehyung look shock and his heart hurts, with his friend looking equally surprised . Taehyung eyes widened when he saw Jungkook slowly hugging her back and his heart broke right there.

“Hi Sana”, Shouldn’t he be angry with that girl!!.

They were currently in Yoongi’s room. After that scene with Sana , Taehyung didn’t look at Jungkook, he just threw his bag at him and walk away with Jimin . The pack had houses as in a circle. But Yoongi and Jungkook share the main house ,mean the head alpha’s house.

The house was very big and inside was modern and a mixture with ancient style , including more wood. That was fascinated to Taehyung ,he love it when it relate to the forest. But right now he was just trying to get on the house’s rooftop and Jimin was pulling him by his leg.

“Yeah too much”,Jimin nodded.

Taehyung was so absorb by the house, it was just beautiful. He followed the instructions Yoongi gave him about going to Jungkook’s room. He was looking at the ceiling there were drawing on it , something like wolves attacking other wolves and a big beautiful moon on top.

“Ahhhhh!“,

“Owww!“,he bump with someone and they end up falling on their butts. He get up rubbing his butt and then saw Sana getting up , he bite on his inner cheek and didn’t let his jealousy

“I have a mate ,we are engage now-”

“Talking about me sweetie?“,a man appeared, all tall and smiling , looking charming and handsome. He place his hand around Sana’s waist.

“Yeah ,just telling Taehyung how I have a handsome mate!“,she smile hugging him back. Taehyung look at him and remember it was the man from earlier, he saw from the window.

“Hi ,I’m Hyungsik . No need to tell me your name ,it Taehyung right”,he was being all smirking and flirty.

“Seriously , I wasn’t gonna to tell you”, Taehyung said sternly, he wasn’t getting a good vibe from Hyungsik. The couple look at him a little confused then laugh.

“By the way Taehyung isn’t my mate handsome”,Sana smile looking at Hyungsik with a sweet smile. Taehyung look at him up and down ,with Hyungsik waiting for his compliments.

“There is no one handsome except Jungkook for me.....no not joking . Byeee~~“,he smile Widely and wave at them going away .

“What a man!“, Hyungsik scoff and smile looking at him leaving with Sana glaring at him.

“KIM FUCK YOU TAEHYUNG!!! WHERE WERE YOU? DON’T TELL ME WITH JIMIN OK! I JUST ASKED HIM AND WHY DID YOU BLOCK ME!!! ARE YOU SAD !? WORRY? UPSET!? I’M SORRY IF IT’S NOT YOUR STYLE HERE-“, Jungkook yell rambling with big eyes , looking all cute .

“Jungkook shut up-”

“TELL ME IF YOU DON’T LIKE SOMETHING ! DON’T JUST KEEP QUIET ,I CAN FEEL YOU ARE NOT HAPPY WITH SOMETHING! BUT GEEZZZZZ DON’T JUST THREW YOUR BAGS AT ME AND WALK AWAY -“, Jungkook didn’t hear Taehyung over his screaming.

“Jeon shut the fuck up!“, He rub his forehead.

“YOU DIDN’T EVEN SPARE ME A LOOK, I WAS WORRIED YOU WILL LEAVE ME HERE AND GO BACK TO SEOUL-mmmmm“, Taehyung pulled him , cupping his face in his beautiful hand and kiss him deeply, Jungkook wide eyes finally close and body relax. He wrapped his hands around Taehyung’s waist and kiss him back. No tongue involve just lips moving together . Taehyung pull away and look in Jungkook’s eyes.

“I love this house, it’s very beautiful. I was just thinking that’s why I block you from linking meEven if we are on the road or *at the edge of dying I will never ever leave you Jeon Jungkook*“, Taehyung smile fondly ,while Jungkook his heart was all happy.

Taehyung tickled his chin and pull away feeling too emotional.

“Where is the bathroom?“,He asked looking away and smile seeing all his bags beside the bed. He turn around and saw Jungkook pointing to his left ,while blushing a little.

“Did you carry all this bags here? Alone?“, Jungkook look at him and nodded with his biggie doe eyes.

“I’m a strong man”,he said .

“Yahh!! why do you make me all weak!! You are so cute !!“, Taehyung smile and pulled his cheeks with Jungkook trying to stop him.

“N-no ,I’m not cute I’m strong!“,he growled ,and hold Taehyung’s hands away, who look at him surprised.

“HAJIMA!! Koko you are my manly strong muscular cute bunny!!“, Taehyung squeal and pushed Jungkook’s hands away pinching his chubby cheeks, with Jungkook just rolling his eyes and sigh letting Taehyung.

“Sis that’s very uncool”,Yoona said looking at her shameless sister-in-law ear against Jungkook’s door and squealing silently.

“Yah!! Shut up and stop talking like this!“,Jihyun glare at her and pull her away from there.

“This is call being cool unlike you”,she said sternly.

“Whatever! But I’m so happy our sons finally met their mates!! “,She smile.

“Me too, I like Jimin. He is small and cute, Taehyung and him are best friend . That’s nice they will get along better”,Yoona said while they walked downstairs.

“Just like us!!”, Jihyun pulled her by her head and glue their head together ,while she smile all happy.

“God why!?”.

“Shit! Shit! Shit!! They are here!!”, Jungkook said PANICKING hearing his uncles and FATHER are back!!

“Hey relax Koko, we got this”, Taehyung smile drying his hair as he just washed it , finding a Jungkook running all over the place.

“I can’t!!! I left when we were not on a good term... remember! You should know Jin Hyung told you everything!”, Taehyung bite his lips and smile getting up from his chair.

“I know ,but that doesn’t mean you will let thing the same. Now be yourself and keep your ego aside and let go and greet them”, Taehyung said and ruffled Jungkook’s head which end up his fluffy black ears came out.

“Tae!! ”

“Oops sorry~“,he smile which melt Jungkook.

They walked out after Jungkook’s ear disappeared.

“I know it’s a little bit weird to say this ,but please act like an omega,...I mean a submissive one or they will doubt something”, Jungkook said.

“No problems Koko “,he smile , Jungkook smile and took his hand in his , making Taehyung gulp and blush a little.

Where they arrived down Jimin was being hugged by a happy man , probably Mr Min, because Mrs Min smack his head to let go of the boy seem to completely disappeared in his embrace.

Then there was Jihyun hugging a man legs around his waist. The man holding her and had a sweet smile on his face. Taehyung smile at this cute couple, Wondering if one day Jungkook will smile like this holding him ? Or will they even have this moment? Then he felt Jungkook tighten his grip , Taehyung gave him a reassuring smile which Jungkook return with a small one.

They walk down and everyone went silent, Jihyun let go of her husband,Who was looking at Jungkook then at Taehyung and then their hands link. Taehyung decided to ease the tension

in air.

“Annyeonghaseyo I’m Kim Taehyung, your son’s mate, it’s a pleasure to finally meet you”, Taehyung smile widely and bow .

“Annyeonghaseyo, I’m Jeon (Gong 😊) Ji-cheol”,the man reply with a bow too then keep his serious expression looking at them.

Taehyung nudge Jungkook who stop staring and clumsily bow, which made Jicheol hummed and still keep his cold posture.

“Annyeonghaseyo a-appa”, everyone was looking at Taekook and Jicheol.

“Are you an Omega?“, Jicheol asked politely and received a glare from his wife.

“Yes! But I’m very strong”,he smile Widely, everyone find him cute.

“I see”,Jihyun wanted to smack her husband for being all serious and plain.

Jicheol stare at Taehyung intensely ,while Taehyung do the same smiling. Jungkook was like just in shock,(let me present you our international JungShook boi again!!,) While Jimin was signaling Taehyung to look down.

You dumb of a dumbass look down!! Omega can’t look in an alpha’s eyes!! Can’t you even feel his phenomenon!!! It shouldn’t affect you because you are already marked! But still you can’t look back in his eyes!!! It’s dangerous to disrespect him!. Look down Taehyung!!

“Oh my God!!!“, Taehyung yell ,eyes wide. Making everyone flinch even Jicheol who quickly stand straight again.

“What!? What!?“,they flinched again with Jimin yelling now.

“Oh I see very chaotic Bestfriends”,Yoona mumble next to her husband .

“Your Jawline appa Jeon!! ...AHA!! now I know where Koko got this perfect small square sharp jawline! WOWWW!“, Taehyung said like he just solve a big mystery.

“K-koko?“,Mr Jeon asked confused.

“T-thats me”, Jungkook lift his hand up looking shy because everyone was looking at him. But glare at Hyunsik when he saw him laughing.

“Look at those jawline!!“, Taehyung said facinated and slide his finger quickly on Jicheol’s jawline making sure it doesn’t cut and walked back to Jungkook who was in shock.

“It didn’t cut Koko “, Taehyung confirm. With everyone mouth hang open.

“Oh my stone.....he is doom”,Yoona announce all shock.

“Did she meant ‘oh my Yoongi’?”.

“Oh my anpanman you understand my mother more than me”.

Chapter 23

Everyone mouth were still hanging, waiting for Jicheol to say something or snapped ,because Taehyung touched him and was being carefree while talking to the head alpha.... thinking Taehyung was really doomed that was until.....

“HA!!! See I told you babe ,our Kookie’s jawline is like mine!!“,Jicheol grabbed his wife’s shoulder and shook her with a ‘see I told you’ smile , leaving everyone mouth hanging lowerhahahahha...I’m so funny...um ok continue please.

“Oh my stone, I was wrong . My brother-in-law is still a dumbass”,Yoona said expressionless.

“Yahh Yoonie be nice to my brother”,Dong-wook said while Yoona gave him a blank look.

“Woww your appa is so cool!!“, Taehyung smile while Jungkook look at him slowly, mouth still open a little. He thought his father will not spare Taehyung for being like this. His father became quite cold last time they fight.

“Honey-”

“You lost the bet wifey!! I’m getting this sexy massa-OW!“,

“HONEY!!“,Jihyun smack his chest, which made Jicheol realize everyone was looking at him, he clear his voice and look back at Taehyung seriously.

“Um,you are from Moon pack right? Were you the one who take over the place of the DJ for my birthday?“,He asked in a deeper exaggerating voice.

“Yes I’m from Moon pack and YesSS! I’m the one who made your birthday party 100% more fun and amusing!“, Taehyung smile Widely again. While Jungkook think about the day he met Taehyung. And he didn’t met his father after passing the night with Taehyung. He was relieved that his father return to Busan the very next day, so that he don’t have to explain anything or get scold.

“I was in it too!“,Jimin held his hand up, if his best friend is going to fall deep in shithe don’t have other choice to follow him... WELL THAT’S WHAT BEST FRIEND ARE FOR!!

“Jung Park-Jimin and Kim Taehyung, I know you two, not too much. But Your father , Jimin talk about you two alot and Hoseok too, oh I’m sorry we couldn’t attend his wedding there was some problem here”,Jicheol explain still serious.

“Oh ,no it’s ok....by the way Hoseok was in it too even ,Y/n”,Jimin said, well if he was in shithe will bring down his best friends together too...WELL THAT’S WHAT BEST FRIENDS DO!!

“Really?“, Both best friend look at each other and look back at Jicheol and nodded.

“But it was Tae’s idea!” Jimin spat at the intense glare from Jicheol. Taehyung scoff.

“Chim!! We were in it together!!”,

“Hahahahahahah! I like you both!! And the party was a success ,not some boring type of old people meeting”,Jicheol Laugh and then mockingly look at Jungkook ,who was still Jungshook.

“I know right! And oh my gawd appa Jeon!! You are so cool . Koko I love your father! Why didn’t you told me he was so cool!?” Jicheol find Taehyung really adorable, he felt Taehyung’s good vibe,making anyone feel comfortable with him.

“Yeah ‘Koko’ why didn’t you told him I’m very cool?”, Jicheol asked smirking.

“Huhh? Cool? You are like a kid almost all the time”,Dong wook rolled his eyes while walking away from there.

“Hi Taehyung ,I’m your kokonut’s uncle . You can call me uncle too”,he smile at Taehyung who nodded and bow, Dong wook continue walking with Jicheol running behind him trying to prove he is a cool man.

“Hey! Wait I’m cool you dinosaur!!”

“Ah Taehyungie , don’t pay too much attention at them ,they are always like this. Jicheol act cold and all serious but when he like someone he literally behave like a kid around them , because he likes them....and by what I saw he already love you!”, Jihyun explain all smiling.

“Ahhh that’s good! I’m loving it here!”, Taehyung smile.

“Hey! Kokoriko ,can you stop it’s getting creepy”,Jimin said to Jungkook who slowly look at him.

“How did he like him so quickly!!?”,he point at Taehyung.

“Taehyung’s magic, everyone like me”, Taehyung wink at him.

“Boi I don’t”,Yoona said sternly ,everyone looking at her.

“Geez I’m just joking”,she smile which look creepy.

“Eomma , joking and keeping a serial killer expression on doesn’t make it sound funny”,

“You better go look after your dumpling legs”,she walked out swagly from there.

“Wow that was-”

“Taehyung’s magic ..very effective”, Hyungsik smirk ,now everyone looking at him.

“What the hell are you doing here you flat board? Huh! Go back to your nest “, Jungkook glare at him ,then wave at him uninterested.

“Aww is that how you behave towards your cousin after not seeing him since a long time? You should behave yourself cousin”,he mock , Jungkook mock a chuckle and rolled his tongue against his cheek. Hyungsik really think Jungkook can’t see him ogling his mate!

“Listen here you pathetic pole face, if you really want me to behave ,then you will have a broken neck with broken hands ,in conclusion I will break you completely....so you better shut the heck up and get out from here..... That’s what I think when someone say I should behave”, Jungkook gave him a last glare and walk upstairs.

“Damn , isn’t he just so hot!“, Taehyung sigh dramatically.

“Yeah he is”, Taehyung smile drop and look behind him to find Sana looking at leaving Jungkook.

“Don’t you have to go back to your nest too?“, Taehyung smile fakely and walk upstairs , leaving a embarrassed Sana ,with Jimin Laughing at her ,making sure she saw then he walked out of there with Yoongi.

“You two can leave, Jicheol didn’t call you Hyungsik”,Jihyun walk away too. Hyungsik’s house was after two houses, he don’t live with them. He was Jicheol’s dead step brother’s son.

“Weak and naive hmm”,Hyungsik look at the stairs, with Sana looking at him..

Taehyung dance back in his now room which he share with Jungkook, thinking about it makes him squeal.

“Koko-hmmmmmm”,he sighed when he saw Jungkook glare outside the window sitting on the bed. Taehyung doesn’t really know exactly about what Jungkook was pissed for.....Hyungsik who once stole his girlfriend or because he saw Sana and Hyungsik together again he is jelous?....if it’s the second option then it’s mean Jungkook wasn’t over Sana and that hurt Taehyung. But Taehyung was stubborn ,so he will do everything to make Jungkook move on if he still have feelings for that bitch.

Taehyung crawled on the bed behind Jungkook, he passed his right arm around Jungkook’s stomach and his left hand over his shoulder to his chestthen he back hug Jungkook tightly and peck his ear.

Jungkook who was deep in thought ,relax as soon the scent of his mate hit his nose. He stay like he was, not moving ,he let Taehyung do what he wants. Because we know he love it.

“Stop glaring at the window ,it might explode Papi”, Jungkook couldn’t hold his smile, ‘papi’ he didn’t hear it much coming here and why does it feel like he missed it so much.....well whatever he did missed it.

“Oh see who is smiling again”, Taehyung chuckled and rock them side to side kissing Jungkook’s cheek. Taehyung felt happy when he heard Jungkook chuckling.

“Aww my cute muscular strong bunny !! Soo ado-ahh-ooo”, Taehyung was pulled under Jungkook’s arm and then land on his lap. Jungkook wrapped his arms lightly around Taehyung’s neck to not hurt him, and his other hand over Taehyung’s hips.

“Cute huh? “, Jungkook smirk .

“Yes too much !!“, Taehyung chuckled.

“Oh really is this cute?“, Jungkook lean down trailing his lips sensually on his neck, Taehyung hiss eyes shut clutching on Jungkook’s Shoulders.

“C-cute- ahmmm”, He keep teasing and Jungkook suck harshly on his neck ,while hand running up and down Taehyung’s hips.

“Adorable- ah PAPI!“, Jungkook grope his dick over his pant and squeeze it.

“Yes babyboy”, Taehyung breath shakily, Jungkook effect my dear friendsss!. Jungkook smirk and continue leaving big hickeys over his neck and collarbones, practically around his neck, jawline and collar bone. Jungkook removed his arm around his neck and tugged on his hair, exposing Taehyung’s perfect side profile to Jungkook whose eyes turn red. He wanted to mark his mate again and again and leave his scent on him so that everyone who come around Taehyung will only get Jungkook’s scent.

(semi smut ahead 🍷🍷👁️)

Feeling the need to mark Taehyung’s body, not leaving an inch. He lift him like nothing and pinned him on the bed. He spread Taehyung’s legs and get in-between, Taehyung lock his legs around Jungkook. His need to mark his mate took over him too and his eyes flash blue reddish. Their wolves just wanted to feel each other and connect together.

Jungkook hovered over Taehyung, admire him carefully, licking his lips. Due to all this lips movement his upper lips got a little swollen....damn sure if they kiss he will have Kylie Jenner’s lips.....just kidding hahahahah.

“What ?“, Taehyung asked while he was panting a little ,cheeks red , hooded eyes, messy hair ,pink lips holding a small smile like if calling for Jungkook’s lips.

“All mine”, Taehyung’s smile turn to a little shock ,but then Jungkook close the gap and his soft lips touch Taehyung’s equally soft. Jungkook suck on his lips moving his lips with all passion. While Taehyung didn’t respond,..... was it only Jungkook’s wolf or Jungkook too wanted him?.....

Feeling Taehyung not responding Jungkook frown in the kiss and hand travel under Taehyung's shirt and tug softly on the piercing , earning a moan, taking the chance to slip his tongue in. He run his hand up and down Taehyung's chest or side.

“Kiss me..... please”,breathly soft voice.....yeah Jungkook sound desperate and Taehyung didn't waste a second to kiss back. Taehyung's hand travel in his hair messing it up or tugging on them. Left hand around Jungkook's neck pulling him closer.

Their crotches rubbing against each other ,making them shiver . Changing their head side to side to kiss in every angles possible both desperate. Taehyung tugged on Jungkook's upper lips earning a half groaned and chuckled. Separating a string of saliva was still connecting them. Taehyung kiss him again and break the kiss. Jungkook kiss near his lips ,then Jawline and keep trailing down his neck again leaving more and more hickeys.

Taehyung was moaning not caring ,and did the same with Jungkook , leaving more love bites on his neck. Not small one but the big one which show how possessive he is and don't want to share his mate .

Both lost in lust started to grind against each other. Jungkook lift Taehyung's left leg getting more access to rub his now hard huge cock against Taehyung's also throbbing one. Taehyung moan on his skin senting goosebumps on his whole body. Taehyung's left hand went under Jungkook's hand and then on his back pulling him closer while messing his hair with the other hand.

“Ahh~~yesss papi!-Ah PAPIII!!“, Taehyung whimper in pleasure when Jungkook pinch and tug on his bud.

“Fuck yes Babyboy!Just like that!“, Jungkook groaned in contentment when Taehyung started to go in his pace. Jungkook was thrusting his clothed dick against Taehyung's. The bed Making sound at the couple powerful thrusts.

“P-papi I'm c-AAahh yes!yes !yes! Urghh!“,

“Ahhhh fuck!“, Jungkook thrust slower feeling himself reaching his climax. But wanting to feel all overwhelmed and painfully pleasure Taehyung ,he growled and gripped on the bed sheet next to Taehyung's head and thrust in an animalistic pace,... Both having the best orgasm and getting over sensitive.

“AHHH! JUNGKOOK!!! AHHHH“, Taehyung's body jerking under Jungkook who was moaning loudly now. Taehyung came right there in his pant while trembling .

“AHH YES!! MINE URGHH TAEHYUNG !“,with loud growl he came and connect their lips together, a hungry sloppy kiss.

“Wow! Even our grinding is so powerful my papi chuloo“, Taehyung lick his lips panting and Chuckled.

“We are the powerful couple “, Jungkook chuckled getting up . He don't know what that word made Taehyung feel ‘power couple’ Jungkook called them a couple.

“We should take a shower , we will have dinner soon . Well if they didn’t change dinner time”, Jungkook flipped his hair back and started to unbutton his messy shirt taking it off walking towards the bathroom. Taehyung look at him leaving ,will Jungkook tell him to join him or not?.....

“Oh”, Taehyung’s eyes light up and look at Jungkook who just turn around.

“Yes?!“,he ask immediately. Jungkook look at him strangely then just shrugged.

“You can wear something comfortable ,no need to wear your fancy clothes. My parents aren’t the judging type”,he smile at the thought of his parents and then turn around again going in the bathroom .

Taehyung pout ,his shoulders drop. Jungkook didn’t told him to take a bath with him.

“It’s ok, it’s nothing”, Taehyung flipped his hair back and smile sadly. He get up and sat on the bed.

“What the hell are you thinking now? -no let it be ,it will be something stupid again. And come quickly you want the hickeys to disappear before someone see it!? I worked hard on those and everyone need to see that!!“, Jungkook interrupt his thinking near the bathroom door in only his boxer ,which was clearly wet.

“You want me.....“, Taehyung mumble to himself looking wide eyes at Jungkook who look at him confused.

“Of course I want you! We need to take a shower quickly!“, Jungkook say then his eyes grow wide and about to yell but just shut it and caught a yelling Taehyung.

“KOKO I LOBE YOU!!!!HAVE MY BABIES PLEASE!!“,

“I’m-.....NOT THE BOTTOM TATA!! “,

“Tell me it’s a joke! “, Taehyung shook his head and drag Jungkook downstairs.

“Nope papi! Stop complaining it’s comfortable.“,

“They will laugh!”

“They will find us cute!“, Taehyung was wearing his blue pyjama and made Jungkook wear a light pink one. He design those pyjamas himself. Jungkook had to wear it because Taehyung blackmailed him ,saying if he doesn’t wear it,he will make his hard work disappeared....the hickeys.

“Good evening everyone~~!“, Taehyung happily announced. They were having dinner with the whole family as they came back to the pack.

Everyone look at the mates wide eyes , a little embarrassed except those who are not from the main house.

“It’s pink!! That suit you kook! -oh it’s so cute ,both are wearing pyjama! With a tag name on it ..Koko & Tata!“ ,Jin dramatically hold his chest.

“Jinnie!! Are you fine!? I didn’t break you !!? Answer me!“ , Namjoon drop a glass trying to touch Jin quickly thinking he might be really hurt.

“Geez the whale was just overacting that’s all!“ ,Yoongi yell and received a smack from his mother , he pout at his mother who look at him blankly.

“Why everyone is looking at us like this?“ , Jungkook asked like ‘not giving a fuck’ attitude, when he saw Hyungsik and Sana feeding him a tomato....

Jimin looking big eyes at Jicheol (who was glaring at Jungkook) then again at Jungkook and Taehyung.

“Oh my God this grilled lamb is so good!! What did you add in this!! It’s just so delicious!! Wow Gordon Ramsay would be shock!!“ ,Jimin smile widely taking a bite.

“I added just salt and pepper “ , Jicheol look expressionless at Jimin who open his mouth then close then didn’t know what to say.

“Oh-um - But wow!! You are good at cooking! Great!“ ,Jimin smile again showing his thump up.

“Did I say Jimin is very adorable“, Yoongi smile dreamily.

“Yeah, just about a MILLION TIMES!“ , Namjoon yell and laugh like an cute idiot then ask sorry to those who flinch.

“Chim, are you ok? But what happ-”

“Oh my God Tae ! Taste this !“ ,Jimin shove a piece of meat in Taehyung’s mouth shutting him.

" ‘saving my bestie’s ass ’ type..... I see“, Yoona nodded to herself.

“Yoon!“ , Jihyun nudge her.

“You all are behaving strangely“. Jungkook look at them suspicious.

“Just know the rooms aren’t soundproof and nice pyjama“, Jicheol smile only half and mockingly sip his wine, leaving Jungkook and Taehyung blushing in embarrassment, and Jimin facepalmed.

Chapter 24

Jungkook was at the edge of the bed with Taehyung clinging on his back. He sighed and grip on Taehyung's hand which was on his chest moving sleepily.....even in sleep his kink show up, touching Jungkook's muscular body....the whole night Jungkook was sleeping then awake then sleep then awake because apparently a Vincent hyungie was stealing Taehyung's Koko's nude painting or some bunny was lifting him up in the sky making him feel he was flying. How Jungkook know about it?

Because Taehyung was talking in his sleep!! And even slapped Jungkook because apparently 'mr bunny' wasn't listening to him ! It was the first time this two sleep together on a bed . Normally when they have their ' activity night ' Taehyung would left a little bit after it.

“S-start the motorcycle Mr bunny, Vincent Hyungie is running away!“, Taehyung blabber in his sleep, with Jungkook thinking ...WHAT THE ACTUAL FUCK!?- but then he received a kick on his ass which made him finally fell off the bed and land first on his face, but as he grip on Taehyung's hand the latter land on Jungkook's back ,who let out a small yell .

“AH!-Huh!? What?! Where? Mr bunny !?-“, Taehyung sleepily mumble and then passed his hand around Jungkook's neck hugging him closer and snuggles in the warm..... meanwhile Jungkook was getting strangle...

“L-leave m-me-me! Hel!-help!!“,

“TAEKOOK!! MY BABIES! WHY WERE YOU SCREAMING- oh ok.....so Jungkook is the bottom in this relationship....“,Jihyun who almost break the door, stop and crossed her arms rubbing her chin, looking at Taehyung on her Son..

“E-Eomma!! Takeeeee o-off!“, Jihyun nodded quickly and trying lifting Taehyung ,who just furrowed his eyebrows and pout with a groan.

“Vincent Hyungie ,give me my Koko's painting back!“, Taehyung then started to strangle Jungkook more, while the latter try to escape.

“Omg!!! Yoona help !!“,Yoona rolled her eyes and enter in the room.

“TAEHYUNG !!! WAKE UP I GOT YOUR KOKO'S PAINTING!!!!....OR YOU MIGHT GET A DEAD BODY SOON!!“,Yoona yell near his ear.

“KOKO!! I'M HERE !! -“, Taehyung yell opening his eyes wide and look around. Jungkook finally gave up and lie on the floor panting. Jihyun and Jungkook then look at Yoona shock who just smirk.

“Well your welcomebye dramatic losers“,she wave and walked out uninterested.

“Oh papi what are you doing under me? -aishhh did I attack you!? I have a habit to kick or punch and talk in my sleep !! Sorryyyyyyyy!“, Taehyung get up and kneeled next to

Jungkook and lift him up , putting his head on his lap.

“For a minute I thought its Kook who bottom”,Jihyun laugh and received a glare from Jungkook and confused pouty Taehyung looking at her.

“My lovely eomma.....I’m a TOP!! and please leave us alone for now eomma”, Jungkook said rubbing his neck.

“Oki, but don’t be too loud”,she ruffled their hair and went out. Taehyung look sad rubbing Jungkook’s neck trying to get forgiveness.

“You could have warn me about your weird sleeping behaviours!! You almost kill me you psycho killer!! Aishh my neck will have marks on it now! Look what you did!!“, Taehyung take his hands away when Jungkook mentioned he might have killed him.....the shock expression he gave didn’t went unnoticed by Jungkook. Who mentally smack himself, did he hurt Taehyung by the way he talk? But he just panick after all!!!

“Tae-“, Jungkook try touching him but he pulled away and get up .

“I’m- I’m sorry”,He look around expression serious, before running in the bathroom.

“What was that?! I got strangle here ! Why is he behaving like that!?” , Jungkook frown.

“Morning Tae!!!“,Jimin smile and happily walked from the opposite side of Jungkook’s room.

“Morning chim”,he said with a small smile.

“Ok what happened?“,

“Nothing-”

“Kim Taehyung?“, Taehyung sigh and lean again the big window in the hallway looking out.

“I almost strangle -kill him in my sleep”,Jimin look at him big eyes.

“Tae ,you never killed me so I know you wouldn’t have kill him too. So don’t take this to heart”,Jimin pushed away some hair from Taehyung’s forehead.

“I know! But the way Jungkook said I almost kill him, I can’t!! *He* just came across my mind, *his* sweet smile before everything end- i-i”,his eyes filled with tears and he was quickly engulf in a tight hug.

“Shhhh TaeTae, nothing like that will happen. Remember it wasn’t your fault ,it was some heartless people doing ! Not yours. Jungkook will not die and certainly not by my cute big heart Taehyung. Right?“,Jimin wipe his tears away and received a nod with now a smiling Taehyung.

“Jimin I will not hurt him right?” Jimin pause, Taehyung was really afraid ,it could be seen in his eyes. Taehyung once told Jimin everything about his life and after knowing everything he decided.....to never gave up on Taehyung.

“Taehyung ,you will never hurt Jungkook. Remember your Jungkook is a True blood , equally powerful as you. So yes he will be fine. Don’t worry, and I will not let him die until he said the magical three word to you”,Jimin gave a firm Expression and show his small chubby fist.

“Thank you chim”, Taehyung hug him and caressed his cheek.

“So today is your turn for the piggyback!!”,Jimin smirk.

“Hop on my back kiddo!”, Taehyung giggled and Jimin jump on his back ,after a quick glaring at his best friend.

“How did I end up being friend with an old man?” Jimin tease him , wrapping his hands around Taehyung’s neck.

“Hey!! I’m only 93 years !! I’m not old!! “He pout.

“I’m joking dummy”,they chuckled and walk downstairs.

“Good morning everyone!!”,The best friends smile .

“Good morning kids. Oh piggyback”,Jicheol smile at them drinking his coffee.

“Ahh ,it have been a long time you didn’t gave me a piggyback!”,Dong-wook sighed eating his rice.

“Did you forget you are as big as a dinosaur already!? You want to break my back or what!?”,Jicheol yell pointing the chopstick towards his brother.

“Good morning family i’m back!!!!”,Jimin jump off Taehyung’s back and they both look at the door, seeing a girl with a beautiful smile and a big bag pack on her back.

“Oh my baby!!”,Jihyun said all happy, the girl drop her back and run to her ,hugging her.

“I missed you during this three days!!”,

“Me too eomma”,she smile and look at Jicheol who was smiling widely.

“Appa!! I missed you more!!”, Jihyun scoff, looking at her daughter running towards her father and back hugging him.

“Ahh my beautiful Dahyun!! How was the camping!? You know how your eomma tease me when you weren’t around!!?”,he pout and look at his wife.

“The camping was perfect and I enjoyed it a lot!! And eomma why did you tease my sweet appa?” she hugged him closer .

“Because.... I’M HIS WIFE!!! AND YOU STOP ACTING LIKE I ABUSED YOU!!”,she yell.

“Calm down eomma, I’m on your side!”, Everyone look at Jungkook who was coming down ,wearing his white shirt and a grey sweatpant.

“OPPA!!!”, Dahyun run and jump on him, Jungkook chuckled catching his little sister.

“I missed you!!! “,

“I know, I missed you too”,he hugged her and sigh.

“Oh my God!!! Why everyone is screaming!?” Yoongi said rubbing his face.

“Because we can yell”, Yoona reply and continue to eat her bread.

“Eomma!! “,

“My stone!”, Dong-wook just rolled his eyes at his wife and son.

“You two really are annoying!”,

“Oh really? I still can’t see the divorce papers”, Yoona shrugged.

“Yoon!!”

“Fake honey!”,she continues eating.

“How did they end up as mate and married?” Yoongi asked.

“Because I love him”, “BECAUSE I love her!”, Both reply together.

“YOONGI OPPA!!”,

“HAJIMA!! STAY AWAY FROM ME!!”,But she ignore it and hug Yoongi.

“Chim this family is just perfect!!”, Taehyung squeal.

“Yeah!”

“Oh who are you? -wait are you my brothers-in-law!”, Taehyung blush a little with her coming hugging him and Jimin.

“Hi I’m Taehyung ”

“I’m Jimin,your grumpy oppa’s mate”,

“Why is everyone thinking about marriage!?” Jungkook Sigh loudly.

“Why is no one getting me married to Jiminie!?” , Jungkook look so done with Yoongi.

“Oh my God!! You are so handsome and cute!! “,

“You are so beautiful and cute !! Yahh Koko why didn’t you told me you have a sister?!”,

“Because I kinda forgot”,

“YAHHHH!”,

“Sorry! Sorry! Sorry!”,Dahyun hit his chest.

“Ok stop kids eat your breakfast and get ready for training”, Jicheol said.

Taehyung was busy playing with the kids, they were just so cute .

“Tae ,you are Jungkook’s model and GUCCI’S owner right?“, Dahyun asked panting after running for a few minutes for warm up. She was an alpha ,too but not a true blood. Female being true blood was very rare and she didn’t became a true blood ,just a strong alpha.

“Yes! Did you see my magazine?“, Taehyung asked ,while sitting on the grass with kids putting flowers on his hair ,just like they were doing with Jimin.

“Yes! OMG! I can’t believe you are here!!! Never thought I will meet you but I love Gucci!!“,she smile widely.

“Ah thank you!!“,she chuckled.

“Don’t tell my mom, or she will know where her money disappeared”,

“Promise”,they giggled.

“Dahyun come here!“,Yoongi yell.

“Oh I have to train ,bye!!“,she wave at them.

“Sweet girl right”,

“Yep chim, she is very lovely. We gave everyone gifts and they loved it!!,but we got nothing for her. Aishh that stupid Koko Should have told me ! I would have get her some Gucci’s stuff!“, Taehyung sigh.

“I already told Jihoon to post it”, Taehyung look up and smile at a smiling Jimin.

“TaeTae , chimchim c-can I p-put t-this on y-your hair?“,the 6 years old boy shyly asked , holding two small orange flower. Taehyung smile Widely and nodded.

“Of course you can baby, come here”,Jimin said smiling at him. He smile back and put it in this hair.

“Oh wow Tae ,it’s beautiful”,

“Yours too chim”,they dramatically look surprised and smile which made the shy boy blush and feeling happy they loved his gift. The boy felt more relax and play with them just like other kids.

Jungkook and Namjoon was training all the Alphas ,while Yoongi was training the betas. It was time for Jungkook to prove himself and he will do it. Usually it’s Jicheol and Dong wook who train them mostly Hyungsik when they are busy ,but now they give the work to their sons. Since little Jungkook used to work hard to do better than Hyungsik, while Hyungsik being 4 years older than Jungkook receiving the praise . Jungkook always thought Hyungsik was better than him, but it was just Hyungsik was older ,he wasn’t a small bean like Jungkook was. Like there was a big difference between a 6 years old and 10 years old.

“It’s good to see Jungkook didn’t forget how training works ,it’s really feeling like it’s an extreme training.“, Jicheol smile softly looking at his son ,who was walking around looking if they were doing like he told them too.

“Yoongi too, I’m proud of them”,Dong wook smile.

“I’m always proud of my stone and Kook”,Yoona smile , looking at her son.

“To be honest ,they never stop training themselves during this years. Yoongi act all tired but he never miss the opportunity to train himself better ,same goes for kookie”,Jin said , sitting on a chair ,next to the standing alphas and beta who nodded.

“Jin shouldn’t you be inside?“,Jicheol asked.

“I should, but I want to watch them “,he sip his lemonade.

“What do you guys think about Taehyung and Jimin?“, Jicheol asked suddenly.

“They are good kids....yes mischievous but have good hearts”,Dong wook say while looking at them. Taehyung braiding a small girl hair ,with Jimin making faces to one and laughing with them.

“All I can say is ,moon goddess choice perfectly our son’s mate, and I’m grateful “,Yoona smile looking at Yoongi who was glancing at Jimin then smiling like an idiot.

“You are right, Yoongi and Jimin like to tease each other but ,I can see how much they are already in love, whereas Jungkook and Taehyung..... Taehyung is doing his best to hold this bond while Jungkook is being the fool. Maybe it’s the trauma he got here last time that he doesn’t want to believe in love again.....but trust me Taehyung and Jungkook are both compatible mentally and physically. I just can’t wait to see their craziness and openly being possessive once they confess their love”,

“Jin.....“,Jicheol , Dong-wook look suspicious wide eyes with Yoona just suspicious.

“W-What?“,Jin gulp.

“STOP BEING LAZY!! ITS JUST PUSH UPS YOU SLOTHS!“, Jungkook yell with a growl not accepting the laziness his trainees were showing.

“Seriously guys stop!! Is this how it will be when the enemy attack ,being tired in 10 minutes!?” , Namjoon frown .

“But alpha we did 120 push ups!! With Alpha Hyungsik we do only 55! We are tired now”,one voice out. Jungkook clenched his jaw and look at the man who just talk. Everyone gulp when Jungkook walk towards him.

“I’m not Hyungsik, I’m alpha Jeon Jungkook. I’m in Control here.It’s not a joke what we are doing here alpha! 55 push ups what are you guys? ,12 years old!? I’m not even surprised so many pack members got kidnapped right under your nose!!! YOU ALL ARE JUST WEAK AND PATHETIC!! “,He growl which made everyone feel submitting and ashamed.

“I was being nice telling you to do only 120 push ups ! But now you all we do as much as I do!! And I want you all to give your all! Because next time the enemy even dare to step in our territory I want them dead! AND YOU ALL WILL WORK HARD TO PROTECT OUR FAMILY AND MAKE THEM FEEL SAFE! “, To be honest Jicheol was proud of his son, a true alpha!....ready to be head alpha.

“GOT IT ALPHAS!?” ,

“Yes alpha Jungkook!“ ,

“Ah Jungkook I heard nothing”, Namjoon shrugged.

“Me too”, Jungkook shook his head in all disappointment.

“DID YOU GET IT YOU DEAF SLOTHS!?” , Jungkook yell loudly ,eyes flashing light red ,not so different to make difference between normal alpha and true blood . He can easily use full True blood alpha voice on them....but then it’s not them making efforts to protect their pack it’s just Jungkook’s ordering them , and he want everyone to have the courage to do thing on their own.

“YES ALPHA JUNGKOOK AND ALPHA NAMJOON!“ ,

“Now talking good”, Namjoon smile.

“Good! Now back down , I want 300 push ups without missing one!“ ,Everyone mouth wide open ,is it even possible!?

“Oh really 300 push ups? Why don’t you do it and show if it’s possible”,Hyungsik smile fakely.

“Did someone call you here? Because I seriously didn’t ,so get Lost”.

“Guys!! Do you really think ‘alpha’ Jungkook can do this many push ups!?”he asked in a mocking tone. Many didn’t dare to say yes ,they just look away.

“Can you do it?” , Jungkook asked Hyungsik already fuming inside.

“Duh ,of course” ,he smirked. Jungkook nodded he look back at the men.

“Like I said...I’m in control here. So everyone get down and do what I told you too!...and Hyungsick and I will do the same...let’s see if its possible” ,Hyungsik nodded not even noticing Jungkook mocked his name.

Namjoon smirk and went to sat next to Jin who look at him worry then smile . Namjoon look suspicious then just let it and kiss Jin.

Tae come here ! Right now

Taehyung look up where Jungkook was and already see Jungkook looking at him and signal him to come. He excuse himself and walk towards him. Many men looking at him and loving his addictive scent.

“Yes Koko?” ,many didn’t even get the time to Snicker when Jungkook glare at them.

“Stand right there and count how many push ups/do” , Jungkook told him, to be honest he was just trying to show Taehyung he wasn’t angry or anything about early.

“But he is yo-”

“Did I said you could talk? No! So shut up and count too even if you want” ,he shut a guy mouth immediately.

“Ok” , Taehyung nodded.

“SANA! COME TOO AND COUNT!” ,Hyungsik yell,and she was right there. Everyone get down , Jungkook took off his shirt ,many girls drooling over his 6 pack and firm bulky body and some were upset noticing the fainting hickeys. Jungkook just didn’t care,he was challenged and he will prove himself right.

So Hyungsik did same out of jealousy , showing his 6 pack ,and it was heaven for every girls and some boy.

Taehyung lick his lips ,eyes stuck only on Jungkook, while Sana... Her eyes were going back and forth..... BiTcH!!

Chapter 25

“270!!“, Taehyung said in excitement , Jungkook was drenched in sweat, his veins pulsing and muscles making everyone breath almost stop!! That was damn hot!!

Namjoon shook his head, by now all the alphas were panting and lying on the grass, the best they could do was 156 and then full stop. Just this and Namjoon knew they had a lots of work to do on these so call alpha.

Everyone eyes now was on Jungkook and Hyungsik..

Jungkook was glaring down on the grass sweating while he efficiently do his now 285 push ups.....whereas Hyungsik's arms were trembling, he was sweating like he was just pulled out of the swimming pool. He was constantly looking at Jungkook if he was doing bad. Hot boys sweating.....If that wasn't a quality show for the thirsty girls and boys !!

“Arrghhh”,Hyungsik growl on his 290th push ups and try getting his body up and immediately fail. Sana bite her tongue and try touching her mate but get her hand swat away.

Jungkook smirk and continue to do his push-ups, still without any problem. Taehyung was getting turn on and at the same time he was proud of Jungkook. His eyes didn't leave the latter at all.

“344!!! OH MY GOD!! MY STRONG BEAST!!“, Taehyung squeal ,many look at them big eyes, some already used to it and some angry. Jungkook smile feeling proud and happy Taehyung wasn't upset anymore .To be honest , Jungkook can do more push ups than 300. His limit is 786last time he checked before getting disturb for a meeting. But he knew because he is stronger than any other alpha, he just said as many as Namjoon and Yoongi usually do.

“That's my son!!! “,Jicheol yell in excitement, which made Jungkook shock but more happy.

“Our son!! And yeah I gave birth to him!!!“, Jihyun squeal. Jungkook was proud and embarrassed to.

“And I took care of him !!! Give me my rights !! And learn from Jungkook how to be a strong alpha weak shrimps!!!“,Jin yell, receiving nods and some glares at him ,for being an Omega and yelling at alphas. But they shiver when Namjoon glare at them with a very scary growl.

Yoongi and his team was watching too, He just had his proud smile on his face.

“400!! yeahhhh!! You can do it alpha Jungkook!!!woooo“, Taehyung started to do the role of a cheerleader, if being call Alpha Jungkook by Taehyung's mouth wasn't a turn on!

“Tae!“, Jimin yell and threw two towels at him ,he catch it and used it as his pom poms. Jimin join Taehyung while Dahyun film them.

“You are doing great sweetie!!!!“, Jihyun yell.

“Huh What a family.....YOU CAN DO BETTER JEON JUNGKOOK!!! WOOHOOO! DON’T PROVE ME WRONG!!“, Yoona sighed then yell together with Jihyun making Dong wook flinch.

“Give me a J!!!“, Taehyung yell , but the pathetic alpha look at him like ‘ are you serious?’ Taehyung pout ,then again yell with Jimin.

“GIVE ME A J!!“, Jungkook look up at them with his scary intimidating glare and Yoongi stand behind him glaring at them too.

“J!!“, Taehyung squeal and jump with Jimin and shake their towels.

“Give me U!!”

“U!”

“Give me a N!!”

“N!!

“Give me a G!!”

“G!!

“Give me a K!”

“K!”

“GIVE ME O-O!“,

“The fuc- O! O!!“, They quickly reply with another glare.

“And give me a K!!!”

“K!!”

“WHO IS THE BEST !!? JUNGKOOK IS THE BEST!!“, Taehyung yell all happy. Yoongi pout at Jimin who just wink at him.

For me you are the best.....now don’t get over my head!!

Yoongi grinned looking at Jimin who blush.

“WHO IS THE BEST!!?“Taehyung yell happily looking at them , some staring, how beautiful he and Jimin were ,while they were jumping !sometime they could see Taehyung’s soft tummy with Jimin’s abs...

“ALPHA JUNGKOOK IS THE BEST!” Everyone yell..

“Wow your name is long I should have just use Koko”, Taehyung Sigh.

“Ok Kook I think it’s enough, no don’t be persistence, I think everyone got it to not mess with you”, Namjoon said behind.

“532!! “, Taehyung said , Jungkook without any problem jump back on his feet, panting hair sticking against his forehead. Whole upper body and face cover in sweat , with the sunlight making him look so shining and holy god damn hot!!!

“Oh look who is still panting from only 290 push ups. Didn’t you said you can easily do 300 push ups?” , Jungkook look down at Hyungsik who was still like a dead body on the grass.

“Next time know your place or I will be merciless”,

“Next time someone disobey me! I will make it worst for you all! Because I’m in control now and I promise ,I will make your weak asses strong !“, Jungkook look back at the alphas with a promising firm look flipping his hair back ,powerful forehead in view. At this very moment some knew they got the best of alpha to train them and some knew they were gay
..... 😊

Taehyung’s eyes glowing at the sight of Jungkook, he was so in love with Jungkook. For him Jungkook was just what he always wanted ,yeah sometimes he is annoying but he can’t imagine his life without him now.

When Jungkook wipe his face with his hand, Sana quickly walk towards him to give him her towel, which made Taehyung frown.

“Here Jungkook”,she smile sweetly, Jungkook blink and gulp. Before he could take it Taehyung had already jump on his back and cover his face with HIS towel!!

“TAE!!!!I CAN’T SEE”, Jungkook yell in the towel ,but Taehyung just furrowed his eyebrows ,and cling like a koala on his back looking at Sana who was obviously shock. And with Jungkook losing his balance but quickly grabbed on Taehyung’s legs around his waist.

“NOT LIKE YOU ARE BLIND!.....so calm down boi”,Yoona yell and then clear her voice .

“Tell him beautiful aunt!!“, Taehyung was definitely in Yoona’s ‘i like this idiot’ list.

“And Sana you better look after your half dead mate”, Taehyung said with his deep menacing voice.

“Yes you are right , sorry”,She nodded with a smile and get back to Hyungsik.

Taehyung took off the towel off Jungkook’s face and put it on his head.

“Tae what was that for!? And you got yourself dirty now!“, Jungkook groaned .

“Then clean me papi! Now get me to the shower”, Taehyung command coldly.

“You are definitely getting punish for your move right now”, Jungkook smirk and hold Taehyung’s legs .

“Alpha Namjoon will take over! Don’t you dare being a weak ass again! This is not something your family will be proud of!!AND EYES ALWAYS OFF MY MATE! “,He growled.

“OFF JIMIN TOO! OR I SWEAR TO PERSONALLY PULL YOUR EYES OUT WITH MY CHOPSTICK!“, Yoongi growled along and immediate eyes were down.

Jungkook turn around and walk in his house, some glancing up and almost had a nose blood on spot being blessed by Taebooty.

Jungkook groaned and run faster in his room. Taehyung wasn’t stopping biting on his neck or nibbling on his ear. He just wanted to punish Taehyung and he was so wrong....it was gonna to be the opposite 😊.

As soon Jungkook slammed the door shut, he pulled Taehyung by his hand and hold him infront of him , Taehyung slide on Jungkook’s waist and was now face to face with Jungkook. But he glare at Jungkook his eyes blue reddish. He was just so Fucking annoyed and ... jealous why does Jungkook have to behave like if his crush talked to him when Sana talk to him and why that bitch’s eyes was on his mate more than hers.

“Babyboy i-”

“Shut up!“, Taehyung jump off him ,which made Jungkook turn to Jungshook .

“Wh-”

“SHUT THE HELL UP JEON!“, Taehyung raised his deep firm voice, senting chill to Jungkook’s whole body. ‘Jeon’ that definitely mean Taehyung was angry or upset about something and Jungkook understood it. He started thinking what might have cause that. Just then he was pulled by his nape towards the bathroom.

“Tae why are you so angry!?“ ,he groaned and ask, not even prying his hand away.

“Who told you to Fucking take her towel!? “, Taehyung growl and pushed Jungkook in the shower.

" You didn’t let me and She was just being nice ! Why the fuck are you being all aggressive!“, Jungkook glare at him.

“Being nice?“ ,he raised an eyebrow and turn on the shower , the water falling down Jungkook’s body who move a little away.

“She didn’t look after her mate and was helping mine!“, Taehyung pushed him under the water again, Jungkook really shiver . Why is he liking Taehyung being all aggressive and

jealous.....maybe because he love both..... seriously when did they have a quiet normal sex?....

“So what?“, Jungkook ask blankly , teasing Taehyung who clenched his jaw, but soon smirk which made Jungkook furrowed his eyebrows a little.

“So I will show you what my agressivity isright now papi”,..... JUNGKOOK WAS ROCK HARD!! Taehyung’s claws grow a little and he ripped off Jungkook’s sweatpant and boxer.

“Oh my God he is gonna to rape me!“, Jungkook yell like a lady in distress.

“Bitch worse“, Taehyung pinned him against the wall water running on both , he attack Jungkook’s neck first. Jungkook’s hand above his head . Taehyung was completely manhandling him.

“Awww Jungcock is already so huge~~ was he turn on bymebeing rough?“, Taehyung asked all lowly , knowing it will affect Jungkook more.

“Fuck you“,

“Not now “, Taehyung wink , Jungkook try to push his hand away. He completely can if he put force but he isn’t.

“Push me away and I leave you right here with your hard dick.....try me papi“, Taehyung let go of Jungkook’s hands and saw Jungkook just let it slide on his sides not pushing him away.

“Can you really leave me here when you are hard as well?“, Jungkook smirk and look down at Taehyung’s tent in his pant.

“Wanna to know?“, Taehyung said challenging and when he is like this ,he will not back off, so Jungkook just pulled him by his hand and slammed him against the wall , holding his hands both sides of his head.

“Not really“,with that he crashed his wet lips on Taehyung’s lips aggressively , Taehyung kiss back . Both eating each other lips or tongue hungrily.....I confirm it’s a very aggressive ‘love’ making here!!.... What a joke!

Jungkook growled and pulled away just to ripped off Taehyung’s pant too, throwing it....don’t know where. Then process on his shirt but stop , the shirt was sticking on Taehyung’s body ,his nipples could be seen all pointy through the white shirt as well his dick. So he just ripped it a little for it too dangle off his shoulder .

“What? Not taking it off because it’s turning you more on!“ , Taehyung smirk and flipped place .Jungkook against the wall again, he just breath out with a chuckle.

“Oh look how *my cub* is being all aggressive”, Jungkook smirk and flipped his hair back. Taehyung bite his lips Jungkook really call him cub!!

“Yes *your cub* is being all aggressive”, Taehyung tugged on his hair , Jungkook wince and lick his lips, the omega smile and lick his jawline ,then proceeds down to his neck. His fangs grow and without warning he sink it in Jungkook’s flesh and sucks his delicious blood. Jungkook whimper and then moan feeling the strange satisfaction he always feel when Taehyung do this.

“Ahh -fuck!“, Jungkook’s heart races , feeling like everything is moving around him . He gripped on Taehyung’s hips and squeeze it pressing their bodies together. Their hard cocks caressing with each other, Taehyung moan both from the delicious blood and pleasure.

He pulled away Blood dripping down his lips ,but he lick it with his tongue and look back in Jungkook’s hooded red eyes. He smirk and get on his knees , Jungkook panting look down at him.

“C’mon cub get up I need to fuck you!.....right now”, Jungkook deep husky voice ,made Taehyung smirk.

“Let me thinkhmmm how about ...no”, Jungkook groaned leaning to pull Taehyung ,but stop when Taehyung soft slender fingers were wrapped around his throbbing dick.

“Taehyung . I. Want. To . Fuck. You. Right. Now!“,he growled and just earn a chuckle and a sudden wet warmth around his cock. His head automatically tilted back and hands squeeze on Taehyung’s shoulders.

“Oops ,my lips slipped”, Taehyung battered his eyes and smile innocent ,then again put Jungkook’s dick in his mouth. He twirls his tongue on the tip and suck harshly , earning a whimper from Jungkook who suck on his bottom lips.

“Just suck my dick already!!“,he growled lowly and turn the shower on higher ,(water pressure) to cover their voice . His bathroom was at the end of the house ,facing the forest.

“Will you behave like a lost kid in front Sana?“, Taehyung look up seriously .

