Taehyung recently came back to korea and attend his old college to complete his study but he find himself intrigued by the rude cold handsome man everyone call 'The beast'.

(TBH i was missing His Vampire Omega Taehyung so the personality are same for Taehyung)

(The book is old and cringed type to be honest, read if you can and if you can't then don't read and also don't comment negative stuff 🙌)

“Because you were busy with Hoseok and Namjoon Hyung about the rap competition which you three obviously won. “ ,Jimin shrugged.

“And I just by chance the one Jinnie called so” , Namjoon shrugged. Jin just shrugged too. Why they were not jumping on Taehyung? Because they already met yesterday and because Yoongi was punishing Jimin yesterday for being naughty he couldn’t meet Taehyung who just called him in the morning to surprise him.

Soon the bell ring and they walked to their class. Taehyung with Jimin as there classes were near.

“Why did you call Jungkook a beast?” ,

“Oki mrrrrr parkkkkk”,they both say together,and head to sit . Hoseok sat next to his girlfriend Armee, that’s when Taehyung noticed the exotic black hair boy looking nope staring intensely at him .Oh my beast is here!He smiled and just plopped next to Jungkook, who just gave a blank expression with very alluring eyes.

## Chapter 3

### Taehyung pov

After begging him for who knows how many time, and after receiving many glares he finally brought me to his house,...um i mean apartment.

I don't know but I have the feeling he don't want me to see his apartment and I don't blame him....because BITCH THE ROADS HERE ARE FULL WITH PEOPLE FIGHTING AND DRINKING!!!!

"Say Kookie since how long you have been living here?" ,I ask him still in his arms as he was going upstairs.

"11 years",he didn't even look at me, I hummed and snuggle in the crook of his neck.

"Taehyung I know you are rich, and this place..... is nothing like your place",so that's the problem he think I will judge him, but what made me happy was HE SEARCH INFORMATION ABOUT ME!!! MY PAPIIII!!.

He opened the door and enter in with me placing me on the couch. He sighed and shrugged.

"My apartment",I look around, it was quite small, the walls were a little dirty, the living room and kitchen was in the same big room. I got up and limped looking around.

Jungkook was intensely staring and following behind.

"You live alone here?" ,i asked, looking at a photo frame, no doubt it was Jungkook he was smiling widely ,he was maybe around 6 years old and a woman hugging him.

"No, my father too but he is very rarely here so you can say, I stay alone here",I turned to look around and he was already looking at me a little frowning.

"Your mother is beautiful " ,he smile... HE SMILE!!!!!!

"Yes she was, she had cancer and pass away 6 years ago and...i have been alone since then. Because you see my father only live for his bottle of soju",his voice....yes i could felt the pain and THE FIRST FULL SENTENCE HE SAID!!!!!!!!!!

I couldn't take it and engulfed him in my embrace. He stiff but relaxed soon when I rubbed his back.

“You are no longer alone Jungkook, I’m here! Your Taehyung”,I looked at him. He was quite surprised. I hold his hand and turned to the frame.

“Eomma ,I’m your daughter nope your son - in -law!!! Hiiii, I will take care of our cute muscular kookie from now on”,I know he was looking at me.

“And eomma I will make him fall for me !! Promise !!! Bless me eomma”,I whisper but he heard it. He pulled me in his embrace, surprising me.

“Eomma huh? And baby boy it’s difficult to make me fall for you”,he smirk.