“What? Why are you talking about her in middle of sucking my dick !?“, Jungkook asked confuse and frustrated.

“Will you!?“, Taehyung pressed on his words.

“Jesus! -shit no ! Fuck now I will think he is watching us!! Urghh”,

“Jeon Jungkook answer me!“, Jungkook look down ,red eyes meeting blue reddish one.

“Yes, I will not. And don’t talk about her”, Jungkook sigh.

“And why?“, Taehyung frown a little.

“I don’t want to think about her while we are having sex so-ahhmmm! Fuck! You could have warn me -mmm -before taking me whole! Ah fuck!“, Taehyung happy with what Jungkook said took him all, his doubt about Jungkook thinking he was with Sana while being intimate with Taehyung was half gone.

Taehyung bobbed his head faster ,down Jungkook’s long and thick dick. Grazing his teeth over it to sent Jungkook on another level of painful pleasure. Feeling himself reaching his climax ,he hold a fist of Taehyung’s hair and push him down his dick. Taehyung gagging as the suddenly throat fucking. Jungkook bobbed his head faster ,deep balls, then pull him away watching how dirty beautiful the view was, Taehyung’s drooling over his dick and then when he pull away the string of saliva connect that sinfully beautiful lips with his dick. Saliva running down Taehyung’s chin .

At the same time the shower’s water making him all wet , wasn’t giving Jungkook an all holy thought. He smirk and again push his dick ,in Taehyung’s mouth.

“Arrghhh ! Look at me hoe!“, Taehyung look up , glaring at Jungkook while his mouth was being fuck roughly. Jungkook lick his lips wanting to already make Taehyung scream his name ,or now his kink too being call papi....

“So Fucking beautiful!! Just mine“, Jungkook growled and his hips jerk and Taehyung knew he was coming. He push Jungkook’s hand away and pulled back. Leaving a frustrated frowning Jungkook.

“Ahh! What the fuck Tae!?!“,

“Who is your hoe here bitch?“, Taehyung ,rough deep husky voice said holding Jungcock which was throbbing , veiny dick in his hand, his thump over the tip pressing on it making Jungkook cry a little.

“Ah!! Sorry!“,

“Fuck me and then call me your hoe ,not when I suck your dick! It feel like I’m sucking dicks on street!“,he frown and pressed harder on the tip and squeeze the rest.

“Ok ! Let me come please!“, Jungkook groaned. Taehyung smirk and stroke his dick a few time. He was about to put it back in his mouth.

“N-no! Your face...I want to come on your pretty face“, Taehyung blush .

“But I want to taste you papi!“,he whine squeezing his dick.

“Ahh!- then do both! Just open your mouth“, Taehyung nodded and open his mouth and stroke faster ,with Jungkook cursing a little and then came on Taehyung’s face ,the latter got some and swallow the salty cum . Jungkook panted look down at how Taehyung was cover in his cum. He finally pulled Taehyung up and wipe his face with his palm.

“Are you done with your wants?“, Jungkook whisper brushing their nose together.

“One last teasing papi”, he pulled away and walked out, Jungkook bite his lips feeling his dick getting hard again in less than two second, with Taehyung’s shirt sticking on his thick ass.

Taehyung smirk then turn around and sat between the sink. Spreading his legs, which made Jungkook and his wolf go crazy. Taehyung’s dick precumming and his pink puckered hole on view, just asking to have Jungkook’s huge cock ramming into it.

“I want you rough and rawright now papi”, Taehyung smirk then bite his lips with hooded eyes, without wasting any second Jungkook walked towards him and get between his legs.

Taehyung moan, eyes shut tightly when he feel Jungkook pushed it inside him, stretching his pink hole soon to be swollen. Jungkook groaned at the tightness, throwing his head back. He pushed further until he was completely in Taehyung. Taehyung gripped tighter on his shirt.

Tears rolled down his face, Jungkook lift his shirt a little to see his tummy, specially the belly piercing. He caressed the piercing, everytime he see the piercing, he can’t stop thinking Taehyung thought about him while getting it. He wait until Taehyung tell him to move, yeah rough sex and all but being taking raw hurt alot.

Chapter 26

Taehyung was all happy since he woke up. He wore his shorts and a Gucci hoodie with his Gucci's slippers and tied his bangs up, looking all cute.

He walked out and saw Jimin pouting , already coming towards his room.

"Hey chim!" ,he waved and run towards Jimin and jump ,the shorter catch him with a smile.

"Hi baby",

"Let's go down babe", Taehyung giggled .

"Hmmm", Jimin hummed and walked them downstairs holding on Taehyung's waist.

"Why are you upset?", Taehyung sigh and hug Jimin tighter rubbing his back.

"It's nothing", Jimin whispered lowly.

"C'mon tell me, I'm your best friend", Taehyung lean back and look at him.

"There is this two bitches around Yoongi Hyung. Earlier I saw them from the window, they were being all touchy with him and he said nothing, I feel like killing them and at the same time stuff my mouth with ice cream!!", Taehyung jump off him and frown, Jimin Sigh loudly , pouting again.

"Ah! How dare they!oh I know! Let's make them know who Yoongi hyungie belong to!", Taehyung point his index up with a smile.

"Mmmmm, I don't think it will be good", Taehyung Sigh and smile at Jimin.

"Jimin you love Yoongi hyungie and he love you too. But you know Hyung is always showing how much he wants you and you like to play the 'hard to get' ,yeah I know it's to spice up the relationship ,but you should also be a hungry bitch for Hyung. Don't give up ,fight for what you love", Taehyung tap his shoulder.

"You are right! He is mine and I should show them", Jimin smirk and Taehyung smile Widely.

"So for that! take off this jacket and tug your shirt inside your pant and open three buttons of your shirt", Taehyung smirk.

"I'm gonna to seduce like a hoe?".

"You are gonna to seduce like a hoe".

Both best friends walked out, Jimin eating a banana with Taehyung an apple.

“I said like a hoe ,not a real hoe chim!“, Taehyung sigh when Jimin was eating it all seductively.

“Yahh you said like a hoe and that’s what I got to look more like it!“,Jimin quickly bite off half banana in frustration.

“Ahhh! My d-“,Both of them look at an alpha passing by , who was actually ogling at Jimin ,but when Jimin cut off the bananaand he felt the pain.

“Dafuq?“, Taehyung mumble, the man embarrassed bow and quickly run away.

“Ah look they are back at it again!“,Jimin whine looking at the girls laughing with Yoongi who was dead serious. Taehyung concentrate on his hearing.

“Look girls ,what don’t you understand in ‘leave me the fuck alone’ . I’m very thirsty for my mate ,so just fuck off“, Taehyung giggled.

“Hahahaha oppa you are so funny! I will get you water”,

“Oh my God ,bitches are dumb”,Yoongi scoff.

“Take this bottle of water and go there and give him and do flirt ok!“, Taehyung threw a bottle of water at him.

“You sure ?“,

“Was Kim Taehyung ever wrong?“,he smirked and doing a sassy pose.

“No need to be so dramatic”,Jimin wink and walked away swaying his hips . His thicc ass making every horny male throat dry. His milky chest which had a few pale hickeys ,made some lick their lips and of course his hair was parted ,PARK JAMAL IS HERE!!

Taehyung smile Widely when he saw Yoongi take the bottle and looking shock at Jimin who peck his lips.

Then he saw the girls going back to Yoongi with a bottle of water.

“Oh my GUCCI’S slippers aren’t they the most perfect hot couple !!!...well of course after Taekook’s couple!“, Taehyung said loudly making the girls stop and look at the pretty handsome male and blush.

“They are hot ,but I don’t really see them go along with each other”,one said

“Me too ,Yoongi oppa doesn’t show interest in him”,she shrugged. Taehyung look beside him smirking .

“First ,I see them perfectly good together, they suit each other”, Taehyung said calmly and took the bottle of water from her hand.

“Second ,they are kissing like crazy there. So get your eyes fix blindy.“,he smile and drink the water from the small bottle ,the girls looking at him wide eyes ,at how he was beautiful drinking.

“Lastly, if I see you two around Yoongi Hyung again I will not be all friendly ,so back off right now honey”,his expression turn to serious ,voice menacing deep and he toss the empty bottle without looking in the dumpster which was like 12 meters away.

“Have a nice day~“,he smile and walk away from the shock girls.

Taehyung walked towards where Jungkook was training the others alpha. He smile like an idiot remembering the previous day . Jungkook saying he is his.....even if his wolf was in control.

He turned and stop there ,smile long gone and stare lost and he swear his heart hurt. There was Jungkook leaning on a tree with a small smile dreamily, while Sana was laughing. The problem is Jungkook’s smile it’s too sweet.

“Yesterday you were so good! You are stronger than Hyungsik..by the way do you want to eat your favorite chocolate cake I made specially for you? “, Taehyung clenched his jaw.

“Hmmm - oh that’s because I work hard ,that’s all. Hyungsik is just lazy”, Jungkook rolled his eyes.

“You baked it just for me? Um..I mean yeah “. He was so busy with Sana that he didn’t even smell his mate scent . Taehyung bite his inner cheek and run towards the forest.

“Fucking jerk!!“,he growl his eyes getting teary ,but he didn’t stop and run in a faster pace , using his vampire speed.

He stop in middle of the forest, panting a little and wipe his tears.

“Why!! ?Why!!?why!? I’m trying my best and he is still there with her! “,He growled and pulled on his hair. His eyes turning blue reddish. He punch on the tree only once very strongly and the big tree 5 time bigger than him fall down.

“Ahhh!! What am I!? Just a Fucking sex toy!? Sex buddy!!? Ahhh!“,he kick on a rock which broke into pieces.

“Why does he make me feel like he have feelings for me and then crumble it the next very moment!!? I’m such a Fucking dumbass thinking he will love someone like me!!? I’m always so annoying and clingy ! Moreover a horny ass right!I love ‘making love ’ with him because it’s the only way I can be all close to him , he wants me ,he call me cute names ,he take care of me, he kiss me, he touch me like I’m very p-precious”,His tears rolled down his cheeks.

He walked away at an unhuman ,well unwolf pace and arrive at a lake. He look down and saw how he look miserable crying over someone who don’t even want him. He cup some

water and threw it at his face, then his ears twitch at the walking sound. His eyes turn brown again and he look back seriously.

“Oh ,you are here. I smelled you so I wonder what an omega is doing all alone”,He smile sweetly.

“Hyungsik Hyung, what are you doing here?“, Taehyung asked frowning.

“I saw you run in the wood, so I followed.....I guess you saw them too”,He sighed and sat down on a rock near Taehyung.

“What are you talk-”

“Taehyung ,no need to lie. We are in the same situation . To be honest I don’t think Sana love me . She is always after Jungkook . It’s hurt you know.“,he sighed . Taehyung look lost.

“To be honest with you. If Jungkook still love Sana I would galdly let her go to him....but we already mate and i marked her . Just like you and Jungkook have already marked each other.....I do have a solution through”,He look at Taehyung who furrowed his eyebrows.

“Oh sorry!! I know you and Jungkook are happy together.....I saw it yesterday”,He mumbled the last part.

“It’s very bad manners looking in someone bathroom”,Hyungsik look shock.

“You saw me!?”

“My nose is very good”, Taehyung scoff.

“Sorry, I was just passing by ,but I run away immediately! Ah I sound dumb”,he chuckled , Taehyung chuckled with him.

“By the way ,how Jungkook let you an Omega mark him “,he asked looking all interested. Taehyung chuckled.

“Because....it just happened, you see a mistake”, Taehyung smile bitterly. Hyungsik saw how Taehyung was uncomfortable with this talk so he changed the conversation.

“Oh did you saw a huge tree lying on the ground, it look still green and in good state ,I also saw some rocks into pieces. I wonder how this happened”,he said throwing Pebbles in the water.

“I wonder too”, Taehyung shrugged. Hyungsik wasn’t that much of a bad guy ,like Jungkook said he is or is he?. Taehyung got up and jump off the rock his hands in his pockets. He look in the wood then*smirk and look down shaking hishead.*

“I’m going back”,he walked away.

“Wait for me I’m coming too”, Hyungsik smirk.

“Why are you looking so worried?” Sana asked giving Jungkook a piece of cake. Jungkook was frowning looking around, why Taehyung didn’t show up!? That was driving him crazy and his heart was hurting.

“Just wondering where Tae is and thank you”, he said and walked out of the kitchen taking the cake.

“Wait I have not give you more-”

“Sana I have to train the other more than eating cake here! Thank you again”, Jungkook said firmly annoyed and walked away. She frown looking how Jungkook leave without looking back again.

“Aishh! why are you like this!” she pout.

Jungkook walked towards his house on the way he find Dahyun.

“Hey bro”,

“Sup sis, where is Tae?” he asked eyes still looking around.

“Didn’t saw him, since he went to meet you earlier”, Jungkook look at her frowning, then sigh, knowing Taehyung might have saw him and Sana.

He walked passed Dahyun and shove the cake in her hand.

“Hey take your cake”, she said, Jungkook stop.

“I don’t need that, I prefer cheesecake more now”, he smile and walked away sniffing the scent of Taehyung. Clearly Taehyung block him to link him.

Jungkook roll his tongue against his inner cheek when he saw Taehyung and Hyungsik coming out of the forest. Taehyung sigh and look away when he saw Jungkook.

“Where were you!? And what are you doing with him!?” Jungkook walked towards them and raised his voice.

“Strolling around and Hyungsik hyung was ‘being nice’ showing me places.”, Taehyung smile. Jungkook glare at them.

“Nice!? ! Are you Fucking Kidding me!? You! Stay away from my mate”, Jungkook glare at Hyungsik and growled.

“Oh look who is talking? The one who was probably busy a moment ago eating my mate’s chocolate cake”, Hyungsik scoff.

“You -”

“Jungkook shut up! I might be your mate but I didn’t gave you the right to control my life! I’m not your puppet!And I hope you chock on that cake!“, Taehyung walked away from him. Jungkook look shock ,but when Hyungsik chuckled he glare at him looking Scary.

“I don’t know what your tricky ass is trying to do but Fucking don’t dare to even think about my Taehyung”, Hyungsik stop smiling and look in Jungkook’s eyes.

Chapter 27

“Omo Tae you are very good at cooking!“, Jihyun praise him.

“Yes, I learn from my Baek eomma since years. Everytime I mess up a dish ,he would rant a lots and scold me. But will take thing in hand and show me again and again how to do it. He just love to show or make me learn new things ,so that I don’t need to depend on anyone”,he smile remembering Baekhyun ,last time he talked to him was yesterday morning .

“Ah I know how he feel then. But I must say good job to Baekhyun , because you grow up to be a very very nice man ,with a pure heart and selfless”, Jihyun smile and with the back of her hand caressed Taehyung’s cheek softly.

“Thank you eomma”,he smile softly leaning in the touch.

“Wow!! I thought it was Jiji cooking !!turn out it was you Taehyung-ah”, Jicheol show up all surprised and smile walking near them . His eyes widened with wants- want to eat those delicious foods , Taehyung prepared.

“I’m hungry let me - ow!!“,Jicheol was taking a small piece of spicy meat, but Jihyun hit his hand away, causing Jicheol to pout and glare at his wife.

“Don’t eat now! It’s not good manners Jiji!“,***(Jicheol call his wife Jiji and his wife call him Jiji too ,their personal nicknames which only the two use)***. Taehyung cooed at the cute same name!

“It’s ok eomma appa can eat ,I don’t mind-oh Sorry I mean uncle can eat . I don’t follow rules with family”, Taehyung smile and hold a piece of meat with his chopstick and put it infront Jicheol’s mouth.

Jicheol look shocked at him then, smile leaning down and eat it.

“You can call me appa Taehyung, I will be happy.“, Taehyung grin toothy.

“Ok appa!“, Jicheol smile softly and ruffled his hair. Taehyung get back to cooking, with a smile on his lips. Jihyun smile looking at Jicheol who then look at her with the softest smile.

You like him right?

More like adore him ,he really did win my heart. He is childish yet responsible when needed.

I know and I love that about him , I wonder how lucky our kookie is that moon goddess gave him the best mate he could get.

Hmmm he is lucky, atleast he finally did something goodI'm proud of him....-oh by the way let's go in our room I didn't get my promised kisses!

Huhhh!? When did I promise to give you kisses!?

The day we got married woman!!! Let's go now and let me LOVE-

“You know your expressions are not very subtle. So yeah get a room already”, they look shock towards Yoona who gave them a blank look.

“Where did you come from!?”

“I think i used something call door “, she rolled her eyes and look at Taehyung and smile ruffling his hair.

“Ah the kid is working hard”, Taehyung look up with his big eyes and then smile which hit her heart directly.

“Ah my heart ! This kid is really a danger”, she mumbled to herself.

“Hi aunty! “,

Outside the window Jungkook was glancing inside every second ,he was again back with training the alphas . He didn't like the way Taehyung ignore him. But he did liked this morning ,When Taehyung was again cling to him ,but then he woke up ,and said sorry and didn't even look at him.....he needed Taehyung to annoy him and him being annoyed ,it became like a habit! Ahhh Taehyung really got under his skin!

Alpha Jungkook is it good if I attack the arm First?

Jungkook look down at the wolf. Everyone was now shift in their wolf form. Jungkook was teaching them how they can attack .

“If you attack their arm first ,that mean you are letting your whole head and neck free! Wolf's ear and tails are sensitive so to break their concentration, attack that first once they are down ,you get it easier to attack them.“, the wolf nodded his head . Jungkook gave a small nodded and look at the others who understood him and attack their friend's ears or tail and saw how perfectly right Jungkook was.***(I made this up ,! Idk if it's their weakness 😊 so go with the flow).***

Namjoon was looking at two fighting and guiding them ,what to do or not to do. On the other side Yoongi was sitting on a chair and sipping his wine.

“HEY!! Asshole it's a team work !! So stop pushing him away !! Ah this stupid dumbass ,I'm sure they will be dead before even trying to fight”, Yoongi Sigh.

“You are so fluffy!! Yahh so cute”, Jimin was carrying a small pup in his arms and snuggles with it, the pup was brown .

“Oh hey Jungkook, look at sumin! The babygirl just transform and made me give the biggest UWU!!“, Jungkook look at the over excited beta and nodded with a smile he looked at the 8 years old girl ,well in her wolf form. At the age of 7 any kid can shift in their wolf form.

“Jimin I need your advice“, Jungkook look at him seriously ,Jimin gasp.

“Oh my God ,the world is ending!?The Jeon Jungkook is asking for my help!?“,Jimin smirk.

“Yeah shut up! It’s important“,Jimin giggled at the pouty boy.

“Ok, let’s go“,Jimin say and walked infront .

“Baby girl go trouble Yoongi Hyung“,Jimin whispered in her ear ,she lick Jimin’s face . Jimin walked to Yoongi.

“Hey the sassy aunty at a family party, look after her“,Jimin said ,more like order and place the chubby fluffy pup on his lap and walk away.

“What!?-take her!-, hey don’t lick my face!- Jimin!!!“,

“Take care of her or forget your own pups salty salmon“,Yoongi Sigh and look at her ,her tongue stuck out and tilted her head cutely.

“Aren’t you just too cute!“,

“Why do you even care? You don’t even likes him so just let him be . You find him annoying anyway,” Jimin asked.

“WHaT!? - I mean yes he is a little annoying but it doesn’t mean he should ignore me! I just-i just care for him . What I mean is I don’t like when people are upset with me!“, Jungkook nodded furious,*just say you love him and go damn it!!*...Jimin rolled his eyes

“Oh really then go be friend with Hyungsik ,if you really don’t like people upset with you“,Jimin smirk and get up. Jungkook glare at him and hold his wrist stopping him.

“Fine! I can’t live with the idea Taehyung is upset or sad! I need him to be hyper and all clingy*with me*!Now tell me what should I do!?“,Jimin look surprised then smile.

“Good but you can do better.....so first you need cheesecake ,you know he love those but this time strawberry one. When he is angry he like that one, apologize for being an asshole, then you can take him out somewhere ,but not somewhere expensive . He love to be classy and all but show off is just a no for him ,he should feel your efforts and*love*in it. “ , Jungkook nodded ,registrating everything in his brain.

“Ok, thank you Jimin . I didn’t thought I will say that but you were very helpful“,Jimin scoff with Jungkook smirking and start walking away.

“Jungkook“, Jungkook look at him.

“What really happened in your past Kim Taehyung?”, he mumbled looking intensely at Taehyung.

“Hey, what are you doing here?” he asked with a fake smile.

“Just wanted to tell you I’m a great fan of you !! I love your work! “,She hold Taehyung’s hands and squeal.

“Oh thank you”, Taehyung look blankly a few seconds then smile.

“I’m so happy you are Jungkook’s mate. You two are so perfect together! “,She smile sincerely .

“Thank you ,you are so sweet”, Taehyung chuckled.

“You need any advice about anything you can ask me ok”, Taehyung nodded.

“By the way Hyungsik and I are going to buy some materials ,you need anything?“,she asked .

“No thanks ,I came well prepared”,she look confused then nodded smiling.

“ahh hope we will be great friends!“,

“Yeahhhh!“, Taehyung squeal with her..

“Ok bye I need to go now”,she wave and walked out of the kitchen .

“Wow, suddenly she is the innocent wanna to be your friend, the bitch is so fake”,Jimin suddenly appeared near the door.

“Chim, she was being nice stop doubting”, Taehyung sigh.

“You really trust that bitch!?“,

“Stop calling her that ,she is nice”,Jimin scoff and both stare at each other a few seconds.

“Oh ok good then! She is a bitch anyway”,

“Chim ! She is not ! We were wrong!“,Jimin walked away from there . Sana who was outside ,sigh and walk away.

Taehyung walked in the forest going deep in. He sniff Jungkook’s strong scent near a tree and turn towards it , crossing his hands.

“You know my nose are still working”,He heard a small huff. He hold his smile and saw two pair of fluffy black ears poking out behind the tree ,then a complete black huge wolf came out. His huge sparking red eyes and ears twitching and tail down as if he was hesitating or is just being shy!!

“Oh my God!!! “, Taehyung half yell wide eyes. Jungkook quickly sat down ,head down and paws on his face, feeling embarrassed . He thought Taehyung was not happy how his wolf

form turn out.

“Oh my GUCCI’S slippers!! Stop it!!! Moon goddess what did I do to get such a cutie!!“, Taehyung squeal and jump forward . Jungkook confused look up and tilted his head to the side, which made Taehyung more crazier. He open his arms wide and hug without hesitation the huge black wolf infront him.

You think I’m cute !? Looking all scary with red eyes and thrice time bigger than you!!

“Aishh dummy ,no matter what size or in which form you are , it’s your heart that matters! Your appearance is just a bonus for me!I would have like you even if your dick was small”, Taehyung sigh and earn a small growl.

Why are you like this!! Aishh.....did you forgave me?

“Rude....but yes ,you did a lot of effort “,He smile and scratch Jungkook’s ears which were very fluffy. Taehyung bite his lips to not squeal too much when Jungkook’s tail was wagging and lean in his touch purring.

“Your wolf is also so cute and beautiful!“, Taehyung kiss his snout ,making tail wagging increase.

S-Stop! I’m not cute-ahmm yes scratch my ears more!!

Jungkook laid down feeling more happy , Taehyung smile widely and sat down. One hand scratching his ear and one his belly. Jungkook purring turn on his back four paws in the air, tail wagging around, tongue stuck out.

“Why are getting to cute for!?” , Taehyung moan loudly ,at the cute side. Jungkook ,jump back on his feets more embarrassed. If he was in his human form he would surely have two dark pink cheeks.

B-Because I like it ok!

Taehyung giggled then act all upset and pout.

“Rude..“, Jungkook panicked and snuggles his snout against Taehyung’s neck, at the same time sniffing him. Then lick his cheek .

“EWWW Koko !!“,he giggled and wipe his wet cheek.

Tae I never saw your wolfshow me

Taehyung look at him raising his eyebrows.

..... please?

“Ok!! “, Taehyung clapped .

“Oh but there isn’t anyone around right? No one should see me in my wolf form....I’m a little different “, Jungkook tilted his head to the side again .

It’s afternoon ,everyone is having lunch at this time and idiot Hyungsik went out.....so you are safe and like I will let someone hurt you..

“Aren’t you just cute!!“, Taehyung cupped his cheeks ,and Jungkook fake bite him.

“Owww! Bad Wolfie!“, Taehyung pout and giggled taking off his clothes.

Keep it behind the rock ,there is mine too.

Taehyung nodded and went behind the rock. Jungkook was smiling widely ,well not like you can see it on his face right now. He was so happy Taehyung was back to normal Calling him nicknames and being all annoying.....but happy.

Soon he saw some faint shining blue aura. His eyes sparkle in wonder then Taehyung came out ,his wolf was huge but still Small than Jungkook’s wolf. Jungkook mouth was parted. Taehyung’s wolf was completely pure white ,on his fur were pattern of like red flames everywhere around his wolf figure was like a light blue surrounding him. His eyes were blue reddish and still naturally looking seductively at Jungkook.....for Jungkook Taehyung wasn’t less than a good right now! He was so beautiful and unique.

Taehyung giggled and walked towards him , Jungkook quickly shut his mouth and shook his head ,to think correctly.....well he never thought about having sex like animal....wow now it will be really in animal form!

If you are thinking about having sex in this form then..... maybe...well I never tried it and I don’t think it will be very efficient tho ,you will just have to back fuck me . Which include no hands touching me nor you ,can get caught,no riding your cock, no kissing,-

Jungkook stop and let him stand up .

Oh let me do this!

Taehyung brush their wet nose together ,then shook off the water off him mischievously and chuckled running away from a little flustered Jungkook.

Taehyung shift back in human form and wore his clothes. Jungkook wore his pant and his shirt.

“Oww my cheek hurt a little meanie!“, Jungkook smile at the faint mark on Taehyung’s cheek.

“Oh really?“,he walked towards Taehyung and grab his chin leaning closer . Taehyung almost stop breathing ,heart racing. He hiss when Jungkook’s tongue move over his cheek.

Chapter 28

“Tae why do you always sleep with this ring? I thought you like to sleep comfortably”, Jungkook asked as they walked out of their room the next day.

“Which one papi?” He asked all smiling and clinging to Jungkook’s arm.

“The red one Tae”, Jungkook pointed .

“Oh -um I never take this off . Someone close to me gave me this”, he smile sadly and caressed the ring. Jungkook frown and rolled his tongue against his cheek.

He was about to asked who, but heard their friends Laughing in the kitchen. They walk in Namjoon, Jin, Jimin and Yoongi were there eating breakfast. Their mom is probably doing other works.

“God no! Give him his food or he will kill a whole pack”. Namjoon snatched the bowl from Yoongi and gave it to a glaring and pouty Jin.

“What? How can an omega kill a whole pack?”, Yoongi laugh ,while Jin stuff his food in his mouth and smile at the taste.

“Good morning~~~!!!”, Taehyung squeal and back hug Jimin . Jimin smile and stuff a tomato in his mouth which he chew very adorably..

“What were you guys talking about?”, Jungkook asked sitting next to Jimin . Taehyung sat on his lap because there was no chair left. Jungkook didn’t mind ,it was much better than seeing him on Jiminie’s lap.

“Remember our grandparents telling us the story about the legendary Omega who killed a whole pack because they were angry about something , don’t know exactly if it was the pack killed their baby ... or something like that”, Namjoon sigh and gave his pork soup to Jin who was finishing his because he loved it.

Jimin look up at everyone and Taehyung frown moving a little on Jungkook’s lap eating his rice.

“From what I know that omega didn’t killed the children. The omega killed only the persons who was against them and harm them.”, Taehyung said .

“How do you know about that story ?”, Jin asked.

“Did you forget I lived more than you all?”, he smile softly and Jin nodded quickly.

“Jungkook seem more old tho”,

“Hyung!!”,

“Ok a cute oldie”, Jungkook pout and look at Taehyung who was concentrate on his baby red tomatoes. He could feel Taehyung feeling uneasy.

“Yeah they are very kinky”, Namjoon added.

“Oof don’t make me remember how they were moaning each other name loudly in the train!“, Jin rolled his eyes.

Jungkook glare at them ,while Taehyung blush and thanking his hyungs and best friends internally!

“You look handsome “, Jungkook mumbled unconsciously.

“I always look handsome, like you always look hot and THANKSS PAPI!“, Taehyung peck his cheek while Jungkook’s eyes widened and blush smiling softly.

“Let’s go in”,he say and wrapped his hand around Taehyung’s waist and now it was his turn to blush. He smile happily and walked in the restaurant , Jungkook already reserved a table. They sat down at their table and Taehyung look around liking the restaurant ,many painting and colourful walls, even though he would have been happy to even get a cheap ice cream ,while walking hand in hand with Jungkook.

" You didn’t had to take me to a expensive restaurant ,I would have been happy with just an ice cream ,and walking together while having fun talking”,he smile widely. Jungkook couldn’t resist to smile back.

“I have too much money, so why not put in too good use.....on you”,He smile seductively ,while Taehyung’s eyes widen and then smile shyly.

“Are you flirting with me papi? “,He raised an eyebrow , while Jungkook just answer with a shrug.

Soon the waiter came and took their orders. Jungkook definitely not liking when he was giving more attention- well too much attention to Taehyung and smiling in a flirty way.

Jungkook kept his jealousy too himself and eat quitely. Both enjoying their meal. Then Jungkook order soup for him as it was famous there. Taehyung didn’t wanted, so he order ice cream for him. When the waiter place his order ,it was very harshly without even a smile or sorry.....but he could smile and try talking to *his* Taehyung!!!

“Waiter!“,he yell .

“Yes?“,he said looking bore.

“The soup isn’t tasty”,he said . The waiter sighed and grabbed the salt putting it in the soup.

“Here ,now it got taste”,He said and crossed his arms then again eyes went on Taehyung who was enjoying his ice cream happily.

“Oh ok”, Jungkook smile ,and grabbed the salt container and dump it all in the soup.

“THEN TATSE IT FOR ME!! “,He grabbed the waiter by his nape and pushed his face in the soup... don’t worry it wasn’t that hot. The waiter try to get free but Jungkook didn’t move and look angry.

“Yahh Koko ! Stop you will stain your shirt!“, Taehyung scold him. Jungkook look at himis he Serious? That’s what he is worry about? He shook his head and let go of the waiter.

“I hope you liked the soup..and don’t worry I paid it for you”,he grabbed his thing and Taehyung’s hand walking out, more like got warn to never come back again.

“Papi did you really had to get jealous? You almost ruin your shirt”, Taehyung asked , looking at Jungkook who was driving . Jungkook look at him and sigh.

“God.....why are you like this?“, He chuckled amused.

“Like what?“, Taehyung asked confused.

“I drown a man in my soup and you were worried about my shirt. Like shouldn’t you stop me or be angry or embarrassed that I did that ?“, Jungkook asked and glanced at him. Taehyung bite on his lower lips and think about it.

“To be honest, I don’t care what you did to that man. He deserved it ,he was flirting with me, when he can clearly smell your scent on me. And about embarrassed ,well no. If it’s you then I don’t mind whatever you do in public because I can be very embarrassing too. I don’t care about people’s opinions ,I’m just gonna to see them what like one or two times, they don’t live with me or pay my wif or my bills so why should I care. I care only about my family Koko”, Jungkook look big eyes towards the road. Taehyung was very different ,like really too much!

“Holy shit! I can’t with you! You are just so-so pe-correct!“, Taehyung grinned.

“I know Koko”,he wink at Jungkook who just shook his head smiling.

“What about your friend’s opinions? “,

“I don’t care”,

“What about Jimin , Hoseok Hyung or Y/n?“,he asked confused.

“They are my family Jungkook. If I care about my friends and pay attention to their opinions that mean they are important ,so I include them in my family”, Jungkook was taken aback for

a moment. Taehyung's thinking was higher than anyone . Jungkook would lie if he said his heart wasn't beating for Taehyung.....can we get rid of his brain already!!!?

“W-What about me? What am I to you?”,he asked holding himself to not seen that he was really caring about the answer. He didn't even notice he was holding his breath.

“Of course you are my family Koko”, Taehyung answer all smiling like an angel and peck Jungkook's cheek. Then looked out and squeal. While Jungkook stay in daze his heart jumping all happy.

“Koko stop the car!! “, Jungkook blinks and look at him confused.

“Please stop your car !!“, Taehyung bounce on his seat. Jungkook was already near the pack in the woods way, he stop his car at the side of the road. As soon he stop Taehyung took off his coat and run out.

“Tae-“,he stop when he saw Taehyung jumping and smiling happily infront the car , getting drenched by the rain. He look ethereal, he didn't had the heart to stop him. His eyes wide, lips parted ,heart racing , butterflies in his stomach and eyes fix on Taehyung. That feelings he was stopping reach at it highest level. Taehyung looking like an angel ,with his beautiful smile on his face yet sinful with his curvy body all wet.

“Koko come!! It's so nice”, Taehyung signal him to come , Jungkook still like a statue ,look at him,his hand still on the steering wheel squeezing on it more. His wolf howling at the sight of his mate. His eyes darken and he couldn't hold it.....he/ethis heart take over.

“Ahh love the rain so much!!! “, Taehyung flipped his hair back and close his eyes , facing up . Letting the water ran down his face and body. Getting wet under the heavy rain was another excitement.

“Papi!! You are missing it all-“,he stop when he feels hands on his waist. He smile and turn around.

P.S: GET ROMANTIC AND PASSIONATE! 🙌

(Actually listen to ang lagade re👁👁)

“Isn't it exciting , pretty and relaxing-.....papi?“,he mumbled the last part when he saw Jungkook staring right in his eyes , expression unreadable. His wet hair hiding his eyes a little

while ,lips parted a little , his dangerous eyes look very intimidating and colour darken. Taehyung Almost shiver under the gaze and the fingers digging in his waist.

“Pretty.....very pretty”, Jungkook mumble back looking deeply in his eyes. They stare at each other silently the water running down them. It was like they were talking by their eyes . Slowly -slowly getting more close and the gap close. Eyes close they kiss hungrily yet , slowly with affection. Not like they usually do, rough and lust.

Taehyung’s hand went on his shoulders ,while Jungkook pulled him more closely. Pouring all his feelings in that kiss, twirling their tongues together ,not fighting for dominance, just loving each other ,touch.

Jungkook lift him up , Taehyung gripped on his shoulders, legs wrapped around his waist . Jungkook walking towards the car ,not stopping kissing. Jungkook let him down and open the car’s door and pushed Taehyung softly inside. Taehyung whose heart was beating faster feeling all the affection Jungkook was pouring let himself being taken in the moment of *thislove making*.

Jungkook , softly touch his thighs and spread it enough to get between them. He adjust the driver and passenger seat to get more space and it was enoughthe advantage of having big car.

He went to Kiss Taehyung back ,his palm on his left cheek stroking it and kissing him passionately. Taehyung kiss back, and hand went on his head near his ear , stroking the place which cause Jungkook’s Wolfie ears and tail to come out. The heavy addictive scent lingerie the car which made Taehyung feel a little overwhelming and weak ,his ears and tail came out too. He moan when Jungkook caressed his fluffy ear.

Jungkook lean back and kiss down his neck leaving love bites while his fingers play with the shirt of Taehyung to take it off. Instinctively Taehyung lift himself to let Jungkook take it off. Jungkook’s tongue seductively twirl around the drop of water before sucking on the skin leaving purple marks there. Taehyung moan ,eyes rolling at the back of his head while he squirm under Jungkook. Jungkook was being so patient and treating him like a precious gem.

The rain sound mixing with Taehyung’s moans were very pleasant to Jungkook’s ears. Taehyung fist Jungkook’s hair in his palm when Jungkook trail his tongue down his tummy , leaving a lots of hickeys there. Taehyung breathing heavily with a smile , Jungkook knows it will heal in 1h if Taehyung want but he still was giving his everything to put those love bites on Taehyung’s body.

“Ahh-J-Jungkook”,he moaned when he tug on his piercing and lustful look up at Taehyung, yet he had another reflection in his eyes.....more like care, affection....love?...

He slowly take off Taehyung’s pant and boxer . Putting Taehyung’s left leg over his shoulder and kissing it , leaving more hickeys ,with sweet kisses. Taehyung bite on his lips ,his tears filled in his eyes , seeing and feelings Jungkook’s love for him, he waited for this ! The drops of water hitting on the car and sliding down the windows, feeling cold around.....yet in the car it was full of warmness. Jungkook’s left hand stroking and feeling his right thigh while right hand trailing down his left leg. Taehyung cum was dripping down on his stomach.

“J-Jungkook-ahh-please, make love to me”, he moan and threw his head back when Jungkook suck on his inner thighs. Jungkook was completely taken aback from the words. His excitement and strange happiness taking over him.

“Yes baby”, He let go of Taehyung’s leg and took off his sticking shirt. Taehyung felt goosebumps watching with hooded eyes at Jungkook’s tone wet chest and abs. The drops of water from his hair sliding down his chest.

Jungkook unbuckled his pant and took out his already precumming throbbing cock. He lean down again and Taehyung cupped his face, kissing him with all his love. Breaking the kiss with only a string of saliva connecting them, which Jungkook wipe his his thump and put two fingers in Taehyung’s mouth which the latter started to suck. Jungkook smile and snuggles in his neck leaving wet kissing while letting his fingers being suck by his mate.

He moan along with Taehyung when the omega move his hips. Their hot bodies melting together, forgetting everything around them and just focusing on each other touch. Words weren’t needed their touch and feeling towards each other was talking for them. There was no need to call kinky names or anything, just get lost in each other arms and real name. Chanting each other name internally or loudly feeling more love.

Jungkook pulled out his fingers, loving how Taehyung was drooling all over it, he kiss him and his hand trail down, at Taehyung entrance... entering one finger. Taehyung gripped on his shoulders, he always take it all in one go, but being prepared was a first and weird feeling. Jungkook enter two fingers started to thrust in and out, while Taehyung moan and bite on his lower lips and squeeze on his firm biceps. He ached his back when Jungkook lick and pull on his perky nipples.

Jungkook hot breath over his body was another level of pleasure. His fingers entangles in Jungkook’s hair while he move his hips along with the same pace.

“Jungkook put your cock in me! P-please!!”, Taehyung tears rolled down the side of his head, breath shakily. Jungkook pulled out and stroke his cock a few time. Both body burning under each other touch wanting more. He caressed Taehyung’s waist, and push it slowly in Taehyung’s entrance, Making the other whimper at the slowness and feeling the pain. He usually get it harshly and fast thrust which mix with pleasure and pain.

“Tae, shhhh baby it will feel good soon”, Jungkook whispered leaning and kissing Taehyung. Taehyung cry more, feeling more overwhelmed by the sudden too much affection from Jungkook.

“Grip on my back baby, make me feel the sweet pain too..... touch me”, Jungkook whispered looking deep in his hooded eyes. Taehyung nodded and hands travel under his arms and on his alpha’s back. Jungkook shiver and suck on his lips when he felt Taehyung warm hand wrapped around him. He was appreciating every single moments, the thing he usually ignore.

“Y-you can fuck me roughly Jungkook”, Taehyung smile , looking too beautiful, swollen red lips, cheeks naturally pink, eye sparkling due to he was crying. A beautiful mess.....his beautiful mess.

He pulled out slowly and slammed in deep balls, Making Taehyung scream and arched his back, digging his nails on Jungkook’s back and scratching it.

“AHHMMM-AHhhh-yes!“, Jungkook growled at the warmest around his cock and Taehyung’s pleasure yelling, he felt like melting inside Taehyung.

Both were moaning, Taehyung put his face in Jungkook’s neck and started to leave love bites ,while feeling being stuff fully, and at heaven everytime the other was hitting his prostate perfectly. A heat was forming in his abdomen, creating like a pain and pleasure.... 😊

“Fuck yes!“, Jungkook growl his eyes turning dark red, while he thrust at an animalistic pace now not able to control in Taehyung’s addictive phenomenon he was releasing driving him crazy. Taehyung wrapped his legs around him . He slow down ,and pull Taehyung’s face away from his neck and kiss him, his palm cupping his left cheek ,while kissing him deeply. He pulled out and slammed strongly again in , causing Taehyung to moan loudly in the kiss, and he loved that. He continues like that.

Jungkook moan and threw his head back as he rammed in Taehyung’s swollen hole. His eyes red and look down at Taehyung whose eyes turn blue reddish at the view of Jungkook looking down at him like he was a tasty piece of meat. His fangs grow and Taehyung knew what was gonna to happen.

He gripped on Jungkook’s back and yell loudly when Jungkook tilted his head and sink his fangs on his already marked neck and his pace increase , thrusting unstoppable. Taehyung shakily cried out happy , feeling all kind of happiness travel his body.....so does Jungkook.

“AHH-AHHH-AH ITS HURTING JUNGKOOK!!“, Taehyung cried out at the sudden enlargement of Jungkook’s cock inside him . Jungkook groaned loudly and try to pulled out but couldn’t. His wolf instinct took over and he stay still while he keep cumming in Taehyung who tiredly cry , can’t scream because he was already tired on that the pain make him more weak. Jungkook continues pecking his face and caressed his waist trying to smooth the pain.

“Shhhh Tae baby just don’t move”,he whispered , Taehyung already came as he scream . He couldn’t pulled away ,it wasn’t working except he was more in pain. Then he realized what happened.

“Ah-y-you -k-knot-ahhmm*cry*- knot i-in me”,he shakily asked.

“Sorry baby ,we will have to wait maybe 20 minutes”, Jungkook bite his lips and carefully flipped place with Taehyung who cry more because it was too painful , Jungkook’s swollen dick in and scary because it wasn’t coming out and must wait for it to go back at it’s normal size.

“Don’t move too m-much-ahh idiot Koko!“, Jungkook click his tongue and move his hand up and down Taehyung’s side. Taehyung hug him and whimper softly snuggling in his neck.

They stay quiet loving each other company, even if Taehyung was in pain. The rain hitting the car roof was the only thing they could hear while melting in each other embrace with a sweet smile on their face. Jungkook peck his head and close this eyes falling asleep.

Let’s hope stupid Brain don’t take over 😊

Chapter 29

“What for real?” Jimin asked Taehyung who was confused equally.

“Yep, something like one in a month they have a little party, and relax themselves. Jeon eomma told me, there will be ball with papers in and we have to take one out and dance like it written on the paper..... interesting right!”, Taehyung said clapping while they were sitting on the terrace, both keeping an eye on their mates.

Taehyung get up without saying anything, he pick Jimin in bridal style and run inside not worrying if anyone is watching them. Jimin keep quiet not attracting attention and just wrapped his hands around Taehyung’s neck.

Arriving in Yoongi’s room, Taehyung lay Jimin on the bed.

“I’m pregnant Tae!! I can’t believe it!! I’m gonna to have my own baby!!! You aren’t joking right!?” , Taehyung giggled.

“Yeahhhh Chim I’m not joking. Moon Goddess blessed you which mean you and Yoongi hyungie love is true”, Jimin smile while Taehyung’s wipe his tears.

“But I can’t hear the baby’s heart beat”,

Badump

He open his eyes wide and chuckled , Taehyung chuckled with him and cooed at his best friend rubbing his tummy and smiling softly.

“I thought it wasn’t gonna to happen “,

“Chim, I know Beta have very low possibility to get pregnant but like I said this prove your love towards Yoongi Hyung “, Jimin look at him a few seconds before both squeal together.

“When are you gonna to tell Hyung?”, Jimin smirk.

“Not now, let’s rock the dance floor first , before he get over protective”, Taehyung shook his head Laughing.

“Tae you look a lot happier today”, Jihyun said .

“Being here make me happy eomma!“, he wink and sip his tropical juice. They were back on the terrace ,with Yoona, Jihyun, Taehyung, Jimin ,Jin and Dahyun some looking at their mates training others. Jicheol and Dong-wook were preparing for the party senting the small stage .

Yoongi came back from the wood with his group of beta and let them relax a little before getting them back to training.

Namjoon took some good train alphas on the border , making sure everything was fine . They can’t just party while danger surrounding them. Earlier him and Jungkook try looking in the wood for something which may lead them to the missing members ,but they found nothing. It was clean, no clue about anything.

As for Jungkook he was sweating a lot it was already the 10th alpha he beat on the grass. They were having a small human fight , learning new attacks and still no one could even touch Jungkook or even a simple pinch. Taehyung was biting his lips eyes fix on his mate , wanting to moan at this sexy view.

“Stop drooling little smiling ball”, Taehyung look beside him where Yoona was leading back on her seat , sunglasses on and sipping her grape juice.

“How can I not, just look at Koko! He is so hot and like a beautiful flower!“, Taehyung cooed, he can’t just say his dirty thoughts.

“For me Dong-wookie is handsome and super hot...look”,she said blankly and pointed aside ,everyone lean a little and look on their right. Yoona pulling her sunglasses on her nose ,Same goes for Jihyun, while Jin struggle to lean infront and look there.

Where the said man was picking up wooden tables and placing it where they will party, with his sleeves rolled up ,his big veiny hands on view, and shirt sticking on his broad chest ,could even see his abs. When he felt eyes on him he look at them and smile waving.

The 5 wave back ,lips parted a little while Yoona make a fingers heart, which made Dong-wook chuckled shyly and did the same quickly looking away.

“Aishh my baby”,she sigh and lean back .

“Eomma you better look on the left”, Dahyun said with a nervous Chuckled. All of them look confused and saw Jicheol hand crossed over his chest looking back at them and his wife with an eyes a little too big and cute angry face. Then rolled his sleeves up showing his hands and pointing at his abs under his shirt.

The six look at each other and then back at Jicheol and 10 hands up showing fingers heart at him. The head alpha smile shy and wave his hand at them to stop.

“No way in rock’s life I’m doing this”,Yoona sigh

Jungkook chuckled at the scenes ,he look at his father, and he still didn’t had the courage to go and talk to him. He was kinda ashamed for how he talk to his father the last time he was here. After meeting Taehyung he regrets everything, the way Taehyung show him the positive way and try being a nice person changed him.

At first he wanted to stay away and be very mean to Sana and Hyungsik but he listens to Taehyung. That’s why he was talking with them but still not fully and keeping his distance , it was them who was interfering in his life. He tried to be nice with Hyungsik but that jerk was still a tricky bastard and getting on his nerves, whereas Sana she was sweet suddenlytoo much which was confusing Jungkook. He knew something was going on but he can’t get his hand on it.

“Whatever but my Namjoonie’s dimples are the cutest yet sexiest thing on earth for me”,Jin smile dreamily.

“I want my mate too!”

“Dahyun baby you are only 17 wait one more year”,her mom said and she sigh .

“Heyyyyyyy-yyy--yyy*clear voice*! But have you seen Koko’s dimples!! He have it too !! It’s so beautiful and hot!! “ , Taehyung claim.

Which made Jungkook look at him and suck on his lower lips with a smirk. Since two days this two mates have been a little soft towards each other , the sudden shyness was appeared between them out of nowhere.

“I love when he smile tho. His eyes wrinkles and can only see a line and his adorable bunny smile !!awww!! I love that! Koko have 4 sides!! , first the super well build body jerk who party on a yacht and can without hesitation threw you in the sea! Second the super cute Adorable muscular bunny who is innocent, yet a little mind corrupt ! Third the horny uni guy who lives on banana milk and cheetos and always the ‘yo man’ or ‘yo mah bro’ type! Fourth the guy who is super sexy and is very playful yet inside he love you but like to tease you!“, He held his hand up with a proud smile. While he was standing in front them already .

They all look at him blinking.

“Oh really, interesting analysis Kim Taehyung”,their head snapped to their left and saw Jungkook leaning again the wall. Taehyung smile shyly..and lick his lips when Jungkook easily jump on the terrace.

Jungkook slowly walk towards him with a playful smile. While the other grabbed their food enjoying this live kdrama.

“Y-Yahh why are you here!?” , Taehyung asked trying to act normal.

“Well, if you are talking about me ,I think I should be here”,his voice turn low and seductive, making his mother scoff at how her son was flirtingbut she remembers she is a cool mother so she continues enjoying it.

“Um-uh-yeah!arrgh”, Taehyung cupped his face , frustrated he was suddenly being a shy baby infront Jungkook. This made Jungkook chuckled.

“Tae will you give me something?” ,he asked eyes reflecting Playboy!!!

“If I can , why not”, Taehyung suddenly smirk , getting back to his normal self.

“Ok this is intense! What will happen kiss scene or directly pinning him against a wall!?” ,The 4 in the background look at Dahyun with a ‘ are you serious ,’ look.

“I thought this kind of drama wasn’t allow to kid who are less than 18! “ , Jihyun glare at her daughter who Chuckled nervously.

“Nah probably flirt only”,Jin added, ignoring mother and daughter.

“I bet he is gonna to caressed his cheek and act all cool”,Jihyung added.

“Don’t know about Jungkook, but Taehyung is really gonna to play along”, Jimin added squinting his eyes.

“Ahh this family, is making me crazy”, Yoona sigh.

Jungkook rolled his eyes and continue to smile.

“I’m hungry”, he smirked and approached Taehyung.

“And I bet he will pick him up and go inside!“, Jihyun flinched when she heard her husband suddenly whispering near her ear while eating popcorns.

“Then let me serve you your meal ..Koko”, he smile back, looking deeply in Jungkook’s eyes.

Jungkook stop smirking and lift him up throwing him on his shoulder like nothing and walk inside, Taehyung let himself being taken with a smile. Ignoring the gasps, Jin spitting his drink, Jimin , Dahyun chocking on their popcorns, Jihyun eyes wide , Yoona just look back blinking and Jicheol mouth parted and his popcorn fell out.

“Tell me baby which side of my 4 sides is on right now?“, Jungkook asked while he continues walking away from them.

“I swear on my son’s dumplings legs it’s the fourth side!“, Yoona nodded gripping on the glass.

“Eommaaaa! His thighs are more thicker now!“, Jimin defend.

“What are you guys doing ? Did I missed something?“, Dong-wook asked confused.

“Ahhh darling you always miss the best moments”.

“What the actual of Goblin’s wife is happening?! I thought they will make out !“, Jicheol whine.

“Same ,but Jiji !!“, Jihyun hit his arm.

“Why am I not surprised”, Jimin sigh.

“Not like I give a rock anyway”

“Yeah that’s why you pushed me to have a better look”, Jin rolled his eyes.

“How am I supposed to see something with your 100 meter Shoulders”,she reply back, Jin scoff.

“Why are we spying on them, that’s not good”,Dong-wook said but keep looking.

“Husband can you-”

“Adult !! Shhhh”, Dahyun sigh.

Everyone was peeking from the window, looking inside the kitchen. Taehyung serve Jungkook his food and was talking casually.

“You like the steak? I added another ingredients “, Taehyung asked cupping his face while he sit infront of Jungkook who was eating smiling mischievously at him.

“It’s very tasty Tae and stop grinning like that ,you look like a little monkey”, Jungkook said and put a piece of meat in his mouth , chewing happily.

“Koko!!!say cute baby monkey!!“,They scoff outside except Jimin, and they look at him.

“He like to find the good thing in bad thing”,he shrugged ,they nodded and again look inside.

“Mmmmm so delicious”, Jungkook let the sauce fell on his lower lip....because upper lips were no use.... anyway the sauce fall down his plump lower lips which Jungkook lick seductively . Taehyung’s smile drop with a serious look .

“Geez since when my son was such a pervert tease!?” , Jihyun whisper yell.

“Since he was your husband’s son”,Yoona added. Jicheol scoff and was about to say something but realized she was right and just smile .

“Really? I didn’t taste it”,he lean forward and wipe some off Jungkook’s lips and brought it to his tongue and lick his finger before sucking it, not forgetting to look directly in Jungkook’s eyes. The other rolled his tongue against his down front teeth before forcing a smile.

Jicheol cover Dahyun’s eyes.

“Mmm yeah it’s tasty”, Taehyung smirk.

“Ahmmm”, Jungkook hummed and chew more violently holding himself.

“They are doing nothing!“,Dong-wook said going away.

“Yeah, just let’s leave already”, Yoona added. The other nodded and left.

Jungkook and Taehyung look at the window and saw no one then look at each other.

“Finally”, Jungkook sigh and get up pulling Taehyung over the table pushing the plates away. Taehyung smirk and wrapped his hands around Jungkook’s neck. Jungkook didn’t wait

longer and smash his lips on Taehyung's kissing him deeply , forcefully entering his tongue in.

They heard a gasp and they stop , pulling away Jungkook saw Sana with a hurt expression while she look at them. He blinks and look back at her ,while Taehyung get off the table. He look at Jungkook who was looking seriously at Sana who soon ,smile at Taehyung .

"I-i'm sorry-"

"ARGHH WHY !!!",They turn towards the window and saw Jicheol dramatically banging on the window, with the other stopping him and when they noticed they were found out they smile nervously and run away.

But Jimin stay still fixing his eyes on Sana.

"Sana what are you trying to say?",Yoona asked.

"Aunt don't take me wrong, I'm just worried for them. Jimin and Yoongi oppa doesn't seem to get along well. Like don't you see they are always giving each other hurtful name. ",Sana sigh concerned, Yoona Crossed her hands over her chest and stare at Sana.

"What I mean is ,if they don't really like each other why don't we help them",She look very concerned.

"Listen satanic girl, what happen between my son and his mate doesn't concern you for even 0.1%. you keep the Fucking fuck away from them and my nephew and his mate. You are 'nothing ' to us, not even family . So go back to your mate and take care of him and keep trying to have a baby! ...oh aren't you guys trying since one year? Where is your baby?",Sana furrowed her eyebrows a little taken aback.

"I-Its doesn't concern you-"

"Same what's happening in others life doesn't concern you go look after yours",Yoona glare at her and walked away from there. While she look down angry.

"What was that?",she turn around and saw a serious Taehyung looking at her.

"T-Taehyung?"

"Yes that's my name. What the fuck were you talking about my Jimin ?",he take a few steps ahead.

"Um-i -i mean I'm just worried for them. They don't seem to get along and I know how it's feel to not have your mate loves you . I don't want them to suffer",her crocodile tears filled in her eyes.

"Doesn't your mate love you?",

“Actually, he don’t show interest in me. I’m not gonna to lie Taehyung but I don’t love him too. I tried a lot but I can’t forget J-Jungkook. Don’t take me wrong ,I’m not after him .I’m very happy he have a mate now. Just ignore me”, Taehyung look at her , his heart clenched at the word she still love Jungkook. But the girl was a pity.

“It’s ok, don’t cry. I understand you are trying to help”,he patted her Shoulder. She look up at him and smile .

“Really?”He just nodded and walk out. As soon he walked out Sana wipe her tears and sigh.

“Call me a bitch again Jiminie”,she smile .

“Jimin take a paper”, Jihyun said with the bowl of papers. Everyone had already took one, well those who want to perform.

“Um yeah, me and Tae will perform together aunty”,Jimin smile looking at Taehyung who was in deep thinking eyes fix on Sana who was looking at her paper .

“I will take it”,Jimin say not getting a response from Taehyung. He pick one out and nudged Taehyung who blinks and look at him confused.

“What?”he asked , Jimin wave the small paper infront him and open it. Taehyung nodded looking too.

“Guys I got a cute dance!”,Sana come towards them and smile Widely which the best friends return with equally a fake one.

“Oh nice, what am I suppose to do? Give you diapers? That sounds cute”,Jimin rolled his eyes.

“Jimin, I never did something to you ,why do you hate me?”she asked very sadly.

“Chim be nice to her. She is a very kind girl”, Taehyung said rubbing his back. Jimin rolled his eyes and sigh opening the paper.

“Wow....we got a sexy dance”,Sana rolled her eyes Which they didn’t notice ,while the two bestie look at each other wide eyes then smirk.

“Are you thinking what I’m thinking?”Jimin asked wiggling his eyebrows.

“Taemin....duo”, Taehyung wiggles his eyebrows back.

Chapter 30

“The fuck you said?!”, Yoongi look at Jimin.

“Absolutely no! An extra large NO!”, Jungkook look at Taehyung who Crossed his arms on his chest and look back at him.

Taehyung and Jimin had already practice the dance they will perform tonight . They decided to not tell their mates what kind of dance they will do and practice hiding for two days, but apparently a bitch told them.

“Who told you we are doing a sexy dance?“, Jimin asked.

“Sana told me”, Taehyung glare at Jungkook biting his inner cheek.

“And why is she talking to you?“, Taehyung asked Jungkook who look at him with his doe eyes.

“She was practicing nearby ,and then just came and started talkingshe said she got cute dance and you guys got sexy ...that’s all. And what’s your problem ? Wasn’t it you who said I should be nice to people?! I’m trying ok”, Jungkook furrowed his eyebrows.

“God what a Fucking dumbass!“, Yoongi sigh.

“Indeed”, Taehyung Sigh, but Jimin glare at Jungkook.

“Are you really a stupid bitch!? What’s his problem?!! Same problem you have with that Hyungsik guy Kokonut crack! Who the fuck will be nice to a cheating bitch!? Oh wait! of course Jeon Jungkook the dumbass’s king!“, Jungkook glare at him.

“Did this small chubby bitch called me a bitch?“, Jimin scoff ,with Yoongi smirking at his mate looking hot. Before Jungkook could approached Jimin , Taehyung stand infront him. Even if Jungkook was his mate ,Jimin and him have a greater bond, they have been together since he was a baby. Taehyung took care of him when he was a baby and until now. So by instinct he will protect Jimin even if he have to go against anyone.

“Take two steps back “, Taehyung glare at him and he wasn’t really playing.

“Why would I?“, Jungkook frustrate asked but maintain the eyes contact . Taehyung eyes flash blue reddish.

“Take two steps back..Koko”, Jungkook rolled his tongue against his inner cheek and took two steps back.

“Happy!? Now you aren’t gonna to do sexy dance ok!?“,he said rolling his eyes.

“I agree with that!“, Yoongi said, and blink at the different scent from Jimin. It made him feel soft and sweet with a candy aroma.

“What ?are you that weak? ,not able to fight for your mates grandpa?“ ,Jimin asked an eyebrow raised.

“Who the fuck you are Calling weak!?Fine do whatever you want “ , Jungkook said and look at Taehyung who smirk back .

“I will cat slap anyone who dare to look at you with dirty intension!“ ,Yoongi said frowning and pull Jimin by his nape kissing the life out of him while Taekook keep glaring at each other.

“Oh hey Taehyung“, Hyunsik yell with a smile .

“Um Hi“, Taehyung smile.

“Where are you going?“

“Do I really need to tell you?“ ,

“Oh no, sorry, I was just asking“,he scratch the back of his head.

“I’m just going to take mine and Jimin’s clothes from a noona“, Taehyung reply ,because Hyungsik was being awkward.

“By the way you know what Sana is dancing to?“ ,he asked .

“She is your mate and you don’t know?“ ,

“I told you ,she doesn’t really love me and keep distance with me.....aishhh I have solution to get us free from each other but I’m still hoping I find love“, Taehyung furrowed his eyebrows.

“What do you mean? What solution?“ , Hyungsik look around then back at him.

“You really want to know?“ , Taehyung nodded.

“So the solution I found out from a witch is if two mates marks two others who are mates too. It will be like an exchange and it will not hurt that much....“, Taehyung frown and look at nothing thinking hard, while Hyungsik look at him like expecting something.

“Taehyung! Hey! Relax it’s just rubbish ,so what are you gonna to dance to?“ ,he asked smiling.

“Um ,yeah sexy dance“,he smile lightly.

“Oh ,I’m sure you are gonna to be the most beautiful creature tonight“,he smile sweetly which Taehyung find a little strange. Hyungsik was too sweet not acting like an asshole... But for real what’s the deal with Hyungsik and Sana!?that’s what was confusing Taehyung more.

“Koko!!! Left!!”, Taehyung yell pointing on his left while helping Jungkook to put the decorations. Jungkook on the ladder sigh and move a little to his left.

“No! No! A little in the middle! Koko!”, Taehyung whine , Jungkook have been through this since 10 minutes from left to right or middle.

“Tae!! I swear I’m gonna to eat you up if you don’t decide!”,he sighed loudly.

“Aww, papi don’t make me blush like that, you can eat me anytime”, Taehyung whispered and giggle . Jungkook facepalm with a blush. He put the decorations and came down.

“Stop it!”, Taehyung just smirk at him.

“Do you really want it tho?”,He lean and peck his lips. Jungkook get annoyed but somehow he don’t want Taehyung to stop ,it’s likeyes this is *my* Taehyung.

“Whatever”,he rolled his eyes and walked away to get the other decorations.

“Guys look Koko is going”, a guy laugh with a group of three Hyungsik’s Friends who came for the party.

Jungkook clenched his jaw and try to ignore it. He was a good person right

“Hey Koko can you get us some coco pop”,he laugh with his friends .

“What did you just said? Who the fuck you think you are talking too!?”, Jungkook turn towards them and glare at the guy.

“To Koko and get me- AHHH!”, Jungkook pulled him by his collar and punch him on his cheek ,his coward of friends back away.

“YOU DON’T FUCKING CALL ME KOKO!! YOU SON OF A BITCH!!”,he growl and shook the guy who try to kick him but he grabbed his leg and cracking sound could be heard with Jungkook fuming in anger.

Everyone stop what they were doing in shock and look at Jungkook. Taehyung look shock too but more hurt , Jungkook didn’t like being call Koko.....

“AHHHH-h-help!”,.

“Help!? You Fucking shitty shit of a cunt!! I dare you call me Koko again!!”,He yell with a growl and no one dare to approached him, expect a bitch trying to be extra but Jihyun stop that bitch.

“Don’t you dare approach him”,as a Luna order Sana had to follow it.

“H-He called y-you Koko!”,the man said in pain.

“This bitch is testing my limit !! TAEHYUNG CAN CALL ME KOKO AND ANYTHING HE WANTS BUT NO ONE!! FUCKING NO ONE IN THIS WORLD CAN CALL ME KOKO IF IT’S NOT TAEHYUNG!!“, He kneeled the man in his stomach.

“YOU F-”

“Hey~~Koko relax ~~ he doesn’t worth even your beating just leave him ok”, Taehyung said sweetly and put his palms on Jungkook’s hands . At the touch of his mate Jungkook relax a little and panting let go of that man. The man fall down and limping trying to run away.

“Aren’t you just an adorable muscular cute sexy hot bunny”, Taehyung pull him in a hug and whisper in his ear,when he saw Jungkook look lost and everyone looking at him making him more uncomfortable.

Jihyun look at them with a smile ,and Taehyung just nodded at her.

“Come on everyone back to work! !! You too Sana”,she told the girl who look with anger at the mates and walk away.

He completely ignore Jungkook, he act normally around everyone else ,he still had to keep the image of a good future Luna even if he was sure nothing like that would happen....but he promised to help Jungkook so he isn't backing off.

Everyone saw what happened and didn't talk about it again and act like they normally do. Taehyung Expression was telling them to not interfere in this matter. But Yoona and Jihyun scold Sana alot even if she acted like a victim when they went to talk to her.

"Good morning Tae", Jimin said softly and back hug him.

"People change I think", he smile sadly and walked with Hyungsik.

"Yeah. It would have been better if we were mate, we know how to love our mate but they don't", Taehyung stop and look at Hyungsik who look back at him.

"Hmmm", he hummed looking in Hyungsik's eyes.

"Taehyung, you make me feel strange feelings-", Hyungsik approached him ,but was yank by his collar and threw away with a loud growl.

“MAYBE THE FEELINGS TO GO AND FUCK YOURSELF !! STAY THE FUCK AWAY FROM MY OMEGA!“, Taehyung watch eyes wide at Hyungsik in pain and Jungkook growling , glaring at Hyungsik.

“Like you can really hurt me.....you can’t Taehyung, you think I can’t feel the pain you are feeling to even say that to me “, Jungkook said firmly looking back at Taehyung.

“And you think I can’t feel the pain you feel not being with Sana....so don’t have too much faith on that ‘not will hurt you’ Jungkook”,he said like in a menacing tone, Jungkook shook his head amused and rolled his tongue against his inner cheek.

“Now fuck off and go back to your Sana and be like a street dog!and stop hitting Hyungsik Hyung!“, Taehyung turn around walking away!

“What was I thinking? How can you understand this? “, Jungkook asked in an unamused voice . More like being sarcastic. Taehyung stop ..

“How can you Fucking understand !!? Huh !?! to again see the person you loved with someone else!! It’s not easy!! It’s not Fucking easy to act normal around them when you were close in the past!! When you think that person was your everything!! Thinking you will spend your life with them!! Always thinking... I will end like my parents every second falling in love with each other!! Now suddenly all emotions changed!! No anger towards her nothing!!YOU HAVE NO IDEA WHAT’S ITS TO BE IN LOVE!! YOU NEVER-“,he was cut off by Taehyung walk towards him in his vampire speed , giving him a hard slap and pinned him again a huge tree which bend a little by the strong impact. Taehyung’s eyes dark blue reddish , fingers around Jungkook’s throat , lifting him up and really chocking him. Jungkook hold his pain and didn’t fight back.

“SHUT THE FUCK UP JEON JUNGKOOK!! GET OVER YOUR PATHETIC ASS! GET IT IN YOUR HEAD YOU AREN’T THE ONLY ONE IN PAIN AND HAVE PROBLEMS!! WATCHING THE ONE YOU LOVED AND THOUGHT YOU WILL SPEND YOUR WHOLE LIFE WITH GETTING KILL INFRONT OF YOUR EYES !!,NOT ABLE TO HELP HIM IS 1000 TIMES WORSE THAN BEING REJECTED BY A GIRL YOU THOUGHT LOVED YOU!!!“, Jungkook watched in shock while Taehyung’s big tears rolled down his cheeks mixing with the rain.

The angry in pain Vampire Omega let go of Jungkook and disappeared in the forest. Jungkook tears rolled down his cheeks still looking in the direction Taehyung left. Looking up at the sky.....the sky was crying for them....

“Why are you crying?“,he asked acting as if he wasn’t affected by it. He did felt a slight pain in his head but Jungkook pain was thrice .

“P-Pain”,he hold his head, groaning. Taehyung clenched his jaw and sigh*fuck it!!*. He lock the door and walked faster towards Jungkook and kept the bowls on the table.

Using his vampire speed he move faster in the room , getting a small and a bigger towel from the cupboard. He sat next to Jungkook ,who was loving to watch Taehyung move so fast it was so facinating. Taehyung soaked the small towel in the water .

Putting the compress on Jungkook’s forehead lifting his fringe. Jungkook exhale a little in relief and stare at Taehyung . His lips natural pouty as his perfect eyebrows were a little furrowed , beautiful eyes focus on what he was doing. Jungkook smile lightly looking at Taehyung’s beauty mole. The little one on his nose wanting to boop it or the one on his eyes wanting to kiss that one.

“Stop staring, like you never saw me”, Taehyung look in his eyes and he almost stop breathing, at how beautiful Taehyung is. He felt dizzy and hold his head. Taehyung then quickly put the larger towel on Jungkook’s chest .

“What are you doing?“, Jungkook asked confuse.

“Feeding you Koko ,now just hold the towel on your forehead “, Jungkook nodded, feeling a little happy being call Koko.

Taehyung made him drink his soup ,but it was still hot so it burn his tongue a little.

“Ouch sorry”, Taehyung panic a little and made him drink his water . Taehyung blow on the spoon softly before feeding Jungkook ,who had a little blush on his cheeks and heart beating faster.

“Why is your heart beating so fast? It’s not like I put poison in it and waiting for the effect”, Taehyung smirk.

“Give m-me whatever you want and I will drink it without hesitation”, Jungkook said firmly , which made Taehyung look at him a few seconds surprised and then didn’t let this affect him,*no don’t get in his bipolar feelings!!*

After he was done feeding Jungkook ,he made him drink his medicine . Then made him lay down and cover him properly. Taehyung look at him then sigh sitting next to him and let his fingers massage Jungkook’s paining head. The trueblood moan and close his eyes and Taehyung smile .

After 10 Minutes Jungkook was finally sleeping, he turn around hug Taehyung’s waist ,face snuggling against his hips. Taehyung chuckled and push away his hair from his face and admire him thinking about him ,about them. Jungkook’s lips a little parted cute bunny teeth could be seen. Eyebrows furrowed and Taehyung knew he was having a nightmare.

“T-Tae-d-don’t l-leave me! “, Taehyung furrowed his eyebrows ,what kind of dream is he having?

“Shhhh Koko ,I’m here. You are fineI’m fine. I’m not leaving you don’t worry”,he whispered and caressed his cheek and soon saw him relax in his embrace. After a few minutes he got up and left silently from the room.

He walked downstairs and groaned seeing Sana.

“Can we talk?“, Taehyung just nodded and follow her in the living room.

“What do you want?“,he asked coldly.

“Taehyung I’m very sorry! I didn’t mean to kiss him . I just got lost in the moment, p-please forgive me , I will-will never do that again”,she started to sob and Taehyung just look at her .

“Sana you have a mate! How can you go and was about to kiss my mate?“,

“T-Taehyung please don’t hate me, but I still have feelings for Jungkook. I know it’s wrong but I can’t help it. Hyungsik d-don’t love me ,he never shows interest in me. He always seem to be talking about you and ignore me completely”,she cry looking at Taehyung who furrowed his eyebrows.

“Excuse me! Don’t try to make me feel guilty by telling I’m stealing Hyungsik’s attention from you to me ,just so that it give you rights to think you can have feelings for my mate!“,he growl ,she shiver and shook her head quickly.

“N-NO Tae-”

“Taehyung , you are no one to me”,Sana bite her lips and nodded.

“Taehyung please forgive me ! I never meant to do that. Please-please ,I will never break yours and Jungkook’s bond”,she hiccup and was looking so miserable. Taehyung look at her thinking about something ,then lick his lips .

“Fine stop crying , I believe you”,he sighed with that Sana hug him.

“Thank you so much”, Taehyung get away from her and just nodded leaving from there the door lead to the stairs and went in his room he was using these days.

Sana wipe her tears and smirked ,she turn around and saw Jimin there glaring at her .

“What is your motive Sana?“,he asked she made the most innocent face she could.

“My only motive is for them to be happy”,Jimin scoff then chuckled mockingly.

“You really think I will believe you! After what you are trying to do ? Which is very clear you want to separate them”,Sana look at him Sternly.

“Jimin you should stop interfering in someone else business and look after your baby”,she smirk. Jimin glare at her .

“Sorry to inform you ugly face but they are my business so fuck off . And concerning about my baby , then don’t worry about it honey and go make yours . I learn that you aren’t getting pregnant that’s why Hyungsik is ignoring your pathetic ass. “,Sana growl and glare with yellow eyes at him which made Jimin smirk.

“Shut the fuck up! And fuck off before I make you regret “, Jimin smirk and stand right infront of her.

“Oh sensitive topic I see.....and I dare you to try me bitch”, Jimin’s eyes glow yellow glaring down her soul. They glare at each other ,before Sana felt intimidated by Jimin and break the eyes contact leaving the place.

Jimin look at her leaving and sigh.

“This bitch and her slut of a mate have some secrets”,He look towards the stairs confuse a little.

As soon Taehyung get out of the bathroom, drying his hair. Jimin enter his room and looking scared.

“Chim? What happened!?“,swoosh and he was holding Jimin .

“Namjoon Hyung w-went at the hospital for Jin Hyung check up and Yoongi Hyung went with his father and uncle at the nearby pack !“,he panted , Taehyung look at him worried.

“Jimin what’s your point!?”,

“Jungkook!!! Some alpha came and inform that there were intruders and Jungkook went with them !”, Taehyung look at him wide eyes and made him sit on his bed giving him water.

“Fucking shit! He is sick how will he keep up or fight if it happens!?”, Taehyung quickly get his black pant and shirt from his cupboard and quickly took off his bathrobe wearing it. Jimin look worried drinking his water.

“Are you going to help him?”,

“Of course I’m going that dumbass can hurt himself he is sick!”, Jimin nodded , Taehyung sigh and sat on the bed a hand on Jimin’s Shoulder.

“Listen Chim stop worrying you know I will not let anything happen. Just relax and eat more -but healthy food ok . I will go and return quickly safe and sound with Koko”, he smile , Jimin smile back and relax more .

“Of course you will return, you are strong”, Taehyung peck his forehead and went out from the window , making sure there was no one around he jump on the tree and then land towards the forest without any problem or stumble.

The betas and alphas were shift in their werewolf form. Jungkook was feeling only a little bit better he still was in his human form just like the rival leader was . He was ahead glaring at the opposite rivals. There was a group of wolves in front of them trying to attack them.

“I warn you leave right now or you will regret it”, Jungkook said holding his pain in. The opposite leader Laugh at him.

“Say the one who is ready to fall at any second.....give us your omegas and betas and we will leave quietly “, He said with a smirk. Jungkook didn’t even know him, they didn’t have any scent on them. Jungkook as a trueblood could smell only a little bit of their scent which was confusing .

“And you think I will just let you have your way?”, he growl.

“Well that’s why I didn’t come alone you fool”, he rolled his eyes.

“Try me bitch”, with a loud powerful growl Jungkook shift in his black wolf clothes ripped off his body and he attack the leader who transform in a brown dirty black wolf. Everyone started to attack each other.

Jungkook efficient bite his ear taking advantage he rip out his flesh from his arm with his sharp teeth and the other howl in pain. Jungkook smirk and growl loudly attacking every wolf coming to protect their leader. He rip out the throat of another as his eyes flash red and he emit a growl like inviting them to their own dead. That growl made some alpha quickly submit against their wills, which help Jungkook’s pack members to kill them more easily.

Seeing his pack members getting attack Jungkook run towards them and with his sharp crawls,he crawls on the attacker ,biting some and it continues like that. But the problem was his dizziness. It was coming back. He almost alone kill half of the wolves . He look around and didn't saw Hyungsik, he was supposed to be here so where is he!?

Another wolf jump on his back ,he rolled on the grass trying to prey him away while he felt nauseous. Jungkook was debating with him ,while the rest were looking at the two wolves and tiredly attacking the rivals. To Crystal pack's advantage they were left with only three wolves to kill as Jungkook did all the work.

Then a man appeared all in black he was clearly smirking looking at his puppet attacking Jungkook. He seem in his thirty . He stay back looking at the two fighting ,he was emitting a flow that no one dare to approached him .

Jungkook finally get the wolf's leg near his face and bite on it ,the other fell down and Jungkook didn't hesitate to crawl his stomach and ripped him . The man smirk at Jungkook and approached them with a psycho smile. The rivals were all dead except two the leader and an apha.

"I think its time to kill the trueblood don't you think? ", He said loudly towards the leader alpha ,pain already gone from his arm. He nodded and run towards Jungkook who stumble with his dizziness. The wolf jump on Jungkook.

Every wolf eyes widened , stopping what they were doing . They couldn't believe what they were seeing at such a fast pace all this happened, blood everywhere!

There Taehyung was right infront Jungkook , blood on his face and clothes. One hand holding the ripped head of the leader alpha in one hand and his body in another hand after jumping down from a tree. He glare up his eyes dark blue reddish with an obvious angry smirk on his face ,his nose flaring.

"I don't think sono one is touching *who is mine!* ",he look at the man,his voice was menacingly deep and dark , the man was looking back in shock.

"K-Kim Taehyung", Taehyung smirk and threw the body and head right on the man's feet..

"Right infront of you Alfred", Taehyung walk towards him and stand infront the man who look back shock then slowly smirk.

"You finally find your real mate? Or he too is someone you just fall in love and not your mate", Taehyung glare at him his blood boiling , looking at the tattoo on his neck a crack skull.

"Alfred you know dear friend you always waste my time or kill my happiness with your so call *Lord*.Let me end it for you right now",his voice darkened. Before Alfred could react ,

Taehyung swoosh ,went behind him and wrapped his hand around his neck .

All wolves watch at him in horror not believing the omega was doing this!! Jungkook too was watching wide eyes , he never imagined to see Taehyung kill someone that too with a smile on his face. He remembered what happened with Yoongi that time at the office and gulp.

“Babye Alfred~~~ say hi to the devil for me because I’m not coming so soon~~“,he chuckled playfully, a loud cracking was heard then he ripped his head and body apart . There was no blood just ashes.

“Always wanted to do this”,Taehyung panted and look up at the wolves who were still shock and scared.

“You guys are really pathetic!! Jungkook did all the work!!“,he growl they back away . Taehyung walked towards Jungkook and bend down lifting him up in his wolf form. The other gasped.

“I have no clothes so gonna to take you like this. “,But Jungkook just shift back to human in his hands. Taehyung just rolled his eyes when Jungkook touch his cheek making sure he was fine while he was fighting to not close his eyes.

“Ahhh!!why do you want the others to see your huge dick!!?“,

“Tae you could have hurt yourself!“,

“Oh shut up Koko ! You should have been in bed!“,He growl which made Jungkook chuckled and with his vampire speed he was in Jungkook’s room. Not giving a fuck to the questions or rejections the pack might have towards him for being a half vampire.

Chapter 33

Jungkook was in the bathtub ,staring at Taehyung who was sitting on the covered Toilet's seat ,while reading a book . That was just scaring Jungkook.

After coming back , Taehyung put him in a warm bath and quickly went in his room taking a shower changing his clothes. Jungkook was a little pouty for not seeing Taehyung naked but he was also now confused plus scared. Taehyung didn't say anything and since 15 Minutes his eyes is focus in the book, on the same page.

Jungkook could feel he was anxious and disturb ,but in this kind of situation a person suppose to show it on their face. Then why Taehyung face is blank?

"Tae",he didn't reply ,still looking in the book.

"Tae!", Jungkook say in desperation.

"What?",he look at Jungkook still holding his book.

"Can you explain please", Jungkook sigh.

"About what?",he asked sternly.

"About Alfred, how do you know him? And why are you so disturb right now? ", Taehyung lick his lips face going cold ,could be seen as irritated.

"Listen right now my mind is set on going on the rooftop! I need to think . But I can't do that right now because we will be call downstairs soon ,because everyone saw what I did to that man. And shouldn't you thanks me?",He raised an eyebrow, while Jungkook nodded quickly.

"Yes! Thank you! I would have get hurt without your help thank you Tae", Taehyung almost smile at his huge doe eyes.

"Your welcome ",he nodded.

Jungkook lean his head back and Sigh.

"Tae I'm sorry for slapping you-",

"I don't want to hear anything-"

"Please listen to me", Taehyung sigh and nodded ,because Jungkook look so desperate.

"Thank you..... When I saw you strangling sana your, eyes flaming dark blue and you look so angry I- I panic.....I know you always calm me down by hugging me and by saying sweet words to me that always help....but I was too afraid to even touch you I never saw you like this But she stopped breathing so I just react on impulse.",he was biting on his lower lips while Taehyung keep looking at him seriously.

“I understand..... I’m more mature Jungkook and I faced many worst situation, that’s why maybe I know how to handle thing without having to hurt the person. You are still not that mature to handle those kind of thing ,I understand you panic..... But you also said and was confident that I will never hurt you but at that moment you forget it and slap me for her”. Taehyung smile mockingly .

“Tae please I told you I react on impulse. I had to save her nobody was helping but if she was dead right there those pathetic asses in this pack would have ask for justice and the head Alpha would have been obliged to cut your head infront the pack! You think I wanted that!? If she had attack you first then for you it would have been just self defense , no one would have blame you for her death! But it wasn’t the situation Taehyung I couldn’t just let you die or get hurt like that when I can prevent it!! I wasn’t even kissing her !! She was just talking and suddenly said there was something on my eyeslid so I just close my eyes I never knew she was about to kiss me!!“, Jungkook raised his voice while stare intensely at Taehyung with his red eyes a little bit teary eyes.

Taehyung was lost of voice ,staring shock at Jungkook. Jungkook was right ,in his anger and jealousy he didn’t notice what he was doing that time. If Jungkook hadn’t stop him Sana would have been dead and he too, well for him they wouldn’t have been able to cut his head because he was immortal. Jungkook was scared but still tried to find a way to *save him* from any punishment even if he hurt Taehyung in the process.....so Jungkook still do care for him.

“You did it to save me?“ , Jungkook panting look at him and nodded.

“Will you please stop giving me cold shoulder and forgive me your Koko“, Jungkook mumble sniffing , holding his tear like a strong man. Taehyung look at him and shook his head with a smile forming on his lips.

“KOKO YOU MESS UP PAPI!!!“, Taehyung yell loudly ,then pout his lips not to cry and launched towards Jungkook ,whose smile and eyes grow , opening his arm to hug Taehyung.

Taehyung close his eyes and hug him tightly , Jungkook hug back tightly, both sniffing their mates deeply, relaxing in their addictive and relaxing scent.

Taehyung pull away and Jungkook lean to kiss him but Taehyung stop him.

“I didn’t say I forgive you. The slap hurt for a good 5 minutes! But my heart still hurts so I can’t forgive you that quick. No one wants me to forgive you ,they want you to suffer and maybe I want it too a little bitso your punishment is no kiss or sex “ , Taehyung smile .

“What!? No sex or kiss!? Ok I will live without the sex but atleast a kiss a day! Please ! please“,he whine and beg him. Taehyung giggled while cooing at his cute muscular bunny.

“Aww my adorable horny bunny!! You are so cute! But no , no kiss . Only I can kiss you but you can’t“,he smirked and Jungkook pout.

“Fine ,I deserve it anyway for hurting you”,He look sadly at the water.

“I will not stop you if you want to slap or punch me please do it I feel too guilty for hurting you”, Taehyung smile at his dork.

“Are you sure?“, Jungkook look at him and nodded quickly closing his eyes shut.

“Fine, I wanted to do that anyway”, Taehyung rolled his sleeves up .

“1”, Jungkook keep still eyes close.

“2” ,he prepared himself mentally , because he knows it gonna to hurt badly.

“3” and he yell because he think it will help to not hurt that much.

And his yell lower when he felt soft lips on his left cheeks kissing him deeply and a hand on his right cheek. He open his eyes wide ,cheeks pink. Taehyung lean back and smile at him ,while he look at him Jungshook whose heart was racing.

“I always wanted to kiss your beautiful small scar, it’s cute. Hmmmm I will do it whenever I want then”,he wink but a knock was heard on the door.

Taehyung sigh and look at Jungkook.

“It’s time for answer”, Jungkook gulp remembering they have to face the pack. He get up and stumble of dizziness but Taehyung quickly wrap him in a towel and lift him in bridal style going in his room.

“Oh my eyes!! I need bleach . Wait let me just stab it out”,

“Yoongi Hyung we bath together when we was kids. Stop being dramatic”, Jungkook said ,while Yoongi smirk because Taehyung was still holding Jungkook.

“You forgive the kid?”

“I’m not a kid!!-”

“Not completely , I’m not angry towards him anymore”, Taehyung smile.

“I’m gonna to court him Hyung!“, Jungkook smile Widely.

“Finally ,this dumbass is getting some brain.... whatever head alpha Jeon is calling you both and be ready because people down there are going crazy”,Yoongi said seriously.

“We are coming hyungie”, Taehyung smile a little nervous.

“Don’t worry Tae bunbun ,we are here for you”, Yoongi smile at him a gummy smile before leaving.

“You will make a good bottom Jungkook”,They herd Yoongi laugh outside leaving.

“He isn’t wrong I want to top”, Taehyung smirk and Jungkook scoff holding the towel tightly.

“Put me down!!!”, Taehyung chuckled and did it getting his clothes.

“I will not bottom in this relationship”, he pout and wear the clothes.

“But you got a small waist and thicc ass papi, I don’t mind topping”, Taehyung smack his bare ass, Jungkook yell and quickly pulled his boxer scooting away.

“STOB IT already!!”, he quickly wear his sweatpant, but Taehyung smirk and walk towards him, while he took back steps. Feeling trapped between the wall and Taehyung he hold his hoodie against his chest staring back huge eyes.

“Help!! He is going to take advantage of me!! I only top!! I’m JungTOP!”, Jungkook yell dramatically, but Taehyung just Chuckled. No wonder Baekhyun give him names...

“Look at you such a cutie....ready to be eaten. “, Taehyung trailed his finger on Jungkook’s cheek sending shiver on his hold body. Jungkook bite his lips and look back in Taehyung’s seductive eyes. He look at his lips and close his eyes.

He frown when he felt no lips against his, then open his eyes and Taehyung burst out laughing.

“Y-Yahh!! Don’t Laugh I will not bottom!”, he said poutily cheeks red.

“Relax papi I was just joking,....well I do have a little bit wants too”, he wink at him.

Everyone was in front the head alpha’s house whenever there was something about the pack they would gather there.

“He is a monster!!!”,

“Yeah!! right in front our eyes he ripped that man’s head without remorse!”,

“I’m s-scared of him alpha, please keep him away from us”,

“We don’t want a future Luna like him !!”, Jihyun glare at that woman.

“Yes we don’t want it “, One by one all the pack members specially the man were revolting.

“We don’t need you too !! But we don’t seem to be complaining!!!”, Jimin growl, some keep quiet by the sarcastic but some didn’t give up.

“Yoongi look after your big mouth beta mate!!”, an alpha said glaring at Jimin.

“Repeat what you said you MOTHERF*CKER! YOU BETTER KEEP YOUR DIRTY MOUTH SHUT BITCH AND CALL ME ALPHA YOONGI !!”, Yoongi growl standing in front of Jimin who stuck his tongue out at that man who stayed quiet because Yoongi was more powerful.

“Ok everyone calm down!!! No need to fight or yell!”, Jicheol stood on the terrace his family next to him.

“How can we calm down when someone like your son’s mate is here!!! He can kill us anytime!”, Another woman yelled.

“Really you seem to be still alive to me”, Everyone went silent and gulped looking at Taehyung who was walking down some few stairs with Jungkook beside him.

“Is he menacing us?”, Sana whispered to another woman.

“See he is scaring us!!! Head alpha! Please help us before he kills us all he is dangerous!!”,

“SHUTUP!!! HE ISN’T DANGEROUS !! SO SHUT UP!!”, Jungkook growled loudly, which made many whimper.

“But Jungkook he tried to kill me everyone saw it! I thought he was my friend but he hurt me. We need to help him control his anger!! He almost killed me and he is dangerous to our pack”, Sana’s voice came out from in front.

“Excuse me Sana, but I don’t remember you married Hyungsik or any member of this pack. So it’s clear that you don’t belong to Crystal pack so don’t say your pack!! What are your contributions to your so-called pack!? You just roam around sticking your nose in things which doesn’t concern you! At least Taehyung did all he can to help everyone around!! Not like you running after someone else’s mate!!!”, Namjoon raised his voice glaring at her making her mouth hang open.

“Namjoon calm down.”, Jicheol warned him, he nodded.

“W-What!? I never did all this. I always knew it!! you guys don’t accept me after how much I did for you all. I never run after someone else’s mate”, she fake cried, Jungkook furrowed his eyebrows glaring at her.

“Oh my God you worst female dog you are playing dumb! Let me say it more clearly for you dear Sana!.... You are running after Jeon Jungkook!! You were fucking kissing him what did you expect Taehyung to do!? Sit and watch ‘oh look my mate is kissing his ex who is a bitch, wow sweet’ bitch this ain’t it!!”, Jin snapped and glared at her panting, Namjoon had to calm him down.

“Sup the roasting session has started !! Next please!”, Yoongi said smirking down at everyone.

“You better shut it my son was already done with you”, Yoona said, when the man who told Jimin to shut up was about to talk again.

“Ok everyone calm down!! What’s your problem with Taehyung? He never harm us ,he was always humble and helping you”, Dong-wook said everyone look at him.

“YOU DIDN’T SAW HIM RIPPING THAT MAN’S HEAD OFF!“,A man said looking in horror at Taehyung who look back seriously.

“SO WHAT WAS I SUPPOSE TO DO!!? LET HIM KILL MY MATE AND YOU GUYS! IS THIS HOW YOU ALL SAY THANK YOU FOR ME HELPING YOU TO STAY ALIVE!?”, Taehyung yell ,everyone went silent while he look hurt.

“What are you?“, Hyungsik asked coming in front confused.

“I’m a Vampire Omega, half vampire and half wolf”,he said proudly, Baekhyun never teach him to be sad about what he is , he always told Taehyung he was a blessing to earth, to him.

Everyone gasps and take back steps.

“Stop with your judging him. He is my mate ,he is just unique in his own way just like me . I’m a true blood “, Everyone look shock at Jungkook, while his family look at him surprised they didn’t knew he would said that a day. Sana and Hyungsik’s face almost drop on the floor.

“Taehyung is very kind and sweet. He just protected me today ,not like you unloyal alpha did !! Just watching me ! If he wasn’t there I would have been dead or seriously injured!! He help you and protect you all and you are still against him!? Is this how you thanks him for saving your brother ,son, husband!?”,he look at every women who look down knowing he was right.

“I agree with my son , Taehyung isn’t dangerous. He is a very good heart kid and just want people around him happy and safe. I trust Taehyung “, Jicheol added looking at Jungkook who gave him a small smile as thanks.

“You knew about it!?”, Namjoon asked and look at his mate and then at everyone then he double look at his mate and frown ,while Jin gulp looking away.

“Since the start I knew what Taehyung was ,all my family knows. He was never a threat to our pack, he always help us . He bring so many happiness with him that I liked him at the first time. I’m proud to say he will be the best Luna next to my son Jungkook. Think about it deep in your heart ,will Taehyung really harm you?“,Jicheol said and they start thinking about it. Jihyun smile and rub his back.

“Jinnie you told them?“, Namjoon asked as ,Yoongi,Jimin, Jungkook and Taehyung circle around him.

“Heheheh....ok fine I did. But they forced me too!! It was when Jungkook was doing his 300 pushe ups whatever”,He pout.

“It’s ok Hyung, it’s good they knew since the start or they might had react differently “, Taehyung smile.

“Taehyung”,An old member call him and he saw it was the grandma he usually help.

“Yes grandma”,he smile walking towards her.

“I accept you the way you are.Thank you for saving my son and grandson”,she smile patting his head.

“It was the least I could do”,he smile back. One by one the pack members realize they were afraid of him for nothing, the boy was just helping them , they start thanking him.

“Taehyung I’m sorry ,I got scared . Please forgive me”,Sana said .

“Sana please leave “,she nodded and left standing next to her mate.

“Now the real important question ! Hyungsik where were you when our pack got attack!? My son almost got kill!“,Jicheol growl Hyungsik look down while Jungkook look fondly at his father.

“I-i took Sana to the doctor”,He said looking down, no pack members can look in the head alpha’s eyes ,it was the way they show respect.

“It that true Sana?“,she quickly nodded.

“Out of my Sight right now you both!!“, Jicheol growled loudly.

“Yes alpha”,they bow and left from there.

“But seriously this was all plan”, Namjoon said .

“You are right but how?“,Yoongi added ,they were all in the living room.

“I don’t know. They attack the pack just when no strong alphas were here and when Jungkook was sick . But they didn’t knew he was a trueblood so they thought he wouldn’t be able to fight. “,Jicheol Sigh as he caressed Jihyun left arm while hugging her.

“It’s someone from the pack”,Yoona said while sitting crossed arm on Dong-wook’s lap who realized what she mean.

“But who?“,

“By the way a warrior told me Taehyung knew the guy who he killed. Do you know something Jimin?“, Dahyun asked. You might be thinking what a kid is doing in a serious conversation? Well this family don’t believe in keeping kids away from matters like this ,they like to be clear which help to make the kids know what they are facing or might face in future.

“I don’t know”,he look away and snuggles closer with Yoongi who hug him closer.

“But what are their aim?”

“Their aim are this pack betas and omegas”, They look towards the stairs and saw Taehyung coming down.

“Is Jungkook sleeping?”, Jihyun asked.

“Yes i gave him his medicine”, she nodded . Taehyung sat next to Jin .

“What do you mean ?”, Yoona asked.

“What I mean is this is what he asked from Jungkook. The man I killed was Alfred ,I knew him since a long time”, he Sigh.

“From which pack is he from?”, Jicheol asked.

“He doesn’t belong to any pack, he just liked to manipulate the pack and to be his puppets.....but he was the puppet of *Lord*”, everyone look at him confused.

"*Lord*? “,

" He didn’t show up since years ,but seem like he came back to surface. He is like the god for everyone who wants to rule the world and have power. Well I don’t know much about that. But at my time he manipulate people and ruin my life”, Taehyung clenched his jaw, Jin side hug him to make him feel comfortable .

“At your time? What’s is he a-”

"*Lord of Vampire*.....but not for me and yes if he shows interest in something he will do what he can to get it.“, Taehyung exhale.

“Which mean our pack is in extreme danger”. Namjoon confirm and Taehyung nodded and the room tense up.

“Shit!“.

“Dahyun!!!“,

“I’m fine now. You know I get sick for only one day”,it was true since a baby he would always be sick one day. Being a true blood have it advantages.

“Hmmm Tae’s care and love help you to get better “,she smile.

“Yes, he was so sweet to me when I get sick “,he smile dreamily.

“Baby people make mistake but they also have many chances to correct it. It’s just you shouldn’t give up on it. You made a mistake onceyou shower love on Sana but she was the mistake. Don’t stop your love towards Taehyung just because of that mistake. I want you to be happy Kookie and I know your happiness is in Taehyung “,Jungkook nodded looking around.

“WAKE UP NEWPHEW!! AND ACHIEVE YOUR HIDDEN DREAM!!“, Yoona enter with her bucket of water and just in time Jihyung got up and Yoona threw all the water on Jungkook.

“AUNTY YOO!!! “Jungkook gasp for air.

“Why does it feel she was pointing towards Taehyung? “,Jungkook raised an eyebrow and get up groaning.

“Because she was idiot”,she burst out laughing while Jungkook pout.

“You psycho hoe”, Jungkook said annoyed ,but it was in a playful way. They never were all the lovey dovey type .

“You horny bitch”, Taehyung smile.

“Ok alphas , the head alpha have already informed you of the threat to our pack . So now we will have to work harder! I was very disappointed with you asses!! How could you get tired so easily and didn’t have the courage to help your pack members!!“,He growl and glare at them ,they immediately look down. “Koko be nice!!“,

“What do you mean be nice?! This way he will get kill in a second”, Jungkook furrowed his eyebrows.

“Shhhh! Listen I know you should be very strict towards them but sometimes it doesn’t work, can’t you see he is already afraid. Just calm down and try to be nice too, I’m sure everyone here is well aware it’s not simple rogues trying to scared their pack. I know they are giving their best to protect this pack but they miss some abilities which you will provide. So teach them don’t scare them”, Taehyung smile ,while the others started to see Taehyung as their good.

“Urrrgh! Ok fine you are right on this one!“, Jungkook sigh in defeat and Taehyung smile turning away ,but then stop and turn around again.

“Oh and”,he poke strongly on Jungkook’s stomach ,when the latter look down and wincehe was immediately hit on his face and karate chop down on the floor. Taehyung straddle him one arm on his neck and the other hovered over his face and two fingers right over his eyes. While the others gasp.

“This is call surprise attack, your rival would be confused and look down ,then you hit them right on the face . They will surely lose concentration then you kick them to the floor,-well I didn’t had to kick . Then aim their eyes,it’s simple. Did you learn something?“,he look at the boy up, the boy nodded with a smile. Taehyung’s way to attack was very simple which even the scared boy can use easily.

“Thank you!!!”, Taehyung nodded with a smile, while Jungkook was having unholy thoughts about their position. His baby look so hot being all smart.

“Stop day dreaming papi”, Taehyung whispered and wink getting up.

“Ok everyone shift ,we need to train in wolf form now”, Jungkook said getting up.

“Jungkook!! Can we talk ?”, Sana asked when she saw Jungkook coming back from the woods.

“No, I have nothing to say to you”, he walk away but she grab his hand.

“Please Jungkook! Please I need to talk with you! Please “, she beg desperately, Jungkook sigh and nodded. He was trying to stay away to not make Taehyung angry again but this girl was almost crying. They went in a corner and she started to look like she was ready to cry.

“What do you want?”,

All this year it was only you I wanted and still wants. I don’t love Hyungsik, he marked me by force Jungkook. He threatened to kill you if I wasn’t gonna to accept him”, she start crying while Jungkook was again in shock , looking at her with an unknown expression.

“Sana i-i”

“Jungkook please!! I can’t leave without you anymore. I can’t see you near Taehyung ! He is just a nuisance-“,

“SHUT UP YOU HOE! HE IS MY MATE DON’T TALK SHIT ABOUT HIM!”, he growled dangerously eyes turning red, Sana look in shock as she submit to him, mark or not she will have to submit to a true blood unless her bond with her mate is strong.

“J-Jungkook i-i-i I-love you, please i-i can’t I-leave without you”, she whimper while Jungkook try to calm down.

“Please a-accept me back!”

“Tae are you fine?” Jimin asked him, they were watching a movie in Taehyung’s room when suddenly his heart started to race, a little excited and hurts little.

“It’s m-must be Koko, he must have get a little hurt during the training, don’t worry let’s continue watching our movie”, he said at Jimin who look at him rubbing his chest.

“You sure?” Taehyung nodded with a smile, but something felt off.

“Eomma I’m going to do something and I hope you support me in that”, Jungkook look at his mother.

“I always will kookie, but I hope you don’t make a bad decision. Is it about Taehyung?” Jihyun asked a little worried.

“Yes, I-I can’t anymore. I keep hurting him and myself and i need to stop that. No matter what is the consequences I will do it. He need to be happy, he deserves to be Happy, he is too precious for me to keep hurting him.”, he look firmly.

It was his final decision and he hope it will make both of them happy.....maybe.

Taehyung walk down the stairs hearing Jungkook’s voice from the living room he stop. Jimin was taking a nap with Yoongi which Yoongi forced him to do, for the baby to feel more relax and happy. Jicheol and the rest were probably out helping in the pack. So who was Jungkook talking too?

“I-i-aiish”, he furrowed his eyebrows, thinking why Jungkook was being weird. Hearing the next few words he stop, well it felt everything around him stop.

“I-I love.....you! I l-love you.....”

....*Sana*”

Taehyung heart was hurting more and he walk quickly towards the living room and his tears rolled down his cheeks while his eyes went big. There was Sana’s arms around his mate, his love’s neck while she was crying and lips against Jungkook’s whose eyes were shut tightly, you could see his wrinkles, his hands going quickly on her hands.

Taehyung scoff and run out of there , crying in anger in pain! Why did Jungkook did that to him!!? His heart felt like it was tearing up and body going numb but he didn't stop and run out of the house. Jimin who was awake saw him from his window and immediately got worried.

“You too Jiminie go out and go relax yourself , don’t worry about Tae I’m here. You need to take care of your baby, of yourself“,Jimin bite his lips hesitating ,but Baekhyun was serious so he nodded and left, with Yoongi holding him by his waist.

“Listen Jungiwillbeatyourasslater you too out! I don’t care you are crying or shit! I need you out right now!“,He glare at Jungkook his eyes glowing red.

“P-please no, I want to stay with him“,he cry begging. Baekhyun almost gave up on the crying bunny but it wasn’t the time to do so.

“Chanyeol threw him out“,The latter before could do it Jungkook get up pecking Taehyung’s forehead and left the room , knowing he is in no position to keep persisting and Chanyeol was a giant.

“C’mon what’s the matter?“, Chanyeol knew something was wrong , Baekhyun don’t usually get all work up and be rude like this to people he just met, but whenever it concerns Taehyung he would get all protective.

“I need to check something“,he look at his husband expressionless.

“Jeon Jungkook I need an explanation right now about that Sana thing!“,Hoseok glare at him, Y/n encourage her husband

“You knew about everything?“,Yoongi asked him, while feeding Jimin some fruit salad .

“I know everything happening here, Jimin told me everything even if he stop me to come earlier. But that asshole slapping Taehyung was not something I will ignore!!“,he growled ,his anger increasing as he pull Jungkook who was like a dead body by his shirt.

“Wooo calm down there buddy , he asked for forgiveness and they solves it between them. Plus you wanted Taehyung’s head cut for killing Sana ?“,Namjoon stop him pulling him away from Jungkook who again plopped on the couch looking at nothing and feeling more guilty, he just wanted to die(***Don’t Fucking dare to tell him die!*** 😊).

“Where is Jin?“,Dong-wook asked.

“He was getting angry and wanted to kill Sana but I calm him down and made him sleep, before coming here. Eomma is taking care of him “ , Namjoon reply looking worried.

“Namjoon get back to Jin he needs his mate more, everyone calm down and try to not kill Jungkook or anyone else. I think he got enough of it today and is regretting enough. It his and Taehyung’s problem to solves we should let them alone do it. DaDa show our guests their room and let’s wait Taehyung to wake up”,Jicheol said with his serious deep voice .

“Ok Appa”, Dahyun smile lightly at Hoseok and Y/n and lead the way to their room . Hoseok threw another irritated glare at Jungkook and follow Dahyun.

“What the fuck couldn’t you Fucking hold him for a few more minutes!!?” , Hyungsik raised his voice at Sana in their room as he groaned for his maybe broken rib.

“I did my best you asshole!! The plan was only me to get close to Jungkook then why were you ready to mark the bitch Taehyung there!!?” ,she yell back .

“Shut the fuck up!! You want someone to hear us!?” ,he growled and wipe the dry blood from his lips.

“You were ready to mark him right there, Right?” ,she asked all serious feeling betray.

“Atleast I would have mate with someone stronger and he could have give me what you can’t!” ,he glare at her, while she started crying.

“I hope you rot in hell you son of a bitch!” ,she spat but soon received a slap on her cheek.

“Not me who was being a bitch around Jungkook and kissing him!” ,

“You told me to do so!!”

“You have enough brain to think about cheating!” ,

Taehyung groaned as he open his eyes slowly and saw a smiling Baekhyun right next to him looking at him while holding his hand and Chanyeol sitting on the chair next to Baekhyun.

“Eomma? Appa?” ,he call weakly as he tries getting up ,and Baekhyun helped him.

“Ah my Silly small baby you scared me-”

“Us!!”

“Yes you scared us! How are you feeling? Dizzy? Pain? Vomit? “ ,He look worried again giving Taehyung water to drink.

“No ,I’m fine now, where J- is everyone?” ,he asked looking around a little.

“Taehyung you realize you did a dumb thing? Once you bond with someone you *can never break it unless one die*“, Taehyung nodded now realizing he let his anger take over him and temp to try what a stupid witch told Hyungsik.

“Jungkook is crying like a baby outside and keep feeling guilty ,he was holding you close to him and crying while trying to wake you up like two hours ago. But I sent everyone out. So now tell me how you really are feeling?“, Taehyung’s heart swell from hearing Jungkook was crying and holding him close to him.

“I’m fine ,but still a little -i don’t know confuse about Jungkook. He said he l-love me but should I believe him I don’t know. A big side trust him and my wolf is in joy that he said he love me. But should I believe it ?I still have a small doubt.“,he lick his lips looking at his fingers. Baekhyun bite his lips and decided to just go for it, so he smile and hold Taehyung’s hands.

“He love you I know . Jungkook was honest Taehyung he love you and we have proofs for it to make you believe it“, Taehyung look at him his eyes sparkling and heart racing as he heard someone who can kill Jungkook saying he believes Jungkook.

“What do you mean?“,

“One is when You saw ugly sanity pad kissing Jungperiod did you feel pain physically or had any marks on your neck or your mark hurt?“, Taehyung giggled a little then thought about it.

“No ,I was fine only my heart hurt“,

“If Jungkook really had initiated the kiss or had any feelings in the kiss then you would have physically been hurt. Because your mate was being willingly intimate with someone else. But that wasn’t the case so it’s clear Jungkook didn’t kiss her “. Taehyung could feel like a small burden on his heart disappeared and fill with happiness..

“And second....You knows everything about someone else but you don’t know about yourself my dummy boy. Close your eyes and concentrate on your hearing“, Taehyung look at him wide eyes , Baekhyun nodded with a smile and he quickly close his eyes and concentrate deeply and he gasp.

Badump !

Badump !

Badump !

He open his eyes as he starts crying in shock ,while Baekhyun cry along hugging him .

“Eomma I’m pregnant!! I’m- I’m pregnant!“ ,he cry louder in happiness. He never thought it was possible for him to get pregnant . He never had heat to also give him a little confident about it .

“Yes you are baby, and I’m very happy!!“, Taehyung giggled and stop crying, While Chanyeol wipe his tears quickly and smile getting up and sit on Taehyung’s left.

“We are happy, the happiest parents and grandparents“,He smile Widely wiping Taehyung’s tears.

“That’s mean Jungkook love you with all his heart and you love him with all your heart too Tae.. so what are you gonna to do?“, Taehyung stop a moment he rubbed his tummy softly with a soft smile.

“I will not tell him anything and I will not forgive him that easy, this time he will have to do something really worth forgiving or I’m being a single parent“,he nodded and smile Widely looking at his tummy . His happiness was undescrivable, he was just so happy and excited at the same time wanting to cry

Chapter 36

“No way!! “,

“Oh my godeu!!”

“I knew it!!“,

“Sure”, Taehyung rolled his eyes while his best friends launch at him hugging him in joy.

“I’m so happy!!! Our babies will be best friends too!!!“, Jimin smile Widely and squeal, making Taehyung nodded cooing at the idea.

“Hop off him!! Stop squeezing him now! Tae and Jimin you should rest . I’m not that worry for you Tae because now you will be get more protective and more powerful but for that you need to feed yourself more . And Chimmy you should be careful!!“, Baekhyun say seriously now that Taehyung was pregnant he need more blood in his body and that mean he need Jungkook for the blood if he don’t want to kill innocent people because his body will not accept animal’s blood, plus the only animal he can drink blood from would be Wolfie Jungkook.

Taehyung got more powerful ,that power was because he was pregnant . He get more protective and was literally carrying more powers in his tummy now.

“I know eomma and go in your room now , you didn’t sleep since you came!“, Taehyung pout at him.

“Since when do Vampire sleep?“,

“Then go rest!!!“, Baekhyun look at him with a very not real smile .

“You better not raised your tone on me! I didn’t raise you like this!! Or you want me to whoop your thicc ass flat!? Try me little cute fluff tiger I won’t hesitate!“,

“Momma!!“, Taehyung whine cutely.

“Is he serious?“, Hoseok whispered to Jimin who look in daze then look back at him.

“Mother and son are similar“, Hoseok and y/n let out an ‘ah’ in realisation.

“Between Jungkook is outside ,he didn’t move from the couch since4 hours“, Y/n said checking her beautiful black shiny watch.

“Hmmm“, Taehyung hummed thinking if he should let Jungkook in but ,he wanted him in and be close to him . Hugging him and inhale his scent. Plus being pregnant now he wants his mate with him to feel more relax and protected.

“Let him in”,He sigh leaning his head back

“Ok everyone you got a mission “,Chanyeol said and they nodded going out. Taehyung lick his lips , moving on the bed a little. Then the door wide open and Jungkook enter looking like he just stop running. He look at Taehyung on the bed and gulp. Taehyung could see perfectly his bloodshot worried eyes .

Jungkook quickly walk towards him and pulled him in a hug inhaling the scent he was addicted to which take Taehyung off guard, but he pushed him away.

“A-Are you feeling better?“, Jungkook asked awkwardly leaving space between them.

“Yes, much better. Why did you stop me earlier?“,He asked looking at him in his eyes.

“Why wouldn’t I stop you when I love you.... What happened was a misunderstanding. I was p-practicing how to say I love you too **you**. I was scared you would reject my confession and then she came out of nowhere and force kissing me ,but! But I swear I push her away and told her I love only you and even wash on my mouth!!!“,He look with his huge doe eyes at Taehyung who bite his lips to not laugh at the last part.

“You love me?“Jungkook nodded with a little pink cheeks.

“You think I will accept you?“,

“I think I unconsciously hurt you alot. I’m just and idiot Tae. You should tell me directly what you want to make me understandI think. I don’t know I feel like the most dumb person on Earth....so I don’t expect you to accept me soon“,He sigh frowning a little.

“You hurt me alot, and I really don’t want to trust you, but a part is telling me to do so.....so make me trust you“, Taehyung look at him seriously , Jungkook look back a little taken aback by his beautiful mate.

“I will do it“,the room completely silent while the two look at each other intensely while feeling pulled towards each other.

The loud music was heard approaching Taehyung’s room and came in Hoseok with his speakers.

“Hello~~ listen to some music Tae !! It’s so quiet here!!“,He said like it so obvious. Jungkook look confused.

“Why did you put on light down low ?“,

“Oops I’m gonna to change it“,he smile and change it, making both Jungkook’s and Taehyung’s eyes widened.

“Do you like the way I flick my tongue~~-”

“Why did you put on ’or nah ’now!?“ , Jungkook asked embarrassed.

“Hobi!!! You took the playlist for our honeymoon!!”, Y/n smack his head as he realized and look surprised.

“That’s why it was names ‘Get the lollipop baby!’!! Owwww!! I thought it was something sweet !!!babeu!!”, he whine and turn it off.

“Heheheh”, she smile nervously.

Then everyone look at Jimin coming in with a hammer like if it was his room and start banging the hammer on the cupboard.

“Jimin what are you doing?!?“,

“*Scoff* can’t you see the nails are out Jungbish?“, he shrugged like it was obviously when in reality it wasn’t out.

“It’s Jungkook!! Why everyone is messing up with my name!!? “, He pout and Jimin continue what he was doing with a shrugged.

Taehyung Laugh quietly with his best friends trying to keep the room noisy, so that Jungkook can’t hear the low heart beats from Taehyung’s tummy. Right now Taehyung and His parents could hear the heart beats because their vampire hearing was very good. But is Jungkook’s ears like that? They didn’t know so like the crackheads they are they are preventing it, because Taehyung said he will not tell Jungkook anything.

“Ok get out now Jungkook -“, they heard banging on the window and saw Chanyeol.

“Don’t mind me I’m just checking the window if its solid, oh Continue and threw this boy out. Oh what’s your name again?“, he smile innocently, then a loud voice was heard on the other window and they saw Baekhyun.

“Right now it’s um Jungper- no Juanpablo! Yeah that’s the name!“, he nodded with a Satisfied smile, Jungkook scoff.

“It’s Jungkook!! Jeon Jungkook!! J-U-N-G-K-O-O-K!!! Just hit me if you want to hurt me!“, he said and Taehyung find it cute.

“Boi why would I hit you when I can mess up your name and get you like this plus your life is in like Telenovela right now so~~“, Baekhyun smirk. Then came Jihyun and Dahyun with soup and stop looking at everyone making noise.

“What the?“, Chanyeol and Baekhyun hanging from two windows, Hoseok, y/n changing songs and could hear moans which y/n turn off quickly and there was Jimin banging the hammer whenever the room goes silent.

“I guess we are destinate to be a huge family eomma! Yo the crackheads family“, Dahyun threw up a gang sign like Yoongi taught her.

“Tae!! I got you your favorite soup!! I made it with Yoona for you“, Jihyun smile Widely and walk towards him.

“Ok everyone out and I will let the music play lowly here”,Hoseok smile and Taehyung nodded.

Taehyung walk in the garden where Dahyun told him Jungkook call him. It was confusing and also curious what Jungkook will do.

“I’m going to give your appa a hard time”,he chuckled patting softly his tummy.

“Hmmm what will you call me? Eomma or mommy or mama? I don’t know “,he sigh thinking about it while he continue walking.

He stop when Jungkook came in view,he was shirtless and holding a whip it was more like a thicker rope . Even looking at it seem painful. Taehyung gulp and walk towards him , Jungkook saw him coming and look at him confident.

“What’s happening?“, Taehyung asked frowning. Jungkook didn’t say anything, he stretched his arms towards him with the whip in his hand.

“Um what?“, Taehyung now had wide eyes not understanding.

“Whip me”,

“Wot DAFUQ?“, Jungkook sigh and look at him.

“I want you to hit me . I thought a lot and didn’t know how to make my guilt for giving you unconsciously pain before go away. I thought about making someone hit me ,but you would have feel the pain . So it’s better you do it you will not feel any pain .“, Taehyung open and close his mouth like a fish.

“Is that a joke Jungkook!? You think I will so willingly hurt you!? If you are so desperate for this shit why don’t you hit yourself with it”, Taehyung glare at him, he was now furious against Jungkook. Why was he still behaving like a dumbass!?.....wait he is already a dumbass.

“I didn’t thought about that. But ok”,He said like he really didn’t thought about that while Taehyung look at him in disbelief. Well if Jungkook is willingly giving pain to himself Taehyung will not feel it except his emotions.

Taehyung nodded take a few steps back. Jungkook look at him and started flogging himself with it on his back ,arms or chest. Taehyung bite his lower lips wanting to stop this. Jungkook groaned a little soon blood started to drip down his chest ,and back.

“FUCKING STOP IT NOW!!“, Taehyung growled and snatch the Whip from him and threw it away . Jungkook panting look at him wide eyes.

“Hurting yourself is only hurting me more!!“,

“I’m sorry!! I didn’t knew you could feel the pain !! Shit! Shit!! I’m sorry!!!”,He started panicking.

“It didn’t hurt physically but emotionally it did”, Taehyung look at him ,he look back but before he could do anything Taehyung turn around and walk away from there.

“Tae? Tae!! I’m sorry !! P-“,he run behind him while ignoring he was a little bit drench in his own blood. He was stop by a voice.

“Jungkook let him be!! And come with me...“, Chanyeol stop him.

Taehyung run faster in his room and went directly in the bathroom throwing up. He crouched down in front the toilet as he vomit all his breakfast. Seeing Jungkook in blood just made him get his morning sickness .

“Yahh I hate vomiting!feel like I ate a rotten shoes!.....EWWWW”,he cringe at the imagination, flushing it he went to wash and brush his teeth.

“Tae are you alright?“,Jimin asked near the door.

“Jiminie you are great! Never complaining about your morning sickness”,he say dabbing the towel on his face walking out and hear Jimin giggled.

“Well you got use to it, between how many weeks are you?“,he asked Taehyung as they sit on the bed.

“How about you and Jungkook?“, Taehyung sigh and laid his head on Jimin’s lap.

“Well he is still hot as fuck- don’t worry our babies don’t Understand curising yet- so yeah he is hot as fuck. I understand he never wanted Sana and it was all a misunderstanding. But I want to see what he can do to make me love him more,I’m kinda teasing him”,he chuckled.

“Aishhh you naughty boy”, Jimin pull on his ear giggling.

“But you are happy right?”, Jimin asked seriously, as Taehyung sat up again and look at him.

“I’m happy Chim, more than happy. I’m pregnant, the man I love loves me back. I’m carrying our love in my tummy. I always wanted by kids but never was Confident if I can have babies. I never got my heats which can make me pregnant in a way, I lost all my hope. But now I’m happy very Happy and I’m gonna to protect us, trust me”, he look seriously.

“Knock knock!”, The best friends look confuse at the door.

“Who?”, Taehyung play along.

“Spell who?”, Jimin asked.

“Ok W-H-O!”, they smile at his nonsense.

“Jungkook what do you want?”, Taehyung call him. Jungkook enter with a sheepish smile and a tray in his hand.

“I made breakfast for you Tae”, Taehyung look at him wide eyes.

“What? I mean let me see”, Jimin sat next to Taehyung to cover the small heart beats by his mochi’s heart beats, they still didn’t know if Jungkook could hear it.

The true blood nodded and quickly approached and place it on Taehyung’s lap. Taehyung gulp, there was eggs a little uncook, bacons half burn, red tomatoes forming a heart and ‘i love you’ written on the plate with ketchup.

“I made everything alone, I promise”, Jungkook said happily as he look with his sparkling eyes at Taehyung waiting for a reaction.

He had a long conversation with Chanyeol who decided to help him. But if he hurt Taehyung again Chanyeol told him he will blow him with a bazooka then feed his rest to crocodiles.

“Y-you didn’t like it?”, he asked losing hope.

“That’s-That’s so cute!!! Look at the side tomatoes heart with I love you!! That so romantic too!!! You did great Koko!!!”, Taehyung smile Widely at him and put a tomato in his mouth and chewing happily.

“Um I’m here too”, Jimin look away.

“Can I get a kiss?“, Jungkook asked .

“No, you earn Koko back not my kisses”, Taehyung smirk, and saw Jungkook pout.

He kiss back with all his feelings ,and it was strong from both sides. The open mouth kiss deepened ,with Jungkook twirling his tongue with Taehyung and

sucking on it. Both were moaning in the kiss. Taehyung pulled away tugging a little on Jungkook's lower lips.

Panting both look at each other ,while Jungkook smile slowly his heart racing.

“Can I now kiss you without-”

" I Love You Jeon Jungkook !!my papi!! My Koko!! My adoreble muscular horny bunny!! ", Jungkook's eyes were ready to fall out making Taehyung chuckled.

Some pack members looking at them and just smile walking away. Jungkook look down at his dick *not you Jungcock! I have to save Jungcock!*

He saw Sana and Hyungsik a few meters away ,near the training area and smirk. He jogged after Taehyung and stop him turning him around and kiss him ,a hand cupping his face's cheek and another wrap on his back. Taehyung who was surprised because it was in front everyone ignore it and kiss back. Feeling he should breath Jungkook let go.

“You aren’t running away from me *babe*, let’s go eat a tasty lunch “, Jungkook wink at him .

“Who is You naughty papi~~ let’s go”, Taehyung peck his lips while the other members look away ,some fangirling or fanboying.

Jungkook let go of him but wrapped a hand around his waist going towards his house. Taehyung smile drop when he saw Sana and Hyungsik. He look at Jungkook who glare at them ,but his smile was back .

“What are you looking at never saw a couple in love?“,he said coldly and walk passed them still holding Taehyung’s close. He didn’t knew if Taehyung’s scent was a little bit Change or it was him ***(the baby is still a small bean so there is no movement, which mean Jungkook can’t feel it while touching Taehyung. But if he try hard and think about their baby then he will be able to feel it).***

“Seem like you all are good now?“, Namjoon asked looking at the couple eating together while Jihyun and Dahyun were taking pictures and yelling in happiness with Yoona sharpening a knife to threaten the mother and daughter duo to quite down.

“That’s fantastic!!!“,Jin sat down with Namjoon’s help.

“They confess and now they are all good!! But that doesn’t mean I will not try to kill you if you hurt my best friend!“,Jimin pointed his fork towards Jungkook who nodded not really paying attention. He was busy looking at how CUTEY Taehyung was chewing on his food poutily. He always would try to stare without getting caught but now he can as long as he wants without worries about anything.

“Jiminie my cup of coffee!!! I got you your fruits salad with extra sour cream on it , don’t worry I didn’t add mangoes“,Yoongi enter the kitchen with two plastic bags. Jimin jump in his sit hugging Yoongi because he was dying to eat that.

“Oh my sweet heaven make my Jimin always pregnant so I can get such a warm welcome with kisses“,Yoongi look up while hugging Jimin who then smack his hand.

“Amen“,Yoona said behind...what ??!she wants a lot grandchildren!!

“Yahhh I’m always calm and cute!!“,Jimin snatch the plastic from him and angrily pouting peck his lips making everyone coo at him.

“Oh and here Dahyun - stop taking pictures ! Wait you better have taken pictures when Jimin-ah hug me and his angry cute face! Say you did or no dessert!!”, Yoongi show her the plastic bag with a very serious expression.

“Jiji!! There are people here”, Jihyun scold him.

“So? You’re my wife!! And I’m free right now so-”

“Oh really you are free? I thought you had to repair the store room’s door!!! Which you suddenly threw on my feet running here!!!”, Dong-wook suddenly appeared next to him making Jicheol jump away.

“Yahhhh how many time do I have to tell you to stop doing that!”, he said hiding behind Jihyun.

“But that’s cool! Never stop my giant babybear!”, Yoona warn him which made Dong-wook nodded shyly by the cute name.

“I love you!“,

“Me too baby bear”, and babybear kiss his wife while Jicheol scoff.

Jungkook look at them fondly which Taehyung noticed. He remembers Jungkook saying he wants to end up like his parents and he will make it come true.

“Why you two never ended having more babies? You love each other so much!?” Jin asked.

“Yoongi was a very big baby”, Yoona said with a blank expression. While everyone look blankly or disgusted or at Yoongi whose face was blank as ever.

“HELLO FAMILY~~ what’s happening!? Ok don’t tell I already heard since I was coming. Well let me tell you beautiful lady Yoona I know your pain!! My baby Taehyung had such a big head when he was a baby”, Baekhyun show with his hands how big it was.

“Oh my God!!!Jungkookie had a big head too but that’s was super cute!!“, Jihyun said like if she was in pain but then smile.

“YESS!“,Jicheol said.

“EOMMA!!“, Jungkook finally look away from Taehyung.

“EOMMA!!“, Taehyung finally chock on his veggies.

“What? I know I didn’t gave birth but still I carried you everywhere !! And you were a cutely heavy baby!“, Baekhyun said so obviously while Taehyung blush.

“Yeah ,my cute Tiger you were very adorable and so satisfyingly heavy!! I always carry you around more than Baekie. When I would place you down ,you never sat you always end up on your back and laugh loudly saying ‘Appa fall!’ While rolling on the floor”, Chanyeol say dreamily and all excited while the other coo at the imagination.

“Really?! Don’t you have any portrait of him when he was a baby!?” “, Jungkook asked excited.

“Koko!! Shut up!!“, Taehyung pout and get up leaving.

“I’m going !“,Jin said.

“Baby no you shouldn’t walk-“, Namjoon stop him.

“Nope hubby we didn’t got the time to talk much”,Jin say getting up slowly and Walk behind him.

“So um about the portrait?”, Jungkook look at Baekhyun and Chanyeol.

“I get to call you whatever I want.... Forever”, Baekhyun said like a dealer.

“Are not you already doing it-ok fine!!“,He yell when Baekhyun was leaving.

“I get to beat you anytime you hurt Taehyung”, Chanyeol smirk.

“And you can call us eomma ,appa!“,

“DEAL EOMMA APPA!“, Jungkook stand up with a smile.

“Give me a hug Johnny!!“, Baekhyun say opening his arm.

“I LOVE THIS FAMILY!!“, Dahyun yell happily.

“Taehyung wait for me!!“, Taehyung stop and look behind and saw Jin coming a hand on his huge tummy.

“Aishh Hyung what are you doing out!! You are on your last month!“,He said worriedly and hold him by his waist.

“Ah nah I’m good I have three weeks left, c’mon let go somewhere”, Taehyung look at him unsure but Jin smile widely.

“Ok fine”,he sigh and hold Jin’s hand walking where Jin was taking him.

“Since we came I didn’t visit there. It was mine, Joon,Kook,Yoongs and Dayu’s secret . We used to run away from home and spend our day there”, Taehyung smile as they walk deeper in the forest.

“Oh really?! That must have been so fun”,Jin nodded.

“Yes it was. Specially for Jungkook he was the one who found that cabin. You know he used to feel sad whenever he didn’t met someone’s expectations ,so he would wander around. “ , Taehyung nodded thinking about his Koko.

“Finally here we are!“,Jin panted and point at an old small cabin. Taehyung look around it wasn’t that scary and he started imagining baby Jungkook running here.

Jin sat on a rock looking at it with a smile.

“On those days when I first met Jungkook he was only 15 years old. His mother told me about him or what he has gone through. He was very quiet around me not like now even yelling and hitting me(playfully)“,Jin chuckle and Taehyung sat down infront him with a smile.

“He took my heart the first time he call me hyung cutely with his bowl cut hair, huge doe eyes and bunny teeth which is like always adorable”,. Jin coo just like Taehyung did.

“How did he start talking to you?“,

“Well here was this one time when Hyungsik win in a running competition at school and Jungkook came second, he was a very shy baby and quiet he was kinda encourage by his

mother and father to take part in that competition. And they were so proud of him even if he came second.....you see he never used his true blood strength he wanted to win equally”, Taehyung smile fondly.

“Hyungsik was being the asshole he is and mock him a he weak person or show him his trophy ,and Jungkook would just keep quiet biting on his lips . But when his hurtful eyes met mine ,I kinda snapped at Hyungsik all I knew is I wanted to protect Jungkook. I always look after him and always try to win him over with my cooking but he would just thanks me and run away.“,he sigh.

“So I scold Hyungsik and told him to compete with a kid of his age and that he was the weak person . He didn’t say anything because Namjoon would have beat his ass *windshield Laugh* ,- so um yeah Jungkook told me thank you and smile that cute bunny smile which always melt my heart. Since then he started getting more comfortable and would follow me around “,

“He is so cute my Koko! Aishhh I need to ask eomma for his album when he was a baby “, Taehyung squeal .

“Yeah he have a lots!! His parents and aunty always took his pictures , specially when baby Yoongi would act like a big brother and you can see baby Jungkook crawling behind him in a picture while drooling and a bunny’s ears Bennie on his head”, Taehyung hold his heart that was too cute!!

“What I want to tell you is, Jungkook get comfortable and trust a person slowly. He always doubt a person’s intention and when he finally trust that person he became like a brat , he will be stupid, Laughing like a dork, being childish and many more around that person. The most important he will love you a lot and never give up on that’s person.....and now he loves you Tae.“, Taehyung look at him seriously then smile understanding.

“He is a keeper Taehyung, once he let you enter his heart he will do anything for you to remain there. He trusts you Tae and I hope you will trust him too”,Jin smile and put a hand on his back .

“I trust him Hyung. I always did I sometimes doubt it but not anymore. We love each other and I’m going to make it work between us until we die. I love him too much “, Taehyung smile fondly somewhere he felt a little sad Jungkook was mortal . He shook his head and get up.

“That’s what I needed to hear.“Jin get up slowly his face in pain by sitting on the same position too long, and he stop eyes going wide.

“Let me help you Hyung”,Jin look at him wide eyes.

“Taehyung.....“,

“Yes?”

“My water broke....MY DAUGHTER IS COMING!!“,

“OH MY GAWD!M OH MY GAWD !!- c’mon I will carry you-“,

“Ahhh- no you can’t!! She is coming right now!! The cabin!! Take me there!!“, Taehyung nodded quickly carrying Jin and saw how he scream in pain. So the idea to run home was a no-no.

“They aren’t responding!!!“, Taehyung try to mind link with Jungkook and Namjoon. He laid Jin on an old mattress.

“T-Training-ahhhh!!“, When they are training they mind link with the trainers and cut the link with someone else.

“I will keep trying with the others ,you just relax Hyung I’m gonna to help you get this babygirl out“, Taehyung say confidently.

Chapter 38

“AHHHH!! TAE GET THE BABY OUT!!!”, Jin scream his lung out . Taehyung was panicking too but he decided to take things in his hands. In the past he did saw a few times how some ladies help to give birth sometime Baekhyun did too but in old time.

“Hyung please breath!! I’m here don’t worry”, He smile ,he quickly took off Jin’s pant after receiving a yelling yes from him.

“Ahhhh!!! It’s hurting !!!”, Jin grabbed on his hoodie , finding nothing else to grip on.

“Push Hyung! Push “, Taehyung was between his legs, ready to protect the baby and be the first one to welcome her . He was feeling honour and right now it’s was his duty to make sure neither Jin nor the baby is in danger.

“AHHHH!!!”, Jin pushed feeling another contraction.

“T-Taehyung I don’t think-“ Jin panted.

“Hyung ,you are brave ! You can do this . Don’t worry I’m here I will protect you both! Just pushed and I will do the rest”, Jin felt a waved of energy and nodded pushing.

Jungkook!!! Koko!!! GODDAMN ANSWER ME!!!”

Taehyung link with him ,but he was still not replying so he link Jimin.

Jimin!??

Yes!! Tae?

Go find Joon Hyung and tell him to come at the cabin in the forest!! Jin Hyung is giving birth!!

Oh my height!! I am going!!

He try again with Jungkook.

Taehyung babe!! Where are you ? And why are you restless? A-”

he did felt his mate’s emotions.

Shut your Trump Jungkook and quickly take Joon Hyung and come at the cabin in the forest !!! Jin Hyung is giving birth!!!! Be quick!

OH BABE HOLY SHIT!! WE ARE COMING!!

Taehyung ignore the yelling and concentrate on Jin.

“They are coming Hyung ! Now let’s this beauty come out”, Taehyung smile widely he rolled his sleeves and rubbed Jin’s belly a little to ease the tension and pain. Waiting for another contraction.

“AHHHHH!! CITRON!!!!”, Jin yelled louder and at the same time the group was there. Namjoon quickly break the door and enter in and was by Jin’s side. Breaking the door wasn’t really necessary but ok

“Jin Hyung!! Oh...oh...“, Hoseok faint on place seeing the scene, and Y/n had to take care of him.

“We will be outside”, Yoongi say and get out.

“I-i will help Taehyung”, Jimin said shaking a little.

Jungkook who was shocked to see all this specially Taehyung helping to give birth , finally open his mouth.

“No I will help,you go and take care of Yoongi hyung”, Jungkook went beside Taehyung .

“Are you sure?“, Taehyung look at Jungkook.

“I’m sure and if you lose control I’m here”, Jungkook gave a worried smile. He was the only one who can control his mate if something went wrong..... and this time he will not slap him he will stop him with all his love . Taehyung can lose control,Like if he see blood and can’t stop himself , his body already need extra blood .

“Chim!! We need hot water Quickly!! and a clean cloth or anything to clean the babygirl!“, Jimin nodded and went out . Yoongi and him helped to light a fire finding matchsticks in one drawer

Y/n went to fetch water from the lake which was behind the cabin.

Hoseok who finally gain conscious helped them.

“Ahhhh!!“, Jin was crying loudly.

“It will be over soon baby! Shhh I’m here “, Namjoon continue his sweet words trying to calm his husband.

When Jin yelled again Namjoon panicked. He didn’t know what he could do to help to ease his mate’s pain.

“Oh my god!! What should I do!? What should I do?! Breath Jinnie! “, Jungkook gaze was only on Taehyung how he was worried and serious at the same time. How he was handling the situation ,how he was looking beautiful ,why Taehyung is so perfect?

He pushed a strand of Taehyung’s hair from his eyes ,which was bothering him. Taehyung just gave a soft smile and continue to tell Jin to push.But Jungkook eyes didn’t left him,

Taehyung was such an angel. He don't regret following his heart.

"Namjoon!!! I love you but SHUT UP- AHHHH!!! Jungkook's daydream was broken and soon he saw Jimin and the other back with hot water.

"I got it!!".

"Oh....shit",Hoseok wobble ready to faint again.

“Dumb me? You forgot how many time you believe me when I asked sorry? Or how I try to ruin you and your best friend?” she smirk. At this time she was completely crazy, Hyungsik had been pressing her down so much that she just had to prove she can give him what he wants....and that's leading her losing her right mind.

“That's what I made you thought rotten fish. You thought you can really come with two tears and say sorry expecting me to believe you? On top your idiot of a mate have been trying to indirectly put in my mind that he is ready to break your bond to see you happy with Jungkook which mean I should break the bond to? No but really you thought you could outsmart me using the reason I was upset and heartbroken!?” Taehyung raised his voice at them while Jungkook look sad for a second for making him feel sad or heartbroken.

“I admit when I told him to mark me, I was serious because I thought Jungkook really loved you. But I'm grateful my family stop me on time even if it wasn't gonna to break my bond with Jungkook and just leave a dirty teeth's mark”, he said all disgusted.

Everyone told me about how you really are and at the lake you were too sweet and just talking about how Sana don't loves you and you know a way to break the bond.....so I just act like I didn't really get what you are saying”, Hyungsik gulp while Taehyung smirk. ***(if you noticed ,then you might have noticed how Taehyung react at the lake...he wasn't thinking about what Hyungsik was saying about the bond ,he knew something was off with Hyungsik)***

“You started liking Taehyung for his look and change your mind on the main plan. It reality it used to be you who keep Taehyung busy but you start doing the opposite, making Sana keep Jungkook busy while you go after Taehyung. Sana was too dumb to realize it and you were too greedy so you keep both sides”, Jin said glaring at Hyungsik who look away.

“Sana tried to break Jimin and Yoongi hyungie's relationship because Jimin said clearly he don't believe her and she thought Jimin will convince me too.....but you didn't know I knew you were just faking it to be nice. Jimin keep provoking you to tell the truth and everytime I got a little bit ideas what you two are after “, Sana look nervous at Hyungsik who look lost not knowing what to do. Yoongi growl ready to skin them alive .

“Oh seem like you got caught in a lie bitches!”, Jimin smirk making Yoongi look at him dreamily before glaring at the couple again.

“Last time when you were arguing with Jimin in the living room ,plus aunty Yoona's words it's click like a puzzle . I notice how everytime Jungkook and I was being close in public the next very moment you were around Jungkook...and Hyunsick after me...“, Taehyung smile realizing while everyone look at him. Jungkook knew it was a serious situation but he can't stop thinking about how handsome and manly Taehyung look right now and that was turning him on as hell!!

“Everything was in front of our eyes since that starts *chuckle* but your mate betrayed you didn’t he? He was just supposed to keep me away from Jungkook, giving you time to trigger the feelings Jungkook used to have for youbut honey he never had any feelings for you it was just pityjoke on you”, Jin smirked at Namjoon

“You did all that to get pregnant with Hyungsik’s baby but when you knew Jungkook was a true blood you two decided to have Jungkook’s baby, because the baby will be powerful YOU FUCKING USED CONDOM SACK!!!!”, Even thinking about the idea Sana thought about sleeping with Jungkook made Taehyung furious.

“Babe!! You shouldn’t touch dirty things!!! It’s not good for our children”, Jungkook held him by his waist.

“You are right!”, Taehyung held on to his hands calming down.

“How about I beat her ass for you?”, Y/n asked smiling.

“Maybe after they tell the truth baby”, Hoseok smiled to her.

“I’m definitely taking Hyungbitch!”, Yoongi growled.

“How did you know about it!?”, Sana asked, feeling she was losing everything, more important Hyungsik will think she is useless.

“I heard your conversation when I was going home”, Namjoon said making the couple’s eyes huge.

FLASHBACK 😊

As soon as Namjoon heard them yelling at each other, he decided to go back to the head Alpha’s house.

“Do you know anything about what The Lord wants Taehyung like any idea?”, Yoongi asked still sitting on the couch next to Jimin.

“I don’t exactly know hyungie-”,

“Guys!”, they all look at Namjoon, Namjoon looks around and saw no elder and Dahyun.

. (It happened when Jungkook was sick and that night when Taehyung saved him)

“Hyung? Why do you look so surprised?”, Jimin asked.

“Taehyung lock the other door”, he said , Taehyung nodded locking the other room of the living room , sliding the door and locked it.

“What Happened Namjoon!? The last time you had this expression was when you saw the biggest crab was getting eaten on TV”, Yoongi said smirking lazily snuggling more with Jimin.

"I just heard Hyungsik and Sana fighting! Hyungsik told her to stop ruining their plan and get closer to Jungkook !“, Namjoon said making the other three look at him confused.

“There is something fish about them ,like they are trying to separate you and Jungkook”, Namjoon said.

“Well me and Chim tried to find out but she never said something else than kinda threatening Jimin And mochi earlier- “, Yoongi growl and pulled Jimin closer to him protectively while Taehyung stop and start thinking deeply.

“The only topic she get sensitive and aggressive is when we talk about baby!“, Everyone eyes widen .

“Oh yes!! Eomma told me once!! they are trying to have a baby but it’s not happening!“, Jimin scoff.

“But why is she after Jungkook then!?” , Yoongi groaned.

“Oh my God I think I got it!! Ok-ok let revise this shit!“, Namjoon said calming down the three look at him.

“The only way to get pregnant is for two mates to pour all the love for each other while making love”, it was true ,they can’t get pregnant during heats or ruts or just having sex with each other.

Many centuries before it used to be like that, but many used to reject their mates or having a baby just for a heir without any love or having affair with someone else . Many used to curse moon goddess for pairing them with someone else since birth.

So moon goddess decided to change it. In order to get pregnant it was needed to have love both the two sides. She knew many would want their own child . So it was a way to force them develop feelings for their mates in order to have a blessing ...a child.

*If two mates love each other and their feelings are clear without any doubt * only * then it was possible for the carrier to get pregnant.*

“But they don’t love each other ,or one don’t love the other”, Yoongi said.

“I suppose Hyungsik is so selfish that he don’t love Sana or anyone. The way I heard the conversation ,Sana seem like she have feelings for Hyungsik.“, Namjoon sigh rubbing his forehead.

“But she is after Jungkook because they think Jungkook used to love her and his feelings might get trigger if she will be close to him.....now it’s getting clear”, Namjoon chuckled while realising it and Taehyung’s eyes widened.

“They are sick!“,he said in disgust.

“What do you mean?“,Jimin asked confused.

“Where there is positivity there is negativity too Baby”,Yoongi shook his head realisation hitting him.

“They are using Jungkook to get what they want”, Taehyung bite on his inner cheek.

“Should we tell Jungkook?“,Jimin asked.

“No, we don’t really know if Sana have feelings for him or if J-Jungkook have it too”, Taehyung sigh sadly.

END OF FLASHBACK 😊

“Fine!! yes i was using Jungkook to get pregnant!! Hyungsik told me it might work! Hyungsik said he love me and maybe it’s me who don’t really love him. So I thought I might have feelings for Jungkook because he was my ex! The Idea was just to make me realize my feelings for Jungkook then when me and Hyungsik get intimate I think it’s Jungkook!!! But no matter what I never felt any feelings towards Jungkook!“,Sana burst out crying tugging on his hair.

“You are just Fucking good for nothing!!“, Hyungsik angrily spat.

“I tried ok!! You wanted a child so that you can get the post of head alpha with a complete family!! I just Wanted to be loved !!you said you love me!!“,She yell glaring at Hyungsik.

Like Yoongi said where there is positivity there is also negativity. Evilness always find a way. So, many tried it, in ancient time sometime when there were two mates ,where one love their mate while their mates love someone else.....during sex they used to think about the person they love and have feelings for and it used to work.

To be more clear, Sana thought Hyungsik love her alot so the problem was from her. So she tried to gain her feelings back with Jungkook who she thought she used to love ,well she think she used to love him. So while she get instimate with Hyunsik she would think about Jungkookbut it still didn’t work.

“C’mon Hyungsik tell her about your plan”,Jin glare at him, the latter groaned.

“Since the start I never loved you Sana, all I wanted was a mate and child to get the position of head alpha with a family. “,she scoff chocking on her tear.

“Later on you find out Taehyung was strong and Jungkook was a true blood, you got attracted with Taehyung for power and at the same time trying to get this bitch pregnant with Jungkook’s baby....so you had two ways to get powerful baby in case one fail.....but now both fails”, Hoseok growl grabbing him by his nape hurting him while his eyes turn dark orange. He and y/n didn’t appear all of a sudden at the pack like that, Jimin told them everything .

“Sana have you ever realized that you are doing all this for Hyungsik and you must love that person a lot for doing all this for him....the problem isn’t you Sana it’s Hyungsik who don’t love you and is selfish”, Y/n said putting her hand on Sana’s shoulder whose eyes widen and realized it.

“Oh my God! “, She put her palms over her mouth falling on her knees. It was clear to her, Hyungsik brain washed her in thinking she was the problem while he was the real problem! She did all this out of love and is now realizing it and is regretting everything.

Taehyung and Jimin’s heart sadden for her while she was breaking down. Jungkook look blankly at her and feeling nothing but pity for her.

“You!! It’s always because of you I can’t get what I want!! You always ruin everything!! You don’t deserve any happiness you son of a bitch!! I will kill your happiness !!“, Hyungsik growled shifting in his wolf form heading towards Taehyung . Everything happen so sudden that everyone watch wide eyes.

Hyungsik was slammed down on the grass away from Taehyung ,his neck was half ripped while blood splattered everywhere. Jungkook was hovered over him his fangs ripping his throat and sharp long claws dug deep ripping his arm. Jungkook was still in his human form ,his Wolf ears were out , eyes dark red ,claws sharp and very pointy.

Seeing blood on Jungkook Taehyung’s heart drop feeling like vomiting ,but keep repeating in his mind it’s not Jungkook’s blood.

“K-Koko stop!! He is dead!“, He yell Jungkook stop panting hearing his mate voice. He get up retract his claws ,fangs and ears. He look down at Hyungsik who was literally in pieces.

“I said I will kill anyone less than one meter close to my Taehyung!!“, he growl glaring at Hyungsik who was about to harm his mate on top his babies so there was no way to solve this calmly.

Jin look at Sana who was now looking at the scene silent like a dead body. She get up and blink a few minutes then yell in pain holding her neck ,her mark burning and slowly disappearing.

“Are you fine?“, Jin asked knowing she is not but still.

“I’m n-notbut I’m happy too. I have nothing against you guys. All I can say is I’m truly very sorry about everything and I accept any punishment”, she look at Jungkook who was walking back to Taehyung.

“We need time Sana”, Taehyung said, trying to resist the smell of blood , his vampire side was Kicking. The smell wasn’t that delicious but it was still fresh blood.

“Um Tae I think you should leave from here. Let’s go”, Y/n hold him by his shoulder and he nodded gulping.

A loud growl was heard behind them , Jungkook walking faster towards them not liking his mate away from him.

“Wo!wo!wo buddy calm down! She is not taking him away from you she is his best friend ok! And you need a bath it’s not helping Taehyung at all”, Hoseok stand in his way stopping him.

“I’m fine Koko, it’s just the blood ok”, Taehyung smile at him trying not to breath. He will not lose it he have control over it!! Yass!

Jungkook’s eyes turn black again and look at himself drench in blood and take a few back steps.

“Fuck!.....I’m sorry babe ,I will take a shower”, he yell.

“What’s happening here!?- oh my gorgeous hair is that Hyungsik!!?”, Everyone turn to Jicheol.

“Yes the one and only-well we can’t say that so in many pieces here and there”, Yoongi shrugged rubbing Jimin’s back who was throwing up once he saw how Jungkook ripped Hyungsik’s arm.

Jungkook was already precumming so he let it on Taehyung’s ass’s crack ,he was holding himself to not enter him. He made Taehyung bend more and rubbed his hard cock against his ass and moan loving the skin to skin feelings. But it was still a little too dry to he spit and use his saliva as lube, Because right now he is in no position to go and grab the lube in the drawer.

He smile when his dick was moving easily. His left hand travel on Taehyung’s buds again loving to play with them, while his right hand wrapped around Taehyung’s hard cock and he sensually stroke it at the same pace he was humping him.

Taehyung smile in the kiss and wrapped his beautiful right hand around their cocks his fingers were long so he could hold them both. Both were precumming feeling each other warm cum while Taehyung rubbed it together stroking it while not breaking the kiss. When Jungkook needed to breath he break the kiss breathing then back to kissing him.

Taehyung sat straight feeling his climax while he moan in the kiss , Jungkook started to thrust his cock against Taehyung’s cock. “You should try ...I really like your appa ,he is so cute and serious when it’s needed. Actually i like everyone a lots in your family they are all so happy and make others happy”, Jungkook smile.

“Tae I understand you, I love them too. For you it’s easy to get blend and be friendly with people around youbut I’m kinda introvert. It’s not easy to talk with my father for me after the argument we had, what if I make it worst”,He stiff ,but Taehyung rubbed his fingers.

“You know my 6th sense is strong , I can feel a person’s vibe . If it’s positive or negative....that’s why I understand people easily like I did with Sana and Hyungsik. But sometimes i ignore it and just be myself , I talk like my heart feels like . I let it all out without thinking about the negatives response...you should do it Koko”. Taehyung look up at him ,he love Jungkook’s jawline that he had to peck it making Jungkook smile a little while talking.

“You are so unique for me.....but I don’t know if I can”, Jungkook sigh.

“While talking to your father be Taehyung in the conversation and just say whatever is in your heart. And believe me he will open his arms for a hug for his son he have missed so much”, Jungkook look at him ,but Taehyung was looking with his doe eyes at the rain touching the sea with a soft smile.

“I believe you...I will do it”, Jungkook peck his head.

“Koko now that we are here why don’t we talk about everything freely?“, Taehyung lick his lips.

“Now that you said that I have always wanted to tell you, I like it when you dominate me a little and ride my dick screaming in pleasure-“,he stop his list and saw Taehyung look at him blankly.

“Point noted....and talk about everything freely I meant, about what’s happening in our lives

“Yes! I mean yeah you know everything about me but I don’t know much about you”, Jungkook said looking a little scared at Taehyung.

“It’s getting cold here.....what do you want to know about me?“, Jungkook thought he was again Changing the topic but seem like no. Taehyung’s voice was monotone .

“How about your past?“, Taehyung keep gazing directly towards the sea face blank, while Jungkook’s heart was racing a little. Sometime Taehyung do scared him.

“How about you tell me something before I tell you about my past , parents and him”, Jungkook finally shut his mouth.

“Yes?“, Taehyung pulled his hand out holding his wallet.

“Why do you have a photo of me laughing like this in your wallet?“, Jungkook blush, but Taehyung’s tone was still monotone,it was undescrivable.

“I didn’t put that in my wallet it was Jin Hyung!! It was while choosing the pictures of you for our collection and I saw the picture. Your smile was so bright and real it wasn’t a fake like you used to show. He saw me staring at the same picture for 30 minutes saying my eyes were sparking and I was smiling.....but I just say it’s not like that,.....I tried to deny my feelings for you. So he stole my wallet and put it in and told me not to take it out.....to be honest I didn’t wanted too, so I convince myself it’s just because of Jin Hyung I’m keeping your picture in my wallet when in reality I wanted it”, Jungkook bite his lower lips, waiting for Taehyung to react and the latter started laughing softly with tears in his eyes...so Jungkook did noticed his fake smile.

“I was laughing because you drop your coffee on you when I wink at you.....I’m glad I have you Jungkook...I’m very happy...I love you so much”, Taehyung squeeze his hand and wipe his tears quickly.

“Shhhhhhh baby don’t cry, I love you so much it’s pain to see you crying.....and that coffee was hot”, both giggled.

“Are you sure to tell me about your past? You can tell me when you feel you are ready”, Taehyung shook his head.

“No, I think it’s time to tell you. We should tell each other everything and trust each other”, He smile.

“True”, Jungkook smile.

“So let’s start with my birth. I never saw my real parents ,well I kinda did but only on a painting. All I knew was my uncles are my parents until they decided to tell me the truth....but nothing change after that”.

“For a few years we were living in a kinda like castle then we moved to Daegu. I don’t know why. I had many friends there more vampires they were very friendly, it was like a pack it’s call EXO.....remember my photographer Suho hyung I know him from there”, Jungkook nodded.

“Years later I was old enough to understand about what happened to my mother and father, Baek eomma told me. In ancient time Vampire and Wolf were enemy , Because vampire drink blood and attack human, nowadays it’s rare to see that, but before it use to be like you see your enemy you kill it right there”, Taehyung said bitterly which made Jungkook hug him tighter ,a way to tell him he will never betray him.

“Once my father was hunting in the forest at the same moment my mother was looking for some herbs ,I don’t know exactly . I’m just telling you what Baek eomma told me”, Taehyung chuckled.

“Ok cub “,he chuckled along.

“He was talking to himself happily collecting his herbs, you heard right I had two fathers ,but I prefer calling him mother to not get confuse. So yeah he didn’t knew my father was watching him already falling for his prey **chuckled**.....when my mother noticed my father he threw his basket at his face”, Jungkook chuckled while listen attentively smiling, his parents were cute.*(I don’t remember if I mention Taehyung’s mother as she before ,if I did ignore it 😊)*

“So my father fall down holding his nose, my mother felt guilty and apologize helping him up.....when their eyes met together, blue and red it was magic and they fall for each other right there”, Taehyung stay a few seconds silent imagining his cute parents.

" Ah so you are like your mother more. You attack but you protect and most importantly your heart is pure gold”, Jungkook said as a matter of fact .

“Baek eomma said I look cute like my mother and have his eyes plus the mole. But I got the nose, jawline, boxy smile and big ears like my father”, Jungkook cooed at the imagination and nibble on his ear like a bunny nibbling a lettuce.

“Your ears are huge but cute as hell”,he peck it While Taehyung snuggles closer to him when it started to rain heavily.

“My skin can get red rashes if I don’t put on my special lotion that’s why I got more excited coming here knowing the sun will not bother me”, Taehyung said looking at some kids running with their parents to find a place to hide from the rain.

" Don’t worry baby I will always protect you”, Jungkook look at him.

“I know you will”,He smile more comfortably. Eating his still warm peanuts as he continues feeding Jungkook some.

Chapter 43

“So my mother and father was so in love ,that father help him to run away from his pack and stay with him in that castle I think. They got married in Baek eomma’s and Channie appa’s present. Then they got their blessing aka me!!! The small cute baby which change their lives and made it more happier”,he said happily his eyes getting teary more, his parents was always a sensitive matter, he so wanted to meet his parents.....

“They were so lucky to have you!!“, Jungkook knew how he was feeling so he try to cheer him up.

“Yasss...but thing changed.... suddenly my mother’s pack found the castle and attack it thinking my mother was kidnapped.....my parents gave me to Baek eomma there were too many people ,t-they didn’t wanted me to get harmThose heartless people sent my father on fire and killed him no matter how much my mother scream not to.....when they finally heard my mother ,he told his pack how much he loved a Vampire. But you know ancient people with small thoughts , thought it was a humiliation so they kill him too.....Baek eomma told me only this about my parents”, Taehyung stop breathing heavily while his tears filled in his eyes but he wipe it putting his packet of peanut to the side

Jungkook rocking them side to side a little, one hand caressing his tummy while he leave sweet kisses on his neck.

“There were Such a great parents! I so wants to meet them and hug them tightly”, Taehyung burst in tears , Jungkook wrapped his hand around him holding him closer rocking them a little.

“I’m sure they were good parents ,they must be so proud of you Taehyung. Just look at their son ,so perfect with a big gold heart”,He peck his cheeks Making him giggled while sniffing . Jungkook wipe his tears and look towards the sea ,the rain didn’t seem to stop but it wasn’t that heavily, just pleasantly giving a good smell of sea smell mix with rain and a little cold breeze.

“You can stop ok . No need to push yourself-“,

“I will tell you everything , don’t worry about me crying I’m a very emotional person”,he smile softly .

“How can I not worry when I see my mate crying ,its my duty to make you smile and happy babe”, Taehyung look at him pecking his lips.

“Adorable!Let’s continue, when I turn 20 ,I was sent to Seoul to study. Not every wolf would think Vampire as enemy. So Baekhyun eomma sent me to stay with one of his friendat Moon pack..“, Jungkook frown.

“That’s your current pack right?“, Taehyung nodded.

“I met him there around 70 years ago..... his name was-“, Jungkook got ready to hear everything without any jealousy interrupting.

(Flashback)

“Ok Tae you will be fine, it’s just new people and you just have to be positive!“, 20 years old Taehyung patted his shoulder , he look at his shining blue hanbok and walk out of his new room. (Idk about 70 year old ago fashion so let’s go with hwarang 🙌😊)

“Oh Taehyung my dear , you are going to college?“,Asked the head alpha who was in his 30s.

“Yes Hyung “,he bow then smile.

“That’s good, by the way do take your lunch ok , have a nice day”, Taehyung thanks him bowing again and run in the kitchen he was already getting late.

“TaeTae!!“,Some kids was running around ,he waves at them Laughing while he continue running ,but bump with someone .

“ahhh-“,He was preparing to feel the hard floor but instead he felt a hand around his waist, he slowly open his eyes to meet two huge eyes looking down at him, the man was very handsome. Both stare at each other until the kids threw flowers at them and both blush getting away.

“Yahh what are you cute pups doing! Go and eat”,the man blushingly scold them while Taehyung stand straight gulping.

“Woooah your smile is so beautiful”, Taehyung blush but nodded smiling proudly.

"I got appa's smile", The man chuckled finding his cute.

"I went to check the boarders last night , that's why I wasn't at dinner....and my name is Park Bogum". (Yeah I know too cliché and you are like why always him ? ,but I kinda love Taegum 🐺....fite me bish!)

"Bogum hyung it's a pleasure to meet you but I'm getting late!!", Taehyung bow running away leaving the man chuckling again.

"It's nice meeting you Taehyungie", he mumbled with a smile looking at him running away.

(End of flashback)

"It was a Park?", Jungkook said .

"Bogum was Jimin and Hobi Hyung's grandfather's brother", Jungkook look Jungshook again processing everything .

"After that we used to exchange glances or greetings. I would feel all weird when he was around and blushedI used to talk with Baekhyun eomma and we concluded that I had a crush....but I didn't told him anything", Jungkook clenched his jaw , thinking about Taehyung crushing on someone else.

"Then?"

"Then he started to show up at my college or when I was doing chores, he would help me and we would talk a lot. He was very friendly and his smile was cute", Taehyung smile looking at the blanket.

"He was the one who confessed to me first ,he was my first love ,so I was happy-", Jungkook growl it's was too hard .

"Hey Koko, remember you are my present and future love....he was my past nothing more", Taehyung look up at him touching his cheek Jungkook nodded.

"Yeah-Yeah I know but my wolf don't like it... don't worry Tae continue", he smile forcefully.

"Ok, so we confess our love ,but the problem was he wasn't my mate. He promised that when he find his mate he will reject them. So we live happily hiding from others we would meet and kiss...", Jungkook clenched his jaw tighter.

"I'm fine just continue",

"We would talk for hours at the river ,then slowly would make out. He treated me like a delicate flower,I used to cook for him and he would praise my cooking skills. But I never told him that I was half vampire he could smell only my wolf like everyone else".

"We were happy and in love for a few months until he find his mate during a visit to another pack.....but he rejected her for me. He was in pain for one week and I looked after him . He

proved his love towards me and I was the happiest man at that time...“, Jungkook remember about Sana and admit that man did deserved Taehyung.

“But then it happenedonce when we were at the river we were kidnapped. When I get concious I was attached to a pole and Bogum beside me..... infront us a whole village who was looking furious”, Taehyung gulped.

(Flashback)

Taehyung look beside him worriedly at Bogum who look worriedly at him struggling to get free.

“Hey Tae are you fine!?“,The latter nodded looking around.

“Are you fine Hyung? And what’s happening?“,he asked but before his lover could answer a woman yell.

“It’s him!!! That vampire manipulate my mate!!“, Taehyung look at her wide eyes ,he look back at a confused Bogum. How does she know he was a vampire!?”

“What are you talking about!?! Taehyung is a wolf!!“,he growl protectively.

“Oh my goodness, you didn’t know your lover is a vampire?“,A handsome man in his maybe 40s appeared making the angry pack members back away.

“For Lord’s sake stop talking nonsense about my lover!!!“,Bogum growl.

“I’m The Lord dear stupid man“,he smirked .

“Tell him about his dear vampire lover Alfred?“,The said man nodded walk near Bogum and started to talk not letting the villagers hear him .

A man tugged his hair while another was doing the same with Taehyung.

“LEAVE HIM!!!“, Taehyung yelled , Bogum knew this was a grave sin to love a vampire and suddenly all this happening he didn't know what he should do.

“AHH!! AHH!! LEAVE HIM!!! BOGUM!!!“, Taehyung pushed away the 3 men and run towards them to stop them but he was grab by his neck and a sharp wooden sword was pierced through his heart by Cheon.

“I told you too stop goody Vamp”,he chuckled while blood was Coming out of Taehyung's mouth.

“TAEHYUNG!!!! NO!NO!!NO! “,Bogum scream seeing his lover getting stab and started to struggle growling.

“H-Hyung -“,his eyes were droppy as he was let to fall down. He was like paralysed and tears spilling out of his eyes , he yell in pain when he saw Cheon slitting Bogum's neck and his lover fell down next to him.

“Burry that wolf and let that vampire die in the forest!! Most important get ready for tonight ritual!! This need to be done today”,that's all Taehyung heard ,he look at his lover whose eyes were close drench in his own blood and everything went black.

(End of flashback)

Taehyung swallow hard looking around trying to calm down and not crying. While Jungkook was shock realising all his mistake he did , saying Taehyung Don't understand him when he had a worst situation, his situation was nothing compare to Taehyung.

“You must be thinking why I didn't save him ,when I'm strong and Immortal?....well I knew about my immortality and powers when I came back to life in that forest.....“, Taehyung frown Looking at his fingers licking his lips.

“I train a lot to be like this today Jungkook”,He turn around looking at Jungkook who look back at him seriously.

“I know ,I know....I just wished you had find your happiness earlier. I swear to kill That Lord shit!!“,he growl he was jealous but he was more angry Because of The Lord.

You can't completely make your love disappeared for your first love but you still will love that person more than your

I felt more alive with you than with anyone, you makes my heart race like it never did before!we are destinate to be together! I want only you Jeon Jungkook”, Jungkook swallow cupping Taehyung’s face and kiss him with all his affection.

He pulled away and rest his forehead against Taehyung’s and smile.

“Oh my gawd you were thinking about me!! I was dumb on that one!“,He chuckled his heart thumping all happily

“Also about what happened in the forest ,I wanted to clear it”, Jungkook bite on his lips.

“Ok”

“You know I used to feel like I love Sana so I hold a grudge against her and her mate. For like two years I keep thinking Hyungsik snatch her from me, so I would get angry whenever I see them together. I always wanted to end like my parents happily in love ,so that thought used to make me angry Because I thought she was my future.“,He sigh.

“When you came in my life and change everything around me, I started to feel whatever you say was right well it still is....you told me to be nice and Don’t get angry for useless

thing...For the first time when we came to Busan and i Saw her I felt nothing for her.....it was like all my anger towards her vanished , Because I realized I was never in love with her ...so I felt no anger nor love. My emotions to hurt her or get angry on her change to ignore her and follow Taehyung..... about Hyungsik I always hated him since kid but never about the Sana thing when I realized all this.....“, Taehyung look at him lips parted

“Yahh you asshole! I thought you mean your feelings change to love again for her at that time!!“, Jungkook shook his head quickly.

“No-No! I fell for you right when I fell over you in the parking lot and you thought I was muet-“, Jungkook shut it.

“Oh dicks!! You have been in love for so long and made me wait or so long!!“,he softly threw some punches on his chest.

“Try me bitch!“, Taehyung stuck his tongue out at him and rain away. He stop and close his eyes tilting his head up letting the drops of water hit his face , the feeling of being free filling his body.

He open his eyes and giggled then started to dance around. Making Jungkook cup his face admiring the love of his life. He took out his phone and started to take Taehyung’s pictures without him knowing like always.

“I love this annoying guy more than my white shirt!“, Jungkook say in the camera Making Taehyung scoff and lock his legs around Jungkook and pulled him down.

“Say that again and see how you live a month without Taebooty”, Taehyung glare at him, making Jungkook chuckled but continue filming them.

“I love you more than anything Taehyung.....just don’t leave me,ok promise me”, Jungkook said softly.

“I love you more than anything Jungkook....I will always be with you forever ...promise”, Taehyung smile and pull him in a kiss .

Each **promise** kept, counts and increases the faith people have in you. If a **promise made** is from the heart, and it is something you believe you can do then there is hardly a chance that you can break it. ... **Promises** are never **meant to be broken**. Though a lot of times..... they are **broken**.

Chapter 44

“Tae I'm sorry , please talk to me for my Dick's sake“, Taehyung throw the soap at him.

“Don't add Jungcock in it!!! You dick!“, Taehyung pout, actually he was very hoping that Jungkook will do something cheesy for him....he might be acting like a brat but he don't care

he have been supporting every single thing since he came here! So he can be selfish about something Which isn't harming anyone else.

Jungkook started to think what he should do ,so he striped and hugged Taehyung's waist who pushed him away .

"Baby I love you~~ koko love you ,wanna to cuddle with~~ your papi wanna to fuck your beautiful thicc jiggling booty ~~ Jungkook wanna to hug you and love you forever and ever~~ ", Jungkook sing sang as he continues to get hit away but he keep coming back trying to kiss his neck ,ear or shoulder..

“Oh shut up papi!! Having sex -making love during pregnancy is good for my health!! And during rut when you are doing it with your mate you might be rough and want to mark me everywhere but you are also very caring.....that’s the difference when you do it with your mate “, Taehyung softly knock his forehead.

“Are you sure? The holes in that cabin it was me who did that ,I punched it non stop”, Jungkook smile nervously.

“Oh hell yass I got to buy me a sexy lingerie!!“,He said all happy thinking about everything while Jungkook was already feeling his dick twitch imagining Taehyung in a lingerie or the harness he wore last time.

He didn’t even care how dangerously he drive his car out there with full speed and drive away in a flash ,his eyes fixed on the road. Eyes becoming more menacing while Jicheol and Dong-wook gripped tightly on their seat not even daring to tell Jungkook to slow down because they knew it wasn’t the time to slow down. Yoongi was same driving quickly towards their pack with Namjoon trying to mindlink his husband .

“TAEHYUNG! TAEHYUNG!! AHHH FUCKING ANSWER ME TAEHYUNG!!!”, Jungkook yell in frustration once he get out of the car ,he run in the forest trying to get a scent of Taehyung but in vain. He run back in his house and went directly to his crying mother.

“Eomma where is Taehyung!? where is Jina,Hyung and Jimin!?”, He asked like if he was running out of time and he was not wrong he was really running out of time.

His mother told him everything while he hold himself from breaking things around him . *Why did i even left Taehyung alone!? Why i left everyone alone here without anyone to protect them.*

“He said he have to go before something happen to them .H-He said that the reason we could never have any clue about the kidnappers was because they were all vampires and there is surely a witch helping them to mask their scent. He said he left something in your room-”

“ANSWER ME YOU FUCKING PIECE OF SHIT!! WHERE IS JIMIN !?! JIN HYUNG?!! TAEHYUNG AND JINA!!? WE FUCKING TRUST YOU TO KEEP THEM SAFE WHILE WE WERE AWAY!!! “,they saw Yoongi holding the collar of some pack member who was supposed to guard the place while they were away.

Jungkook ignore him and run in his room looking and throwing thing around searching for something Taehyung might have left..and he finally found it a paper on the bed .

*I know you are not happy right now Koko ,but I can't just sit here knowing our family is in danger . So I'm going to the abandoned Red wolf's pack where he asked me to come. I can't waste time, please don't be angry with me .
I love you Jungkook*

“No!no! No! Fucking no! They are in danger !!my family !! My ...pups!! Oh my God!!no!“,When he realized about his pups he growled loudly running downstairs.

“Jungkook where are you going!?” , Namjoon asked.

“I know where they are !“,He said without stopping.

“I'm coming!“, Yoongi said throwing the beta away . Namjoon follow him too.

“We are coming too”, Jicheol said but Namjoon stop him.

“No! Stay here we don't know if they will attack again “, Jicheol sigh loudly frustrating with Dong-wook and nodded.

“Jungkook!! It's the Lord”,he stop on track looking at Yoona who look back worries written all over his face.

The trueblood poke his tongue with his inner cheek , looking up trying to hold his anger but couldn't and punch the door hard.... Now he was more worried The Lord have been after Taehyung all this fucking time!

“Oh c'mon ,I came right ! So let me see them now!“, Taehyung yell after he himself walk in the cell . Why would he waste his energy when he know they have the upper hand right now.

“As if we will listen to you”,the man scoff. Taehyung smile bitterly and approached the man .

“Tell that fucking ugly snake if i don't meet them ,I will destroy this place and find them myself “,he could easily kill and find them but he can't risk their life knowing, Jimin is pregnant and Jin is an omega with his newborn baby, he must keep them safe.

“F-fine I will tell my Lord”, Taehyung snicker and nodded. Once the man walk away he sigh and look around before he sat down on the floor . He couldn’t reply Jungkook ,because the latter would have run here and would have directly jump on everyone killing them which Taehyung want to avoid until he make sure Jimin ,Jin and Jina are safe that’s why he left a letter before coming.

And feeling the sudden anger and worries inside him on top Jungkook yelling for him made him aware Jungkook have already find out.

“I’m very sorry babies ,your appa will be so angry with me right now”,he Sigh and put his palms over his tummy , closing his eyes and concentrate on what he was doing. Soon a shining blue aura surround his stomach and he open his eyes slowly inhaling.

“Now our pups are safe Koko”,He smile and caressed his stomach. He just put a protection around his stomach ,so no matter what happen ,if he is punch or threw or anything on his stomach their babies will be safe it was like a wall protecting them.

Jimin can you hear me?

Tae!? You can hear me !? I can’t mindlink anyone !!

Ahh thank Gucci’s God! Of course I can mindlink you ! I’m a vampire omega with powers bish.....and I’m near that’s why.

YOU RAVIOLI!! WHY ARE YOU HERE!? ITS DANGEROUS !!-

Shhhh chim !!just shut up and tell me where are you?

In a cell with Jin Hyung! But they took Jina away and Hyung is a crying mess-

“Hey get out!“, Taehyung look at the man and smirk walking out of the cell when he open it.

“Oh seem like your Lord got scared”,The man pushed him ahead.

“He just said you should said your goodbye, that’s all you stupid wolf!“, Taehyung rolled his eyes when he was thrown in another cell and he quickly get up looking at the man who was closing the cell.

“Your Lord is a fucking pussy ,he can’t even show himself to me and is using small stupidest shit to control me.....bitch get a life”,he laugh while the man clenched his jaw and stare at Taehyung.

“He said not to touch you otherwise you would have been already death!“, Taehyung laugh louder.

“Try and see stupid shit”,his voice turn low and deep, face cold, the man just walk away. Taehyung was hugged by a crying Jimin and smile.

“You are the stupid shit!! Why did you came here!!? You will get hurt!-“,

“Chim just shut up it’s not like you wouldn’t have come if I was kidnapped”, Jimin was about to say something but Taehyung wasn’t wrong.

“Thought so “, Taehyung hug him tightly and then look at a crying Jin on the floor and approached him.

“Hyung”, Jin look at him sobbing and pulled him in a hug.

“Taehyung!! T-they took Jina! My Jina i-i”,

“Shhhh Hyung , everything is gonna to be fine ,I will not let them harm her . I promise”, he rubbed Jin’s back.

“We need to be strong and get out of here Hyung, if we keep crying we are achieving nothing . We need to be strong and fight back ok”, He wipe Jin’s tears who nodded. Taehyung soon frown and get up in his vampire speed he stand in front Jimin and made Jimin back away.

“Finally showing yourself ugly snake?“, He look at the figure in the dark.

“Heard you call me a pussy half vampire, now that’s not how you should treat your Lord”, Taehyung made a gag face like if he was about to vomit.

“Ok let’s skip the shit where you will say some shitty dialogue to scared me and shit blah-blah-blah , let’s get direct to the point. Where is Jina and what do you want?“, The Lord chuckled and finally came out of the dark with his sick smile on his face.

“Look like you got more courage since last time we met”, Taehyung clenched his jaw remembering how his ex lover was killed because of this man.

“I said. Come. To. The. Point”, the man stare at him with an amazed look.

“The point is I’m gonna to sacrifice the baby, male omega’s baby are very powerful . Don’t you know that.....I need to be more powerful to rule the world half vampire..-”

“NO!! PLEASE DON’T KILL MY BABY! PLEASE !! “, Jin yell but Jimin hold him back.

“Oh c’mon ugly snake you will make me believe that only one male omega’s baby will make you powerful”, Taehyung glare at him.

“Ah intelligent....well why do you think I kidnapped many omegas and betas....but then suddenly you appeared the one I was searching for.....so I will sacrifice everyone including you for more powers.....oh and I do know your power half omega, last time you ruin everything but this time I will not let you.....also I have a surprise for you“, The Lord smirk leaning on Taehyung who look at him eyebrows furrowed.

“Greedy bitch stop before you get kill”, Taehyung said calmly.

“Hmmm,heard you are pregnant -“, Taehyung was already chocking him . The Lord struggling but his right man came in and yell at him.

“Leave him or we kill the baby!“,and he let go his blue reddish eyes piercing down the coughing man’s eyes.

“Today you will die and it’s confirm”,The Lord just left rubbing his neck.

Taehyung turned around looking around Jin and Jjin keep their distance , because Taehyung look mad and was mumbling things. Like if thinking about many different things. Why the Lord attacked after so many years? He could do that earlier. What did Taehyung ruined before? He remembers the day he was first kill ,The ugly snake was preparing something and it seem like Taehyung ruin it that day...but what was it?

“Tae what’s happening?“,Jimin asked.

“Jimin I’m trying to understand-“, Taehyung stop and look outside where he could see the sun was being covered by something purple...the purple moon! And his eyes turn wide as he realized everything....all the missing ingredients for the kebab was found. 😊.

“How could I be so stupid!! Damn it was already here since the start!! “Jimin look at him confused.

“Tae what do you mean?“,Jin asked wiping his tears.

“The sun! Only once in many years its covers by a purple moon, it’s the day of all paranormal creatures’s God day, ..it’s also call the sacrifice day,if anyone sacrifice something or someone with a lots of power to the paranormal God they can ask for anythingbut the offspring Should be worth the God’s attention”,he said a palm on his forehead while the other two look at him confused ,they did get it a little but not entirely.

“Years ago he try to do the same thing but I ruin that day for him and that day too the sun was covered by the purple moon. Today it’s gonna to happen again”,Jin and Jimin look out and finally understanding it.

“But he is still gonna to sacrifice my baby and other omegas and betas”,Jin said angry thinking about his small daughter .

“Didn’t you heard him Hyung, he kidnapped many betas and omegas before knowing I was here. The paranormal God doesn’t accept weak female omega sacrifice nor betas men nor baby because a new born vitality can’t Satisfied him... He accepts only male omega ...that ugly snake is greedy that’s why he was willing to try sacrifice everyone....but now that he got me he will not”,Jin felt relief and scared too.

“The paranormal God is gay too!? “Jimin scoff.

“I don’t know Jimin! But right now I can’t told about his sexuality!.....but bish gays are winning over!....“, Taehyung shrugged at him.

“So that mean he will sacrifice you and me..and not everyone otherwise the sacrifice isn’t pure.....you can’t mix chicken curry with fish curry”, Taehyung nodded at Jin.

“I never try it, but sound half delicious and half horrible”, Jimin mumbled.

“Then why that bitch said he will sacrifice everyone”, Jin asked confuse , and Jimin realize it.

“Because of Taehyung!!,...he knows if Taehyung know you two are gonna to be the only sacrifice that mean, Taehyung will break this cell’s door and go to save the hostages knowing they are around here in some cells and not in the sacrificing area”, Jimin smile.

“You got it right amigos”, They look at Taehyung who smirk and was easily breaking the door wide open.

“Hello can I snap your neck?“, The man in front the cell look around quickly and Taehyung was behind him in a fraction of second..... snapping his neck, biting his neck and turning him into ashes..

“I take that as a YaSSS”, he clap his hands and adjust his shirt.

“Wow it’s was so normal to ask if you could snap his neck”, Jimin say looking at the ex-vampire ashes .

“Do you pity him chim?“, Jin asked looking angrily at that man.

“Huh who pity those shits....it was just funny”, He shrugged with a grin and Taehyung just smirk breaking the lock .

“Tae”, Taehyung struggle with that big lock smacking it .

“Tae “, Taehyung inhale and smack that lock which break into pieces and he smile in triumph.

“Ahahahaha bish you thought you were stronger than me”, He turn around with Jimin holding the keys. Taehyung and him look at each other for a few seconds blankly before Taehyung smack Jimin’s head and start strangling him

“Couldn’t you tell me you had the key you overly whipped cream on a cake!! “, Jin just rolled his eyes opening the door.

“I called you !! You overly sweet meringue!! “, He hold on Taehyung’s hands around his neck, which wasn’t actually chocking him.

“Oh my God!! Tae ! Jimin!! I found Jungkook’s Nanny and the others!!“, They both stop there non-violent killing each other and run in and saw some people they never saw before in a very bad condition. They were very dirty and some look sick too and Taehyung didn’t liked it.

“J-Jin? Oh my god ! You came to save me, where is Jungkook? Namjoon?Yoongi?” ,The old lady asked while Jin try to make her stand.

“They a-aren’t here ,but I’m sure they will come soon”,Jin bite his lips not wanting to cry at the idea he wants his mate right now next to him reassuring him everything will be fine.

“I know you aren’t fine ,but do you feel any pain or are you injured?” , Taehyung asked everyone ,but they didn’t reply and just shook their head.

“So he didn’t hurt them, just kept them aside “ ,Jimin conclude with Taehyung nodding.

“Jin w-who are those men? Are they gonna to hurt us “ ,The old lady asked afraid . Taehyung smile and kneeled down.

“I will not hurt you, I’m Taehyung Jungkook’s mate and this is Jimin Yoongi Hyung’s mate. And we will get you all out of here safely”. She smile lightly at him nodding.

Taehyung get up and look in dazed .

“What are we going to do?” , Taehyung look at Jimin and pulled him out of the cell Making sure nobody was coming.

“Chim we need to get everyone out of here, and it’s not gonna to be easy. We need to be strong and smart.....but for now I have to protect mochi first”,Jimin who was nodding look at Taehyung confused.

“What-“ ,

“Shhhhhhh idiot”, Taehyung placed his palm over Jimin’s stomach and did the same thing he did to himself ,an invisible wall to protect Jimin’s stomach. If he could he would have protect Jimin entirely but he doesn’t have time nor energy.....he is well aware he isn’t gonna to go out of here without killing the Lord and he can’t afford to be weak and risk more lives.

“Go in Jimin and tell everyone you all are leaving and to be as quite as possible”,Jimin smile sadly and nodded... he knew Taehyung isn’t coming together ,he knew if he try to make Taehyung come together it will be a waste of time because Taehyung was decided to kill that ugly snake....and he have faith in his best friend.

“Promise me you will be safe Tae please”, Taehyung bite his lips but smile lightly and hug Jimin tightly.

“I will do my best to fullfill this promise”,Jimin nodded and breaking the hug walked in. Taehyung took a deep breath and made himself ready .

“AHHHHH!! WHERE THE FUCK IS THIS SHITTY PLACE!?” , Jungkook yell angrily as he run in the wood after driving for like 2 hours to the abandoned Red pack.

“It should be around here” , Namjoon look in the map frustrating.

“I will fucking ripped everyone throat whoever dare to touch my Jiminie!“, Yoongi growled sniffing around in case he caught anyone scent.

“I need to find you Taehyung! I need to find you!-“,

You are right near me Koko...

Taehyung!! Babe! Where are you!? Are you fine and the others!?

Relax baby we are fine ,I found your pack members too ,I will get them out of here . Listen Koko concentrate on me and relax ,you will find me. I need your help to get everyone out of here.

Tae wait don't move baby, they might hurt you. Please don't take any action which will hurt you or our family, just wait for me please.

Jungkook I told you to relax!! Just fucking relax! You are stressing which will lead you too more complications in finding the way! And I don't have the time to wait! the purple moon is covering the sun !! Once it fully cover that ugly snake will do his sacrifice! Now do what I told you too!!

.... I'M SORRY baby don't be angry!! I'm doing it ok !! If that ugly cobra of a shit even touch you I will cut him!!I will find you just-just be careful....I love you Tae.

I will be careful ,I love you Koko.

Jungkook groaned when the link broke, but he was a little relief that Taehyung was fine .so he did what he was told to do.

Taehyung snapped another man's neck ripping his head off as he clear the way for the others . He sniff around carefully to find the door nearest to the forest.

When he finally found it ,he signal them to stop ,he open the door and look out ,but he stiff and felt his heart dropit was the place his ex lover was killed with him...

The place and damage old houses look very dirty ,when he saw the stage made with rocks ,where he was presented and kill infront many people he clenched his jaw in anger ...his dark blue reddish eyes filling with tears as he remembers that day. He just wanted to kill the Lord right away. His angry wolf took over him as he take step forward to fulfill the wish, completely forgetting about what he really need to do....

But he stop on his track and all his anger vanish and eyes turning back to his normal beautiful dark brown ,his heart beating softly and feeling less burden He look in dazed but more relax and at Peace when he heard his voice.

Love! Are you fine?! Why are you angry? Atleast hum if you are ok or say asshole if those assholes are hurting you!! -Fuck it babe your Koko is coming I'm already here! I can smell your attractive scent!

A smile form slowly on Taehyung's lips feeling , Jungkook closer to him, the one he love close to him ,the one who will always save him from his misery is close to him ,and he felt safeeven if he wasn't in reality.

Baby papi relax I'm fine ~ and I'm out ,no asshole touched me but I did ripped some heads.

That's my man! And Thank God of gays you are fine cub! I'm coming love just promise me we will return home safe together.

Taehyung sigh he tilted his head up and stare at the purple moon.....he can't confirm his promise.....future is a very dangerous thing ...he smile shaking his head.

I'm always in your heart Jungkook no matter where ,in what state, in which condition,i promise....I'm always with you remember this.....

Jungkook smile drop as he stop walking ,he frown his lips parted ,it wasn't what he asked Taehyung ,he already knows no matter what they are in each other heart.....but what he needed was a more clear and physical presence of Taehyung ...more like ' yes Koko we are returning home together and safe' But he didn't Say anything and inhale shakily.....he should stop being selfish right now it wasn't only about him and Taehyung but his whole pack ,his family...

“Guys are here ! I can smell them”, Yoongi whispered yell as he Jungkook look lost but nodded and follow touching his heart .

“Tae are you ok? why did you stop-shit someone is coming!“, Jimin groaned signalling everyone to keep quiet.

“I will take care of that thing”, Taehyung blinks and swoosh he was behind the man tugging his hair and his slenders fingers around his neck.

Jimin and Jin was trying to mind link their mates but it was no use, all they could was mind link with people around them , they could feel this place had an another aura and it definitely smell like a witch. But the witch had no power on Taehyung so Taehyung could link his mate. Even if he could hear Jungkook panick at the start ,he didn't said anything knowing Jungkook will just break in there and complicate in more with too many lives to save. Now that he saved the hostages ,he just have to get Jina and Jin out of here safe.

“Shhhh dumbass now tell me where is the baby?“, He ask calmly...

Chim get everyone out of here now! Take the path on your right it lead to the forest!

What?! No I'm not leaving you here-

Jimin! Get the fuck out of here right now! They are coming! I can protect myself ! But can't guarantee to be able to protect all of you if they attack now take them away!

Taehyung voice was laced with seriousness and coldness, and Jimin bit his lips nodding, Taehyung wasn't wrong, so he complied and followed the way, the others followed him but Jin didn't, not before he find his daughter.

"Hyung go with them! I will find her!", Taehyung was getting more worried, Jin was an omega and he-

"I will not leave you and here-AHHHH!", Jin fell on his knees as Taehyung eyes widened, the thing he was afraid will happen was happening.... He turned around and saw the ugly snake's finger pointing towards Jin while he grinned! Behind him Cheon who looked amused and other men...but he felt a little relief when he saw a woman carrying Jina who looked fine.

"Stop this you piece of ugly broccoli! Or I'm killing this rotten broccoli!!", Taehyung raised his voice eyes flashing blue reddish. Everyone tensed as the Lord laughed.

"Still so daring goody Vampire...", Cheon smirked.

"I didn't talk to you asshole of the ugly snake!", he growled.

"AHHHHAAH-ahh", Jin yelled in pain.

"I SAID STOP THIS!!", Jin fell on the floor panting but smiled looking at his daughter and tried raising his hands towards her.

"Since when do I listen to you?and just leave that man", He glared at Taehyung.

"Really? Oops", they heard a loud cracking and Taehyung ripping the vampire's head off and then Taehyung had his fingers wrapped around the Lord's neck, blue reddish eyes piercing his shining red eyes. Cheon had his knife right on Taehyung's neck.

"You wouldn't dare", he smirked, Taehyung clenched his jaw when he saw the woman holding Jina who was obviously the witch had her long nail pressed a little on Jina's cheek.

Taehyung let go frowning, taking a step back

"Good boy, Nella bring the baby with her mother at the sacrifice place", Taehyung tried to stop but growled cursing, he hated feeling weak!

"Ahhhh! Fuck you all", Cheon was now next to Jin helping Nella to bring him on the rock stage where the sacrifice was being held.

"Oh look the purple moon is gonna to cover the sun fully and this time I'm not letting you ruin it Taehyung", The Lord glared at him his tone cold.

Taehyung looked at Jin who was hugging Jina close to him. He clenched his jaw when Nella smirked and started to recite some phrase which was very ancient language.

Taehyung sensed something and Sigh...

“You know what I will ruin it again!“,before the Lord could stop him with his men he had already threw Nella away from Jin and slammed Cheon on the rock like he was washing clothes in old style... 😊

“Namjoon Hyung take them away! “, Taehyung yell and punch Cheon when he try to grabbed his neck. Namjoon did as told but the Lord yell at his men to block all the ways.

Jungkook’s eyes turn very dark red when he saw Taehyung fighting that bug ,all he knew was to see that bug’s blood . His blood was boiling , forehead’s vein popping as he growled charging towards the man who just threw his love on the floor!!

“Fucking bitch ,I will kill you!“,Cheon growled and lift his hand to punch Taehyung, but sadly...nah not sadly at all he got his arm detached from his body as he scream in pain.

“I WILL FUCKING KILL YOU !!YOU ASSHOLE OF A CAMEL! HOW DARE YOU TOUCH MY MATE!!“, Taehyung panting smile as he watch Cheon being pulled and thrown by a very angry and scary Jungkook against the tree . Jungkook growled loudly his long sharp claws sinking in Cheon’s chest before ripping it downward until his stomach open then his sharp fangs ripped his throat out and everyone look in horror.

When Cheon was dead as a rat! Jungkook turn around cover with his blood and glare at everyone, It wasn’t the time but Taehyung loved it. Most ancient Vampire specially first category don’t turn into ashes they still do have blood. The Lord was shock and made more men charge towards Jungkook.

Taehyung panick looking at Namjoon and Jin who had their way block by some vampires and he curse.

Jungkook was Killing one after another without hesitation or tiredness. Taehyung get up and run towards Jungkook when he saw the witch injecting something in his leg.

“KOKO!!“, Jungkook yell in pain ,the witch couldn’t inject the whole thing as she was kicked in the face throwing her away and before she could land on the grass , Taehyung ripped her heart out throwing it away.

“That was a bad Fucking move bitch.... finally you are leaving this god damn world!!“,she die her eyes looking in horror.

Jungkook was struggling to keep up and Namjoon quickly hold him.

“Kook! Are you able to fight!?“,he asked worried, Jungkook clenched his teeth sweating but nodded.

“I-i can it’s wolfsbane.....it will worn out in a few minutes“,the dose Jungkook had in his body ,would have kill any wolf in a minute. But Jungkook wasn’t ordinary..

“You killed the witch!! You dirt!!..... It’s ok I remember the phrases! Kill everyone except the omega and baby!! “, The Lord yell frustrated,on losing the witch who would have do the

sacrifice. Taehyung look at the men approaching Jin on the other side Jungkook and Namjoon.....so he did it.

“Stop! Ok! We both know you don’t need Jin Hyung or Jina! You need only me for the sacrifice! Leave them and let them go I’m ready to sacrifice myself.....“, Taehyung yell.

“TAE NO!“, Jungkook yell trying to stand but fail. But Taehyung didn’t look at him knowing he will lose and break down one he meet his gaze...

“I knew you were smart Taehyung “,The Lord smirk.

Chapter 49

“wow a golden gownwhich doesn’t have Gucci logo on it...what a shame..mmmmm”, Taehyung sigh dramatically as he was being escorted back to the sacrifice ground after dressing him in a golden gown ,gold earrings dangling at his every move, neck covered with gold necklace too...he was like a god damn handsome questioning your sexual type Egyptian prince....the gown had a long cut in the center, start from his thighs to feet.

“Are you not afraid?”, a man asked as he was confused why Taehyung wasn’t panicking. Taehyung chuckled at the question and look straight while walking.... Just when the man thought he wasn’t getting an answer he heard that deep amuse yet painful voiceand his eyes was met with a darker blue reddish eyes.

" Afraid and weak are for coward....and mama didn’t raised a coward amigos.....mama raised a strong badass bitch.....“, Taehyung smirk and it obviously made the man gulp in fear...

Taehyung’s smile drop soon as it was replace with anger and in a matter of second he was holding a man by his neck as the man try to get free ,his legs hanging in air

“YOU. DARE .TO FUCKING.TOUCH.MY.MAN!!“, Jungkook’s was getting beaten by the man when Taehyung sense his pain....even if Jungkook was weak right now ,he still could fight back but he didn’t....he didn’t want to waste energy except on saving his mate and family.

“Oh c’mon no need to be so dramatic....you were always so possessive over your man”,The Lord smirk and Taehyung growl putting more pressure around that man’s neck.

“You shut the fuck up ugly rotten snake!!“,

“Tae let it b-be “, Jungkook cough, his lips had a cut , he try to get up . All his hyungs was being hold by someone- well each have around 3 men.... because Namjoon and Yoongi wasn’t having it... Jimin was trying to stay strong beside Jin who was looking at his daughter in someone else hand.

“Whatever papi”, Taehyung sigh and threw the man away against a tree . He crouched down as his face soften and he pulled Jungkook closer, cupping his face.

“Hey Koko, listen I know it hurts but it will be fine I promise “, Jungkook stare deeply in his eyes ,the pain in their heart were equal yet they don’t want to show each other... Taehyung took half of Jungkook’s pain as he caressed his cheeks, not making it obvious to the Lord he is wasting power.

“You are looking beautiful....all shining and classy my gorgeous Vampire Omega”, Jungkook smile as a bright smile appeared on Taehyung’s lips.

“Babe I was always beautiful and classy”, Jungkook Chuckled. Taehyung felt the pain and hugged Jungkook closer leaving a kiss on his lips then his forehead.

“Just remember it’s *not* the ending...”, Taehyung smile.

“Oh my godddd! So romantic but can you hurry up the moon is gonna to cover the sun!!!“, Taehyung get up and turn around walking towards The Lord. He look at the sky and smile.

“Ah ugly snake you are so gonna *to regreat* once it’s purple”,

“Like you modern shit say...Lol it’s funny the one who is gonna to be sacrifice is saying this”, Taehyung just smile.

“Taehyung!! Please run away please!“, Taehyung look on his left at a stressing Jimin.

“Chim, relax have faith in me”

“Ok now it’s enough.....we have 8mins left so let me give you your last present Taehyung....for being such a good sacrifice”,,

“Whatever bitch”,

“Bring it here servant!!“, Taehyung crossed his arms staring at Jungkook who was sweating non-stop ,he wanted to heal him but he couldn’t approached him anymore the Lord only gave him permission once.

“Surprise!!!“, Taehyung frown and look straight and his eyes widened as his jaw clenched. His hands drop to the sides ,his body started to tremble as his eyes became more teary...his heart was like pulling out of his body...

“Hi Taehyungie”, Jungkook frown as he wasn’t liking Taehyung’s reaction. He felt threatened.

Namjoon and Yoongi asked themselves *who is this clown now!?*

Jimin was equally shocked.....as he flip his hair back.

“Now who is this new handsome shit!? Can I get my daughter for anything sake!!?“ ,Jin yell.

“.....**Bogum** Hyung.....“,and everyone heads snapped towards Taehyung, while Jungkook went Jungshook...his rival...*like in the ex dead rat Bogum.!!?*

“Happy you remembered me Taehyungie”,Bogum smile sweetly as Taehyung hold his heart trying to breath.

“Bitch he *isn’t* your Taehyungie!! Stay in your land!“, Jungkook screench!

But Taehyung frown,why Bogum was still alive?young?have Sharp canines? different eyes Colorblue pale reddish.

“You fucking did what to him!!? Answer me!!?”,, Taehyung launch at the Lord but he was quickly pulled in a strong hold and it was Bogum.

“Don’t touch the Lord Taehyungie-”

“BiTcH. YoU dEaf oR wHaT!!? He ain’t your TAEHYUNGIE!!! He. Is. MINE!!“, Jungkook groan as he stand with a little pain.

“Jungkook we love you but shut the fuck up for a minute!“,,Yoongi said blankly.

“Well last time I changed my plan...I said why not have some experience with his body...so I took him....he was not completely dead that day he was on the edge so I gave him my blood and I created him.....another creature like you Taehyung....half vampire and half wolf!!...someone who is your weakness... Actually its you who inspired me!...like I envy your power so I created him but he still lack power in him..“,The Lord was a freaking psycho.

“You are sick”, Taehyung said in disgust feeling guilty for Bogum.

“It’s all because of you am like this Taehyung....after transforming I waited for you....I should hate you but I can’t....but here you are **bond** with someone else Loving someone else “,,..... Taehyung stay quiet .

“Then WHO SHOULD HAVE HE LOVED!!? AN ASSHOLE LIKE YOU WHO COULDN’T ACCEPT HIM AS A VAMPIRE YEARS AGO!!?“,,Jimin yelled lips trembling.

“Jiminie show respect I’m still your great granpa-”

“My FOOT!!! DON’T MAKE ME VOMIT!GO BACK TO YOUR GRAVE!!“,

“okkkkkkkk! It’s time!!!! get him on the sacrifice stone “. Taehyung was drag like a lifeless body and laid down there his gown splitting beautifully....his eyes hold no emotions.

The lord got his gold shining sword ready to tear Taehyung’s open and let his blood flows on the skulls around him.

“STOP IT!!! JUST FUCKING STOP IT!! TAEHYUNG!!“, Jungkook run towards him but 8 men hold him back as he thrash around. Namjoon and Yoongi was already throwing punches among the 20 men stopping them.

“Wait.....give Jina back to Jin Hyung right now or I’m getting up”, Taehyung look at the Lord...and he knew it was a better idea. Earlier the lord had full control but Jungkook was getting better and the other was rebelling.

“Fine”,The Lord signal someone and Jina was back in his eomma’s arms.

“1” ,a man was counting as the moon was covering the sun completely.

“2”, Taehyung close his eyes, feeling like waves hitting him inside...

“3”, The Lord let his sword down .

“NOOOOOO!!! FUCKKK!!“, Jungkook yell as he threw away the 8 guys , but his heart beat faster with a relief wash over it.... Taehyung was holding the sword right near his neck ,the solid sword get crush under his touch..

The moon was full purple, the atmosphere was scary ...only Taehyung was shining and it was more scary.

In a second the Lord was sent flying across the forest as Taehyung threw him and Bogum run after him. Everyone gasp when Taehyung open his eyes.....

“Hola~ madafuckers!“ ,he grin as his eyes glow dark with a purple aura around it.

“Don’t Jungkook!!! He is dangerous right now!! “ ,Jimin gulp when he saw Jungkook trying to go towards Taehyung.

“What the fuck!? Can’t you see his eyes!? There is something wrong with my baby!!“,

“His fucking eyes!! That’s why I’m telling you not to go near him!! The moon changed him!! He isn’t himself!! He is very dangerous and can kill you!!- “.

“Ahhh!!ahhhhhhhh“,a man’s yell get there attention and they felt sick.... Taehyung was breaking one by one his bone...

“You touched me!!!“,Taehyung growl and rip his heart out... A group of man run towards him but Taehyung just roll his eyes...

“oh c’mon only ummmmmmm 30 men including wolfies..... that’s weak“,he chuckled and before one could touch him.....they had their throats or chests ripped..... Taehyung frown there was his heart beating at an unnormal pace..as he kept getting memory of a missing man’s face he was hugging tightly and giving kisses.....

Yoongi told Namjoon to take Jin ,Jimin and Jina away from there.....they all refuse but at the end listen to him.... except Jimin....

“Yoongi Hyung no! I promised to always be by my bestfriend side.....and it’s not today it’s gonna to change!.....no matter what.....I’m not leaving“,Jimin stare with confidence deep down Yoongi’s eyes.

“Did I ever mention you are damn hot when you are serious!“,Yoongi gave him a sweet smile which Jimin return.

"Just.... Just never leave me again. Do whatever you want with me, treat me how ever you want.... Just don't leave me alone again Taehyung ",Jungkook close his eyes and wrapped both his arms around Taehyung's waist and pulled him closer.

"Koko I will always treat you like my priority, like my King... My precious mate.....I will never ever leave you again... ",Jungkook Just smile, his heart was happy.. He felt so satisfied by those words....Taehyung will never leave him again..... Taehyung never used to tell him this clearly before.... But now when he hear it so clearly... He feel complete..

"I love you forever Taehyung ", it sound so pure, so sincerely ....words which Taehyung will never get tired to hear, because he always wanted to hear Jungkook say it.

"I love you forever Jungkook",they open their eyes only to find each other with teary eyes and Jungkook look all cute with his red nose.

"Such a beauty",Taehyung smile before pressing his lips against Jungkook's, the heavenly taste, the taste of satisfaction.... It was all they wanted each other taste. The kiss went passionately sloppy and Taehyung easily let Jungkook's tongue enter, letting him suck on his tongue, which made Jungkook moan loving what he was doing ..Taehyung's fingers travel through Jungkook's hair and fist it-

"JUNGPOP!! I WILL POP YOUR EYES FOR MAKING MY PREGNANT SON WAIT FOR YOU-.....",Baekhyun yell entering the office and stop on track. The couple broke the kiss and step back..

"Baek eomma!! I was gonna to have his eggplant in my mouth!!! ",Taehyung whine, frowning... Jungkook look at Taehyung then back at Baekhyun who look at him...

"My son is hungry and you want to feed him eggplant..... Such a small Jungeggplant-eu!? ",

"I swear on my non existing condom... I don't understand this weird conversation happening here",Jungkook said wide eyes as Baekhyun jump on his neck to strangle him..

## Chapter 55

"TAEHYUNG!!! BITCH BE CAREFUL!! ",Jungkook run toward Taehyung who was carrying 4 chairs like nothing..

"Oh? Holaaaa koko ",The omega smile brightly as Jungkook frown and made him keep the chairs down.

"Did you just called me a bitch you dry fish kinda lips bitch? ",Taehyung smile as eyes held ready to fight a bitch.... He was just kidding tho.

"I... I didn't - I mean why are you carrying these!??? You are three months pregnant babe!! You should be more careful ",Jungkook frown, worries written all over his face.

"Awww koko, you look cute being over protective.....but don't worry papi, you know I'm strong... I can carry a large table and yet our pups will be fine",Taehyung wrapped his hands around Jungkook. Jungkook clenched his jaw and slowly pushes him away, holding his shoulder as his expression Harden. Taehyung went silent knowing Jungkook isn't is his goofy mood.

"Taehyung get this in your mind... I don't fucking care how strong you are.. All I know is you are fucking pregnant right now.. And I want no harm on my pups or you... Get that in your beautiful mind... Because this is something I will not tolerate ",Jungkook was using his Alpha voice on him.... It's doesn't affect Taehyung much.. But their bond is strong so he felt Jungkook's worried.

"Ok, I'm sorry. I will not do it again",Taehyung sigh and brush Jungkook's bang softly to the side, the Alpha let him do it and sigh while leaning in his touch.

"You should stop worrying so much koko",Jungkook look dead in his eyes.

"I can't.... And I will never stop worrying about my family... ",Jungkook look hurt, can he really stop worrying when he lost Taehyung to dead? Can he risk that again? Can he risk any harm to their unborn child? Taehyung might be strong but we never knows what and how something can affect him...

Jungkook just want them safe.Jungkook step back and walk inside the house.... Taehyung call him but he didn't stop.. They were currently back to crystal pack again.... They arrived yesterday, guess why?

Jungkook and Taehyung are getting married tomorrow! They want a small wedding only with their family around them. A small marriage surround by mother nature and it's Taehyung's idea.

"You should let him alone for a few minutes Tae",Yoona walked to his side with a box of candle.

"But I was just excited auntie, I didn't know he will be this affected by this", Taehyung pout, looking at his tummy.

"He isn't affected by your excitement Tae...my nephew is just worried about his future husband and pups... You are a strong being we all knows... But put yourself in Jungkook's place.... How would you feel if Jungkook was the one pregnant with your pups and he would go around doing risky thing.... He is a strong being too", Yoona whisper the last sentence and smirk walking away.

Taehyung frown and Huff thinking hard on it, since when Taehyung stop being mature about situations? He used to behave like the understanding one between him and Jungkook....

"I'm a real bitch sometime, I got lost in being selfish for myself I didn't notice how I was ignoring koko's feelings... Yahhh Taehyung be your old self dumbass", He Shook his head.

"Momma is gonna to make poppa smile my booboos oki? Go to sleep", he caress his tummy and wink towards it... It was a very small bump for now... And he video record it everyday like he used to.

-----

"Koffee my man! ", Jicheol smile widely and put his hand on Jungkook's shoulder.

"Appa? ", Jungkook reply softly.

"Soooo? You need any advice from your appa about married life? ", he asked excited and wiggling his eyebrows.

"Ji!!! Get the drapes", Jihyun yell.

"Yahhh Ji I'm having a moment with our son here! ", he whine and his wife just glare at him.

"Um we better go in the garden baby bun", He walked away faster with his son , while looking right forward avoiding his wife staring.

Jungkook chuckles softly as he love this interreaction between his mother and father. He always feel so lucky whenever he think about his parents... Something pure between them... And he want that something pure in his relationship too.....well he does have pure feelings, but..... Sexually you're not pure bish 😊 ..

"Okk tell me is there something wrong? ", Jicheol asked and Jungkook sigh looking at the sunset.

"I feel like a maniac, I want to keep Taehyung in a room and don't let him do anything.... I want him unharm and safe.....I'm sacred he hurt himself... I don't want to lose him appa... Not again", he inhale closing his eyes.

"You're not a maniac Jungkook, you are just a worried mate and father. When your eomma was pregnant with you... I was constantly restless... I wasn't able to concentrate fully on my role as the head of our pack..... I felt she was in a critical condition and just by standing she

might get hurt or you might hurt",Jicheol rest his back against the wall as Jungkook turn towards him listening carefully.

"At start she thought I was cute being over protective, .....but slowly she was getting insecure about herself",Jungkook frown a little, waiting for an answer why?

"She was insecure about her being a good mother... ",

"What? But she is perfect, I couldn't wish for a better eomma. She is always here ,protecting me, loving me, scolding me for my wrong doing,she never do something to harm me.... Eomma is perfect in my eyes as a mother, appa",Jungkook doesn't know why... But he went all defensive.... Jicheol just smile..

"I know... But it was me who made her felt insecure, I still didn't forgave myself making her feel that way",Jungkook look towards the forest and back to Jicheol... He was kinda angry with his father right now.

"My way of being over protective made her felt that she couldn't take good care of you ,when she was pregnant... She thought she will harm you in a way because I was constantly with her and telling her not to do this and that... I even scolded her... Later I realize something kook",Jungkook Cross his arms.

"What? "

"She was strong, she is still strong... How could I doubt she will not take care and get you harm? You were our precious little Prince.... How could I thought only i was worried about you and not her? She is a mother Jungkook and more than anything she want her children's safety... ",Jungkook lips were parted.... He was getting what his father was saying, he was doing the same to Taehyung as his father did to his mother...

"Exactly kook-ah don't do like I did, it's good being over protective but not at the point to make your partner feel weak... Taehyung is a strong soul... He cares about your pups... You really think he will risks your pup's lives? ",Jungkook quickly Shook his head to the sides.

"No he will never do that... Shit !how selfish I was!?",He growl feeling dumb.

"Instead of telling him this and that just keep your eyes on him and protect him... Don't make him feel weak kook",Jicheol peck his forehead and Jungkookie smile softly.

"Thanks appa",

"It's ok.... Oh and learn to say sorry to Tae even when you aren't wrong ok",he wink.

"Ji!!! The flowers!!! GO HELP YOUR BROTHER! "

"YASSSS IM COMING JI",Jichoel smirk.

"I'm gonna to tease her a little first",Jungkook nodded chuckling.

"Yahh Jungkook you were being dumb again",He scold himself and look towards the sunset, he close his eyes thinking about how to say sorry to Taehyung.

"I'm sorry babe, I'm just being too protective",.

"You should definately stop this habit of practicing thing you will say to me ",Jungkook open his eyes quickly seeing Taehyung standing right infront him sparkling like a god infront the sunset.

"What if sana appears again? ",Taehyung chuckles and Jungkook sigh while pulling him into a tight hug ,Taehyung relax hugging him back.

"I'm so sorry Tae, I yelled at you",Taehyung peck his neck.

"I'm sorry i made you worried koko",Jungkook inhale his scents, which calm him completely.

"It's ok babe,I know you will never do something which will harm our pups... I trust you",Taehyung lean back and look in his eyes...

"Thank you for trusting me",his lips wobble ,eyes Doe.

"Heyy, don't thanks me Tae, you deserve my trust",Jungkook lean his forehead against Taehyung's.

"What a nice shot I got bishes!! ",they look towards where the voice was coming.

"Of course it's y/n and... Daehyun",Taehyung smile putting his head on Jungkook's shoulder looking at them.

"Wooo your hope is here too",Hoseok came out too ,smiling like the sunshine he is.

"Mr and Mr Min is here too bishes ",Yoongi say hand around Jimin's waist.. Jimin smile beautifully as they made their entry showing their rings... They were just too proud of it..... Oh I didn't told you? They got married a month ago

.....ahahahah.... Yes...

"To the sides peasants !world wide handsome is here with princess Jina ",Jin appeared Jina in his arm who was wearing sunglasses.

"I'm here too ",Namjoon smile.

"Okk so the group is complete... And now let's gooo",Jin said handing Jina to Namjoon.

"Go where? ",Jungkook look lost.

"Bachelor party ,my sexy dumb horny bunny",Taehyung giggle.

"C'mon Taeee lets gooo we got surprises for youuu and a hot night ",y/n smirk..

"What!? Nooo! There isn't hot bachelor party! No hot night ok",Jungkook tighten his grip around Taehyung.

"Fine! "

"Ok bottoms get in our limousine!! "

"And tops... Well do whatever you want",Jimin pull Taehyung with them as Taehyung peck Jungkook's lips.

"I love youuuuuuuu"

"I love youu",Jungkook watch Taehyung being taken away..

"Maybe you shouldn't have... I would have just die there or be a homeless ",Yoongi shrug.

"Wooooo apply cold water on burn area",Jungkook almost laugh but stop half-way when Yoona glare at him...

She might like teasing Yoongi this way, but never will accepted Yoongi talking about himself this way.....it's just a mother thing.

"You watch your mouth little cute kitten, I carried you for 9 months in this womb. PAINS yes but the most wonderful time in my life. I'm your mother so don't talk back be good to eomma! ",she knock her index on his forehead, making him pout and rub his forehead.

Namkook just watch the scenes silently with Jungkook filming it... He could literally hear Y/N in his head saying she is proud of him.

"Look at me! ",Yoona raised her voice, little kitty-.... Yoongi look at her ,she smile softly and cup his chubby cheeks.

"Eomma loves you pup",and yoongi's eyes suddenly fill with tears, shocking his brothers as he hug his mother crying like a wounded kid. It's just his mother used to call him this when he was kid and after so long she called him pup! Emotional!! Bish cry!

They paid fully but not taking off clothes hanna thought she was getting paid for nothing and she didn't like it.... So she massage his head while talking about it...

"Want a lap dance daddy? ",A stripper walk closer to Yoongi..

"To the side bitch!",Yoongi pushed her head to the side while he kept walking forward with his brothers.

Jungkook inhale ,as soon Taehyung's scent hit his nose ,he walked towards that direction growling.... His aura was damn strong and nobody could come near him or even look in his eyes..

"VIP",Hoseok groan as they walked in after one glare at the bodyguard near the door.

"Joon, it was all y/n -"

"Strip"....Jin stop talking and took off his shirt...

"Continue "

Jungkook open a door and it was a room with purple and red lighting... It wasn't too dark you could see very clearly if you keep on staring...

"I vampire omega Kim Taehyung accept Alpha Jeon Jungkook as my mate and lawfully husband until I die",Jungkook smile happily.... Finally in every way Taehyung was his.....he remember rejecting Taehyung the second time they met... But it was mostly because he knew how he was and would have hurt Taehyung in future..... See how he was wrong, Taehyung changed him.... And for the first time he was happy that he was wrong.....sometime it's feel good to be wrong...

They exchange their ring while everyone were clapping... Both excited husbands look at the Priest and he look back confuse. The ring was especially made for them with each other heartbeats graphic.

"Yasss I'm good now, let cut that cakeeee",Taehyung clap all excited as his eyes sparkle looking at the cake it was sooooo beautiful....

They cut the cake feeding their parents first after each other and then their friends.....Jimin kinda smash a piece of cake on Jungkook's face ,but Taehyung calm him by licking it.

"See I kinda helped ",Jimin defend trying not to get Jungkook chasing his ass.

Everyone was dancing, some were talking, some taking pictures, some just watching.... It was already night... Taehyung was sitting with a smile as he look at his family enjoying... Their smile made him happy.... He remember sitting at the reception of Hoseok and y/n.... Thinking about him getting married....his eyes got teary remembering those days he would cry alone on the rooftop... Thinking about his life and felt unlucky...

But now look at him having an amazing family, an adorable sexy bunny as his husband, carrying their pups... No sadness... No thinking about he can't die when Jungkook die from old age.... Because now he knows what they Started will end with them too.... Dying together is every lover dream... And it's satisfied him..... Even death can't separate them..

"It's not time to cry sexy",Jimin appeared infront of him as he pull him by his hand.... Taehyung Chuckles wiping his tears.... Ahhh Jimin his soulmate always made him smile, he felt connected to Jimin since he was born.....after his past it was always Jimin who was here for him... From him kicking the asses of Jimin bullies to Jimin kicking Taehyung's bullies asses... This duo.

"Smileeee",Jimin wink as they sway with the song which was both Taehyung's and Jungkook's favourite... Jungkook probably made them play it when Jimin told him.....Thats

why he left earlier...

"You too hot mama", They chuckles as Taehyung peck his forehead...

"Woahhh hyungg",

"My turn baby Angel", Taehyung smile wider as he dance with Yoongi... Oof Yoongi the one who he wanted to give trouble when they first met.... Remembering their fight in Jeon. Co make him laugh now.... Vampire omega v/s Alpha.... He remember after that how they became close.... And how Yoongi love Jimin a lot.... Taehyung is happy Jimin got someone so protective and loving... And he got a hyung.

"Always have this smile on your face baby cub", Yoongi caressed his cheek.

"I know you don't have the height so here", Taehyung Chuckles playfully as he lean down letting Yoongi kissing his forehead...

"I'm strong tho", Yoongi wink...

"Oof now this family have two handsome son-in-law.....too much to handle... ", Jin act like a diva before chuckling... Jinnieeee.... He made Taehyung feel welcome in the family even if nothing was official... Jin believed in him to change Jungkook 's mind-set from the start.... Jin who kicked Jungkook's ass everytime he hurt Taehyung not intentionally of course.....if he need someone to fight by his side... Well their is no better than Seokjin hyung.

"Let our embarrassment be our confidence ", He peck his cheek and nicely swirl Taehyung in Hoseok's arm...

Hoseok hold his hands and did a dance move as Taehyung cheer for him... Before going back to dance with each other... Hobi.... Well when he meet Hoseok he was at already cheerful but responsible person.... Growing up he treated Taehyung like a brother never made him feel alone or old.....Hoseok is protective towards him but support him a lot too.

"Danceeeee.... Sexy groom", Hoseok wink at him before smiling ....

"What a sunshine..... Thank you hope", Taehyung hug him tightly and the latter rub his back...

"Yoooo that my man stay away",Y/n said pushing Hoseok away... Her husband, hands up and went dancing with Jimin and Yoongi.

"My girlll",Taehyung smile as y/n peck his nose....

"Was and always will Toronggg my loveee",He snif acting badly, this girl.... My gawdddd.... First time they met she was quite then don't know how she turn out like this..... Yelling, sassy, not giving a fuvk about other except her family.... Especially that's why they became best friend.... She always support Taehyung and will never let anyone harm him... Taehyung is grateful to have her in his life.... Even if he love teasing her..

"Ahh my love, our love will be remembered by many",Taehyung act pressing their cheeks together before they laugh..

"I'm happy for you Tae..... We came a long way",she smile softly.

"We did thank youu",Taehyung pecked her forehead.

"Jimin told me it was a thing",Jichoel appeared smiling cutely and y/n nodded ...and let Taehyung dance with him...

"When they see me emotional in a wedding, they try to cheer me up like this.... It's Jimin's idea",Taehyung look at his best friend who wink at him.

"It works perfectly ,you are finally part of the Jeon family...I'm so happy Jungkook finally found his right path ",Jicheol gave him a warm smile..... This Jeon appa.... Almost scared Taehyung at first when he ask about the jawline.... But Jicheol had a nice aura so he never thought he was a bad person..... He is happy to have such a father -in-law... More happy this is the person who gave those value to his Jungkook..... Jicheol was nice head alpha, husband and Father too..

"C'mon Ji give me my daughter in law... Oopss my son in laww",Jihyun chuckles.... Oof he remember meeting her just when he was on top of Jungkook... He thought she will be like those k-drama mother separating her son from him.... But turn out.... A mother he did expect... A cool, loving eomma... Who took good care of him.... And accepted him with open arm

"Sooo happy to have such a cool, understanding and responsible future luna.... Just like me coolll",Taehyung Shook his head laughing..

"Yass sister-in-law",Daehyun's eyes sparkle.

"I'm sooo happy I got you as a brother in lawwww.... You are literally Gucci god and so kind toooo..... I love youuuu",this little girl, was just too cute always smiling.... First time he saw

her, he was like 'I always wanted a younger sister'.... And Daehyun always took his side and not others like sana...

Where is sana tho? Well she left the pack going abroad to her aunt.

"Yahh come here handsome son in law", Yoona pulled him carefully...

"You are a nice person, keep this gold heart like this, don't let anyone influence you ...stay gold", Taehyung nodded.... Yoona the play it cool aunt... We all know deep down she have the heart of gold.... Taehyung thought she was tough but when he saw her love for her son... Taehyung knew she was a very nice person... Who wouldn't hesitate to harm someone who want to harm her family..

"With a gold aunt like you.... I will always stay gold", Yoona smile blushing.

"Wookiee look at this handsome dude hitting on me... Take over", Doong-wook shyly took over.. Doong wook is a shy man indeed... But will not always protect his family in no matter what... He is a strong support you need by your side.. And Taehyung is grateful he didn't got an uncle who is evil and want to take Jicheol's place like in those k-drama.

"I literally don't know what to say.... But welcome to this family Taehyung... I'm happy you are a part of it", Doong-wook smile making Taehyung give a boxy smile which made him cooed.

"Oh ma gawddd look at this smile... Can I take my son please ", Baekhyung smile and hug Taehyung tightly when Doong-wook left....

"Maybe baby", Hoseok added as he watch Madi smack Laurent on the face and he pout...

"She is more the violent type if you ask me", Jimin smirk fixing his own glasses, chin resting on y/n's shoulder.

"There is no doubt about that, she is also friendly tho...", Taehyung hummed as he back hug Jimin and place his chin on his soulmate's shoulder who smile at him.

"Let's not ignore the fact who have this kind of personality also like to hide their emotions", They look at Yoongi who was holding Jina on his hips and the baby girl was wearing her huge yellow hat protecting her from the sun. She look at Yoongi talking then smack her own lips together a few time before squealing and trying to hug Yoongi, putting her head on his chest... Yoongi shut his eyes smiling trying to contain his own squeal.

"Who knows better", The group look at him nodding... As he roll his eyes.

"Ahh the sun is kinda killing us here", Jin said as he walk out of the mini bus follow by Namjoon with his surfing board.....

"So excited to try thisss", Namjoon excitedly said and Jin just smile pecking the side of his head.

"Oh mah gawd an art!", Taehyung added.

"Yeahhh! "

"French is the second language here after creol and thirdly you get English and fourth other languages like Hindi, Urdu, Telugu , Mandarin and more.....and French is a little similar to creol... So be careful around here when you talk 'privately '",they nodded deciding to keep talking in Korean only.

"Say I noticed many different race of people here, like in Korea you get a little amount.. But here it seem alot also many greeted us politely. ",Namjoon smile showing his dimples.

"It's a multicultural island, or you can say country... Our ancestors were immigrates from India, China, Africa, Madagascar and many more place.... I suppose my ancestors are from India and paskistan because I am a mix.... Muslim and Hindu... But my father decided to follow Hinduism more ..so I'm Hindu.....so everyone treat each other equally and even celebrate all the festivals together ",She finish smiling...

"That's amazing, like really".

"About the greeting you guys is... Most of Mauritian consider tourists very highly... Because tourism is one of the main income in this country, plus some are just friendly~",

His mind wander to the day he almost lost Taehyung and his chest tighten as his heart filled with pain. Jimin always had Taehyung beside him since he can remember.... He was always there and they became best friend, he always knew Taehyung can't die... But when that happened he was the second person to be most affected after Jungkook...

"Hey Minnie ,you OK? ",Taehyung look at him softly as their feets dig in the sand.

"Now I am",He blink before nodding with a smile.

"You look so soft and handsome right now",Taehyung smile gentlyly putting a strand of hair behind Jimin's ear as he admire the beauty of his soulmate shining under the sun and the sea as background... Such a beautiful sight.

"You look ethereal my winterbear",Jimin brought Taehyung's hand up and leave a kiss on it.....follow by a click.

"I'm loving being a photographer, I swear ",Madi smile and the best friends notice their hyungs were looking at them now with a smile... Even Yoongi just smile at him with a wink... Making him aware he was ok with that interaction....since the start he always had a problem with the best friends interaction... But now he was fine with it, knowing perfectly how much they meant in each other life.

-----

"Jinnie you look so hot right now",Namjoon whisper and back hug him kissing his ear . Jin was wearing his yellow shorts and a white sleeveless shirt, his purple love bite on his neck seen by many as he didn't give a fuck to cover it.

"Hyungie you being possessive is gold",Taehyung chuckles as he took off his white kimono... Jin just hummed sitting on the beach chair relaxing his body and look at Taehyung only to gasp.

"Tae you sure want to wear this",He push his glasses down and look at Taehyung up and down... He was wearing a purple fishnet crop top and purple booty shorts.....

-----

"How can he look so endearing while just playing with a baby", y/n sigh with a smile as she stare at her husband...they were sitting on the wet sand with Jina.

"Jump ~Jump~ Jumppp cupcake!",Hoseok was squealing more than Jina who was in his hold... And everytime the small wave would hit on them, Hoseok just hold under Jina chubby arms and lift her up.

"Babe isn't she the cutest cupcake ever!",Hoseok whine and squish Jina's cheek against his own cheek .Jina blabbing hold on Hoseok's nose ,making her uncle scrunch his nose smiling. She then stop and stare at him with her huge Doe eyes while drooling as Hoseok stare back equally in a shock expression... Jina break into a smile and squeal loudly as she blush and by now was drooling against Hoseok's chin.

"Awww she got shy by your stareeeee",y/n hold her heart.

"Hoseokie I need to tell you something ",y/n smile at Jina taking her in her arms and settled her on her lap.

"Yes babe, What is it?",Hoseok look seriously at her paying attention to her completely... It was always like this when Y/n would ask for attention he would always give it to her at the fullest.

"Remember how I wasn't feeling well one week ago and you took me to the hospital..... Doctor Lee called yesterday and Confirm that I am 3 weeks pregnant.... ",She smile nervously ,they never talked about having pups and definitely Hoseok wouldn't mind having kids too...yet she felt nervous.

Hoseok stare at her a few seconds, lips parted and then he got up and look down at her, he look around then back at her...

"AHHHHHHHahhhhhhhhAHHHHHHH!!YASSSSSSSSSS!! YASSSSSSS! ",He screeched loudly then threw his body on the sand rolling around it....

"The heck? ",Jin look at him from the distance...

"He sound happy let it be",Yoongi sigh and lean back on his beach chair and sip his coconut water.....seeing Hoseok hugging Y/n.

"What's that a seagull?-Ohhhh another huge waves!!!" ,Namjoon pant confuse then yell happily as he was on his surfing board a few meters away from his family.....he wasn't alone, their were a few surfers too.

"But-"

"No but wolfie, plus its a business party. Which I find boring as hell. So Tae ,you and Yoonmin couple are more needed there.....",Jungkook pout but nodded... Knowing it will be a boring party... Because mainly he and Taehyung were invited because of the winter collection they did and it was a huge hit....one of the main reason they came to Mauritius.

"What the fuck get out! ",Taehyung glare at Jungkook and push him out of the cabinet in the public bathroom...which was surprisingly very clean and even have plants near the sink as decoration.

"As if ",Jungkook ignored him and went in the small space locking the door behind.

"Whatever ",Taehyung roll his eyes and took off the kimono then the crop top. Jungkook lean against the wall ,only his eyes trailing down his husband's body... Since they came they just had heavy make out session and blowjobs... They were too tired after visiting here and there during the day.

Taehyung back face Jungkook and he bend down taking his shorts off leaving him only in his beautiful purple thong forming a butterfly on his back...Jungkook breath hitches as he bite on his bottom lips.

"Jungkook get the hell out, it's too small here-",Taehyung hiss when Jungkook's hot tongue meet his shoulder and lick till his neck and leave it with a suck there..

"I-Its salty-ah",Jungkook press his semi hard Cock against Taehyung's ass and his palm kneading Taehyung's small breast.

"My salted mermaid ",Taehyung suck on his lower lips ,Jungkook groan as he keep licking his neck and leaving bite marks or hickeys.

"Noooo~",Taehyung whine and Jungkook turn him around pinning him against the wall ,under the shower.

"Don't give a damn... ",Jungkook growl pulling on the thongs string making Taehyung gasp then moan and his own Cock was getting hard...

In a second Jungkook was slammed against the wall and he look at Taehyung with a small glare, already use to Taehyung's strength .

"Really?",Taehyung glare back his fingers wrapping around Jungkook's throat and one hand travel inside his shorts and grab now hard rock Jungcock.

"Yes",Jungkook push his shorts down letting it fall down, Taehyung raised an eyebrow then smirk at his needy papi.

"Aren't you being impatient papi? ",He whisper near Jungkook's ear and rawr lowly before sucking on his skin.

"Bite me",Jungkook moan out.

"You sure? ",Taehyung ask slowly his eyes turning blue reddish.

"Aren't you hungry? ",Taehyung hummed.

"Yeah.... But for your Cock",Taehyung kneeled down and without giving Jungkook time, he wrap his lips around his Cock and slide it back till his throat then slide it out again.

"Ah fuckkkk",Jungkook moan trying not to make too much noise. Taehyung eyebrows met as he moan at the salty taste and keep bobbing his head back and forth.

"Babe pleaseee-ahh bite me!",Taehyung Chock and pull away licking his rosy lips.

"It's damn tasty like a salty steak but you sure you want me to bite itt? ",Jungkook came out of his daze of hornyness and eyes widened..

"Nooooo! I mean bite on my neck! Not Dick! ",He pull Taehyung up as Taehyung just nodded with an 'oh' .

"Just here",Jungkook push his husband's head in the Crook of his neck and moan trembling when he feel those pointy canine sink through his flesh and his blood being sucked out.....it's always the same feeling he love it, he wants more and more of that feeling..

Taehyung's eyebrows knitting as he himself moan when the delicious blood flow down his throat. Damn he knew that after bonding the blood taste, just fit for a king.

"Ah fuck cubb~", Jungkook lowly hoarse whisper, Taehyung push away the little piece of cloth covering his Cock to the side and grab their Cocks with his right hand and palm them with his slender delicate long fingers. His left fist, fisting Jungkook's hair tugging it to the side as he continue devouring his neck.

Jungkook both palms travel down Taehyung's thic buttocks and knead it, earning a gurgling sound from Taehyung as he moan. Taehyung then slung his long beautiful right leg around Jungkook's waist and grind against him, their Cocks getting more friction.

Satisfied with his lunch Taehyung retract his canine and panting look with hooded eyes at Jungkook while licking his lips..... Jungkook moan at the view, feeling weak and wait a little bit to get his strength back.... As blood pump through his vein.

"Delicious ~", his deep low tone, exciting the true blood as he softly Pinned His Vampire omega against the wall who let out a loud moan when Jungkook push the handle of the shower and the water slide down their body.

"Oh shit, there are more people here! ", Taehyung gasp hearing the voice .

"Shut up daddy fuck me! ", Jungkook look back shock at Taehyung.

"That's where they were", Jungkook smirk then shift Taehyung higher around his waist and wrap his right huge palm around their Cocks stroking it, other huge hand slide around Taehyung's small waist... Taehyung feel tears filling his beautiful eyes when Jungkook twirl his tongue around his sensitive pink bud, so he arched his back and threw his arms up holding on the edge of the wall.

"Fuck! Fuckkkk papiiii! ", He moan out trying to whisper as his cock twitch in his husband hold and Jungkook by now was sucking and biting around his nipple.

"So sweet", Jungkook gave a long lick, a little bit of white liquid could be seen on his tongue as the he look right in Taehyung's eyes with his dark red eyes.

"Mmmm papi! Papi! Too muchhh! ", Taehyung gulp when his husband work on his other pinkish bud. Feeling he was about to come Jungkook grind faster as he whole their Cocks together and suck a little bit more and lean back then kiss Taehyung's open lips as he pant. Jungkook pour the strangely sweet liquid down Taehyung's throat making him taste his own milk . The Vampire Omega moan in the kiss and messily kiss Jungkook back, sucking on each other tongue and moving their heads from side to side.

One more minute Jungkook came first and Taehyung follow after him as both lips were connected eating each other moans.

Leaning back a string of saliva connecting their lips... Jungkook lean again and gave a still hungry lick on Taehyung's lips then suck the bottom lips and let go.

"That was so fucking hot papi!! ",Taehyung excitedly squeal with a pant.

"Holy shit!! -ahhh~it's Taehyung! ",Jungkook chuckles as he let go of Taehyung carefully..

"Hoseok hyung can you fuck silently without yelling our name during fu-mating  
Y/n",Taehyung hit his bicep when he was about to say fuck.

"Bishes you done !? Fuck off now! -come here daddy! ",Taehyung put his palm on his mouth to not laugh loud ,because y/n was rough...

"Sure",Jungkook shrugged and step more under the shower with Taehyung giving each other a quick wash . Then remember they forgot the towel, so Jungkook just took some towel paper which was in the coner and dabbed it on Taehyung's face ,chest and private parts. The little Vampire Omega loving the attention he was getting from his Husband.

"My cute ass mate",Jungkook whisper softly as he peck Taehyung's nose who whine happily like a kid loving it. Jungkook then took Taehyung's shorts and wash it then Twist it to let out all Water he could then shook it.

"My second lovelssss~",Jungkook sing-song as he bend down and leave three kisses on Taehyung's beautiful baby bump. Taehyung chuckles and push away Jungkook's wet hair from his face to see him better while he lift his one leg to let the shorts slide on his leg, then enter the other. Jungkook lift the waist band and leave it right under Taehyung's belly. He then snuggle his nose against it before standing up and took Taehyung kimono making him wear it and ties it around him covering his body nicely.

Taehyung stay silent and just look at Jungkook with heart eyes. The way Jungkook took care of him make him feel in a better place than heaven. He watch Jungkook bend down to pick his own shorts, Taehyung lick his lips enjoying his husband naked butt.

Jungkook did the same which he did with Taehyung's shorts then wore it, turning the shower off. He smile taking the crop top of Taehyung , who scoff.

"Let's go babe"

"Koko you are still all wet! You will catch a cold",Taehyung glare at him then took some tissue and dab it on Jungkook's face who hold his wrist.

"Hey stop Tae, remember I'm a true blood, plus we will go back under the sun and might swim more ",he said softly with a smile.

"Last time you were sick, you were still a true blood..... How can you take care of me like that and ignore your own health. ",Taehyung frown as Jungkook wrap his arms around his husband and lean his forehead against his.

"You are my priority Love",he said that so delicately as if he was afraid of even sounding fake slightly.... He poured all his feelings in it and Taehyung felt his heart agitated.

"And you are my priority koko",Taehyung sigh and kiss him, a small kiss, lips to lips moving slowly... No lust, no harshness, no roughness.... Just pure love and longing for each other

taste.....

After a few minutes standing their enjoying the moment, they left because Y/n and Hoseok were making some unholy sound in their supposed to be happy and loving moment.

"The water is very clear here, good thing otherwise my mind keep telling me there is shark right behind me ",Jimin scrunch his nose.

"Well one of the reason I love this island is there is shark but the lagoon protects the reefs ,so there is no shark attack... Very rarely aka maybe in two year or one the local might find one small shark around, that too in the south, And that's all... So you are shark- free here ",Jimin nodded with his beautiful doe eyes.

"That's nice, what about crocodile in this island? ",Taehyung ask after smiling at Jungkook who stuff his mouth with his panini and trying to pull out all mozzarella.

"Only at Casella",

Letting him enter his sweet tongue in and sucking on his own, devouring every part of his mouth . His palms slide and grope on the thic ass he love and when Taehyung moan in the kiss he took control. He pull away only to manhandle Taehyung on the bed and smirk at his wrecked state and attack his lips again.

"Ah! Ah! Yass! Yass! Papii -cumming-out-out!! ", Taehyung moan louder as his prostate was being abused and he love it.... He felt his body being lift and place out of the pool and Jungkook follow, using his hands he jump out and pull Taehyung under him on the grass as he push away the piece of clothes and push his veiny pulsing Cock inside Taehyung again who pull his husband against him wanting to feel the weight on him... As his right palm push Jungkook's head down in his neck and left arm on his back as Jungkook thrust faster and faster in him..... Both Cumming at the same time, Jungkook filling him as it spill out too as Taehyung came on their stomach....

"4th Best love making everrrrr on my list! ",Taehyung pant smiling and Jungkook lean back looking at him still panting with a little shock expression

"First was our first on your appa birthday",Jungkook slide out and smile at the cum spilling out of Taehyung's hole who groan a little but smile again continue what he was saying.

"Second when we did it in that expensive restaurant's washroom!!!",Jungkook lift his boxer and wrap Taehyung in a fluffly towel , picking him up in bridal style . Nod with a smile as Taehyung continue excitedly to talk like a kid.

-----

Taehyung woke up first, (morning sickness,) he look towards the sea. The sun was burning his skin because he was wearing only a thin dress shirt on with his shorts. The omega look at his mate sleeping on the bed, arms and legs spread like a star fish and mouth parted as he snore, making Taehyung chuckles and caress his hair.

"Peace",he mumble looking at Jungkook who whine, sniffing and turn on his side. Taehyung admire him for a moment, Jungkook was only in his boxer giving Taehyung the most interesting show with his muscles right infront his eyes.

He never told Jungkook what happened when he left. How he annoyed the hell out of moon goddess every minute he got and every time he saw Jungkook crying for him....he was surprised he wasn't sent to hell, but moon goddess kept him with her.

He would always get scolded for trying to jump on her back and whine loudly, making her a mess and angry. At last she let him go when he gave up his immortality, something that was

more valued because it's literally have many life span..... Taehyung thought he had lost his pups, which made him beg for forgiveness and cry like a mess until she told him to shut up, and with just one touch on his tummy he felt them again.

Taehyung chuckles when he saw Jungkook nuzzling his face in his mate's pillow. Pecking his head Taehyung walk out and let his feet sink in the sand as he walk down the shore. Today was there last day here. He always had a strong love with beach and rain... Something that makes him feel calmer... No bad memory, not even once because recently everytime he had Jungkook there with him.

"Tae", Taehyung smile widely looking at Jimin who was on Yoongi's back and the Alpha fake whine yet he was smiling.

"Piggybackieeee! ", Taehyung giggle as Yoongi drop Jimin down, of course holding him quickly.

"More like pig on my back", Jimin glare at Yoongi who look unbother.

"Are you calling me fat!?", Yoongi's lips went in a thin line, eyes growing big.

"See the good side... I love eating pig... And pig are cute, juicy, thic-", Jimin slap his palm against Yoongi's lips.

"Stop being disgusting and go get me ice creammmmm! ", Yoongi scoff but obey , pecking Jimin's temple and Taehyung's cheek before he jog like an old man away.

"My hyungie is so cute", Taehyung smile fondly with Jimin rolling his eyes and chuckles.

"Ahuh, why you had that sad smile on your face", Jimin drag him down sitting on the sand with his hand around Taehyung's shoulder as he gave his reassuring smile.

"Is there anything you don't notice with me ?", Taehyung place his palm on Jimin's thighs.

"Nope, just like you notice everything with me", he grinned.

"Right.... Well nothing much just thinking about my life now, about this one year that completely changed. I got a mate, love -hate relationship, crazy sex turn to love making, my best friend got married , then my other best friend got pregnant then I got prego too", both giggle with Jimin nodding.

"We had those ugly fights and kill people, I died then came back and now we are all happy with our mate and expecting our pups.....everything seem perfect", he sigh and look at the calming wave.

"It is perfect, we are all together and happy. As long we are together everything will be fine ,I promise", Taehyung lean his forehead against Jimin's.

"Promise? ", Taehyung hold his pinky out and Jimin immediately lock his chubby little pinky with his.

"Promise, I love you",Taehyung smile widely, hugging Jimin closer.

"I love you more",Jimin whine.

"Betrayal!!! Between I love you moreeeeeeeee",Y/n hug them from behind tightly as they laugh pulling her in the hug.

"Yahhh it was a team of 5 best friends as long as I remember!! And I love you all the mostttt!",They look at Hoseok who screech and add himself in the hug..

"Those bish make me emotional Joon,they have such a pure friendship",Jin smile softly looking at them with Namjoon by his side, holding Jina's hands securely as she was sitting around his neck.

"Yes they do, it's beautiful ",Namjoon smile fondly his heart loving how Jin smile. .

"Yes we dooooo! Now come Jinnieee! ",Jin look a little taken back as they invite him in the best friend hug.

"Me? ",

"Duh, I said 5 best friends hyung and we are 4 here",Hoseok grinned his beautiful smile on view making y/n melt.

"You are the 5th one Jinnie! Come! ",Jin smile widely trying not to get emotional as he open his arms wide and hug them.

"I love all your ducking ugly faces! ",and they laugh harder hugging each other...

-----

Taehyung look at his family talking, eating ice cream and laughing as he walk away a little and look at the ring he had for over years now.... The beautiful memories.. With Bogum .

"It was beautiful moments hyung, but I already moved on and I am more happy now.... Sooo in love with koko.. I know it kinda hurt him seeing this ring on my finger and I will never let him feel hurt.... So it a good-bye forever",He took off the ancient ring and threw it very far in the water, his past completely drowning away.

"My everything ",Taehyung smile looking at his wedding ring and kiss it, closing his eyes....

"My everything ",Taehyung smile, heart beating faster when he felt strong arms wrap around him and a slow kiss on his neck where his mark is.

"Koko",it felt good, saying it and hearing it.

"You saw that? ",Jungkook hummed, nuzzling his nose in Taehyung's fluffy hair.

"Thank you for loving me Tae",Taehyung frown and turn around, Jungkook's hand on his hips now.

"Ohh koko, are you crying!? Papi please don't cry and never thanks me for loving youuu! My love is not a thing ...you deserve all my love and my soul",Taehyung wipe his tears as Jungkook sniff with his red nose and smile .

"I just love you so much it hurts so good",Jungkook pull him in a tight hug.

"I love you more koko",Taehyung close his eyes.

"C'mon let's not start crying, let's enjoy this moment we have to leave soon",Jungkook kiss him and Taehyung nodded.

"I am gonna to miss this place and Madi",Jungkook laugh..... Bish.....

"We can come whenever you want babe",Taehyung smile widely nodding.

"We will come with our pupss next! When they can swim!! ",Jungkook smile fondly nodding .

-----

Jungkook hold Taehyung's hand who was giggling and dancing around near the water. Trying to tiptoes and swirling around.....the Alpha just watch with heart eyes .

Two men were eyesing Taehyung, a little away from them and shamelessly staring with their pervert eyes. Jungkook sense it and glare at them.

- 
- 
- 
- 

"Choli ke peeche kya hai~~~",Jungkook didn't understand but he knew the way they were looking wasn't good... So he was about to break their face when suddenly something hit the man's face and he yell in a not so manly voice as he fell down...

"TERI DADI MAAAAA HAI!!! ",Everyone look at Madi who was grinning evilly holding her another boots running towards them as those men screech louder tripping down as they try to run away.... (Akshay Kumar anyone? 😂)

"Definitely, I will miss her",Taehyung laugh as she beat those men and Jungkook agree this time.

"Yes we will ",Taehyung yelp giggling when Jungkook pick him up and swirl around happily, capturing Taehyung's happy face forever... As the rest of there family laugh and take pictures of them..

## Chapter 63

"Woohh there you can't use the private elevator! ",a very annoying female stop Taehyung. The omega hiss turning around looking at the young woman who he never notice at his Husband's Company before.... Maybe a new employee.

"Excuse me?",Taehyung fake a smile trying not to break her neck... He was already 6 months pregnant and was craving to sit on Jungkook's lap while eating his cheese doritos with pickles.

"I said you aren't allowed to use the private elevator... And where do you think you are going dress like that",she eyes him up and down while frowning. Taehyung was again wearing his extraordinary grown which was fluffy yet sexy, under it he was wearing his silk Grey pajamas .

" Listen honey, I am a very friendly person usually ...but right now if you get on my nerve... I don't guaranty my act! ",Taehyung groan, rolling his eyes.

"Well I also will not let anyone dress like this come in the Jeon.cop",She smile sarcastically.

"And who is gonna to stop me, You? Little girl",Taehyung laugh ,Sharp eyes glaring down at her.

Some employees wanted to interfere telling her she was looking for her own death, but mostly some were scared of Taehyung and some didn't like that girl who act superior just because she was smart and at a young age was working in one of the most popular company.

"This little girl can do a lot",She glare back and going at the reception calling the security...Taehyung just nodded at the receptionist who nodded back and let her make the call.

"Now you can leave or wait for the security to escort you out",she smile fakely as Taehyung

stare at her sternly and blink bored.

"You know if I wasn't pregnant I would have threw you across Sahara desert.... But my husband told me not to lift heavy thing",she glare at Taehyung who just called her fat indirectly.

"Say the one who is looking like a whale",Taehyung stare at her before cracking into a cute smile.

"A cute whale~ carrying triplet~",And she scoff but smirk seeing the security guys coming. But they stop when they saw Taehyung .

"Sir is something wrong? ",they asked worriedly, already had bow to him when he came earlier.

"Not really, I'm just enjoying a little bit fight Minhyuk,It have been months",He chuckles and they nodded melting at the cute Vampire omega smile.

"What? Hello do your job and escort him out",She glare at them, but they ignored her and walked out back to their post.

"Who is your boss? ",Taehyung ask her hands a little back on his hips as he was tired standing.

"Mr Jeon Jungkook ".

"What's his husband name? ",Taehyung sigh, as she look confusely at him. Well she was definately among those who didn't knew Jungkook was a married man then.

"Jeon Taehyung",They both look behind watching Jungkook walking out of the elevator. The serious expression always there as she had always see.....

Taehyung smirk looking back at her as Jungkook make his way towards Taehyung and the true blood wrap his arm around Taehyung's waist kissing his ear.

"I am Jeon Taehyung ",Taehyung smirk at her as Jungkook smile against his ear. He always love it when Taehyung call himself a Jeon.

"You knew I came koko~",Taehyung giggle and look at Jungkook who break into the biggest bunny smile ever.

"I sense you and your anger, love", Taehyung peck his lips.

"I didn't knew who he was, I am extremely sorry ", She was already sweating.

"I am sorry too... You are fired", Jungkook was back to his serious expression and glare at her..

"Nah let her be Jungkookie, she didn't knew... And wasn't very rude too. Plus I want to do something it's urgent let's go! ", Taehyung whine and pull Jungkook with him... Taehyung glare at the girl making her shiver when the elevator's door closes.

-----

"C'mon faster papiii!! ", Taehyung whine pulling off Jungkook's blazer after he took off his long gown off. Jungkook excitedly took off his suit expecting some office sex after one month..

"Yasss baby! ", He lick his lips when Taehyung push him down on his swivel chair.

"Roll sleeveess! ", Jungkook obey quickly doing it and Taehyung squeal seeing Jungkook's right arm full of Tattoos he recently got after they came back from their honeymoon.... It was a nature tattoo, with forest, a wild flower and a wolf on his bicep on his fourth finger he got a 'Tae' tattooed ....

Jungkook wanted to surprised Taehyung after one night he got horny talking about how he love tattoos and if he get a Tattooed arm chocking him on bed he might come the very next moment.... So the bunny went and did it the very next day.... Usually it takes days to tattoos an arm with it's shading and all because the pain get unbearable... But Jungkook during the whole session flinch only a few time ,bish was too strong....oh and the theory Taehyung might come right away.... Well it's true....

Taehyung plopped down on Jungkook's lap ,making the other yell a little bit because his Jungcock got crush down.... Taehyung ignore him and look in the drawers and beam taking out his doritos and pickles. Jungkook's half desk drawers were full of food that Taehyung had stock there because he visit toooo often.

"Now wrap your right fucking hot arm around our pupss and go back to work", Taehyung sigh after he had crush the doritos and dip the pickles eating it. Jungkook scoff as Taehyung lay his head on Jungkook's right shoulder, legs over Jungkook's lap and continue munching... Jungkook Shook his head at the sour smell of the pickles and gulp not wanting to vomit..

"Babeeeee!i thought you will take care of Jungcock! ", He whine as Taehyung giggle and moan a little bit sucking on the pickle.

"I will take care of him later! ",Taehyung pull Jungkook in a kiss. The Alpha groan, shutting his eyes tightly not liking the taste one bit. Taehyung being evil right now, push his tongue inside his husband's mouth and earn a loud whine but not like Jungkook didn't kiss back. (Singularity is playing... I get shy and sweaty writing things like that hearing their voice...

"Babee don't do that when you eat weird thing! ",Taehyung pout at frowning Jungkook.

"I kiss you with your morning breath so shut the fuck up! ",Taehyung's puckered his lips, eyebrow furrow as Jungkook did the same and peck his lips.

After that Jungkook just check a few papers . With a little bit difficulty he mark things he wanted on the paper using his left arm while the other was around Taehyung, caressing the soft bump. His Vampire Omega happily eat, humming a little bit occasionally getting Jungkook chuckles when he wasn't full concentrating on the papers.

"Who is taking care at your company today? ",Jungkook ask looking through some design on his laptop..

"Jimin is there with Yoongi hyung and Jihoon is always there so I don't worry much about it. ",Jungkook hummed with a nod as Taehyung finish eating and got up walking in the small bathroom Jungkook have in his office. He went to wash his teeth while Jungkook Confirm some design.

"I kinda don't like Jihoon, well not like I don't like him ,oof it's difficult to understand. Since our wedding something is off with him",in a second Taehyung was infront him with serious face, startling Jungkook who was still getting use to his mate Vampire's side.

"You saw something suspicious in our wedding with him? ",Taehyung ask with precautions.. Jungkook squint his eyes...

"Kinda, his scent changed a little bit and he was kind of running away from my eyes..... But why are you getting serious about it? ",Taehyung start to fake laugh.

"Nothing! NOTHING!! AHAHHHAHAHA!.... Um I mean just thinking why he was like that... Ohhh papi wanna to Bury your cock in me?huhh? ",He wiggle his eyebrows, but Jungkook wasn't having it so he hear Taehyung's thought.....

Fuckkk! I better prevent trouble for my poor cutie Jihoon-ah! Oh mah gawd what if my papi knows he is Dahyun's mate!!-gawddddd why his eyes went wide! Oh! Oh! Oh!he is reading my mind!! Bad koko! Out! Out!!

"THE FUCK YOU SAID!?? HE IS MY BABY'S MATE!????AND YOU HIDE IT!!

",Taehyung gulp when Jungkook growl... Not like he was scared, but his papi was radiating big Cock energy.

"Yeahh chock me papii! - I mean.... He told me on our wedding date, Dahyun doesn't know yet next month she will know on her birthday..... ",he giggle as Jungkook's eyes turn red.

"I am gonna to have a painful conversation with that Jihoon! ",Jungkook grab his blazer as Taehyung roll his eyes, expression serious.

"Jeon you are gonna to sit your true blood alpha ass down silently and not scare my assistant aka my friend or I will make you regret it...",Taehyung glare at Jungkook who growl lowly, glaring back.

"Are you challenging me Jeon? ", Jungkook smirk, he calm down a little but getting Taehyung talking seriously and glaring was kinda a kink for him ,a rare kink....

"Try me",And Jungkook walk ahead towards the door, expecting his punishment would be something sexual and Kinky as he internally did his Lenny face...

"Ahh! Ahh!",Taehyung hold his tummy, face in pain and Jungkook in 2 seconds was next to him holding him close worriedly that his heart ache.

"What happened!?It's hurting!?? I am taking you to the hospital!! Told you to stop eating those things!! ",Jungkook pick him in bridal style, frowning in worry as he quickly walk towards the door.... Only to have Taehyung giggling.

"What the fuck Taehyung! ",Jungkook glare at him as Taehyung wrap his arms around Jungkook's neck.

"I am fine, just calming your angry ass.... Caring daddy is my kink ",Taehyung wink at him with Jungkook rolling his eyes, calming his wolf who was going crazy over their mate and pups in pain.

"It's not fucking funny Taehyung!I almost had a heart attack! ",Taehyung bite his lower lips, a little guilty.

"Aishhh I am sorry koko, I didn't thought too much about it... And if Dahyun and Jihoon are mates, please let them be. They know what they have to do, yes you can have a brotherly talk with Jihoon-ah but don't be the villain in their yet to blossom love story... Not like we liked all those obstacles we had in our.... So be supportive and now take me out for lunch I am starving! ",Jungkook sigh and just nodded pecking his forehead walking out.

"I will try..... ",Taehyung smile and peck his cheek.

"What a sight.... I used to dream about it and now I am fed up with it.... ",Jin look at the couple sternly...

"Its nice seeing Mr Jeon more calm now",Jungkook glare at onew like a kid, the latter put his hands up , surrendering.

"Hyungs, you will have to get use and Jin hyung have you work on the new designs",Jin nodded after sipping his coffee.

"I already did two..... But I am still wondering about the fabrics. Oh Tae you could help me with it",Jin smile looking the cutest and at the same time the hottest person in that room.... In the world!!

"Sureeeee hyungieeee. We are going to have lunch wanna to come? ",Taehyung look at Jin and Onew.

"Nope I just had lunch with Joon a few minutes ago ",Jin bite his lips.

"I am having lunch with my boyfriend ,sorry",Jungkook smirk at him as Taehyung nodded.

"Between where is Hyung now? I need him for the next meeting in one hour",Jungkook ask as Taehyung snuggles in his neck making the three men smile at his cuteness.

"He went at Hoseok's pack, to drop Ara's new diapers. He accidentally drop his tea on her diapers in the morning. ",Jin raised both his eyebrows sipping on his coffee.....Since they came back they were back to work.... they missed a lots of months since they went to the pack... As for Jina, mimi was willingly taking care of Jina was she had nothing to do at home.

"O..... K"...Jungkook said unsure.

-----

"Since we merge our companies... I was thinking about asking Hobi hyung if he wanted to merge his with us too,like yes he did invest in your company before but if we merge the three together.... A big family business.... ",Jungkook swallow his food and nodded thinking about the proposal ,the way Taehyung was munching in his tomato makes him smile softly.

"Yeah we will discuss that in our next meeting I guess. But yeah actually it's a great idea, because shoes and bags company will do us a lot of favour.... As the current one is charging too much.... ",Taehyung nodded both talking seriously as Jungkook wipe away some food on Taehyung's chin.

(I know shit about business)

"Greedy people~ between we have an appointment with the doctor next month so keep your scheduled clear on the day I will confirm it by tommorow", Jungkook lick his lips with a serious expression as he give a little squeeze on Taehyung's feets who was sitting infront him.The omega had his feets on Jungkook's lap who was massaging it ,because it was a little

swollen.

"You want to confirm the genders?.. Well I am fine with whatever you want",Taehyung gulp down his ice tea and look at Jungkook.

" I want it to stay as a surprise, so no gender reveal",Jungkook nodded slowly, continue to eat his lunch, before talking again.

"Then what about the pups shopping.... I mean what if all are girls or boys? ",Jungkook was still confuse on buying things for their pups. Should he get girl stuffs or boy??

"Simple, we buy both. I am sure we will atleast have one girl or boy.... And if not the case then we make another baby,"Taehyung smile proudly of his idea which wasn't shocking when Jungkook agreed quickly. ( Namu stuttering in DDaeng make me feel relax... 😊)

"The limit is 5 pups for us.... So i am in to make your beautiful tummy bear swollen again and again",Jungkook smirk as Taehyung act all shy, squealing on his sit causing Jungkook to laugh out loud.

## Chapter 64

"How could you Jungkook!?How can you cheat on me like that!! ",Big fat tears rolled down Taehyung's pinkish cheek as he threw a pillow at Jungkook, waddling out of their shared bedroom... Well Jungkook apartment .

"I didn't mean it Tae! Babe please listen!! I was seduced! ",Jungkook wheezing Dodge the remote control which went pass his head.

"Seduce!? Fuck you! Fuck you!! ",Taehyung glare at him as he hold his 8 months big baby bump. His bump was huge, but not that big too, seem like he might be carrying twins.

"I am sorry OK! I was trusfrated ! you went to your best friends to hangout and then when I was alone I got tempted!! Right infront me seducing me!! Fuck I heard the 'watch me papi' booming in my mind and couldn't hold back! ",Taehyung look at him in disgust and sat down on the couch getting tired of standing and throwing things.

"It's frustrated!! And how can a tv talk to you!?!.....fuck you!! You cheated and watch Misfits season 2 alone without me!! You betrayed me koko! ",Jungkook sigh feeling a little bit guilty.

"Babe, I am sorry.... I watched only one episode promise ....I promise on my non existing lube collection I don't know the masked man was Simon... Promise-OH MAN HOLY SHIT! AM I BLEEDING!??? KJLSIAOWNWHDHSB! ",Taehyung pant like a hungry animal, doing a cave man pose as he stand up after throwing his slipper at Jungkook face.

"Babeeeee! Sorry bishhhh! -wait! Wait!! Noo !you are pregnant! ",Jungkook with huge eyes catch Taehyung who jump on him to pull on his hair. To not cause any damage Jungkook secure his arms around his mad pregnant husband and sat down..

"YOU DUPLICATE OF A BUNNY ASS!! YOU CAN'T BLEED FROM A FLUFFY SLIPPER!! YOU OVER REACTING HOE!! I TOLD YOU, WE WILL WATCH THE SERIES TOGETHER!! AND YOU WATCH MORE THAN ONE EPISODE!! I WILL STUFF A TRUCK OF MAGNUM DOWN YOUR THROAT !AHHHHRGHHH!  
",Taehyung hold Jungkook's head shaking it as Jungkook scream and hold on his hands not really pushing him away

"AHHHHHHH-SORRYYYY! CHANGE THE -AHHHHH-MAGNUM-AHHHH TO EATING YOUR ASS!! ",Taehyung hold his face still and look down an exhausted Jungkook's soul.... Boy have been really suffering since Taehyung hit his 7th months pregnancy. He was more moody and aggressive... But the only advantage Jungkook got from all this was a submissive Taehyung in bed... Well rarely. Taehyung would get horny in the middle of the night and makes Jungkook give him blowjobs and sleep ignoring Jungcock in

pain.

"WHAT MAKE YOU THINK ,I WILL NOT LET YOU EAT MY ASS!! I MIGHT STUFF ONE MAGNUM UP MY ASS AND MAKE YOU EAT!! ",Jungkook's look Shook as he look in distance, imagining.

"Well damn bish, I am in ",He look back at Taehyung and lick his lips over exaggerating the seductive lick.

"C'mon now baby, stop increasing your blood pressure and get off me... My head hurts.... Please ",Taehyung relax and let go of Jungkook and sat on his thighs. The true blood smile sweetly, sitting up carefully holding Taehyung.

"My back hurts, my cute feet too, my body hurts",Taehyung whine pouting and Jungkook just giggle and peck the pouty lips.

"Cuddles, massage and chocolate ice cream with salt? ",Taehyung eyes light up ,with a huge smile nodding. Jungkook couldn't understand why his omega love adding salt to his chocolate ice-cream. Bish he almost puke when Taehyung invite him to eat creme brûlée with ketchup.....he usually say nothing and let his pregnant husband eat.... But would scold him and never let him eat something not good for his health.

"Yess papii! ",Taehyung squeal, clapping his palms, making Jungkook whine at this overload cuteness , which earn Taehyung kisses on his face and swollen tummy.

-----

"Give me my heels I said! I want to wear it! ",Jungkook pinch the bridge of his nose. He just came back home and the first thing he saw was Taehyung parading in a fucking 5 inches heels wearing only a red silk robe reaching his mid thighs and chest expose which had Jungkook's hickies on.

Taehyung was nearly 9 months soon in his pregnancy and after arguing a lot Taehyung accept to stop working and stay at home. He usually spend the day with Jimin or other hyungs and if his husband didn't had meeting.... Taehyung was found on his mate's lap in the Alpha's office.

Jungkook had been quite and accepting Taehyung's behaviors. He knew the older was carrying three pups and was more tired and in pain than him... God sometime he even feel the babies moving inside him due to the bond with Taehyung and he knows the pain.. Even if it's was like 20% only.

"Can you low your tone please, don't scream it not good for you and our pups",Jungkook said calmly trying not to snap out at his kinda annoying husband right now..... Last night at 2 in the morning, Taehyung made him drive around the city for some Chapssaltteok.... When

Jungkook suggest him some mochi, Taehyung threw a tantrum and calm down only when he got his Chapssaltteok... After one hour of searching around....

But Jungkook was happy and satisfied when Taehyung sigh in happiness rubbing his bump and pecking his koko's cheek....at the end it was all worth it..... Thing was Jungkook didn't got enough sleep and always have to take care of Taehyung like if he was baby. He doesn't understand why Taehyung was being too childish and not being careful much.... It was always Taehyung's mood. Taehyung was powerful and can't be harm easily, but he can't seem to remember Jungkook was worried and his behaviors could litterally cause a bunny heart attack.

"What!? I am screaming?? You don't like my voice now!? I am annoying now!? I want to eat Hotteok now! I am craving for it so much now! And GIVE ME BACK MY HEELS NOWWWW! ",And that's how Jungkook snap.

"SHUT UP NOW!! SHUT THE FUCK UP NOWWWW!! ",Jungkook's eyes went red as he growl loudly, shutting Taehyung who look at him in shock..... Dude it have been century since Jungkook yelled at him with his Alpha voice.....

Jungkook walk angrily in the kitchen and turn on the huge ass blender- Taehyung got last week for nothing.... Simply because he thought the blender look cool-and threw the new heels Taehyung had been wearing in it and.... Made a heels smoothies..... All while Taehyung had his lips parted in shock.

"I will fucking blend your ass in it! If you ever wear heels during your pregnancy!! Or do anything risky!! I AM FUCKING DONE BEING NICE AND LET YOU DO SHIT!! GOD DAMN IT I AM NO LONGER LISTENING!! I WILL FUCKING CHOP OFF YOUR DICK IF YOU DO ANYTHING RISKY NOWWWWWW! ",Jungkook turn off the blender and left the heels smoothie there.

Taehyung cover his Dick with his hand ,eyes following Jungkook who glare at him and walk out of the apartment, slamming the door behind him..

"...Holy cute chubby elephant, that was hot.... But fucking rude! And my heels! ",Taehyung whine loudly, starting to cry.

-----

"So why is this bunny clinging to you, as if you are gonna to disappear",Jin ask drying his hair with a green towel . He gave Jungkook a weird look as the latter made himself as small as he could while hugging Namjoon's shoulder by the side. The older Alpha gave a tight smile awkwardly having his hand to pat Jungkook's thigh.

"He kinda had a fight with Tae ",Jin look worried as he sat on the coffee table infront them.

"What? What happened? ",Jungkook having the biggest pout and sparkling Bambi eyes looking at Jin after hiding his face in Namjoon's neck.

"I-I yelled at him, I didn't wanted to do that but I was so tired and he kept on irritating me to wear heels and all",Jungkook's brows crested as he could feel his mate's mood and he felt worst.

"Aishhh, yahhh can't you Alphas like calm your asses a little bit. He is pregnant you should be more careful and consider his feels",Jin whine and smack Jungkook's head not strongly and got a whimper with a not so harmful glare from the latter .

"Listen kook, I admit he might be more annoying as the date of delivery approaches. The pain and uneasy feelings reach the peak.... I understand you might be tired and not getting much sleep ,but imagine about Tae. He can't have a full rest without the babies troubling him, he gets false contractions ,struggling with his huge bump ,his whole body is in pain. I had only one baby and went to through all this and he is carrying triplets. I know you can feel like 20% of his pain, now imagine he is feeling it 100% daily during 9 months. Yes he gets more emotionals and stubborn on little thing.... But he is just in pain and frustrated.....I am not complaining about pregnancy, because it was a wonderful feeling for me. Being able to feel them inside you, a part of you and your mate....",Namjoon and Jungkook just stare at him as he put all his feelings into it.

"I know you are trying and it's normal to snap at some point, but, never leave him alone and run away Coco brain! Always stay together no matter what... Mmmm I will make hot choco milk for you",Jin sigh and peck the fluffy head of Jungkook and walked away in the kitchen.

"He is right you know",Namjoon gave him a knowing smile and Jungkook nodded after staring at him a few second. His dimples and dragon eyes are cute.

"I know, I was wrong yelling at him when he is the one carrying our pups, my pups",The true blood sigh in guilt as he lean back and fiddling with his wedding ring.

" OK listen Kook, I understand how you are feeling.... I went through it, and hell doesn't seem so bad now",Namjoon gave a tight lips smile.

"Joon! Are you talking about me? ",Namjoon scrunch his nose up and lick his lip before answering.

"W-What? No-No love and don't yell. Remember? Ara is sleeping ",Namjoon heard soft babbling from the kitchen and assumed Jin understood.

"Why are we so scare of our husband? ",Jungkook ask confuse as he tilted his head.

"Because we love them too much and let them dominant us ",Namjoon half joke and chuckles.

"Maybe, because I love Tae so much I can even be his private dog",Jungkook grin and Namjoon gave him a kinda weird look and Shook his head.

"OK here is the thing, whenever you feel irritate about anything, just keep repeating, it's for your pups... Try to think about them and imagine cute moments or their cute features. It helped me a lot to not chop Jin's head off this one time, he try to go hiking with his huge baby bump",Namjoon roll his eyes while Jungkook snickered.

"Joon!?? ",Namjoon hiss.

"Nothing babe",He whisper yell a little bit.

"Try to understand the hardwork your mate is making every single second carrying your babies. We do get annoy and all, but we aren't the one carrying the fetus and having trouble carrying extra weight around. We should be grateful our mate is doing this for us ,a sacrifice and I am greatful towards Jin",Jungkook nodded understanding what Namjoon was refering too .

"Your welcome"Namjoon smile lovingly towards Jin who hand him down a mug and another to Jungkook who gave a bunny smile to his hyungs.

"I hope now you understand better, so go home and pacify him",Jungkook lick the chocolate off his lips and nodded like a good baby bunny.

"Thanks hyungs",Both smile at him and cuddle both his sides in a reassuring way to tell him they are always here for him.

-----

"You can do it Tae! C'mon mama's strong bishhhhh! Ahh! ",Taehyung was currently trying to pick up his bracelet that fell down and his swollen tummy wasn't allowing his to bend.

"Why are you such a Dickhead! Can't you just come in my hand! ",this was frustrating, he whine and groan sitting down on the carpet with glassy eyes. He had his green fluffy sweater on him with white fluffy shorts, black headband pushing his hair back and green fluffy socks on .

"Even koko isn't here! It's my fault aishhh, I was being such a bish wanting to wear heels when I can't even walk properly bare feet",He pout his legs spread out as he wipe his eyes.

"You were being my annoying cute bish ",Taehyung sniff as the strong arms wrapped around his and legs were both side his.

"Koko! I am sorry",Jungkook hummed in a no as he nuzzles his nose into the Crook of Taehyung's neck taking in his scent.

"No, I shouldn't have yell angrily at you. I should have understand your feelings and I am sorry for yelling at you babe. You aren't really annoying or irritating. I was just being my usual dickhead and sorry for your heels ",Taehyung Shook his head and place his hand over Jungkook's which was on his belly moving in soft and gentle movement.

"Shhh papi, it's ok....fuck those heel-well you already did.... Anyway! You were just tired and I was frustrated . Let's forget about now and move on",Jungkook smile as he rest his chin on Taehyung's shoulder, pecking it then his hand grab something from his back and Taehyung gasp at the brown paper bag .

"Ohhhhh you got me my Hotteok! ",Taehyung was already drooling ,he took a huge bite and moan at the cinnamon he was craving for. Jungkook just continue giving small massage on the bump, loving the small kick he got against his huge palms.

"You want something else? ",Jungkook ask softly licking a spot on Taehyung's neck before sucking on it, earning a low moan.

"Mmmmm, yeshhh. I want a skin to skin cuddle",Jungkook smirk a little bit.

"Only cuddle?",Taehyung lean back on Jungkook, tilted his head back to look at Jungkook then smile.

"We will see after the cuddle",Jungkook smile vanish slowly as he attack those lips of his husband that seem to keep wanting his lip. He moan himself at the sweetness and cinnamon taste of Taehyung's mouth.

"You are beautiful ",Jungkook break the kiss and nuzzle his nose against Taehyung's. The vampire omega giggle and wink at him.

"I know ",Jungkook threw his head back laughing, by the way Taehyung wiggle his brows afterwards.

## Chapter 65

"AHHH FUCKKK MY BABIES DADDY!! DEEPER PAPII! ",Taehyung scream as his body move up and down on his side... While papi-i mean Jungkook was fucking him from behind.

"Fuck- Don't mention them cub!! Go to sleep babies! Don't mind eomma, appa! ",Jungkook grunt, softly caressing the huge baby bump....dumbfuckingbass....

Taehyung wake up horny again in the middle of the night, not wanting only a blowjob this time... Ahehehe... So Jungkook jump on the opportunity. Currently they were on their shared bed in Jungkook's apartment. Taehyung was laying on his right side with Jungkook behind him having his throbbing Cock buried inside Taehyung's tight clenching hole right now. Jungkook had his right arm wrap around Taehyung's neck as he thrust more carefully and left hand under Taehyung's left leg's knee, holding it a little up to get better access.

"Ah! Yes! Yessss! Papi faster! ",Taehyung was already crying in pleasure as both his hands were scratching or holding the muscular veiny arm around his neck at the same time tilting his head more on the pillow to let Jungkook mark his neck again and again.

Jungkook grunt with a low growl ,both a sweating mess. The nerves explosive scent surrounding the room as the bed creak against the wall....it was there third bed since they came back.... Would they break this one too?... No... Not until Taehyung finally give birth. That's what Jungkook had thought before everytime Taehyung want rough sex. Taehyung was on his finally month and vanilla sex was the only thing allowed, no rough one. Even now Jungcock was not fully deep inside Taehyung, he was just thrusting half in fear he might break the placenta... We never knows they aren't normal humans after all.

"Please! Please Jungkook deeper! ",Taehyung wanted more, his mind fully consume with lust and wanting to feel good. Jungkook grunt licking the mark he just made as his eyes travel hungrily towards Taehyung's swollen chest. The nipple was red and milk leaking from it... Actually they end up like this ,because Taehyung's chest was hurting a lot and Jungkook kinda help him... Ahehehehohohohehehe.. 😊

The true blood slide his Cock out of his mate and carefully turn him on the bed. Taehyung whine a little bit as he was place on his back and whimper when his legs were wide open. The way Jungkook's sharp eyes meet his after sliding his Cock back in made Taehyung blush and feel a little self conscious.

Taehyung knew it was a dumb thought but yet he couldn't stop thinking he might be looking a little ugly with such a huge baby bump with lots of stretch marks on it. Not facing Jungkook was easier than having him looking at Taehyung right infront him.

"Ahhmmm~~",Taehyung arched his back, his finger instinctly finding their way in

Jungkook's hair when the younger latch his tongue on his left bud, swirling and sucking on the excessive milk.

"So fucking delicious ",Jungkook graze his teeth over it ,his eyes lustfully meets Taehyung's. Taehyung look away and moan louder when Jungkook went back to sucking his right bud now while playing with the other using his hand. The vampire omega grip harder on Jungkook's hair when he start trusting again. His hot breath hitting Taehyung's sensitive skin, making his toes curl down as he felt more arouse with the skin slapping against each other.

"Arhghh! Look at me when I fuck you so good! ",Jungkook growl and lean back sliding his arms under Taehyung's knees as he kneeled straight on the bed and thrust faster inside Taehyung's warm, soft hole all while he control himself to not thrust deep balls.

Taehyung look away too embarrassed and in a fear to caught Jungkook's disgusted look for even one second. He knew it's not the case ,but somewhere in his brain ...it's there. Jungkook growl a little angry when Taehyung doesn't look at him. Concentrating better on Taehyung he could hear his thoughts and that made Jungkook angrier his eyes went red, not liking his omega thinking like this about himself.

Play song if want: V x Jk (mash-up: euphoria+ sweetnight

"MINE! MINE! MINE! ",The sudden deeper voice of Jungkook made Taehyung flinch a little bit. It was Jungkook's wolf taking over as he protectively wrap his arms around the baby bump. He growl pressing his lips against the baby bump and Taehyung felt a sudden shiver. He love when Jungkook get all possessive and protective.

"Yes all yours Alpha, all yours! ",Taehyung nodded, carefully ruffling Jungkook's hair who lean more, getting his senses back.

"So beautiful!! You are so fucking pretty just for me! ",Taehyung look at him with his teary eyes while panting..Taehyung moan louder by the sudden handjob he was getting. Screaming each other name Jungkook quickly pull out and held his Cock against Taehyung's while both cums were overflowing on Jungkook's palms. Jungkook suck on his lower lips, nose scrunch in the arousing view as Taehyung squirm beneath him. Taehyung throatily moan at the swollen Cock of Jungkook. His Cock was twice bigger than usually. Taehyung wanted it to knot inside him.

"Ah~papi! Came-m-me in-me ",Taehyung pant, throat dry as he look at Jungkook grabbing a few tissue papers and cleaning the cum... Not before licking his finger winking at Taehyung.

"Salty~...Cumming in you, would have been troublesome to clean ",Taehyung gave a soft smile as Jungkook slide his brown panty back on him while quickly wearing his own black boxer.

"Shower? ",Taehyung Shook his head and quickly pull the blanket over him even if he was feeling hot.

"N-No sleepy", Taehyung muttered , swollen poutily lips. Jungkook sigh and pull the blanket away, earning a small squeak from Taehyung who roll on his side. But Jungkook was faster to pull him on his side and lift him up ,settling his husband on his lap cradling him like a baby.

"Wh-",

"Shhhhh my Love", Taehyung brows were creased as he place his arms over his stomach. Jungkook's had his arm bend under Taehyung's head and right arm pushing Taehyung's hands away over his tummy.

"You know you make me go insane, seeing you with this adorable baby bump, my chest swell in pride you are carrying our pups. It's so arousing... Why are you so sexy? ",Jungkook lick his lips with a gentle smile, lifting his hand from caressing the bump to caress Taehyung's cheekbone.

"I am sexy?", Taehyung's Doe sparkling eyes finally meet Jungkook's one which was filled with adoration and love.

"It's a fact babe, you make me so proud. Seeing you with this swollen tummy make me so proud of you. I am very grateful for that Tae, thank you", Taehyung subconsciously smile and Shook his head a little bit before pecking Jungkook's lips.

"Don't ever think you aren't appealing to me. That's impossible,.....you are beautiful no matter how you are. You are still my Taehyung, my mate, my husband, the eomma of my children and you are my heart... Which I can't leave without ", Taehyung had emotional tears filling his eyes as Jungkook's soft voice and eyes prove he wasn't lying .

"I like it, continue ", Taehyung giggle snuggling closer against Jungkook's warm skin making the true blood chuckles before continuing, his hand work on the beautiful tummy as he leave a slow kiss on Taehyung's temple.

"You are the source of my energy. You are my everything and the banana milk of my eyes ", Taehyung laugh softly ,his left arm bend as his fingertip trace heart shape on Jungkook's chest.

"Those stretch marks are your glory Tae. I don't know about you, but I am proud to see you with them. Indicating the superhero you are carrying our pups. It indicate how strong and fabulous you are...",Jungkook said sincerely, also attempting to make Taehyung feel better.

"Really? It's not um...kinda ugly? ",Jungkook immediately Shook his head.

"No, it's beautiful. I think people should normalize stretch marks and see it as beauty marks ,like freckles.... See you are my precious beautiful tiger", Jungkook leave a kiss on his ear while tracing the one mark.

"Its nice to see you talk so maturely... It's usually me who have those mature talk. But since

my pregnancy I can't stop being a brat ...I am sorry for troubling you so much koko", Taehyung sigh and lift his arm up to caress Jungkook's scar.

"I don't mind being the hyung sometime and don't worry about being a brat. I am always here to take care of you and protect you my taeger...sometime you do go overboard but it's OK... Hyungs taught me how to handle it... I am all good now",Jungkook grin and take Taehyung's hand to leave a kiss on his palm.

"Gawd, I love you Jungkook ",Taehyung snif and hug Jungkook tightly.

"I love your moreeeee Taehyungie",Jungkook chuckles while hugging him back.

-----

"C'mon mushroom head, let him breath",Jimin chuckle as he look at Jungkook on the back seat of the car Yoongi was driving.

"Heyyy!! He is still Coconut head! ",Taehyung whine and cuddle closer to Jungkook who held Taehyung closer and stuck his tongue out at Jimin.

"Jinnie you OK? ",Yoongi glance at him, when the beta squirm on his seat.

"I am fine hyung, just a little bit restless",Jimin smile brightly and rub Yoongi's huge veiny hand which was on his thic thigh. Damn his man look hot driving with only one hand.

"OK, you tell me if you want me to stop",Jimin nodded with a chuckle.

"Oh! Where are the milk powder packets?! Did we forget them at the mall!? ",Jungkook suddenly remembered it panicking for Jimin.

"Relax kook it's with Jin hyung",Jimin said in his soothing tone, while Jungkook nodded and look back seeing the white car following behind. Namjoon, Jin, Hoseok, Y/n and Jina in that car... Don't worry Jin was driving not Namjoon so they are safe.

"Hey Minnie, it's OK. Don't be sad about it",Taehyung stretch his arm on Jimin's shoulder who gave him a smile tapping on his arm. Jimin was a little sad that he wouldn't be able to breastfeed his newborn soon.Sadly only male omega sad the ability to breastfeed their newborn, so Yoonmin's pup will have to live on milk powder.

Right now they were on their way to Crystal pack in Busan. Taehyung and Jimin already had the idea to give birth in the pack. Everyone had their business schedules clear, their assistant managing it in their absence.

Jimin was near to give birth, literally any few next days coming and Taehyung knew he would give birth two or three weeks after Jimin. Jicheol and Dong-wook had already prepared the delivery room with medical equipment and all. The soon to be grandpas were

excited.

"Koko!! Look! ",Taehyung excited pointed at the sea when it come into view, remembering last time they were there and it had rain... The day Taehyung told Jungkook about his past.

Jungkook look out and gave a tight smile towards Taehyung as if he was disturb from his train of thoughts. Taehyung knew what he was thinking about. They even had a huge argument about it... But couldn't stay away from each other.

"Koko please don't ",Jungkook sigh, a little annoyed as his brows met.

"I can't... ",Jungkook can't stop thinking about it.,he just can't. He was still angry about this decision of Taehyung. His Vampire Omega wanted a natural birth when the doctor clearly mentioned its risky for him, yet he refused C- section . Giving birth to one baby was painful and tiring and here Taehyung had to give birth to triplets without any rest... His health was no more strong since he gave up on his immortality.

Jungkook noticed that, even if Taehyung try to hide it. The hickeys he left on Taehyung no more disappears in one day, it take to 4-5 days for it to vanish completely. Taehyung gets tired quickly too even before he was 3 months pregnant. Once he cut his finger and it didn't heal in a few second, that took him hours.

Taehyung had the strong desire to see his pups coming into the world and breastfeed them even if he would go into lots of pain. The doctor said it was risky for him, but he knew he was a strong vampire and thing will go easier .

Jungkook knew he was gonna to be stubborn about it, so he was still thinking about a better idea. Where he would be sure both, his husband and the triplets would be fine.

-----

"How was the journey? ",Jihyun asked giving her warming smile.

"It's was nice and tiring ",Jimin smile back tiredly while caressing his baby bump. They were in the living room of the main house in the pack. Kim family went to their house after greeting the Luna.

"Aishh dumpling cheek, take better care of my son",Yoona smack Yoongi head who glare at her rubbing his head.

"I do, and I am your son too! ",He whine back.

"Yahh I don't have memory lost you fluffy kitten",Both glare at each other, sitting next to each other on the couch.

"Um Tae oppa, Jihoon didn't come? ",Jungkook gave his sister a small glare.

"Oh he will! But not now he have to take care of work. But don't worry he will come later, after I give birth", Daehyun grin as Taehyung winked at her. On her previous birthday which she celebrated in Seoul, she finally got to know her mate. Jungkook and Jicheol act like the tough protective men against Jihoon. Dong-wook had to take thing in hands and had a nice talk with Jihoon about having his niece as Jihoon's mate and if he had any problem.

The family was happy when Jihoon said he have been waiting for his mate since two years and was more than happy to know it was Daehyun. Jicheol's ice broke a little bit and accepted him while Jungkook still can't set his mind around the fact his baby sister already have a mate now... He was happy but yet a little grumpy.

"Where is appa and uncle? ",Jungkook asked hand around Taehyung's shoulder.

"Hunting like always, together ",Yoona added with a rare small smile. Jungkook return a bigger smile. Jicheol and Dong-wook relationship were so precious, they are cousins but like to be known as brothers more. Jungkook can't even get jealous because he have the same relationship with Namjoon and Yoongi.... His precious brothers.

"So? happy you guys are back? ", Jihyun asked excitedly remembering last time they came.

"Definately, now we will return with babies",Hoseok flash his heart smile as everyone agree with him..

"Except me, I have a few months to go",Y/n added with a nervous smile. She have been scared to pop a baby through her vagina... Ouch... Having period every month doesn't seem bad to her now.

"Aha! Told you donkee! TAEHYUNGIE!! ", A wild happy Jicheol appeared and made his way to Taehyung happy who got up pressing on Jungcock in happiness and went to hug Jeon appa.

"Appaaaa! ",Taehyung excitedly yell hugging the older.

"Ah-My di-willy!! MY WILLY-WILLY TAE! ",Jungkook had his hand over his crotch as he look all red thrashing on the couch.

"Ouch sorry",Taehyung apologize worriedly as Jungkook just pant and sat on the couch...

-----

"You saw Jimin? ",Yoongi ask Jungkook suddenly when he saw him at the fighting area.

Jungkook was only in his tight black jeans and shirtless.

"No ,actually I was going for a run but now I think we should look for our husbands",Jungkook's forehead was creased in worries.

"Taehyung is missing too? ",Yoongi frown.

"One hour ago he said he was at Namjoon hyung's with Jimin,I just, linked him and he said they never came",And that made the alphas more worried.

Yoongi sniff around in the air concentrating while he walk with Jungkook towards their scents.

"Good, they are still in the pack",Jungkook added seriously.

-----

"Minnie I hope Jungkook doesn't find me",Jimin who was putting on his boxer with flushed cheek nodded.

"Damn that hurts a lot, I forgot how it feels... I literally thought I was getting teared apart",Taehyung chuckles nervously as he was only in a shirt of Jungkook and under it he was naked.

"But it feels good after the pain... So it's worth it",Taehyung's fake enthusiasm made Jimin laugh as he sat on the small chair wearing his sweatpants.

"Yeah it feels good.... Now get on the bed, we got to make you feel good",Jimin grin while Taehyung roll his eyes by the not so funny dirty joke.

-----

"Isn't that Alpha Lee's house",Yoongi frown while Jungkook growl lowly, why his omega was here inside an alpha's house.

"The fuck they are doing here!? As long as I know he is a plumber, what the fuck our mates need from a plumber!? ",Yoongi had his angry cat expression on as he bang on the door... Both looking like scary street gangster, with Jungkook bare chest and tattoo on view.

The door was open and they saw no one. The brothers look at each other confuse.

"A ghost plumber? ",Jungkook voice out, Yoongi just gave him a blank look for a few seconds.

"Then we have to get salt... Ghost's fear that shit right? ",Both seem intense in their shit.

"Hello!?? Who do you want!? ",They both look down at the small voice and saw a girl maybe around 6 years old.

"Oh... I know you but I don't know your name princess ",Jungkook remember the pack members and also this girl who he had seen with Taehyung when they came here months ago.

"....princess then",she had a smug look.

"Damn she is Savage",Yoongi laugh at Jungkook.

"And you are over-age.. ",Both gave the girl a what the fuck look.

"That doesn't make sense... ",Yoongi squint his eyes towards her.

"Like your existence doesn't make sense",Jungkook went woooahhhhhh as Yoongi had his mouth touching the floor.

"Feel like it's Yoona' aunty younger version ",Jungkook laugh.

"Ohh Yoona unnie? She is my history tutor ",the girl beam.

"Pfffs unnie? She is grandma",Yoongi whisper to Jungkook.

"I know bro",they laugh lowly. Thank god Yoona wasn't there or they would have another yelling session running away from her like last time on the bachelor party day.

Jungkook's eyes flash red and he run inside after hearing Taehyung yell. Yoongi gave a quick smile at the girl before running after Jungkook. Jungkook saw Jimin worriedly coming out of a room... Probably he had smell them coming.

"Jung-",Jungkook ignore him and run inside the room throwing the door wide open. He growl louder his wolf taking over, seeing a lady in her 30 having her hands near his Husband's thighs and standing in between his legs while he was half naked.His eyes lock with a crying now in shock Taehyung and he went crazily protective.

"Koko-fuck!! Noo! Stop! She did nothing leave her Jungkook! ",Taehyung glare at Jungkook, worried he might hurt her. Jungkook had already pull her away, glaring and growling at her, she was already on her knees submitting. Only a trueblood can make a mated Wolf submit.

"Jungkook! Snap out of it! You are scaring me",Taehyung lie to make Jungkook stop whatever he thought he was going to do. Jungkook step back his eyes turning back to normal as he look at Taehyung before frowning and throwing the blanket over him since he was still naked.

"Jungkook? ",Yoongi ask outside.

"Stay out hyung",Yoongi gave an OK while Jungkook glare at Taehyung who blinks feeling

guilty for not telling Jungkook what he Came here for.

"Mind explaining me?Because she is no doctor to be checking you up.",Jungkook pressed on his words as he said it with clenched teeth.

"Areum I am very sorry for what my husband did. Jungkook say sorry" ,Jungkook poke his inner cheek as he look down at the woman who was trembling and he felt bad.

"I am very sorry for what I did. But my wolf and I went crazy seeing our mate half naked with a lady inbetween his legs... We can't let anyone harm our mate and pups...while I still don't know why my mate is here",He glare back at Taehyung who felt guilty now.

"It's o-ok",she got up and walk out of the room with a 'I will let you talk'.

"Explanation, right now! ",Jungkook demande in his low deep voice standing infront Taehyung who had his legs bend on the bed lower part with pillows under his head.

"Waxing",Taehyung sigh looking at the ceiling ,feeling his cheeks burning in embarrassment. Jungkook was now confuse trying to understand what the fuck his mate said.

"What? ",Taehyung look at him a little.. Don't know how to say it.

"DamN JiMiN! You could have tell me! I would have do it for you!! ",They could hear Yoongi loud voice outside.

"We would have end up fucking hyung! ",Jimin whine back.

"So? ",Jungkook ignored the voices and focus on Taehyung .

"Ooffffff! I can't wax or shave by myself! So she was waxing my pubic hairs!she is an esthetician Damn it! ",Taehyung groan and look away.

To Taehyung's surprised Jungkook was laughing loudly, tears forming in his eyes as he can't stop laughing at himself for thinking the worst and at the same time Taehyung's funny expression.

"Jungkook! ",Jungkook's laugh lower as he cough trying to steady himself.

"I am sorry love, it's just funny how I react thinking she was hurting you and then your expression ",Taehyung huff pouting.

"You could have just told me babe, I would have helped you shaving or waxing it",Jungkook's voice was gentle and sincere no sound of even a little bit of mocking or teasing.

"I don't know, it kinda... Kinda weird to ask you this and it was a jungle down there",Taehyung Chuckle softly a little shy under Jungkook's loving eyes.

"You shouldn't be embarrassed to ask me anything or do anything my love. I will never judge you, I know we judge each other jokingly but never seriously...you really think after all the most embarrassing thing we did... Me Shaving your pubic hairs would be embarrassing? Not a damn chance ",Taehyung giggling with Jungkook funny tone at the end.

"Sorry koko, I just wanted to get it done before the delivery and also didn't wanted to ask you to do it... I was dumb on that one",Jungkook agree, they didn't made love since two weeks now . Taehyung wanted to be more cautious.

"Mmmm let me see this beauty", Jungkook wink at him pulling away the blanket and lick his lips. With a feathers like touch his finger hovered over Taehyung's now smooth and red skin.

"This look inviting ...yet painful" , Taehyung who was sucking on his bottom lips feeling arouse under his husband's intense gaze, chuckle shakily.

"It does hurts a lot, but now it's all soft",Jungkook smile, pushing his lusty thoughts away .

"Mmm are you all done? ",Taehyung nodded propping on his elbows. Jungkook grab his boxer and sweatpants next to the bed and slide it up Taehyung's legs, resting the waistband under his belly. Jungkook then leave three pecks on the huge tummy then proceeded to peck on Taehyung's lips.

"Next time you are pregnant, I will wax it ok",Jungkook carefully pull him up and carry him out of the room in bridal style . Taehyung open the door then wrap his arms around Jungkook's neck snuggling his nose there taking in his scent.

"Whatever you want koko",Jungkook grin and his lovesick gaze was back looking at his mate.

# Chapter 66

## Chapter Summary

The scene of c-section is kinda very details.

01/11/20

After a few days Jimin gave birth naturally in his shared room with Yoongi at the pack . The main house was full of screaming at 4 in the morning. After 30 minutes in pain and screaming the adorable fluff ball was born. The moment the contractions got worst the doctor thought it was easier for him to stay there and give birth.

Yoongi was the first to see his new-born, since he was with Jimin all this time. His family out waiting in worries could finally celebrate after hearing the crying of the baby. The Alpha had his eyes filled with tear and huge smile on his lip when he held his new-born in his arm.

"Jimin-ah we have a Min Yoomi, see she has your smiley eyes ",Yoongi proudly show his mate who was still panting softly in exhaustion. The pack doctor congratulate them and left the room after making sure Jimin and the baby was fine. The midwife also a nurse and wife of Doctor Jung helped in cleaning the baby before giving her to the father.

"She is beautiful hyung, she have your cute nose",Jimin chuckles lightly while Yoongi gave a gummy smile and left a sweet tender kiss on his lips..

"Thank you for giving birth to our daughter my love",Jimin couldn't be prouder.

-----

Jimin's mattress was changed, replaced by a new one. Yoongi had carry out, and present her Alpha daughter to his family. Yoona burst into tears the moment she held her ,obviously making everyone almost shock . Dong-wook had congratulated his son while pecking the

baby girl's head and gifted her a gold chain. Jungkook stay to see his niece after making sure Hoseok was taking care of Taehyung.

During those time, Taehyung ,Hoseok and Y/n had almost run in the room to see Jimin, well Hoseok had helped Taehyung. Seeing his best friends Jimin grinned widely his eyes not visible. Hoseok and y/n hugged and congratulated him while Taehyung waddle towards him with teary eyes and pouty lips.

"Jiminie? ",he almost squeak worried about his brother. Hoseok knew their bond were stronger so he made way for Taehyung who with y/n's help sat on the bed next to Jimin.

"Hey Tae, don't cry I am fine now",Jimin caress his cheek after wiping his tears. The beta was already sitting on the bed with the help of the softness of the mattress under his butt.

"You scared me screaming so much, I was at this to come in if it wasn't for Jungkook stopping me",Taehyung show his two fingertips touching.

"Well that did hurt alot, I thought my daughter was going to tear me open... But seem like all is good now. Oh!! You saw her? ",Jimin asked excited.

"We saw her but Tae didn't, he was worried sick for you. She is just so beautiful Jimin",Hoseok smile warmly rubbing Jimin's leg.

"Beautiful is just plain compare to her. My niece is an Angel!! So pretty and pure and ethereal and gorgeous-",Y/n added happily making the other chuckles.

"We got it babe! ",Hoseok peck her lips to shut her. Then the door open and Jungkook appeared making Jimin gasp and Taehyung froze. Jungkook with a soft smile holding his new born niece in his huge arms. Yoongi still smiling by his side.

"Tae love, let me present you again our niece aka our daughter from other parents Min Yoomi",Jungkook chuckles as he carefully approach a still frozen Taehyung. Jungkook rarely hold Jina and almost never carried Jina too much as a new born only later when she grew bigger he would carry her.... But seeing Jungkook with a newborn having this huge smile made Taehyung realise soon he would be seeing this too with their pups. It was like a small trailer, thinking about it was nice, but actually having it happen infront you get your emotions more raw and mess up.

"Tae? ",Jungkook look confusely at him and Taehyung blinked away his tears and happily took Yoomi in his arms. Jungkook stand there helping him.

"Hi uncle Taetae's Meringue", Taehyung sniff as he use his finger caressing her very small nose. She whine and suddenly grab on the finger then seem to sigh in relief. Taehyung try to hold his squealing ,her fist holding only his one finger was so cute.

"She likes you",Jimin's soft tone distract Taehyung who look at him smiling before passing her to Jimin who whimper a little bit holding her.

"Minnie?? ",Taehyung look at him worriedly.

"Relax Tae, I am fine. It's natural to be in a little bit of pain for a few days, don't Worry"  
,Taehyung still didn't calm down even after Jimin gave him a reassuring smile. Taehyung bite his lips and place his hand over Jimin's hand.

"Keep your hand away Tae",Jimin glare at him knowing what he was gonna to do.

"Jimin-ah,please ",Jimin Shook his head making Jungkook frown realising what was happening.

"No, you aren't using your blessing on me ok. You should keep it Tae you need it more than me",Taehyung pout and Jimin just smile kissing his cheek.

-----

Exactly one week later Taehyung was debating on his decisions about giving birth. Since last night Jungkook have been convincing him to do C-section.

"Tae please don't do this to me... I almost lose you and our babies once I can't risk it again... Please ",Taehyung try to look away from Jungkook who was squatting down infront Taehyung who was on their shared bed.

"K-Koko ",Taehyung rub his face with a long sigh and look down at Jungkook who had his palms on both Taehyung's thighs and Bambi eyes pleading him.

"You want to see our pups coming in our world, you will. You will not be unconscious and they will only put anesthesia in half of your body. So no pain during that ",Jungkook's forehead frowning and he keep giving that begging tone. Taehyung look at his sonography picture thinking about how he was going to risk lives with his decision.

"I will do it",Jungkook jump on his feet in happiness and hug his mate, feeling the heavy feeling disappeared. Jungkook was right and have all rights to tell Taehyung his decisions and atleast he consult Taehyung first with every important decision he takes.

"Thank you so much Tae! I am so happy right now! ",Taehyung just hummed.

They did thought about Taehyung giving birth in his wolf form, but the risk was too much to shift right now. The bones cracking to shift can harm the placenta.

-----

Taehyung woke up in the middle of the night, while squirming around on the bed. He had got a nice feet massage from Jungkook which had sent him in dreamland.

He checked the time and see it's 5 in the morning. His back was paining a little bit and he was hungry as hell, yet he couldn't eat. At the same time he was feeling a lots of kicks inside his tummy and that made him groan louder.

"Go to sleep my roses please, eomma is tired and hungry", He tried to soothe the pain away rubbing it softly. But seem like the triplets weren't having it, they were hungry. Taehyung sniff feeling helpless because he can't eat before the C-section which was in 4 hours.

"I am sorry, but I promise to feed you a lot once you are out", Taehyung cry softly and hear the movement of Jungkook behind him. Soon he felt Jungkook's body press against his back and hand finding their ways on his swollen tummy giving soft caress.

"Mm Love? ", The hoarse sleepy voice of Jungkook made Taehyung look over his shoulder to see half open eyes Jungkook, a pout dancing on his lips and hair like a Bush.

"They are hungry koko", he mumble softly trying not to cry. Jungkook blink away his sleep and frown then peck Taehyung's temple.

"I will be back in a minute ", the moment Taehyung felt the bed cold he stop Jungkook.

"No! Don't leave me please", he whine and Jungkook just made his way on Taehyung's side and stretch his own body, the trueblood was only wearing his Grey sweatpant.

"Let's go my cute monkey ", He grin and lift Taehyung in bridal style and walk to the kitchen. Taehyung smile, he love Jungkook so much that even the word seem like a small thing compare to his feelings for Jungkook.

Taehyung sat there on a chair as Jungkook seem to be heating up some milk for him. He smile thinking about how much Jungkook does for him and their pups. He remember when he first met Jungkook, the big bad trueblood. The asshole who was too arrogant and heartless. Everything was just a facade... Turn out Jin was right, once he warm up to someone he will be the cutest annoying brat and Taehyung loves it. He can't stop thinking and find it really sexy. Jungkook being mature having hot tattoo and taking care of him Is tooo hottttt.

"Here you go my King", Jungkook gave that charming smile placing the warm milk in front Taehyung who smile back and sigh feeling the warm milk travelling his body and reaching the babies.

Jungkook stand beside Taehyung caressing his hair, putting some behind his ear and smile at how Taehyung sigh in relief.

"Sorry baby, but the doc said no solid food during 8 hours", Jungkook look like he was in pain now. He had been seeing Taehyung eat as much he wanted and now he couldn't eat for 8 hours before the operation. At the same moment he could felt the pain lightly in his own body and he felt more guilty to make Taehyung go through all this all alone.. If only he could take all this pain..

"I am not alone koko, you are with me and taking care of me is no less than pain ", he chuckles and Jungkook Shook his head in a no.

"Don't say that, taking care of you isn't painful at all. What's painful is seeing you in

pain",Jungkook bite his lower lips and Taehyung just hummed taking Jungkook's hands in his.

"Heyy shhh OK, I am doing this for us. The pain is only temporarily after that we will have our roses in front of us",Jungkook smile nodding leaving another kiss on his temple and rest his palm against the kicking of his little ones.

"Let's go in our room babe... You can eat breakfast in bed then we take a shower", Jungkook pick him up again, Taehyung was already drooling, breakfast? Jungkook's blood...

-----

After 4 hours Taehyung find himself in the room Jicheol and Dong-wook had prepared for him and Jimin... But seem like he will be the only one using it.

"It's gonna be ok Tae ,I am here. I am not leaving ",Jungkook gave him a reassuring smile and Taehyung nodded holding Jungkook's hand tighter getting on the bed. They both were wearing hairnet and Taehyung was wearing a loose white dress with Jungkook a plain black shirt. It wasn't hospital so they didn't had to wear the attire according to a hospital should have during an operation.

"You don't have to be scared Taehyung, it will be painless. But you will have very low sensation like pulling or pressure. I will simply numb it from the waist down using regional anesthesia aka an epidural. So don't worry and relax",the way Dr Jung gave a reassuring smile made the couple calmer.

Everything was set his wife helping him. Taehyung had like a drape hanging over him right on his chest. Separating him from seeing what was happening with his lower body behind the curtain.... 😊 ...

Jungkook might be reassuring Taehyung , but he was scared to hell and back. But he had to keep strong for Taehyung... Yeah..

"Oh my non-existing resistance for Taebooty!! What are those!? Guns!? Aren't it a little too big in the name of needles? ",Jungkook already started to freak out.

"It's just the anesthesia, don't worry Taehyung it's not painful at all",Taehyung smile with a nod as Jungkook hold him from his side, because the injection is made on the back.

"Koko don't freak out on me right now",Taehyung hiss a little bit and Jungkook hold him tighter in worries.

"Promise I will try to be stronger for you Tae",Taehyung gave him a soft kiss .

20 minutes later Taehyung look a little droopy . He was sweating, there was a lot of unknown sensations travelling his body even through he felt no pain. Jungkook was beside him worried huge bambi eyes on him while dabbing the towel over Taehyung's forehead and leaving sweet kisses telling him he was doing well. Jungkook was a little worried he might feel the pain since he had no anesthesia in his body, but seem like the pain wasn't that painful and was much lighter.

"I am giving you a bikini cut Taehyung, I think it's much better than classical cut, because the scar will stay",Dr Jung said behind his mask. Jungkook look at him confused.

"There are fashion cuts!? Lace cut? Willy wonka cut? ",Mrs Jung chuckles at the confuse bunny.

"During C-section there are only two cuts, classical cut which is vertical cut and Bikini cut which is horizontal one",Jungkook let out an oh with a slow nod.

"You are doing so well my love", Taehyung smile humming ,his nose was red and eyes teary, he was feeling overwhelmed .

"Soon we are going to be proud parents",Jungkook lowly squeal .

"Yes",Taehyung smile his boxy smile making Jungkook boop his nose against his. Jungkook's eyes widened when he suddenly hear a baby crying. His neck almost broke the way his head snap towards the doctor.

"It's an Alpha baby girl, Jungkook would you like to cut the umbilical cord? ",Jungkook rose up from his seat and nodded quickly. His heart sank a little bit seeing Taehyung's inside organs out but his heart flutter upon seeing his first daughter. After cutting the cord Jungkook took her carefully in his arm and went to show Taehyung.

Taehyung gasp his tears finally spilling out and Jungkook couldn't hold his too. Taehyung stay still and lift only his right arm caressing the baby still in blood and white substances.

"Our eldest baby girl",Jungkook cry trying to chuckles ,and stop when he heard another cry and Mrs Jung took his first daughter away to get her clean.

"Oh another beautiful Alpha baby girl Mr Jeons",Jungkook gasp happily and went to look again cutting the umbilical cord of his second daughter. He didn't care he was getting dirty with blood and all he just took her happily and scrunch his nose in happiness when her little adorable lips parted to cry louder.

"Hey love it's appa, Tae look! ",Jungkook place her small head against Taehyung's bigger one . Taehyung sniff while grinning looking at the small beauty.

"She is beautiful like her elder sister",Jungkook agree and Mrs Jung took her too.

"Doc? ", Jungkook frown when the Doctor was frowning too. He walk away from Taehyung to not worry him. He look at the baby in Mr Jung's hand and his heartbeats rises, the baby wasn't crying or moving.

"J-Jungkook? ",Taehyung's panick voice could be heard in the room echoing.

"T-Tae it's nothing ",Jungkook lied.

"Why-",Jungkook protectively place his hand over the baby's head and the baby start crying suddenly louder , Jungkook sigh in relief. After cutting the cord he bring the baby to a worried Taehyung.

"It's a boy, our first babyboy and he is an omega like you",Taehyung burst in tears knowing all his babies were born and fine....

Doctor Jung work on sewing back the cut, while Jungkook cuddle with Taehyung trying to calm him down and happy with his complete family.

"Here you go",Mrs Jung gave Jungkook his two daughters who were wrap in a light red blanket and place the youngest one on Taehyung's chest . Taehyung quickly push his cloth away freeing his chest, and gave his son what he wanted to latch his lips on. Taehyung giggle with new tears in his eyes, happily to finally being able to feed his baby.

"Seem like I can no more have some milk",Jungkook fake pout while lightly rocking his daughters, they seem to quite down in his hold.

"Koko! ",Taehyung glare at him because the doctor and his wife was still there.

"Surprisingly they were all in one placenta. Usually they can be in seperate one or two in one placenta while the other in a separate one...also you did great Taehyung ",Taehyung thanks him feelings more exhausted now feeling stinging in his lower part.

"Our daughters are identical tho, luckily they don't have same beauty mole. Our son is almost identical to them too",Jungkook giggle soft pecking their temple, his heart warm up at the thought he used to give pecks on the tummy and now he can finally pamper them directly.

"Our son look more like you tho",Jungkook grin proudly when Taehyung mention it.

"Duh of course my son will be handsome like me",Jungkook smirk.

"Pfftt our daughter make it difficult to say who they look like more, they have a perfect combination of us... Yet there beauty remind me more of you",Taehyung beam and carefully take her eldest one when she start whining and let her feed on his other bud.

"Now we have to name them", Taehyung say and Jungkook eyes widened.

"Oh... Our parents and you will decide that like we had fixed and aren't they too quite out there? ",Taehyung nodded confuse too.

"JUNGPOPFATHEROFTRIPLETS!! ",Jungkook had a done look while Taehyung laugh.

"Well seem like my parents just came".

## Chapter 67

"Hey! Hey don't move ",Jungkook run to Taehyung who was on his now share bed with Jungkook.

"I wanted to go pee",Taehyung whine, it have been already three days he gave birth and his cut was still painful. After the anesthesia wore off that's when the pain came to surface.

"Where is Baek hyung? ",Jungkook ask as he carry his husband bridal style towards the bathroom and Taehyung giggle pecking Jungkook's chin making the frown disappeared.

"He went to look after our little piggies ,I told him to bring them it's time for their lunch",He grin widely as Jungkook place him down infront the toilet and put his hand around Taehyung's torso to hold him in place. The vampire omega lift his short dress up which had 4 buttons up and did his business. Jungkook just snuggle his face in Taehyung's neck giving as much privacy he could. Taehyung didn't mind anymore, they already saw each other at their worst.

"Aren't you tired carrying me around since last night party? ",When Taehyung was finish, he turn around with Jungkook and the latter just lift him a little bit letting Taehyung place his feets on his, then made their way towards the sink to wash his hands. Taehyung was wearing a comfortable and loose boxer of Jungkook under his dress, he couldn't wear something tight for now.

"Nope never",Jungkook nibbles on his neck smiling towards the mirror looking at Taehyung. Just like for Jin, they also held a small party yesterday presenting the head Alpha and Luna's granddaughters and grandson , including Yoomi. Jimin and Yoongi had decided to present their daughter along with Taehyung and Jungkook's triplets. During the party Jungkook held Taehyung close and took care of him. While the babies were being taken care by their family, but just their family no other members of the pack.

"My adorable strong cute horny bunny",jungkook rest his chin on Taehyung's shoulder and smile his dimples visible.

"Can't be too horny for the next one month... Well until you are completely heal babe",Taehyung nodded his smile drop a little bit which didn't go unnoticed by Jungkook.

"What happened baby? ",Jungkook frown and Taehyung bite his lower lips before talking.

"I miss my strong self,I would have been completely healed by yesterday...", of course Taehyung will miss how he used to be ,he lived 93 years like this..

"Don't think like that, you are still half vampire and have all your powers and still the strongest. You just have a life span like me and your wounds heal like a wolf would.....you are still perfect I love you",Taehyung smile when Jungkook brought his hand up and peck it. He just lost his vampire's immortality and immunity against wound and health .So generally he was a half vampire and half wolf,who will grow old with Jungkook and die at the same time with him.

-----

"Jeon Tayeon you are too greedy",Taehyung whine lowly squeezing his eldest daughter's chubby cheeks . Tayeon was really very greedy for milk, she was the hungrier among her brother and sister.

"I guess you will say she took after me",Jungkook raised an eyebrow at his husband who just look at him.

"Well.... Yeah",Jungkook roll his eyes and place Tayeon next to Taehyung on the bed on the baby mattress then placed their younger daughter in Taehyung's arms.

"Look at her pink chubby cheeks, Baehyun-kim is so cute and more calmer than her sister and brother ", Jungkook roll his eyes at the name, Taehyung named their second daughter while their eldest was name by Jungkook's parents.

"Seriously did you watch Twilight before deciding this name? ",Jungkook had his son in his arms rocking and patting his small butt as he just whine softly, bambi eyes on Jungkook trying to figure out why his father is so.... Hot?

"Kinda... But! It's beautiful koko, it's our eommas name mixed and it sound nice Jeon

Baehyun-kim... Her Nickname will be kimi",He said enthusiasm wrapping his tone and Jungkook's just sigh defeated.

"Say koko",Taehyung lightly push the soft hair over his daughter's ear and smile softly at the small marshmallow lips around his bud sucking the milk out of it by now slowly. Which indicate she had enough and was soon to be sleep. Her small nails try to grip vainly on Taehyung's chest and Taehyung grab it leaving a kiss on it.

Jungkook didn't reply and with a still lovesick yet curious eyes kept looking at his younger daughter's action she was just adorable. Jungkook had noticed she have the same beauty mole like Taehyung on her left cheekbone and Long lashes. While her eldest one had long lashes but a beauty mole on her nose ,both like Jungkook and Taehyung. So he was safe in knowing who was who. Then we have the fluffy vampire omega and Jungkook was happier that he would be same as Taehyung and not a weak omega ,that satisfied his father side. Not like he wouldn't have protect his son from any harm but still he was happy no matter how he was.

" Jeonsan have a cute mole under his lower lips",Jungkook mumble softly when he went back to admire his beautiful son in his arm. The babyboy suddenly had pink cheeks as he squeal his fists over his face then he try to bite on it making Jungkook laugh lowly at his cute action.

"Just like his appa, its very exciting to see a vampire omega with your version",Taehyung grinned in a teasing way and Jungkook smirk at him.

"The death of many people who would want to court the vampire omega Jungkook",Taehyung laugh at his cocky tone ,with a small noise Baehyun-kim lips detached from his bud and he place her next to her sister who was also deep into sleep.

"Now it's your turn petal ",Taehyung whisper squealing and Jungkook smile placing him in Taehyung's arms. Jungkook had sat criss Cross on the bed beside Taehyung who was leaning against the headboard.

"Hello my third star",Taehyung booped his nose with Jeonsan's and jungkook just enjoy the view with a smile.

"You were asking me something Tae? ",Taehyung blink as he rock his body back and forth lightly while Jeonsan was having his lunch ,bambi eyes on Taehyung now.

"Yeah, I mean why didn't you wanted to name them? ",Jungkook had his bunny smile as he softly caress his son's cheek and just then the baby vampire omega wrap his small fist around his father's pinky.

"Yes sannie I am not leaving baby", Jungkook said that so affectionately and softly which cause Taehyung's heart to beat at an usual pace.

"I don't know actually, maybe I wanted to give you guys the opportunity. On top I knew I would have like the names and I do even if Baehyun-kim is a little weird... But I love it", Jungkook did a kissy face towards Jeonsan who suck vigourously his lunch and squeeze Jungkook's pinky.

"Koko why are you anxious? ",Jungkook sigh and his eyes travel on each of his children before meeting Taehyung's beautiful eyes.

"Chanyeol hyung said he have answers..... for our piggies life span and powers..... And that make me a little worry",Taehyung sigh and lean a little bit towards Jungkook to rest his palm against his cheek.

"Don't worry it will be fine koko. I am sure about that because both seem happy and no sign of worries", Jungkook break into a smile nodding and hold Taehyung's wrist to kiss the back of his hand.

-----

"Ok I call everyone here, to better clear the questions of everyone at once ",Baekhyun look around the living room.

"That's a very nice idea",Jicheol gave a tight smile as he glance at his eldest granddaughter in his arms. Jihyun had just place her there before he could say anything and since then he didn't move even one inch in fear he will make her cry. Tayeon was calm for now playing with Jicheol's collar.

"I am getting anxious ",Hoseok added with a worried smile. Y/n was carrying Yoomi in her arms the baby girl was sleeping since 15 minutes already after Yoongi had feed her.

"Don't worry everything is fine Seok",Chanyeol added as he was sitting next to Baekhyun

infront the family around them.

"Where is Jungkook? ",Jin asked looking around, only Jungkook was missing .

"He went to change Sannie's diaper", When Taehyung mention that, everyone couldn't hold their smile to hear how a responsible father he was.

"I am really proud of our sons, they are more responsible now ", Dong-wook exclaimed as he rub his thumb against Baehyun's small left feet. Yoona was next to him and rocking the the small quite one who would go to sleep after having her tummy all filled.

"Thanks appa", Yoongi gave a half smile ,too shy and Jimin just chuckle rubbing his arm. Daehyun was sitting next to Jihoon who had come the previous evening for the party. He look with a lovesick gaze at Daehyun who was playing with Jina on her lap.

"You better not be thinking about babies this earlier! ",Jicheol glare at Jihoon who was a little startled .

"Appa! ",Daehyun whine back.

"I-aishh shh! Shhh I got you",Tayeon sudden loud whine and crying face made Jicheol lower his voice as he rock her finally remembering his moves to take care of a baby after years.

"Sorry, I was just admiring Daehyunie's beautiful smile",Jihoon added a little shy now.

"I WaS aDmIrINg blah~blah",Jicheol mimic which made Tayeon laugh in her baby voice and Jicheol got busy into cuddling and making her squeal.

"I am hereee! ",Jungkook walk next to Taehyung, Jeonsan against his chest. Jungkook had his right huge plam against his head and another one on his small butt. He gave a kiss on Taehyung's lips and settle next to him.

"Jungcute",Baekhyun smile happily.

"So we did some research from here and there with old friends and all. We can tell about your triplet now",The smile Chanyeol gave reassure the family.

"Since they are half wolf and half Vampire they will be like Taehyung. Their rank doesn't define their strength or power. Like for Jeonsan as an vampire omega he will never have to submit to any rank just like Tae", Taehyung and Jungkook exchange a huge smile before looking back at Baekhyun.

"As we know Taehyung couldn't tell who his real mate was only his mate knew. The wolf in Taehyung was weaker than his vampire side.... But luckily since the triplets have more of wolf blood in them rather than vampire..... They will know about their mate",Jungkook literally squeal pecking a startled Jeonsan's head.

"That's amazing, I had a hard time ",Taehyung added remembering how he had mix feelings for Jungkook since he couldn't tell if Jungkook was his mate in the start.

"So they are literally werewolf but more powerful than even a trueblood. They are special and they can live on normal food and animal blood like Taehyung. But about the animal blood I am not sure Tae, time will tell ,you should be careful around them". Taehyung nodded and Jungkook squeeze his hand tighter.

"Also if you see they have different eyes colour than the rest of us don't freak out. It's normal because they are hybrids",Hoseok look at kimi in Y/n arms a little suspicious.

"Sorry Tae but I couldn't get an answer if they will have your healing power or not.. You are the first and only one on earth since eternity I guess",Baekhyun gave a sorry look and Taehyung just Shook his head.

"Its ok eomma, we will learn about it as they grow up",He gave his sweetest smile.

"What about their life span? ",Namjoon ask when Baekhyun seem to go silent and battling about how to put it into words.

"Don't freak out ok... ",

"Saying that doesn't help",Yoona added and Baekhyun bite on his lower lips.

"Fine I will say it",Chanyeol sat up straight, now all eyes on him.

"Suspense isn't my thing yahhh", Jihyun whine scratching her forehead.

"Its between 150-200 years.... Since they have less Vampire blood in them, they will not live more than 200 years maximum but they will slowly grow old after their 20 years old", Taehyung look down.... He doesn't know how to feel about it.

"What if one of them find their mate when they turn 18 years old? Their mate will die before them? Like if they mark each other will they die together?are they gonna to be young while their mate gets old?!" ,Jungkook spoke in worries and anger thinking about his children to see their mate die and cry over it.

"This one, I do have an answer...it depends on who mark the other first. For example if Jeonsan mark his mate first ,his mate's life span will automatically became like Jeonsan's so they will be together until death... And if Jeonsan's mate mark him first then his life span become like his mate's...so it's a win in both ways", Jungkook sigh louder through his lips, eyes travelling on each of his pups.

"I was about to faint! ", Taehyung finally laugh when Jungkook comment. But he went silent in his corner... So his roses will have no one from their family after they die in a few years?... It all depends on the triplets If they will live together or not.. One can mark their mate while the other can get Mark first.

"Taebaby don't forget ,I will be here to look after them.... I am not dying for another 1 million years", Taehyung didn't noticed Baekhyun approaching him...

"Now I remember, thank you", Taehyung hug his waist and chanyeol was in a second hugging them both. How could he forgot he have them to look after his roses.

"Thank you for giving us reasons to continue this long life", Chanyeol added and the room went emotional.

"I promise you and Jungkook to take care of and protect your children and their children too. It's more reasons to continue now", Baekhyun had both his palm against the couple's cheek as he promise.

"OH MY NON EXISTING FRONT SMALL TEETH! HE CALLED ME JUNGKOOK! FINALLY!..... Ok I am fainting", Jungkook pass Jeonsan in Taehyung's arms while he turn all pale and land on his face on the carpet.....everyone look at him in silent except Yoongi who

had gasped and point at Jungkook poking him with his foot.

"Bro you ok!? Smell my eomma's sock you will be alive again! ",Yoongi quickly pull the sock off a shock Yoona's feet.

"Oh man holyshit!! Take this garbage away! Ewww",Jungkook did a gagging noise throwing the sock ,which land on Hoseok.

"Eww dirteu! Dirteu!! ",Hoseok screech throwing it away and it land on Namjoon.

"It's Dirty! Not- wait I didn't mean the sock are dirty -Shit.. Bros we better be running !  
",Namjoon announce as he saw Yoona giving Dong-wook Kimi. Yoongi and Jungkook rose up slowly. Jungkook looking at Yoongi, Yoongi looking at Yoona-

"NOWW",Yoongi yell when he saw her taking off the slipper and in a dash Namjoon, Jungkook ,Hoseok and Yoongi run out of the room leaving Yoona running and yelling behind them with babies crying.

"WHYYYY I ALWAYS END LIKE THIS!??? I DID NOTHING!! ",Namjoon run making weird faces and saw a loud screeching Jungkook passing by him.

"RUN!! SHE TOOK THE AXE! Ahhhhhhhh! ",Namjoon didn't bother looking behind and run out faster .

"Shittttt I can imagine her SAYING HERE'S JOHNNY!! ",Yoongi was infront running like if a bear had got stung by a bee on his ass.

"CARR!! THE CARRRR!! ",Hoseok was like a rocket running towards the car.

"WHY MEE!?? ",Namjoon was still whining over this.

"BROSS FOR LIFE!! ",Jungkook yell back as he jump in the car Yoongi had already started it.

# Chapter 68

## Chapter Summary

Holaaaa~

Mah expensive bishes~

Enjoyyyyyy

"Tae are you sure about that? ",Taehyung sigh loudly and look at Jimin who shrugged.

"Yes Jiminie! ",Jimin rolled his eyes and peek behind the wall with Taehyung standing behind him doing the same.

Currently they were at the mall. It have been 5 months already that the triplets and Yoomi were borns. They all spend the first three months at the pack then return back to Seoul. To Taehyung surprised his wound took over a month to heal completely. Then the Jeon couple got busy being one of the best parents ever.

At night they would be exhausted to even cuddle with each other more than 10 minutes before ending dead sleep in their bed. Then during the night they would take turn to attend the crying pups..... It was very handfults.

Taehyung and Jungkook were both sexually frustrated, so all they could have during these 5 months were heavy make out session, humping each other, half blowjob... Why? Because everytime they are going to do more ,one of the triplet cry...

"Oh! Oh! There he is Taehoe! ",Jimin excitedly point at Jungkook entering this one restaurant in the mall..

"Oh yeah Jiwhore! ",They both share a blank look before shrugging at the insult.

"I told you he was cheating on me! He is always on his phone and yesterday he didn't even

give me a goodnight love bite! And-and this morning he left before I wake up! ",Taehyung whine seeing Jungkook smiling at the lady who seem to be in her 20s or 30s as they walk inside the restaurant.

"Um Tae, you know you can read his mind right? ",Taehyung nodded with a pout.

"I can but everytime, he would be thinking about how our little piggies are growing healthy, then praise each one, then think about who he will play first, then who he will bath first, then which color of onesie he should make them wear, then how handsome he thinks I am, how he is lucky to have me, how did he get a beautiful family with me, then how he should make love to me in every positions, how he want to eat me-",Taehyung continue to point out everything he had heard in Jungkook's mind everytime he had wanted to know why Jungkook was a little distance.

"OK! I got it !stop your train oof.....",Jimin look at him over his shoulder.

"Yeah, so he is cheating on me because he never told me about this monkey's ass face! ",Taehyung groan in jealousy.

"Say Tae you really think he is cheating on you? Like for real? ",Jimin frown and Taehyung blinks at him.

"Huh? Of course no chim.....Koko is loyal and loves me alotsss. But I am bore and Baek Eomma took the triplets this morning, so like old time I am stalking Jungkook and also I miss us bonding like this... ",Jimin smile shaking his head and pull Taehyung to kiss his cheek.

"Tae-Min the special investigators ",Taehyung nodded remembering how when Jimin was a teen-ager they would play investigation about anything just because they were bore.

"Yes",Taehyung gave him a soft smile caressing his cheek. Taehyung had a very special bond with Jimin, he have been looking after him since he was born. He had been, like a father, then brother and now his bestfriend... It's kind of Jimin was his first child and he loves him enough to give up on everything just for Jimin and Jimin will too.

"Ohhh! Let's go!",Jimin pull his hand as Taehyung fix his sunglasses just like Jimin was wearing one.

"Look how he is smiling at her! ",Taehyung point out when they sat a few table away from Jungkook and that lady. Jimin and Taehyung were wearing a horrible perfume to disguise better.

"His face is blank like a paper-but ok yeahhh he is laughing so much ",Jimin nodded playing along with Taehyung.... Who would say they where both parents and still behaving like kids.

"Lookkk! Koko is staring at her too much! ",Taehyung Huff and Jimin rolled his eyes.

"Tae she is talking so... ",Taehyung gave him a small glare. Jungkook really had his blank business man expression on but Taehyung wanted to exaggerate the situation since he was bored.

Taehyung Shook Jimin's hand, Jimin look at him and Taehyung pointed at the menu card making Jimin confuse.

"I am hungry ",Jimin facepalm.

"What will you eat? ",Taehyung grinned widely.

"Jungkookie's Dick with some hot sauce ",Jimin did a gagging noise attracting attention and they quickly hold the menu card infront their face.

"Shit! You think he saw us?! ",Taehyung whisper yelled.

"What make you think I can think during panicking moment!? ",Taehyung let out an 'oh yeah'.

"Between is hot sauce a no? ",

"I tried ketchup with Yoongi hyung... It wasn't that bad... Except I chock at the end-",Taehyung gasp when Jimin pout.

"Maybe we should stay with whipping cream or chocolate ",Taehyung sigh.

"Yeah, we should keep the dicks as desserts",Jimin hummed and peek over the menu card.

"Oh",Taehyung look at him confuse only to look towards Jungkook who gave a light hug to the lady both standing.

"Wahhhhhh",he was pretending to be jealous but end up being really jealous.

"I knew it!! ",Taehyung slammed his menu card on the table and quickly gain a confuse Jungkook's attention.

"Shit! ",Jimin facepalm, following Taehyung.

"Tae-",Jungkook smile only to frown after.

"What's happening here!? I knewww ittt! Jeon you are cheating on me! The love of your life!!the eomma of your kids!!the light of your life!!the one who feed you good!!the one who let you fuck him-",Taehyung said loudly as he made a sad face.

"What!? I am -",Taehyung walk towards the lady who was giving a weird look to Taehyung.

"Youuuuu! He is mine okkk! My husband!!!So no touching himmm got it!",Taehyung glare at her.

"Jungkookie who is he?? ",Taehyung gasp loudly and Jimin just facepalm again deciding to sit at the table Jungkook was sitting earlier.

"JuNgKoOkIe!? Are you deaf!? I said husband! I am JEON Taehyung!He is mine-  
",Taehyung pull Jungkook by his collar and wrap his arm around Jungkook's neck. Jungkook did nothing except sighing with a blank face.

"Hyuna noona he is my husband and Tae she is one of my cousin ",She smile beautifully .

"-the bunny is mine got it- wHoOt? Cousin.. Ohh!! Ohhh!! Jimin she is just a cousin!  
Hola~~nice meeting you",Taehyung smile cutely.

"Same here, sorry I was abroad and couldn't attend your wedding",She bite her lips.

"Ohhh it's ok, so umm I am leaving enjoy your lunch?... Jiminie let's go",Taehyung nervously pull away from Jimin. Jimin sigh and got up.

"Not so fast Jagiya",Jungkook pull him back with an evil bunny smile.

"Noona I will see you later",She noded and peck Jungkook's temple and wave at Taehyung leaving.

"So um, I think Yoongs called-so", Jungkook grab Jimin's collar pulling him back too.

"You two just created a not needed scandal ..",Taehyung and Jimin look at each other gulping.

-----

"Koko!! I was bore and just played around with you! ",Taehyung grip on Jungkook's blazer as he was upside down on Jungkook's left shoulder..

"Owww~!",Taehyung moan pouting when Jungkook bite his ass.

"Broo! Don't do that while holding me!! And I did nothing!! ",Jimin huff sipping on his tropical juice. Jungkook was carring him by his waist with his right arm. He literally was

carrying the beta like a rolled up carpet. So Jungkook was carrying both to the parking lot, leaving some drooling over his strength.

"You could have stopped him", Jungkook glare down at Jimin who let his hands and legs dangle then continue sipping his juice.

"Koko your ass is cute in this pant", Taehyung giggle giving it a squeeze as Jimin roll his eyes. How they end up like this? They tried to run away after distracting Jungkook into buying them juice and of course strong muscular bunny caught them.

-----

After dropping Jimin at his shared apartment with Yoongi, Jungkook drive in silent giving Taehyung the silent treatment . Of course Jungkook had told Yoongi Jimin had been a bad boy.. 😏

"Koko? ", Taehyung bite his lips when Jungkook ignore him completely walking inside the apartment. Last thing he asked in the car was where their triplets are ,after getting the answer... The silent treatment started.

"You really think I will ever cheat on you", Jungkook look over his shoulder, brows frowning.

"No! NO! I trust you and I know you will never hurt me like that. I was just bore and wanted to play around with you then she hug you and I got really jealous and couldn't hold it", Taehyung sigh at the end. Jungkook gave a small nod and continue walking ahead.

Taehyung lock the door behind and follow Jungkook who took off his tie as he keep walking towards their bedroom. Taehyung whine not getting his husband's attention. He did felt a little guilty about what he did at the restaurant. Jungkook proceeds to take off his shirt and walk inside the bathroom.

Taehyung have been more bratty recently, but he just couldn't hold it anymore. He had endure so much since he met Jungkook always being the mature and understanding one... He just wanted to sometime behave less mature too.

He heard the water running in the shower and bite his lips . He decided to take off his own clothes too completely naked by now. His stretch marks on the tummy area had permanently stayed and Jungkook had a long pampering him session to convince him he was the most beautiful person to him before his triplet of course. For around one month Taehyung had a small tummy and again Jungkook would love him and say it's normal he just gave birth to triplet... After 3 months his belly was flat and back to how it used to be before getting pregnant.....

Taehyung never really felt self conscious but it was so heart melting to see Jungkook

convincing him how perfect he is that he just act self conscious something.

# Epilogue

## Years later~

As soon as Taehyung got boxes of banana milks and choco pies in front of his house and getting the bills in his hands he takes a deep breath and walks inside. He looks at the boxes and decides to call his soon-to-be 3-year-old triplet.

"JEON TAYEON!!", She fell off her crib she was climbing on.

"JEON JEON SAN!!", He Chock on air....

"JEON BAEHYUN-KIM!!", she threw her drawing book away and looks at her brother and sister. Three pairs of bambi eyes looking at each other scared.

"Bing! He found the shoes you ruin TaTa!", Tayeon scoffs and stands on her small chubby legs.

"Yah! You got paint on it!", Kimi smiles sheepishly.

"I got the paint", Jeonsan pouts feeling guilty..

"Shhhh, not your fault", Tayeon the eldest taps his cheek and hugs him in her chubby arms which wasn't even reaching around her brother completely.

"JEON TRIPLETS DOWN! RIGHT NOW!", And they run down, knowing angry Taehyung was scary and not to make more angry.

Taehyung had his strict parent expression on his face as he sits on the luxury couch next to the boxes.

"Yes eomma?", Tayeon cutely says, making the cute bunny face knowing it's her eomma's weakness, the eldest always uses her cutest, but can be very cold the next moment and her glare was no joke.... She talks sweetly like Taehyung and can be blunt like Jungkook.

"Yes mamma?", Kimi the middle looks at her sister and brother trying to be cute with bore eyes as her long lashes kiss her chubby cheek meeting a mole on her left one.... But this little devil was more like Jungkook. She doesn't like being cute, she likes to be seen as a big Alpha girl

who was very protective towards her siblings and Taehyung.

"Yes mommy? ", Jeonsan the youngest of the triplet, was very delicate and sweet. He doesn't like to lie to his mommy and appa. He was very cuddlely and just one boxy smile and Doe huge brown eyes to Jungkook ...the Alpha gave in and pamper his son.

"Your command have been delivered... See 4 boxes of banana milk and 4 of choco pies and each box contain 100.....", Taehyung points at the boxes, carefully watching the three of now huge eyes looking at the box.

"Eomma you got this for us!? How sweet", Tayeon beam fakely, wishing to not get her ass whoop.

"Mamma, that's cool... Party? ", Taehyung glare at Kimi who look away.

"MOMMYYYYYYY!! DON'T HATE US!!! DONT HATE MEEEE! ", Jeonsan start yelling while crying and Taehyung sigh bringing him in a hug.

"Shhhh petal, calm down. I can never hate you nor your sisters", Taehyung's palm against the smaller back soothing his cries away.. while the sisters stop there acting and frown worried about their brother. They were always like this, since Jungkook explain them the ranks of wolf, they always wants to protect their omega brother. On top he was such an innocent softy one, which they have to protect.

The triplets were powerful, why not they have a true blood's and vampire blood in their tiny body. Even if Jeonsan was a vampire omega, he wasn't weak. He was just like Taehyung, sure he wasn't completely like Taehyung because he had more wolf side in him, as his mother was half wolf. As for the Vampire wolf alphas well they were no less than a trueblood Alpha. What Taehyung like the most was the triplets had healing power like him and Jungkook's strength.

"Who did it? ", Tayeon look away, kimi check her small nails and Jeonsan's lip wobble.

"It's me -",

"Us! It's always us mamma", Kimi yell glancing at Tayeon who nodded.

"Mmmmm, roses you know it's a waste right... What you did was wrong", Jeonsan grab on Taehyung's bud, Taehyung squint his eyes at him and smack his hand away.

"MOMMMMYYYY YOU HATE ME!?? ",oh...he also over react like Taehyung too...

"Oiiii I don't hate you now shut up before I stuff a bunch of donut in your little mouth",Jeonsan pout and hide his face in Taehyung's chest. If you thought Taehyung and Jungkook was the always soft, strict parents... You are wrong.... Those bishes just have their own way of raising their kids.

"I-I want boo-boo",Jeonsan grab on Taehyung's bud again, with a longing eyes.

"Nope, go drink banana milk we got a lots of stock",Taehyung smile.

"Nooooooo!!!! ",The triplet yell together, they still get breastfeed by Taehyung and for them there was nothing more delicious than the milk of their eomma. Luckily for Taehyung they have animal blood without any problems once a week.

"Mamma let himmm pwease",Kimi hold on Taehyung's leg and Tayeon grab the other... His kids were really over dramatic just like him.....wow... Karma....

"Mommy pwease",Taehyung sigh loudly and let Jeonsan unbutton his shirt before squealing his eyes turning to a purplish blue and latch his lips around Taehyung's bud.

"Don't bite! ",Taehyung scold him, when they start teething it was a nightmare for him. He then start to use breast milk pump, it was also easier Jungkook could feed one of their pups while he feed two.

"Aishhh you two get your smoll butts next to me",Taehyung let them climb the couch it was always satisfying to see the triplets helping each other and always together. When Kimi couldn't climb up with her short legs Tayeon would push on her butt then kimi would turn around and pull her sister up.... Exactly what they are doing right now.

"Sorry mamma, we wanted to try",Taehyung look at Baehyun and smile caressing her cheekbone.

"Are you all really sorry? ",The triplet nodded, Tayeon stand on the couch wobbling before wrapping her smoll arms around Taehyung's neck and head.

"We will not do it eomma.... Good eomma",Taehyung chuckles and forgive them. He grab his phone from the table and lean back on the couch. Tayeon and Baehyun-kim cuddling to his sides while Jeonsan busy laying on his eomma and kept drinking.

"Hello Jimin..... Yes I will come in an hour, I will drop the triplets first with Koko..... Where is yooyoo?..... At the pack with Jina?..... No-No they want to surprise their father..... I can't reach Jihoon can you please tell him to come home in 15 mins .....I need him... Oki babyee",Taehyung keep his phone away and look at Jeonsan who pull away looking sleepy.

"Mommy sleepwy", Taehyung hummed and cover his chest before cradling him in his arms.

"Listen roses Uncle Jihoon will help you solve this problem, but you have to promise to never do such a thing again without asking eomma-appa", They nodded again.

"Pomis Mommy ",.....

"Pormise eomma" .....Namjoon would have been whacking....

"Promise mamma",Atleast...

"Good, uncle Jihoon will take deliver the boxes at an orphanage..... But I will let you guy keep one box of banana milk and choco pie",They squeal happily.

"What an Orfene? ",Taehyung laugh at Tayeon who pout.

"Sorry baby, it's or-pha-nage .....a place where kids without parents live... ",Tayeon gasp and came closer to Taehyung's face.

"Where are their parents!?",she try to shake Taehyung.

"Some parents went to heaven earlier, some couldn't take care of their baby, some were bad parents and for some we never knows.... So Jihoon will donate these sweet in your names to those children ",Baehyun push Tayeon away and look at Taehyung.

"Donate? ",Taehyung nodded, caressing Tayeon's hair who glare at her younger sister.

"Yup, when you give things to other people in need. It's a good thing to share with other when you have a lots roses. Your inner self feel at peace", Taehyung smile at her kissing her nose.

"You give thing? ",Jeonsan ask, if his mother does it he will too.

"Yes petal, eomma and appa does every month",Jeonsan nodded looking at his sisters.

"I will give my toys!",Tayeon beam.

-----

"Appa!! Appa! Look I made animal! For you ",Jungkook look away from his papers and down at Tayeon who just folded a towel paper strangely....

"Ohh that's great Bubba,thankie ",Jungkook peck her ear and took the towel paper. She happily went back where her brother and sister were playing. Jungkook had made a small space for them in the corner to play.

Jungkook smile looking at his pups, playing and giggling. The sound of their giggles calm his

temper quite quickly.

"Mr Jeon ,you are needed in the conference room", Jungkook's smile vanish and his sharp eyes met his temporary secretary, Kim Jiwon.

"Mr kim next time you come in my office you knock first, it's my third time telling you in two weeks you are here! ",Jungkook glare at him and the latter bit on his lip trying to look adorable.

"Sorry Mr Jeon, don't punish me",Jungkook clenched his jaw and try not to growl around his kids.

Jungkook was suffering!!! Onew was on paternity leaves, his mate gave birth and he was stuck with this man for the three next months!! Bitch when came for Interview had big glasses, and acting very strict and hardworking person. Now he had been flirting with Jungkook all the fucking time he gets.

"Namjoon hyung is there ,why they need me? ",He ask getting his blazer on while Jiwon stare at his veiny arms.

"Um.. H-He can't decide on something ",Jungkook hummed .

"You can leave",He nodded and glance at the kids before going.

The moment the door close Jungkook had his bunny smile again and walk towards his piggies who look up at him smiling.

"Listen my poppies, appa is going for a few minutes. I promise to come quickly, please-please stay here and don't follow anyone but me or Joon uncle or Yoon uncle ok? ",They nodded quickly.

"Oki appa! ",Jeonsan nodded vigorously making Jungkook chuckles and kiss his smol lips then give his daughters a kiss on their lips he left.....corona watching them behind the wall Madi set... Lollll

"Mr kim make sure they don't leave my office and you don't go in", Jungkook didn't even look at him and walk away. Jiwon lick his lip watching Jungkook up and down.

"Let me visit my step children.. ",.....ein?

"Heyy kiddo",Baehyun-Kim squint her eyes at him, alarmed. Tayeon look at Jeonsan and sat infront him.

"We are not your kiddo",Tayeon ignore him. Jiwon rolles his eyes and sat on Jungkook's swivel chair. Baehyun glare at him and stand up.

"That is appa's chair! ",Her small growl was so cute.

"Hey chill, it's just a chair. So tell me small monkeys, is your mother pretty? ",Jeonsan beam at the question.

"Very pretty! Mommy is Angel",Jiwon roll his eyes with a fake smile. In this two weeks Taehyung hadn't visit Jungkook since Baehyun was sick and he stayed home to look after her or when he had time he would visit his own company.

"Doesn't me and your appa-",

"You are ugly.... ",Baehyun answer making Jiwon scoff. Taehyung had secretly taught them to attack any fake bishes around their appa... The triplets had a 6th sense like Taehyung, so they can feel good and bad vibe.

"The heck, yahh my beauty cream cost a lot! ",Jeonsan pout ,glaring at him. He doesn't like people yelling around his siblings.

"Kimi is rightew you ugly! Eomma beautiful! ", He stuck his tongue at him. Jiwon scoff and squat infront them.

"I will take your appa away",he smirk... His smirk drop when two pair of dark orange purplish and one pair of Blue purplish eyes glare at him, small fangs out and low growl fill the room.

"Appa belongs to eomma!! ",Tayeon yell and Jiwon stumble back, it was the first time he saw someone like this.

"W-What the hell!?" ,He stand up trembling .

"He is our appa!! ",Jeonsan snarled at him.. Can kid do that!??.....well Jiwon run..

Baehyun-kim smile, seeing the man scared as he stumble back. It always works on anyone who try to take Taehyung or Jungkook away from them.

"Who is taking my koko away? ",The deep low voice echoed in the room and Jeonsan happily run to his eomma.

"Mommy!! ",Taehyung smile at him picking him up after he almost tripped on his small feets.

"This mistew said he is taking appa! ",Taehyung glare at Jiwon who gulp.

"You said that? ",Jiwon stammered not knowing what to say.

"He also call us monkey mamma! ",Baehyun-kim added, Jiwon almost peed in his pant when Taehyung's eyes went shining purple.... Shit.

"You called my pups monkey!? And will take my mate away!? MY MATE!? ",Taehyung growl scaring Jeonsan a little.

"Tae! Hey love calm down,it's not good for our pup",Jungkook appeared at the door panting, seem like he run. He curse seeing Taehyung's eyes, it have been months he didn't saw it.

"Calm!? He is a threat to my pups and mate!! ",Jungkook glare up at Jiwon who was shaking . The trueblood placed his palm on his one month pregnant husband's belly protectively.

"Hey babe shhh, you are scaring sannie. Please calm down nobody is taking away our pups or me", Jungkook cup his face as Taehyung look at him blankly. Jungkook carefully take Jeonsan away and place him down. But he hugged Taehyung's legs, followed by Tayeon and Baehyun.

"Eomma shhhh, we are here", Whenever the triplet were in danger or Jungkook ,Taehyung's vampire side take over the one who will hurt the cause of danger. The only way it could be control, it seem with the pups around.

"Mamma no one taking away appa! ",

"We protect appa! ",when Taehyung look down at them his eyes were back to dark brown and he smile.

"Kim Jiwon you are fired! Out right now! ",Jungkook eyes turn red as the latter submit and walk out of the room.

"Aishh babies appa is sorry ",Jungkook bend down hugging them.

"Koko, I am hiring people from now on ",Taehyung smile at him, a smile which scream 'i can kill right now'.... Jungkook just nodded.

-----

"Who organised this party? ",Jimin asked Taehyung .

"This party is boring as fuck.... ",Hoseok groan.

"A close friend of Jicheol appa did,I think it's Yoona aunty's older brother.... Since appa is turning 45 years old he gifted him a party.....", Taehyung look around the boring classic theme.

"Isn't it the same place Jungkook held his birthday day years ago? ",Y/n ask after looking at

Mr park carrying his grandson.

"Nostalgia ",Jimin smirk.

"Look like we are in a funeral", Taehyung chuckles.

"I know I want to leave this fucking party",Jimin said they chuckles.

"Where is Jungkook and Yoongi? ",Y/n asked.

"Helping around and Jungkook went to put the kids to bed in a room. They were tired after dinner and played too much with their grandfather", Taehyung look around and smile seeing Jicheol greeting his guest. They had already cut the cake and here they were in a boring party.

"Yoongi hyung is feeding Jim-hyun ",Jimin pointed at Yoongi who was feeding his one years old son at a table away from the crowd.

"C'mon guys kill me... Why the head alpha's birthday party is always this boring!??",Jin groan loudly as he sip on his champagne.

"Oh.... taehyung is doing that smile again.. ",Jimin point at him who was grinning evilly.

"Last time you smile like that we end up in jail again! ",Hoseok whine and Taehyung scoff.

"Well bitch wasn't giving the last diaper left! Like sis I have three babies you have one! I am more in need of it! She was then like, are you seahorse!? Having so much babies!?"  
",Taehyung roll his eyes.

"We just threw some fists",Jimin shrugged.

"And snatch some of her hair",Jin shrugged too.

"Oh! Oh and I just made her wear an adult diaper... Nothing much",Y/n shrugged.

"And in separating you all I end up with you in jail too",Hoseok rolled his eyes.

"And I had to helped you all out",Namjoon added.

"C'mon guys we are going to give this party some life.... All the kids are out",Taehyung smirk pointing at Mimi and Yoona who were taking Jim-hyun, Jina and Hoshi upstairs.

"I am in",Jin said following by everyone saying the same.

"The good old time".

-----

"Hey Minho ",The dj look at him and gasp.

"You again!? Damn just go ahead and tell me what to do?",He laugh with Taehyung who took the mic...

"Hola~~~~ everyone it's me Taehyungie! Remember me!?? A huge and happy birthday to my father-in-law. Thank for being born appa, it's an honour to have you in our lives",Jicheol smile at him and sent him a flying kiss with Jihyun chuckling.

"Just like last time you deserve something fitting you birthdyboy! SO LETS DROP THE BEATS! ", the light was turn off and colourful lights were on ,around the hall. Then loud party music echoed in the hall.

Jimin, Hoseok, y/n, Jin and Namjoon started dancing creating the ambiance. Jicheol joining with his family ignoring the shock man who had held this party for him.. Yoona look away from her brother and walk away towards the bar as she came down.

"THAT IS IT FAM!!!! ",Taehyung threw the mic at Minho who caught it then the vampire omega proceeded towards the dance floor. He dance with Jimin and y/n swaying his body around, carefree.

Taehyung smile when he felt arms snaking around his waist . He bite his own lips feeling the hot breath fanning near his ear then earn a bite on it.

"First time here beauty? ",taehyung turn around and wrap his hands around his neck pressing their body together.

"Ahuhh, you looking for someone hot, boy? ",Jungkook chuckles and squeeze his ass making him moan.

"I am looking for you since forever ",Taehyung smile and smash his lips against Jungkook's lips. Jungkook smile in the kiss this is how it was supposed to be years ago when he first saw the black hair beauty dancing on the dance floor.

"No bed breaking tonight? ",Jungkook lick his lips.

"Nope, you already break my inside two hours ago in the washroom", Taehyung giggle

pecking Jungkook's lips.

"We made it",Jungkook smile looking around them hugging Taehyung closer.

"Yes".

"Ayoooooo Jungdance!! Dance with me!! ",Baekhyun pull Jungkook who laugh dancing with him and swirling around. The family dance with each other, happily, laughing, and together.

"Damnnnn eomma's brother is a little boring",Jimin laugh already a little drunk as he dance. They were dancing in group now with their parents outside their circles.

"Jiminah you mean my mother is boring!AHAHAHAHA",Yoongi laughh dancing lazily.

"Yoona aunty should know how to have fun sometime ",Jin added grinding his back on Namjoon..

"I don't think she have this in her dictionary ..",Jungkook laugh with Yoongi cracking up by his side.

"She is cute but scary with a straight face... She should eat more sugar", Taehyung whine when Jungkook nibble on his shoulder as they sway around.

"Guyseuuu what if she is the Grimeu! Silent !!",Hoseok gulp down, he whine as Y/n laugh swaying around with him.

"She is Grim Hoseok n-",The music die and they look towards the dj. Yoona stand with a mic in her hand with a huge scary grin.

"Oh my non existing stock of timberland.... ",

"We are done".

Hola~~

Mah expensive bishess! ~

Yeah it's finally the real end of

His Vampire Omega.

With 262k views

I enjoyed the whole journey  
with you all.

Took me three years to complete it..

2018-2020

Getting deleted two time then got my whole acc deleted. 😂

But I am a bad bish(´-`)

I bought it back again and again....

## Facts about this book:

- 1• There was always hidden hint for the whole dramas... Taehyung's past and the battle.
- 2• Sana was gonna to be Jungkook's sister and Daehyun his ex.... But me not knowing twice so much mix up the names and faces.
- 3• Jicheol was gonna to be a strict and serious father. He was gonna to dislike Taehyung and cause many trouble. Forcing Jungkook to find someone else and mate them....but along the way he would have fell for the cute Vampire omega and accept him as his son's mate... But you see your bish, wanted a crackheads household.. So it turn out how it is today.... You must have notice in first chapter Jungkook's father sound strict.
- 4• After chapter 20 ,my brain froze, and didn't knew what to write, so I went into jealousy

and Taekook more and end up getting more chapters than needed.. Oof.

5• Jungkook wasn't gonna to be soft for Taehyung. When Taehyung was helping Jin to give birth... That was the moment Jungkook would have realize he love Taehyung and he was the one.

6• Hyungsik wasn't gonna to die soon, he would have been a snitch and side up with The Lord.....

7• Taekook was supposed to get only one pup... A baby girl.

8• The vacation in Mauritius wasn't gonna to happen. They were supposed to go to Bali for honeymoon.. But I keep getting lots of questions about where I am from... So I introduced myself.... Oh next vacation come to Mauritius 🇲🇺

9• On the honeymoon, the whole crackheads family would have come... But I couldn't imagine much dialogues and the chapters would have been longer.... And I needed to complete the book quickly.

10• As I don't like books which end with the plots or only one chapter with Taekook's babies, I wrote a sequel, after plots...

11• Jimin was supposed to be Taehyung's and Bogum's son... But i changed it. Jimin would have never know until Bogum appeared in the battle.....the Twist it would have been. Hehehhehe

12• First time Jungkook's taste Taehyung's food in his apartment and he praised his cooking... In chapter 8...'your food makes me want more'... He remembered Bogum told him that.

13 • About Hyungsik and Sana Taehyung knew they were bad, he can sense someone vibe remember bishes?.... So he just played along. Jimin later on knew about Taehyung's plan and support him... There was this one argument he had with Sana in the living room and Jimin look towards the stairs ,Taehyung was there....he said something like Sana and his mate have

some secrets... In chapter 32 I think.

14• In the same chapter, Taehyung said something like 'Don't you find it strange' to Jimin... He was referring about Sana being close with Jungkook the very next moment him and Jungkook would be happy or when they had a fight... She would always try to manipulate Jungkook into thinking she love him.

15• I continue this book because of your encouragement, thank you 💜

16• The description had a hint you know.. I mention will they reject each other or fall in love?..... The rejection was made and they still didn't seperate ,so what was left? 😊

17• Any question for me? 😊

And a great thanks to them for leaving amazing comments😂😂💜💜

Thank you to silent readers too, who increase the view. You know sometime I think about what if the book didn't got deleted on the first place... How many views it would have... Since it keep getting delete reaching around 350k views😊.....but whatever I am happy with what I have.

I LOVE YOU💜💜💜💜 Babyeee~~

Hola~~~[😊]o/

*You all miss it here?*

*Since i got criticized*

*For this book's kinks*

*, it reminded me*

*We never got a bonus right?*

*Here you go!*

*Enjoy my bishes 😊💜✨*

*(Family moments no smut)*

*Also forgive my mistake*

*If i mess up the kids names.*

*23/07/21*

"Yeah the moment our eyes lock i fell in Love with your appa! And yes we went in that room and talk eating dessert!!", Taehyung glare at Jimin who told the kids their appa and eomma had some fun in a room first time they met.

" I don't believe this ",Kimi shrug looking at Tayeon who raised an eyebrow.

" But mommy wouldn't lie",Jeonsan frown from his seat,he soon smile hearing a cute whiny 'oppa' from his little sister.

"Yes Jeona-ah oppa give you kiwi~",his boxy smile on display as he carefully feed her in the moving mini bus.

Taehyung gave a soft smile towards his son before giving a soft glare towards his daughters and his hyungs.

" For a 10 years old aren't you two too curious?? I swear they got this habit from KoKo!",the moment the name left his mouth Taehyung wanted to cry.

The triplets could sense the sadness of Taehyung and all their faces turned sad too. Taehyung quickly smile noticing their faces.

"Heyyyy, go have lunch my piggies.... Your baby sister is also hungry i have to feed her",Taehyung look at his 4 months daughter sleeping in his arms..... Yeah he was now the mother of 5. Four beautiful daughters and one son ,each of them makes him proud.

"Cmon beautiesss Uncle Jinnie will give you your lunch box- Bosam! Baby let appa sleep!",Jin carefully stand up glaring at his 4 years old son trying to pull on a sleeping Namjoon's nose.

" What!what happened!?where!? I- ummm...we already there?",Namjoon jump on his seat,eyes squinted as he look around rubbing his eyes.

"No hyung, we are almost there. The babies are gonna to have lunch you want some?",Jimin smile ruffling a sleepy Namjoon's hair.

" No, Jimin-ah i will sleep some more",Namjoon smile wrapping the cover again over him as Jimin chuckle grabbing Bosam's hand and help him to sit back with his cousins.

They were all going back at crystal pack..... Thing was Jungkook was done with Taehyung and left to stay at the pack and now had feelings for the pack doctor's granddaughter.....and all were going to kick Jungkook's ass and bring him back home.....

Nah just kidding..... Almost two weeks ago Yoona called the Jeons in the middle of the night. Jicheol and Dong wook was injured, apparently in a hunt of a very wild bear, Jicheol had a bee hitting in his eyes and because of that he couldn't save himself from the bear. In all that when Dongwook attempted to save him both fell from a height.... Greatfully it wasn't some fatal injuries, Jicheol had broken leg and Dong wook broken ankle and nose.

Taehyung told Jungkook to go with Yoongi . The kids had school and Tyullib their youngest daughter had her appointment at the doctor. It would have been stupid for all of them to just leave everything here and go there where they weren't really needed at that moment. So Yoongi and Jungkook left the same night while Namjoon stayed behind taking care of the family.

Settling things with their jobs and school two weeks later they took their mini bus and was on their way to Busan.... Well they actually took the train and shipped the bus then took the bus

once they were in Busan....anyway i think you are enough intelligent to understand and don't need me to explain simple things 😊.

"You hungry sweet bunbun",Taehyung smile as he see Tyullib yawning in his arms.

" Heree~",Jimin place a chicken nuggets infront Taehyung's lips, which the latter took and smile at Jimin.

"Thanks chim",Jimin just smile giving a last glance towards Yoomi who was still sleeping.

" Why aren't you waking her up to eat?",Taehyung asked unbuttoning his shirt as Jimin wet the piece of clean cloth with a little bit of water.

"The little copy of her father kept whining last night. Until 2 in the morning she was on video call with her father.... ",Taehyung smile taking the piece of cloth to clean his bud..

" Kimi stop eating so fast! You will chock",They look at Jina who was scolding the little mischievous girl.

"Another day,nothing new",Tayeon sigh. Growing up Taehyung feels like his two older daughters switch personality sometime.

"Thats definitely Jungkook's daughter", Jin look at Kimi who grin after her coughing fit.

" Why was there a doubt!? With that huge button ass nose!?", Taehyung question raising his voice.

"Mamma ! ", Kimi glare at him.

" Well not a lie tho.. ", Tayeon chewing her food looking at her sister and mother.

" But... but we are triplets! Aren't our nose same same? ", Jeonsan question looking worried and Tayeon's piece of pie felt out of her mouth.

" EOMMA!!! ", she whine glaring at Taehyung too.

"Mommyy!! ", Jeonsan said thinking he should encourage his sisters.

"\*Giggle\* Mommy~", Jeona the soon to be 8 years old added.

"Tyullib... Baby are you going to call me mother in a foreign language too? ", Taehyung question the baby girl in his arms. Tyullib just stare at him now lips not sucking more milk.

"Eomma? ", Taehyung's eyes widened as he gasp staring at Tyullib more closely.

" You talking already baby!?", the way he heard all this kids sigh in the background.... Lol.

"Thats Yoomi Tae \*Chuckle\* yes love? ", Jimin smile turning around to his daughter who had his eyes open only a little bit with mess up short hair.

" We there? ", she yawn as Jimin sat down next to her and comb her hair with his fingers, pecking her forehead.

"In 15 minutes", Namjoon replied folding his blanket .

" Y/n is saying to make Byeol eat his veggies", Taehyung said Checking the group chat.

"Tell her he is eating like a good boy", Jin replied winking at Byeol who show him a heart shape smile, because uncle jinnie lie about it, the boy only ate a few.

" mmmm", Taehyung replied and glance back at the car following behind.

They all took two weeks off to go at their favorite place since Yoona and dong- wook wedding anniversary was in the second week. Children vacation always meant them to visit their grandparents anyway so yeahh.

"I am excited!!! I will see appa! ", Jeonsan said clapping his hands making his sisters smile at the thought of seeing their father after days.

" There is nothing exciting in that, i saw his face over this 11 years every day and bruh its ok.... Feel like i just saw him yesterday ", Taehyung shrugged making everyone stop what they were doing and gave him a suspicious look.

" What? -OHHHH!!! OHHHH LOOKKKKK ITS THE BEACH WHERE YOUR APPA AND I SHARED THE MOST BEAUTIFUL MOMENTS!!! LOOKKKKK!!! OH MY GAWDDDD!!!! ", Taehyung yelled handing Tyullib to Namjoon who quickly hold her as if she was a menace to his clumsy existence.

"Another vacation, same dialogue", Tayeon shrugged as all agree with her watching Taehyung smile beautifully looking out of the window happily...

His memory was always the day he shared his past with Jungkook and how they had fun here. Through years they do still have a small quick visit or date at that beach every time they come to busan.

" Welcome to Crystal pack! ", Jina yelled when the gate came into view.

Jimin smile with huge puppy sparkling eyes noticing a few people waiting for them and of course his man was in front ready to hold him and his daughter after days.

The mini bus stop and Jin walk out first making sure the kids doesn't fall as they excited run out. The triplets and Jeona run out one after another noticing the big bunny smile and teary eyes running towards them with open arms equally.

" My flowers! ", Blond Jungkookie yelled kneeling down to have his children hugging him tightly. Jeonsan jump directly into his embrace hugging his neck with the girls smiling and doing the same thing. Jungkook wrap his arms as much as he could around them.

" Appa!! I missed you! ", Yoomi more like complain when Yoongi picked her up with his gummy smile on display .

" I missed you too Love", He gave her a few smooches on her cheek and temple.

"I missed you too my salted white chocolate", Jimin smile and walk in Yoongi embrace too.

" Missed you more my Sweet chilli pepper", they pressed their lips together for two seconds.

"Let me look at your pretty faces", Jungkook said having Jeonsan crying already as he sniff looking at him.

" oh sannie, don't cry baby", his father wipe his tear pecking his nose. He look at his daughters one by one and left a sweet affectionate kiss on their face.

The trueblood never saw himself being a father to this many kids and mostly to daughters, but the man couldn't be happier to have to many love doze just for him. His children were literally his reasons to never ever get into any wrong decisions or path .

"A man was flirting with mamma at the train station", Kimi whisper in his appa's hear making him frown .

" Oh yeah? And what did mamma did? ", Jungkook whisper back.

" He ,he showed his wedding ring and said ' I am a mother of 5 kids you asshole! now get off my face or i will make you '", Tayeon said as her father smile proudly pushing her hair behind her ear.

"Children of a beautiful hot mama! Move aside! ", Came the deep warning voice making the triplets and Jeona move ,leaving the way free to Jungkook.

Jungkook smile wider his heart beating faster as he saw His Vampire Omega infront his eyes after days. The man makes his heart ready to come out. His doe eyes sparkle red and Taehyung's eyes shine blue reddish sniffing suddenly as he walk towards his koko who stand up and walk slowly ,too mesmerised by his husband.

"We are in love too! ", Yoongi said in realization.

" Yes but we don't have the relationship where we jump on-mmmmm!! ", Yoongi wrap one hand around his waist and one under his head , as he make Jimin lean back and he kiss the first love of his life.

" Fuck cub you are so handsome! ", Jungkook growl and smile as Taehyung smirk and nuzzle their nose together.

" ahuh, koko~~ lets make love in the bus", he moan.

"Oh yass! Les get -", Jungkook walk toward the mini bus until someone yell.

" Hold up horny parents! I am still here holding your baby and the driver is still in that mini bus!! Don't traumatize the man like you always do by screwing around at many places! ", Namjoon scold them rocking Tyullib in his arms.

Jungkook gasp and let go of Taehyung who look irritated by his ruin plan. Jungkook wipe his mouth, smiling as he look at his baby omega in Namjoon's embrace.

" Hello there little flower", he mumble softly giving a quick acknowledge toward Namjoon who smile showing his alluring dimples.

"Aww its appa ,my soft cotton", he said in a baby voice taking the whining baby in his arms. The trueblood gently rock his vampire omega daughter as he look down at her with a fond smile. Hearing the voice baby Tyullib whine louder but then stop when she lock eyes with her father.

Taehyung's expression had changed to a soft one, he smile approaching them. He feel so happy and proud when Jungkook do this with their kids. The way he manage to be the best father and husband make Taehyung melt like ice.

" Babeeeee i think there is a kissing competition going on here!! ", Y/n said tapping Hoseok's shoulder.

" ennh? ", he look confusely around and saw Jimin whimpering and pulling on Yoongi's hair in a very violent way but the man keep kissing him.

" keep pulling and you will have a bald man! ", Yoongi said and quickly went back to kissing.

".... Let participate in it!! ", Y/n said turning toward Hoseok who quickly nodded . They kiss with y/n' s right leg lift up against her husband's waist who hold it and another around her waist.

" What in horny wolves is happening? !!! ", A high scary voice was heard pulling Yoongi away from Jimin.

" You stupid cat pulled out of a river! Stop taking my son's oxygen away!! ", Yoona scold Yoongi who look grumpy being pull by his collar.

" Didn't know you refer your womb as a river.....",.....

"..... "

"Oh..he fucked up..... ", Namjoon whisper and freeze when Yoona look up at him.

" Do we have to run? Because we said nothing bad i swear on my existing ghost look aunty-", Jungkook sigh and hand Tyullib to Taehyung who step back.

"I think you won the competition hyung", Hoseok pull away grinning before jumping around with y/n happily.

-----

"Aishhh!! Appa why weren't you Careful! " Taehyung look angry as the man try to make the most saddest face to not get more scold.

"I was just trying to hunt for fun-ahhh!!", Jicheol yelp having Taehyung smacking his broke leg slightly.

" Not fun anymore!! Be careful next time! ", Taehyung narrow his eyes at his father-in-law as Jihyun laugh at her husband.

" Eomma!! Don't hurt my Grandpapa!! ", Jeona crawl on the bed with Jeonsan help and launch at her grandfather. Jicheol smile widely pulling the baby girl in his embrace.

" mmmm, did you went to the bathroom? ", Taehyung asked knowing this little girl have hard time controlling her bladder.

" Yes!! Tayeon unnie helped me! ", The latter sigh louder making them aware she had a hard time. The triplet help each other to climb on the tall fluffy bed of their grandparents. Tayeon pull Kimi as Jeonsan push her up.

" Good and you Wook uncle stop giving in his cuteness! ", Jicheol was no longer allowed to go for hunting since he was getting old and he couldn't see properly without his glasses.

" i was just helping? ", The man gave a nervous smile sitting on the rocking chair with his Almost healed ankle and still a little bit swollen nose.

When Taehyung took a step towards him ,dong wook quickly attempt to hide his nose and ankle in case the man touch it.... He had already got a very soft sweet scolding from Jimin so he was good.

But Taehyung just help a frustrated Jeonsan who was looking at Dong-wook. He stand there timidly not knowing how to sit on granduncle's lap. So his eomma noticed and helped him, the little vampire omega smile widely at Taehyung who peck his head .

" I can massage your feet granduncle", Jeonsan said sweetly making Dong-wook coo at him and pinch his cheeks.

"Its beautiful to see our grandchildren aren't rotten boil eggs like their father", Yoona added sitting on the couch with Yoomi and Bosam on her lap.

Namjin and Jina greeted the family and went to keep their house to settle thing there and surprise Namjoon's mother. Hoseok was in the bathroom helping Byeol while Y/n went to get the rest of the luggage with Yoongi and Jungkook.

" Oh Jimin-ah! How is the little one? ", Jicheol asked looking at Jimin who was talking with Jihyun.

" Ah,kinda calm. I threw up twice in the train and nothing in the bus. Yoomi didn't trouble me that much when she was a two months fetus", Jimin smile rubbing his very small bump as everyone was smiling back at him.

"Maybe its a boy, The sleepy yoongi you see used to be a footballer in my tummy", Yoona smile slightly remembering herself with a baby bump.

" Maybe", Jimin giggle as Taehyung smile widely wanting to pinch Jimini's chubby cheeks.

"Hello family , i need my husband", Jungkook walk in the room eyes settling on Taehyung quickly as he smile.

" Thats me~", Taehyung shyly mumble, he isn't usually shy as we know but seeing Jungkook after so many days make him a little shy..... Like he didn't make 5 children already.

"Obviously not me", Yoona said blankly ruffling Bosam's hair.

" what about us?! What about your children father!?", Kimi stand up stepping on her grandpa's chest making the man close to dead .... Mmm.

" Calm down my daughter~ appa and eomma need some alone time yeah? I will be all yours after this ok? ", Jungkook smile picking her up as he push her long hair behind her ear. She pout glaring at her father with one monolid .

" mmmm fine! But after this you are all ours! ", She grin her bunny teeth poking out making Jungkook return a very similar smile making Taehyung scoff at the demand.

" Promise flower", Jungkook gave her a quick peck on her lips as she happily went back to her grandpa who look now a little alarmed at her.

"Hold up little piggies! He is my husband first then your father! So chill your small asses or i will sent you back from where you came! ", Taehyung narrow his eyes at her.

" Your ass? ", Yoongi ask confusely standing at the door.

" Jungkook's balls? ", Y/n walk in and look at Yoongi.

" Hyung! ", Jungkook glare at him.

" Bish-", Taehyung look in disbelief at

Y/n before laughing with her....

"Oh c'mon appa its not like we don't know where we came from", Tayeon shrugged, head on jicheol's chest.

" Mamma have a huge butt because of that? ", Kimi smirk.

"Aww thats what i get popping five devils out of my \*beep\*! ... Piggies you know where you were made? ", Taehyung grin sweetly which is obviously fake at his two older vampire alpha.

" Thats suspicious... Should we reply? ", Tayeon narrow her eyes at her eomma.

" He always get sassy", Jeonsan raised an eyebrow playing with Dong-wook's chain.

"He will say something bad, i swear on my non existing weewee", Kimi narrow her eyes and Jungkook was quickly out of the room...

" Exactly why you three were made in a car! ", Taehyung smile evilly.

".... what about me??", Jeona suddenly look worried.

".....home's balcony.... ", and Taehyung run out hearing his kids going ewwww.

" we are transparent... ", Jihyun mumble.

Taehyung and Jungkook were not mostly the typical parents . They were very open on some topic and believe in talking about many thing to help the kids not to stay dumb. It was their way of parenting and until now its working perfectly. The kids always share their problems, doesn't threw tantrum for nothing, love their siblings and parents and always ready to protect each other.

-----

" koko? ", Taehyung whisper walking in his and Jungkook's room as he glance at Tyullib who was sleeping on the bed surrounding with pillow.

Jungkook peek out from the bathroom and beckon his husband. The vampire omega happily walk in as Jungkook grin drying his hand in a towel.

"Babeeee~", he sing sang softly grabbing on Taehyung's hand and pull him closer.

"Yess~", Taehyung smile beautifully as he wrap his arms around the trueblood's neck. Jungkook peck his cheek gently lifting Taehyung to place him near the sink and then spread his legs to get in between.

"Sorry baby, you had to look after our kids alone", He apologize caressing Taehyung's neck as he take in his scent.

"No koko, the hyungs helped me and our triplets get very responsible when you arent around. Don't be sorry, you are a good son ,husband and father", Taehyung cup his face and lean to leave a sweet wet kiss on his lips.

"But you are the best", Jungkook chuckle pulling away to lift Taehyung's shirt. The omega shiver having the touch of his husband after so many days. He was a melting ice again as he shyly look at Jungkook who took off the shirt.

"Oh babe, your nipples are so red", The man frown. Taehyung bite his lips expecting Jungkook to maybe lick or do something freaky freaky with him.

"Our babygirl is too rough", Jungkook scrunch his nose thinking about his youngest girl as he bring up the warm wet towel to pat on Taehyung's nipples.

"mmmm", Taehyung swallow and almost yell when Jungkook's glance at him with a smile. His heart went like boom boom boom~ .....

When Jungkook unzip his jean the vampire omega quickly wiggle his ass to let his husband take it off. Jungkook caress the black panty Taehyung was wearing. He sigh and shut his eyes before looking at Taehyung who was looking at him with his seductive eyes.

"Its healed? I don't feel the little pain anymore ", The trueblood asked trailing a finger on the scar on Taehyung's stomach.

"Its completely healed", A soft smile on his lips looking down at his scar, this make him remember their youngest babygirl.

" Thats great then my strong mama", Jungkook grin leaning to peck his lips making the vampire omega giggle.

"I love you Koko", Taehyung mumble sincerely fingers snaking in his husband's hair.

" I love you more cub", His eyes shine with so much love that Taehyung want to squish this bunny.

"Aww my strong adorable cute bunny alpha",he pull Jungkook closer and started kissing very intensely.

Taehyung's finger got engaged into unbuttoning his blond husband's shirt as he tease him leaning back, making Jungkook groan and chase that lips he always crave for.

" You look hot with blond hair papi", Taehyung praise him lips very sensually licking and nibbling on his alpha's milky clear neck.

Jungkook hummed hissing ,eyes close in pleasure as he smile when Taehyung sink his canine in his flesh. The trueblood moan fisting his vampire omega's hair while another hand squeeze his thigh.

"Fuckk, i fucking love you! ", he moan, too much high like always whenever Taehyung suck his blood out. Especially after days not having his man's hand on him it was more exciting now.

" Mmm delicious ", Taehyung smile satisfied as he lean back when Jungkook let go of his hair. He look at Jungkook's blissful expression panting , eyes pure red and Taehyung knew he was getting it.

He yelp having Jungkook hungry attacking his lips going for kisses and hickeyes all along his neck and chest. Jungkook lick and smile proudly pecking the tattoo on Taehyung's collarbone ' JK Jeon ' in a beautiful calligraphy and red kissy lips at the end.

"Already so hard papiii~", Taehyung smirk having it rub against his own erection as Jungkook pin both of his arms against the mirror behind him.

"You causes that, only you", Jungkook made Taehyung muffle his yell when he lick his red hard nipple. Taehyung wanted to pin Jungkook down the way he was looking up at him challenging while his tongue flicker around his buds.

" Only me ~", Taehyung growl sexily biting on his lips afterwards.

" Reminds me of our first adventure in a restaurant washroom~", Jungkook whisper against his skin.

" S-stop! Don't make me yell you bitch! Our daughter will wake up", Taehyung whine and Jungkook stop not wanting to ruin her princess's sleep.

"Oops sorry", He chuckle letting go but Taehyung grab his hand .

" Cover my mouth papi and then torture and fuck me! Whatever i need you inside me! ", Taehyung demand placing Jungkook's palm over his mouth, is Jungkook surprise? Nahhhh not anymore....

Long story short , Taehyung was devoured against the wall and again in the bathtub while both trying hard to cover the moans. To a point Taehyung had to push Jungkook's head in the filled bathtub while he was getting eaten out there because their little omega whimper loudly. No worries the Alpha only choked in the water but his husband then gave him a blow job to bring his energy back to life..

-----

" Appa, i missed you so sooo muchhhh", Jeonsan whisper cutely tracing his name on his father's bare chest. The trueblood like skin to skin affection with his kid.

"Aww my handsome flower, appa missed you all more", Jungkook smile feeling overwhelmed surrounded with the loves of his life.

Jungkook was sitting on the floor in the living room with Jeonsan, Jeona and Baehyun-Kim on his lap and naughty Tayeon hugging his neck sitting on the couch Jungkook was leaning against. Jeonsa was leading all comfortable again the right side of her father's chest because Jeonsan was busy tracing their names over Jungkook's chest. Kimi smile happily as she burry her face in her father's neck and inhale his scent.

" They are all over you", Taehyung smile sweetly as he walk in the room a little limping. He had a shawl covering his chest because Tyullib was having her evening's snack.

Taehyung let out a soft chuckle when Jungkook's and all of their children's sparkling eyes rest on him and they smile beautifully at him. No matter how many bickering and teasing they still love each other presence.

"Eomma i wanna to play with Tyullib! ", Tayeon demand rocking her upper body making Jungkook move back and forth. He rarely get annoy by his kids but mostly let them do what they want if it hurts nobody.

" a few more minutes and she is all yours to play", Taehyung said sitting next to Jin who was watching the tv.

"Okiiiie", She giggle as Kimi groan , Jungkook rub her back and peck Jeona's hair.

Jungkook had got his children names tattoo on his chest and each name font were different and unique. Not to forget he also got the same tattoo like Taehyung's on his collar bone which says ' TH Jeon'. Taehyung later on seem to have interest in tattoo which lead to him getting the same tattoo as Jungkook, a 'JK' on his fourth ring finger, collarbone one and their children names on his forearm.

"Look like your Jungkookie went hard on you", Daehyun smirk walking in the living room with the tray of drinks.

" Daehyun! You already came! ", Taehyung happily said.

" She came last night hyung", Jihoon follow behind patting his one year old son's back.

"He said what!?? ", And Jihoon gulp staring at his Father-in-law who literally drag his broken leg in the living room... Holymimijojo!!

" Yeah repeat that dear brother-in-law", the sinister tone of Jungkook and his scary red eyes made Jihoon bow and sit next to Taehyung for protection against this father and son duo.

"Oh cmon my hubby was just joking ~~", Daehyun whine.

" Jiji!!!! WHY YOU RUNNING WITH BROKEN LEG!? ", Jaehyun yell coming towards the living room and Jicheol panick looking around and then quickly push Bosam away from Jin's side and sat there.

" The audacity??? ", Little Bosam said in disbelief and Jicheol smile sheepishly pulling him up on his lap again.

" Mistreating kids isn't good ", Yoona said as a matter of fact peeling her apple as Jina approaches her.

" Huh? Saying who? Yoongi a 6 years old you brought with you at the mall then saw 10 minutes of lucky promo over knife and drag him along! I got pushed around and a old lady step on my feet! If thats not mistreating a small helpless sweet cute kid!?? ", Yoongi narrate his painful story.

"Thats... thats emotional my brotherseu", Hoseok blow in the tissue paper as Y/n look at him in disgust stopping to eat her fruit salad. Namjoon had his lips parted looking back and forth while massaging Jin's feet.

"..... One month ago you saw promo on boxer with small cute bears and drag me along where you literally picked me up and threw me at that mister who was going to pick the last set and said " attack yoo!!"and then told me 'sometimes life is not all about unicorn and no violence'..... ", Yoomi frown from Jimin's lap.

Yoongi froze side glancing at Jimin who had a scary smile on his face as he picked yoomi and placed her in Dong-wook arm who was at the dining table with Hoseok and Y/n.

"You threw our daughter at a stranger for a boxer?? ", Jimin asked.

" Ouuuuuu now now that's not nice yoongi uncle", Jina mischievously said laying on the floor next to Yoona who was massaging her head.

"I.... I..... You know our Yoomi took the man down. Like literally she flew towards him and he end up unconscious, i had to pick my new boxer on one side and then yoomi on other side before yeeting the hell out of their after paying... Um-OHHH MY.. My waist still hurt", Yoongi hold his waist quickly.

" Hyung how could you do that!? She could have get hurt!!! ", Jimin angrily walk toward him as Yoongi look at Jicheol who was still using Bosam as protection. So he picked Byeol up and put him in front.

" Did i ever told you how hot and sexy you look when angry~", Yoongi asked smiling, flirting, attempting to save his ass.

"Not my child white Satan! ", Y/n protest pulling her son away and Yoongi was done. So jimin strangling him in the background was like nothing....

" Jiji!! ", And they look at Jihyun.

" oh hi jiji, whats up? ", jicheol smile innocently.

" Your soul", She smile back.

"Baby chill, look at our cute Bosam.. He look just like our son Jin", He said cupping the baby boy face.

" Because thats my son? ", Jin gave a duh look.

" Sooo family, how about a BBQ night like always? Lets chill and talk! ",Hoseok said standing in the center. There was tones of yes. It was always exciting this family get together.

" Everyone know their job when it comes to BBQ, mine is to make salad so i am going, lets go Jina", Yoona sigh getting up.

"This little chubby doll always whine when you cover her with too much clothes", Jin caress Tyullib's cheek, she whine trying to grab his hand as her beautiful eyes look around because the other were moving.

" Yupp, she feel hot easily I guess, thats why i only made her wear a cute pink baby crochet hat , fluffy socks and a long sleeves dress oh and of course her diaper~~", Taehyung sing sang trailing his finger on her as she look at him with huge eyes and giggle feeling ticklish.

"Uhhhh you smiling at eomma? Is he funny? ", Taehyung baby talk with her and lift her up to boop their nose..

" This is giving me baby fever ", Jin sigh as Namjoon sit next to him and pull him against his chest. Jin smile softly as his alpha play with his hair.

" I don't mind this fever at all", Namjoon kiss his head and Jin just hummed.

"You are too obvious appa", Tayeon whisper in his ear. Jungkook wasn't even trying to take his eyes off Taehyung. He smile in dazed, doe shining eyes on Taehyung as he play with their youngest daughter.

" He is so handsome ", he mumble.

" You talk like you aren't married to him", Kimi add feeling fuzzy when her parents are like this.

"Best decision ever", Jungkook said scrunching his nose thinking about how lucky he was.

" He is the best, an awesome perfect husband ,an amazing mother and i still can't believe this perfect beautiful creatures is mine, my mate", Jungkook smile admiring his crush, his love.

The little Jeons look at each other with a knowing smile. They always catch their father Anytime, anywhere just staring at their mother with eyes full of love and admiration. They were happy and proud to see their parents so in love even if its pure sweet annoying at some point, but they were glad their parents weren't like some of their friend's parents(fighting/divorced/not in love)

"Look at him looking like the purest angel on earth \*chuckle\*His eyes are so pretty , literally tells a lot. You don't know how my heart beat uncontrollably when he look at me with those eyes, reflecting the love he have for me.... He took my breath away everytime as if its the first time-", Jungkook stop and breath in when Taehyung suddenly look at him.

" we know ", Kimi rest her hand on her father's chest feeling his heart beat.

The vampire omega narrow his eyes a little bit because his 5 babies were looking at him with a silly smile which was rare. Taehyung's eyes widened and he smile widely showing his boxy smile before lifting Tyullib up a little bit thinking they wanted to see how the babygirl was making faces . Jungkook exhale slowly his smile growing widely, so in love and happy.

" I love him so much that it makes me feel alive", He mumble pulling his kids closer to hug them.
